Statute Law (Miscellaneous Provisions) Bill 2011

Act No , 2011

An Act to repeal certain Acts and instruments and to amend certain other Acts and instruments in various respects and for the purpose of effecting statute law revision; and to make certain savings.

I have examined this bill and find it to correspond in all respects with the bill as finally passed by both Houses.

Assistant Speaker of the Legislative Assembly.

The Legislature of New South Wales enacts:

1 Name of Act

This Act is the *Statute Law (Miscellaneous Provisions) Act 2011*.

2 Commencement

- (1) This Act commences on 8 July 2011 or the date of assent to this Act, whichever is the later.
- (2) However, the amendments made by the Schedules to this Act commence on the day or days specified in those Schedules in relation to the amendments concerned. If a commencement day is not specified, the amendments commence in accordance with subsection (1).

3 Explanatory notes

The matter appearing under the heading “Explanatory note” in any of the Schedules does not form part of this Act.

Schedule 1 Minor amendments

1.1 Adoption Act 2000 No 75

[1] Section 91 Report required before order made for adoption of child

Omit “, an approved assessor, or a principal officer (or delegate)” from section 91 (2).

Insert instead “or an authorised person”.

[2] Section 91 (2A)

Insert after section 91 (2):

- (2A) In this section, an *authorised person* means any of the following:
- (a) an approved assessor,
 - (b) the principal officer of an accredited adoption service provider (or delegate),
 - (c) the principal officer of a designated agency (or delegate).

[3] Section 91 (5) (b)

Omit “approved assessor or a principal officer”.

Insert instead “authorised person”.

[4] Section 91 (6B)

Insert after section 91 (6A):

- (6B) A principal officer of a designated agency may delegate his or her function under subsection (2) to one or more employees of the agency, whom the principal officer considers to be appropriately qualified to exercise the function.

[5] Section 91 (7)

Omit the subsection. Insert instead:

- (7) In this section:
- approved assessor* means a person, or a person of a class, approved by the Director-General from time to time, by order in writing, to provide a report to the Court for the purposes of this section.

designated agency has the same meaning as in section 139 of the *Children and Young Persons (Care and Protection) Act 1998*.

Explanatory note

The proposed amendments to the *Adoption Act 2000* allow the Supreme Court, when making an order for the adoption of a child under 18 years of age, to accept a report that has been prepared by the principal officer (or delegate of the principal officer) of any government agency or non-government agency organisation that is accredited to provide out-of-home care under the *Children and Young Persons (Care and Protection) Act 1998*.

1.2 Associations Incorporation Act 2009 No 7

[1] Section 45 Lodgment of documents with Director-General

Omit “The public officer of a” from section 45 (1). Insert instead “A”.

[2] Section 49 Lodgment of summary with Director-General

Omit “The public officer of a” from section 49 (1). Insert instead “A”.

Explanatory note

The proposed amendments to the *Associations Incorporation Act 2009* make an association under that Act responsible for lodging its financial reports. At present, this obligation falls on the public officer of the association.

1.3 Children and Young Persons (Care and Protection) Act 1998 No 157

[1] Section 29 Protection of persons who make reports or provide certain information

Omit “(including any appeal arising from those proceedings), other than the following” from section 29 (1) (d).

Insert instead “other than the following proceedings (and appeals arising from the following proceedings)”.

[2] Section 37 Alternative dispute resolution

Omit section 37 (2) and (3). Insert instead:

- (2) Participation in any such alternative dispute resolution is voluntary.
- (3) To avoid doubt, subsection (2) does not apply to any dispute resolution conducted by the Children’s Registrar of the Children’s Court, or ordered by the Children’s Court, under this Act.

[3] Section 220 Regulations relating to children's services

Renumber paragraph (a) of section 220 (11) as (a1) and insert before that paragraph (as so renumbered):

- (a) a person who is a licensee or proposed licensee,

Explanatory note

Item [1] of the proposed amendments to the *Children and Young Persons (Care and Protection) Act 1998 (the Act)* makes it clear that a report relating to a child or young person that is admissible in proceedings specified in section 29 (1) (d) of the Act is also admissible in any appeal proceedings arising from those proceedings.

