The *Births, Deaths and Marriages Registration Act 1995* defines a doctor to be “a registered medical practitioner”. Item [1] of the proposed amendments omits this redundant definition. Items [2] and [3] replace references in that Act to “doctor” with “registered medical practitioner”.

Items [4]–[7] permit overseas qualified doctors to provide the Registrar of Births, Deaths and Marriages statutory declarations verifying that a person applying for the registration of the person’s change of sex has undergone a sex affirmation procedure.  - (b) by email to an email address specified by the hotelier, club or holder of the dealer's licence for the service of the notice.

Explanatory note

The proposed amendment enables the service of written notices of revocation of the declaration of a device as an approved gaming machine on the hotelier, club or holder of the dealer's licence who is in possession of the device to be effected by email.

1.9 Hairdressers Act 2003 No 62

Explanatory note

The proposed amendments to the *Housing Act 2001* ensure that only amounts advanced by the Treasurer or appropriated for the purposes of the New South Wales Land and Housing Corporation are required to be directed to the Housing Account (and not all amounts so advanced or appropriated for the purposes of the Department of Communities and Justice). This reflects the current administrative and financial arrangements relating to the Housing Account held in the Special Deposits Account.

1.11 Independent Commission Against Corruption Act 1988 No 35

Section 52 Legal and financial assistance for witness

Omit “Director-General of the Attorney General’s Department” from section 52(5).

The amendments reflect recent reforms of notification requirements across the statute book.

Item [2] removes the requirement for copies of certain reports to be made available for sale at the principal office of the Government Information Service (which is no longer operational). The Tribunal’s reports are available free of charge on its website.

Explanatory note

Items [1] and [2] of the proposed amendments remove the requirement for the Ombudsman to be under 65 years of age. Item [4] extends those amendments to the existing Ombudsman.

Item [3] extends a provision that makes the Ombudsman competent and compellable to give evidence or produce documents in certain legal proceedings to include proceedings relating to the unauthorised publication of evidence or prejudicial disclosure of information during investigations by the Ombudsman. Generally, the Ombudsman is not competent or compellable. Item [3] also corrects a cross-reference.

Insert at the end of section 82(2)(b)—

- , or
- (c) by email to an email address specified by the corporation for the service of documents of that kind.

Items [2] and [3] enable the service of documents on persons (including corporations) to be effected by email.

The proposed amendment removes the reference to a “request for tender” from the definition of *procurement process expenditure* that is to be inserted by the *Public Works and Procurement Amendment (Enforcement) Act 2018* into the *Public Works and Procurement Act 1912* (being certain costs incurred by a participant in a procurement process carried out by a government agency). The reference is unnecessary because the costs of preparing a request for tender are incurred by the government agency carrying out the procurement process rather than participants in the procurement process.

[1] Section 35A Secretary may carry out inquiries and investigations

Omit section 35A(1). Insert instead—

- (1) Any notice or other instrument to be served on a registered club under this Act may be served by any of the following methods—
 - (a) by leaving it with the secretary of the club, a member of the governing body or of a committee of the club or a person who is apparently an employee of the club at the premises of the club,
 - (b) by affixing it to a conspicuous part of the premises of the club,

[2] Schedule 1[18]

Insert “(if any)” after “fee” wherever occurring in proposed sections 65B(2)(d) and 65C(2)(d).

Explanatory note

Item [1] of the proposed amendments makes it clear that the regulations need not prescribe any Australian Standard dealing with electrical, gas, oil or water metering equipment for the purposes of the definition of *separately metered* proposed to be inserted into the *Residential Tenancies Act 2010* (the *principal Act*) by the *Residential Tenancies Amendment (Review) Act 2018* (the *amending Act*).

Item [2] makes it clear that the regulations need not prescribe an application fee for an application to the Commissioner for Fair Trading to investigate alleged damage to premises by a tenant or an alleged breach by a landlord of the landlord’s obligation to provide and maintain premises in a reasonable state of repair under sections 65B and 65C proposed to be inserted into the principal Act by the amending Act.

Insert instead “*inspected written-off heavy vehicles*”.

Explanatory note

The proposed amendments replace references in the *Road Transport Act 2013* to “former” written-off light and heavy vehicles with “inspected” written-off light and heavy vehicles to make the language of that Act consistent with the language commonly used in the motor vehicle repair industry and in other jurisdictions.

