LEGISLATIVE COUNCIL

Voluntary Assisted Dying Bill 2021

Second print

Proposed amendment

No. 1 **Loss of decision-making capacity may be temporary**

Page 7, clause 16. Insert after line 16—

- (3A) However, in deciding whether or not a person has decision-making capacity, regard must be had to the fact that if a person does not have decision-making capacity at any time during the request and assessment process, it may be temporary and not permanent.