Item [2] revises a provision that states that participation in alternative dispute resolution services arranged by the Director-General under the Act is voluntary to make it clear that the provision does not apply to dispute resolution conducted by the Children's Registrar of the Children's Court, or ordered by the Children's Court, under the Act. The amendment also removes an obsolete reference to preliminary court conferences.

Item [3] allows regulations to be made regarding probity checks that may be conducted on a person who is a licensee or proposed licensee of a prescribed children's service under Part 3 of Chapter 12 of the Act. The Act already grants power to make regulations for probity checks in relation to persons involved in the control or management of a licensee or proposed licensee. This amendment will ensure that the regulations may make provision for the probity checks to be conducted in relation to natural persons who provide children's services.

**1.4 Election Funding, Expenditure and Disclosures Act 1981
No 78**

Section 97E Public funding of eligible parties for administrative expenditure

Omit "elected at the State election" from section 97E (2) (b).

Insert instead "elected at a State election (including at a joint sitting to fill a vacancy in the Legislative Council)".

Transitional

The amendment to section 97E extends to payments from the Administration Fund in respect of expenditure incurred during the 2010 calendar year.

Explanatory note

The Act provides that annual payments for administrative expenditure are to be made from an Administration Fund to political parties with parliamentary representatives (***elected members***) based on the number of their elected members at the time an annual amount becomes payable. The amendment makes it clear that the number of elected members includes members at that time who were elected at a joint sitting of members of Parliament to fill a casual vacancy in the Legislative Council.

1.5 Fire Brigades Act 1989 No 192

[1] Section 3 Definitions

Omit “NSW Fire Brigades” from the definition of *Commissioner* in section 3 (1).

Insert instead “Fire and Rescue NSW”.

[2] Section 3 (1), definition of “Department”

Omit the definition. Insert instead:

Department means Fire and Rescue NSW.

[3] Sections 65 and 78A

Omit the sections.

[4] Schedule 4 Savings and transitional provisions

Insert after Part 8:

Part 9 Provision relating to the Statute Law (Miscellaneous Provisions) Act 2011

30 Continuation of Fire and Rescue NSW as Division of the Government Service

The repeal of section 65 by the *Statute Law (Miscellaneous Provisions) Act 2011* does not affect the establishment of Fire and Rescue NSW as a Division of the Government Service under Chapter 4 of the *Public Sector Employment and Management Act 2002*.

Explanatory note

Items [1] and [2] of the proposed amendments to the *Fire Brigades Act 1989 (the Act)* update references to “NSW Fire Brigades” as a consequence of the change of name of that Department (by the *Public Sector Employment and Management (Fire and Rescue NSW) Order 2010*) to “Fire and Rescue NSW”.

Item [3] omits section 65 of the Act, which establishes “NSW Fire Brigades” as a Department, and item [4] makes it clear that the repeal of that provision does not affect the status of Fire and Rescue NSW as a Department.

Item [3] also omits a provision relating to temporary assignment of members of staff of Fire and Rescue NSW and members of permanent fire brigades to the former Police and Emergency Services NSW, which has since been abolished as a Division of the Government Service. Accordingly, the provision no longer has any operation.

1.6 Police Act 1990 No 47

[1] Section 39 Appointment to be made on merit

Omit “or an administrative officer” from section 39 (2) (a).

Insert instead “, an administrative officer or a temporary employee whose employment as such an employee falls within a continuous employment period of at least 2 years”.

[2] Sections 39 (2A) (b), 66 (3) (b) and 82C (4) (b)

Omit “abilities, qualifications, experience, standard of work performance and personal qualities” wherever occurring.

Insert instead “qualifications, experience, standard of work performance and capabilities”.

[3] Section 39A Eligibility lists

Omit “6 months” from section 39A (3). Insert instead “12 months”.