1.21 Surveying and Spatial Information Act 2002 No 83

Section 3 Definitions

Omit the definitions of *Australian Height Datum* and *Geocentric Datum of Australia* from section 3(1).

Australian Height Datum means the datum surface prescribed by the regulations for the purposes of this definition.

Geocentric Datum of Australia means the datum surface prescribed by the regulations for the purposes of this definition.

Commencement

The amendment to the *Surveying and Spatial Information Act 2002* commences on 1 January 2020.

Explanatory note

The proposed amendment enables the datum surfaces on which the definitions of *Australian Height Datum* and *Geocentric Datum of Australia* rely to be prescribed by the regulations to enable those definitions to be readily updated to maintain consistency with national standards as determined from time to time.

1.22 Surveying and Spatial Information Regulation 2017

Clauses 5A and 5B

Insert after clause 5—

5A Australian Height Datum

For the purposes of the definition of *Australian Height Datum* in section 3(1) of the Act, the datum surface approximating mean sea level that was adopted by the National Mapping Council of Australia in May 1971 is prescribed.

5B Geocentric Datum of Australia

- (1) For the purposes of the definition of *Geocentric Datum of Australia* in section 3(1) of the Act, the datum surface approximating the shape of the earth’s surface defined by the reference frame designated under the *National Measurement (Recognized-Value Standard of Measurement of Position) Determination 2017* of the Commonwealth is prescribed.

Note: The reference frame designated in the *National Measurement (Recognized-Value Standard of Measurement of Position) Determination 2017* of the Commonwealth is Geocentric Datum of Australia 2020 (GDA2020) at the Reference Epoch of 2020.0.

- (2) In this clause—

name maintained by the Chief Metrologist under section 8(1) of the *National Measurement Act 1960* of the Commonwealth.

Commencement

The amendment to the *Surveying and Spatial Information Regulation 2017* commences on 1 January 2020.

Explanatory note

The proposed amendment is consequential on the proposed amendment to the *Surveying and Spatial Information Act 2002* made in Schedule 1.21, and prescribes the datum surfaces for the purposes of the definitions of **Australian Height Datum** and **Geocentric Datum of Australia** in that Act to ensure those definitions are consistent with current national standards.

[1] Section 115 Delegation

Insert at the end of section 116(2)(b)—

, or

- (c) by email to an email address specified by the corporation for the service of documents of that kind.

Explanatory note

Item [1] of the proposed amendments enables the Secretary of the Department of Customer Service to delegate to a person employed in the Public Service or authorised by the regulations the Secretary's functions under the *Totalizator Act 1997* to appoint inspectors for the purposes of the Act and related investigation and enforcement powers.

Explanatory note

Items [2]–[5] of the proposed amendments will enable the amount of fees payable for an application for a tow truck operators licence or a drivers certificate under the *Tow Truck Industry Act 1998* to be prescribed by the regulations rather than being determined by the Secretary of the Department of Customer Service and published in the NSW Government Gazette as currently occurs.

Item [1] corrects a grammatical error.

1.25 Transport Administration Act 1988 No 109

Schedule 1 Functions of Transport for NSW

Insert after clause 7—

7A Fare revenue from public passenger services

If authorised by, or under arrangements or contracts made under, this Act, the *Passenger Transport Act 1990* or the *Passenger Transport Act 2014*, TfNSW may collect, manage and deal with any fare revenue received in respect of the provision of public passenger services by RailCorp, Sydney Trains, NSW Trains, the State Transit Authority, Sydney Metro, Sydney Ferries or any other operator of a public passenger service.

Commencement

The amendment to the *Transport Administration Act 1988* commences on the date of assent to this Act.

Explanatory note

The proposed amendment is consequential on the transition from the *Passenger Transport Act 1990* (the **1990 Act**) to the *Passenger Transport Act 2014* (the **2014 Act**). An amendment in item [22] of Schedule 4.12 to the 2014 Act (the **existing amendment**) replaced existing clause 8 of Schedule 1 to the *Transport Administration Act 1988* with an unrelated provision, which allows Transport for NSW to collect, manage and deal with any fare revenue from public passenger services authorised under an arrangement or contract under the 2014 Act and the *Transport Administration Act 1988*. The existing amendment has not commenced.

The proposed amendments (contained in this subschedule and Schedule 1.15) separate enactment of the existing amendment from the repeal of clause 8 of Schedule 1 to the *Transport Administration Act 1988* in order for the repeal of that provision and the enactment of the existing amendment to occur at separate times.

