# Statute Law (Miscellaneous Provisions) Bill 2022

## Explanatory note

This explanatory note relates to this Bill as introduced into Parliament.

## Overview of Bill

The objects of this Bill are to—

- (a) make minor amendments to the *Public Works and Procurement Act 1912*, the *Subordinate Legislation Act 1989* and the *Western Sydney University Act 1997*, and
- (b) postpone the date on which certain regulations are automatically repealed by the *Subordinate Legislation Act 1989*, and
- (c) amend certain other Acts and instruments for the purpose of effecting statute law revision (Schedule 2), and
- (d) make other provisions of a consequential or ancillary nature (Schedule 3).

## Outline of provisions

**Clause 1** sets out the name, also called the short title, of the proposed Act.

**Clause 2** provides for the commencement of the proposed Act on the date of assent to the proposed Act.

## Schedule 1 Minor amendments

**Schedule 1.1** amends the *Public Works and Procurement Act 1912* to enable the Minister and the Constructing Authority under that Act to delegate functions to persons employed in a government agency or other persons authorised by the regulations.

**Schedule 1.2[1]** updates a reference to an Act.

**Schedule 1.2[2]** amends the *Subordinate Legislation Act 1989* to postpone, until 1 September 2023, the date on which certain regulations are automatically repealed by the *Subordinate Legislation Act 1989*. As the automatic repeal of each regulation has been postponed at least 5 times, it cannot be further postponed by order under the *Subordinate Legislation Act 1989*, section 11.

The regulations are currently due to be repealed on 1 September 2022 but they continue to be required. Their repeal is proposed to be further postponed for the following reasons—

- (a) A Bill is being prepared as part of the Government’s response to *Report No 59—Review of the Heritage Act 1977* by the Legislative Council’s Standing Committee on Social Issues. If enacted, the Bill will make substantive amendments to the Act under which the *Heritage Regulation 2012* is made. It is therefore considered premature to remake the Regulation.
- (b) The *Animal Welfare Bill 2022* has been released for public consultation. If enacted, the Bill will repeal and replace the Act under which the *Prevention of Cruelty to Animals Regulation 2012* is made. It is therefore considered premature to remake the Regulation.
- (c) The *Public Interest Disclosures Act 2022*, when commenced, will repeal and replace the Act under which the *Public Interest Disclosures Regulation 2011* is made. It is therefore considered premature to remake the Regulation.

The amendment also re-enacts an existing postponement of the automatic repeal of the *Poisons and Therapeutic Goods Regulation 2008*.

**Schedule 1.3** amends the *Western Sydney University Act 1997* to provide for a member of the Board of Trustees of Western Sydney University to preside at meetings of a committee constituted by the Board, instead of the Deputy Chancellor as is currently the case.