[4] Section 82C Appointment on merit

Insert “or a temporary employee whose employment as such an employee falls within a continuous employment period of at least 2 years” after “officer” in section 82C (2) (a).

[5] Section 82F Eligibility lists

Omit section 82F (3). Insert instead:

- (3) An eligibility list for a position remains current for 12 months after the list was created.

[6] Section 82F (5) and (6)

Omit the subsections. Insert instead:

- (5) An eligibility list is applicable not only to the position in relation to which it was created (*the relevant position*) but also:
 - (a) to any other position within the NSW Police Force that the Commissioner determines the list should be applicable to on the basis that the other position is substantially the same as the relevant position, and
 - (b) to any other position in a Division of the Government Service that the Division Head for that Division determines the list should be applicable to on the basis that

the other position is substantially the same as the relevant position.

- (6) The Commissioner or a Division Head may make such a determination at any time during the currency of the eligibility list.

[7] Section 82K

Insert after section 82J:

82K Appointment may be made to position pending vacation of position

- (1) If a non-executive administrative officer (*the incumbent officer*) notifies the Commissioner in writing that the officer intends to resign or retire from the officer's position on a specified date, the Commissioner may, before the position becomes vacant, take action to recruit and appoint another person (*the new officer*) to the position.
- (2) The appointment of the new officer may, if the instrument of appointment so provides, take effect before the incumbent officer vacates the position.
- (3) In any such case, the incumbent officer and the new officer:
 - (a) both hold the same position, and
 - (b) may jointly exercise the functions of the position.

[8] Section 91A Appointment of long-term temporary employees to permanent positions

Omit section 91A (2) (a). Insert instead:

- (a) the employee must, at some stage of the temporary employment, have been selected to perform duties at a grade that is the same as (or similar to) the grade of the position concerned (whether or not the duties of the position are substantially the same as the duties performed during the temporary employment),
- (a1) the employee was performing duties at that grade following some form of open competition that involved the selection of the employee as the person who, in the opinion of the Commissioner, had the greatest merit among the candidates concerned,

[9] Section 91A (2) (d)

Omit “the relevant skills, qualifications, experience, work performance standards and personal qualities”.

Insert instead “the qualifications, experience, standard of work performance and capabilities”.

[10] Section 91A (2) (e)

Omit the paragraph.

[11] Section 94 Requirements as to citizenship

Insert after section 94 (4):

- (5) The Commissioner may exempt a non-executive administrative officer from the operation of this section in any case the Commissioner considers appropriate.

[12] Section 95B Temporary assignment of staff to carry out work for Police and Emergency Services NSW

Omit the section.

[13] Schedule 4 Savings, transitional and other provisions

Insert after Part 26:

Part 27 Provision consequent on enactment of Statute Law (Miscellaneous Provisions) Act 2011

79 Existing eligibility lists

The amendments made to sections 39A (3) and 82F (3) by the *Statute Law (Miscellaneous Provisions) Act 2011* extend to eligibility lists having effect immediately before the commencement of those amendments.

Explanatory note

Items [1]–[11] of the proposed amendments to the *Police Act 1990* make provisions relating to the employment of persons in the NSW Police Force consistent with the equivalent provisions for other public sector employees in the *Public Sector Employment and Management Act 2002*.

Items [1] and [4] enable long-term temporary employees (that is, employed for at least 2 years) to be appointed on merit to vacant executive positions and vacant non-executive administrative positions that have not been advertised.

Items [2] and [9] modify the criteria for determining merit by replacing references to a person’s abilities and personal qualities with a reference to the person’s capabilities.

Items [3] and [5] provide that an eligibility list for executive officers or non-executive administrative officers will remain current for 12 months instead of 6 months.

Item [6] provides that an eligibility list for non-executive administrative positions is also applicable to positions outside the NSW Police Force in a Division of the Government Service that the relevant Division Head determines the list should be applicable to, on the basis that the other position is substantially the same as the position for which the eligibility list was initially created.