The proposed amendment further provides that TfNSW may also collect, manage and deal with any fare revenue from public passenger services authorised under an arrangement or contract under the 1990 Act, as well as the 2014 Act and the *Transport Administration Act 1988*.

1.26 Workers Compensation Act 1987 No 70

[1] Schedule 6 Savings, transitional and other provisions

Insert at the end of clause 3 of Part 19I—

- (2) This clause does not apply, and is taken never to have applied—
- (a) in respect of the *Workers Compensation (Bush Fire, Emergency and Rescue Services) Act 1987*, to an amendment made by the 2015 amending Act to section 25 of the 1987 Act, or
 - (b) in respect of the *Workers' Compensation (Dust Diseases) Act 1942*, to an amendment made by the 2015 amending Act to section 26 of the 1987 Act, or
 - (c) to clause 5 of this Part in its application to either of those amendments.

[2] Schedule 6, Part 19I, clause 15(1A)

Insert after clause 15(1)—

- (1A) This clause does not apply, and is taken never to have applied, to the amendments made by the 2015 amending Act to sections 25 and 26 of the 1987 Act.

Explanatory note

Item [1] of the proposed amendments (together with the proposed amendment to the *Workers' Compensation (Dust Diseases) Act 1942* made in Schedule 1.27) increases, from \$9,000 to \$15,000, the amount of funeral expenses compensation payable under that Act in respect of the death of a worker resulting from a dust disease. The increase is in line with the increase in funeral expenses compensation payable under the *Workers Compensation Act 1987* (**the 1987 Act**) as a consequence of the enactment of the *Workers Compensation Amendment Act 2015* (**the 2015 amending Act**). The proposed amendment applies to deaths occurring on or after 5 August 2015 (the date of introduction into the Legislative Assembly of the Bill for the 2015 amending Act).

Items [1] and [2] also consolidate savings and transitional provisions relating to death benefits under the 1987 Act, currently included in the *Workers Compensation Regulation 2016*.

1.27 Workers' Compensation (Dust Diseases) Act 1942 No 14

- (2) In this clause—
amending provision means a provision of an Act or instrument that makes a direct amendment to an Act or instrument by—
 - (a) the repeal or omission of matter contained in the amended Act or instrument without the insertion of any matter instead of the repealed or omitted matter, or
 - (b) the omission of matter contained in the amended Act or instrument and the insertion of matter instead of the omitted matter, or
 - (c) the insertion into the amended Act or instrument of matter, not being matter inserted instead of matter omitted from the Act or instrument.

Explanatory note

This clause ensures that an amendment made by the proposed Act to a repealing or amending provision of an Act or instrument will (if the repealing or amending provision commences before the amendment made by the proposed Act) be taken to have commenced on the date the repealing or amending provision commences.

2 Effect of amendment or repeal on acts done or decisions made

Except where it is expressly provided to the contrary, if this Act—

- (a) amends a provision of an Act or an instrument, or
- (b) repeals and re-enacts (with or without modification) a provision of an Act or an instrument,

any act done or decision made under the provision amended or repealed has effect after the amendment or repeal as if it had been done or made under the provision as so amended or repealed.

Explanatory note

This clause ensures that the amendment or repeal of a provision will not, unless expressly provided, vitiate any act done or decision made under the provision as in force before the amendment or repeal.

3 Effect of amendment on instruments

Except where expressly provided to the contrary, any instrument made under an Act amended by this Act, that is in force immediately before the commencement of the amendment, is taken to have been made under the Act as amended.

Explanatory note

This clause ensures that, unless expressly provided, any instrument that is in force and made under a provision of an Act that is amended or substituted by the proposed Act will be taken to have been made under the Act as amended.

The Act or instrument, or provision, the subject of the revocation of repeal is taken not to be, and never to have been, repealed.

5 Regulations

- (1) The Governor may make regulations containing provisions of a savings or transitional nature consequent on the enactment of this Act.
- (2) Any such provision may, if the regulations so provide, take effect from the date of assent to this Act or a later date.
- (3) To the extent to which any such provision takes effect from a date that is earlier than the date of its publication on the NSW legislation website, the provision does not operate so as—
 - (a) to affect, in a manner prejudicial to any person (other than the State or an authority of the State), the rights of that person existing before the date of its publication, or
