

Agreement in Principle

Mr BARRY COLLIER (Miranda—Parliamentary Secretary) [10.07 a.m.]: I move:

That this bill be now agreed to in principle.

As the bill was introduced in the other place on 15 May 2008, the second reading speech appears in the *Hansard* galley for that day. The bill is in the same form as introduced in the other place. I commend the bill to the House.