Item [7] enables the Commissioner of Police to recruit and appoint a person as a non-executive administrative officer pending the vacation of the position by the incumbent officer.

Item [8] removes the requirement that the position to which a long-term temporary employee may be appointed must have substantially the same duties as those performed by the person as a temporary employee. Instead, the employee must have been performing duties at the same or similar grade to the position to which the employee is being appointed and must have been, at some stage during the temporary employment, selected on merit to perform duties at that grade. Item [10] is a consequential amendment.

Item [11] authorises the Commissioner of Police to exempt a non-executive administrative officer from the requirement that all members of the NSW Police Force must be an Australian citizen or a permanent Australian resident.

Item [12] omits a provision relating to temporary assignment of members of the NSW Police Force to the former Police and Emergency Services NSW, which has since been abolished as a Division of the Government Service. Accordingly, the provision no longer has any operation.

Item [13] is a transitional provision.

1.7 Police Integrity Commission Act 1996 No 28

Section 124 Firearms and other police equipment

Omit section 124 (2). Insert instead:

- (2) Commission investigators, and Commission surveillance officers, who are seconded police officers or approved former police officers are exempt from the requirement under the *Weapons Prohibition Act 1998* to be authorised by a permit to possess or use handcuffs and body armour vests, but only when acting in their capacity as officers of the Commission.

Explanatory note

The proposed amendment to the *Police Integrity Commission Act 1996 (the Act)* replaces a provision that authorises (for the purposes of the now repealed *Prohibited Weapons Act 1989*) Commission investigators, and Commission surveillance officers, who are seconded police officers or approved former police officers to possess handcuffs and body armour vests when acting in their capacity as officers of the Commission. In doing so, the proposed amendment recasts the current provision (for more accurate expression and for consistency with the language of a like exemption in the Act) and updates the reference to the repealed Act.

1.8 Residential Tenancies Act 2010 No 42

[1] Section 22 Offence relating to terms of residential tenancy agreements

Insert “, or landlord’s agent,” after “A landlord”.

[2] Section 33 Payment of rent by tenant

Insert “, or landlord’s agent,” after “A landlord” wherever occurring in section 33 (2) and (3).

[3] Section 36 Rent receipts

Insert after section 36 (3):

- (4) This section does not apply to the New South Wales Land and Housing Corporation or the Aboriginal Housing Office.

[4] Section 42 Rent increases under fixed term agreements

Omit section 42 (1) and (2). Insert instead:

- (1) The rent payable under a fixed term agreement for a fixed term of less than 2 years must not be increased during the fixed term unless the agreement specifies the increased rent or the method of calculating the increase.
- (2) The rent payable under a fixed term agreement for a fixed term of 2 years or more:
 - (a) must not be increased more than once in any period of 12 months, and
 - (b) may be increased whether or not the agreement specifies the increased rent or the method of calculating the increase.

[5] Section 89 Repayment of rent owing following issue of non-payment termination notice

Insert after section 89 (5):

- (6) If the Tribunal makes a termination order as referred to in subsection (5), a warrant for possession may be issued as a result of that order, even if the tenant has paid all rent owing or complied with a repayment plan.

[6] Section 102 Termination of agreement or co-tenancies by Tribunal

Insert “, in the order terminating the tenancy,” after “the Tribunal must” in section 102 (3).

[7] Section 102 (3A)

Insert after section 102 (3):

- (3A) Such an order is taken to be an order for possession of the residential premises in favour of the remaining tenant or co-tenants.

Note. Section 121 provides that a warrant for possession may be issued on the application of a person in whose favour an order for possession is made.

[8] Section 110 Tenant may vacate at any time before termination date specified by landlord

Insert after section 110 (2):

- (3) Subsection (2) does not affect the liability of a tenant under a fixed term agreement to pay rent in respect of a period after the tenant gives vacant possession of the residential premises and before the end of the fixed term, if the termination notice is given by the landlord in accordance with section 84.

Explanatory note

Items [1] and [2] of the proposed amendments to the *Residential Tenancies Act 2010 (the Act)* extend certain offences that apply to landlords so that they also apply to an agent of a landlord.

Item [3] creates an exemption for the New South Wales Land and Housing Corporation and the Aboriginal Housing Office from the requirements under section 36 relating to the issuing of rent receipts. This mirrors the previous exemption in the repealed *Residential Tenancies Act 1987*.

Item [4] changes a provision, which prevents rent being increased under a fixed term agreement lease unless the rent increase is specified in the agreement, so that the provision applies to an agreement for a term of less than 2 years (rather than a term of 2 years or less, as is currently the case). In addition, the requirement to specify, in an agreement for a fixed term of less than 2 years, the amount of a proposed increase in rent is replaced with a requirement to specify the increased rent (this ensures consistency between sections 41 and 42 of the Act).

Item [5] clarifies that if the Consumer, Trader and Tenancy Tribunal makes a termination order because it is satisfied that a tenant has frequently failed to pay rent owing, in accordance with section 89 (5), a warrant for possession may be issued, even if the tenant has paid all the rent owing or complied with a repayment plan.

Items [6] and [7] make it clear that an order made by the Consumer, Trader and Tenancy Tribunal to terminate the tenancy of a co-tenant under a residential tenancy agreement is taken to be an order for the possession of residential premises in favour of the remaining tenant or co-tenants. Accordingly, a warrant for possession may be issued in favour of the remaining tenant or co-tenants.

Item [8] transfers to the Act a provision in the *Residential Tenancies Regulation 2010*. The provision makes it clear that a tenant under a fixed term agreement who vacates premises before the end of a fixed term can be liable to pay rent for the balance of the fixed term.

1.9 Residential Tenancies Regulation 2010

Clause 13 Effect of early vacation of residential premises

Omit the clause.

Explanatory note

The proposed amendment to the *Residential Tenancies Regulation 2010* is consequential on the transfer by this Schedule of the provision concerned to the *Residential Tenancies Act 2010*.

Commencement

The amendment commences, or is taken to have commenced, on the commencement of Schedule 1 [18] and [19] to the *Consumer, Trader and Tenancy Tribunal Amendment Act 2008*.

Explanatory note

The proposed amendment to the *Statutory and Other Offices Remuneration Act 1975* allows the Statutory and Other Offices Remuneration Tribunal to determine the remuneration of part-time members of the Consumer, Trader and Tenancy Tribunal. The amendment is consequential on an amendment to the *Consumer, Trader and Tenancy Tribunal Act 2001* that provides for the remuneration of part-time members of the Tribunal to be determined in the same manner as for full-time members (that is, in accordance with the *Statutory and Other Offices Remuneration Act 1975*).

1.11 Water Management Act 2000 No 92

[1] Section 292 Functions of water supply authority

- (2A) A water supply authority must not exercise any function beyond its area of operations in such a way as to limit its capacity to exercise that function within that area.

[2] Section 372B Interests and rights in metering equipment

Insert after section 372B (2):

- (3) If a provision of the regulations provides that the Ministerial Corporation is the owner of specified metering equipment that it installs or replaces, the provision has effect despite anything contained in section 42 of the *Real Property Act 1900*.

[3] Section 394 Service of documents

Insert at the end of section 394 (1) (c):

, or

- (d) in any manner provided for by the regulations.

Explanatory note

Item [1] of the proposed amendments to the *Water Management Act 2000 (the Act)* transfers to the Act a provision currently in the *Water Management (Water Supply Authorities) Regulation 2004* concerning the exercise of functions by water supply authorities.

Item [2] transfers into the Act a provision that is currently in clause 108A of the *Water Management (General) Regulation 2004* for the sake of consistency with other comparable provisions in the Act (for example, sections 173, 232 and 355).

Item [3] confirms that the regulations may make provision for the service of documents in a manner other than provided for by the Act.

Clause 108A Metering equipment installed by Ministerial Corporation

Omit clause 108A (4).

Clause 9 Exercise of functions beyond area of operations

Item [1] of the proposed amendments to the *Wild Dog Destruction Act 1921* allows Wild Dog Destruction Board (**the Board**) members to be appointed or reappointed for a term of up to 3 years, rather than for a fixed term of 3 years as is currently the case.

Item [2] is a related amendment that allows a person appointed to a casual vacant office on the Board to hold office for a term of up to 3 years (as specified in the instrument of appointment), rather than for the residue of the predecessor’s term of office as is currently the case.

The Government of the State of Victoria may construct and maintain a line of railway and other works incidental thereto from a point on the flood channel or flats of the river Murray to Tocumwal, in the State of New South Wales, a distance of approximately two miles (which said line is more fully described in Schedule Two to the 1906 Act), and for that purpose may occupy and use any land appropriated, resumed, or acquired by the Secretary for Public Works as provided by section 4 of the 1906 Act.

2 Ratification of agreement

The agreement, a copy of which is set out in Schedule One to the 1906 Act, is hereby ratified and confirmed.

Note. The agreement, entered into by the States of New South Wales and Victoria, contains provisions that may have ongoing effect. These provisions include clause 6, which provides that the State of Victoria is to bear the cost of maintaining and working both the line authorised to be extended from Victoria to Tocumwal, New South Wales and the Tocumwal bridge.

3 Meaning of “1906 Act”

In this Schedule, *the 1906 Act* means the *Tocumwal Railway Extension Act 1906* as in force immediately before its repeal.

3.15 Trustee Act 1925 No 14

[1] Section 43 Maintenance and accumulation—instruments that came into operation on or after 1 March 1926

Insert “by this Act” after “*Trustee Act 1898*” in section 43 (11).

[2] Section 43 (11), note

Insert after section 43 (11):

Note. This Act repealed all of the provisions of the *Trustee Act 1898 (the 1898 Act)*, other than section 1 (Name of Act) and section 18. The above subsection limited the ongoing application of section 18 of the 1898 Act to any instrument creating a trust where the instrument came into operation before 1 March 1926. Section 43A contains provisions transferred from section 18 of the 1898 Act by the *Statute Law (Miscellaneous Provisions) Act 2011*.

[3] Section 43A

Insert after section 43:

43A Maintenance and accumulation—instruments that came into operation before 1 March 1926

- (1) Subsections (2)–(5) re-enact (with minor modification) section 18 of the *Trustee Act 1898* and are transferred provisions to which section 30A of the *Interpretation Act 1987* applies.
- (2) In all cases where any property is held by trustees in trust for an infant, either absolutely or contingently on his or her attaining the age of 21 years, or on the occurrence of any event previously to his or her attaining that age, such trustees may pay to the guardian (if any) of such infant, or may otherwise apply for or towards the maintenance or education of such infant, the whole or any part of the income to which such infant may be entitled in respect of such property, whether there be any other fund applicable to the same purpose or any other person bound by law to provide for such maintenance or education or not, and such trustees shall

accumulate all the residue of such income by way of compound interest by investing the same, and the resulting income thereof from time to time, in proper securities for the benefit of the person who shall ultimately become entitled to the property from which such accumulation has arisen:

- (3) Provided that such trustees may at any time apply the whole or any part of such accumulations as if the same were part of the income arising in the then current year.

Note. Subsections (2) and (3) re-enact section 18 (1) and (2) of the *Trustee Act 1898 (the 1898 Act)* and, as provided by subsection (1), are transferred provisions to which section 30A of the *Interpretation Act 1987* applies. They were transferred by the *Statute Law (Miscellaneous Provisions) Act 2011* to enable the repeal of the 1898 Act. On the commencement of this Act on 1 March 1926, those provisions were repealed by the Schedule to this Act, except to the extent provided by section 43 (11). As a result they applied only where the instrument creating the trust came into operation before that date.

- (4) The power conferred by subsection (2) extends to the payment, after the commencement of the *Minors (Property and Contracts) Act 1970*, of income to an infant who has reached the age of 18 years, but this section does not limit the generality of subsection (1).
- (5) This section does not affect such right as an infant may have in consequence of the *Minors (Property and Contracts) Act 1970*, upon reaching the age of 18 years or otherwise, to call for payment or transfer of property to which he or she is absolutely entitled.

- (b) in force immediately before the date of the repeal of that provision effected by section 41 of the 1979 Act as in force after that commencement,

shall continue to have force and effect as if that repeal had not been effected.

Note. Parts 2–5 of the 1979 Act were repealed on 1 January 1985 by section 41 of that Act as originally enacted. Paragraph (a) saves relevant certificates in force immediately before that date.

Parts 2–5 of the 1979 Act were revived by the *Workers' Compensation (Brucellosis) Revival and Amendment Act 1986*. Those revived provisions were repealed on 1 July 1988. Paragraph (b) saves relevant certificates in force immediately before that date.

- (2) Subclause (1) re-enacts (with minor modification) section 39 (2) of the 1979 Act. Subclause (1) is a transferred provision to which section 30A of the *Interpretation Act 1987* applies.

Note. The transfer enabled the repeal of the 1979 Act by the *Statute Law (Miscellaneous Provisions) Act 2011*.

Schedule 5 General savings, transitional and other provisions

1 Effect of amendment of amending provisions

- (1) An amendment made by Schedule 1, 2 or 3 to an amending provision contained in an Act or instrument is, if the amending provision has commenced before the Schedule 1, 2 or 3 amendment concerned, taken to have effect as from the commencement of the amending provision (whether or not the amending provision has been repealed).
- (2) In this clause:
amending provision means a provision of an Act or instrument that makes a direct amendment to an Act or instrument by:
 - (a) the repeal or omission of matter contained in the amended Act or instrument without the insertion of any matter instead of the repealed or omitted matter, or
 - (b) the omission of matter contained in the amended Act or instrument and the insertion of matter instead of the omitted matter, or
 - (c) the insertion into the amended Act or instrument of matter, not being matter inserted instead of matter omitted from the Act or instrument.

Explanatory note

This clause ensures that certain amendments, including amendments correcting errors in technical provisions (for example, headings indicating the section to be amended or directions as to where a new section is to be inserted) and rectifying minor drafting errors (for example, corrections in numbering of provisions, correction or insertion of cross-references, omission of unnecessary matter or insertion of omitted matter), will be taken to have commenced on the date the amendments to which they relate commenced.

2 Effect of amendment or repeal on acts done or decisions made

Except where it is expressly provided to the contrary, if this Act:

- (a) amends a provision of an Act or an instrument, or
- (b) repeals and re-enacts (with or without modification) a provision of an Act or an instrument,

any act done or decision made under the provision amended or repealed has effect after the amendment or repeal as if it had been done or made under the provision as so amended or repealed.

Explanatory note

This clause ensures that the amendment or repeal of a provision will not, unless expressly provided, vitiate any act done or decision made under the provision as in force before the amendment or repeal.

3 Effect of amendment on instruments

Except where expressly provided to the contrary, any instrument made under an Act amended by this Act, that is in force immediately before the commencement of the amendment, is taken to have been made under the Act as amended.

Explanatory note

This clause ensures that, unless expressly provided, any instrument that is in force and made under a provision of an Act that is amended or substituted by the proposed Act will be taken to have been made under the Act as amended.

4 Revocation of repeal

Section 29A of the *Interpretation Act 1987* applies to the repeal of Acts or instruments by this Act.

Explanatory note

The effect of this clause is to enable the Governor, by proclamation, to revoke the repeal of any Act or instrument or the provision of any Act or instrument repealed by this Act. The Act or instrument or provision of an Act or instrument the subject of the revocation of repeal is taken not to be, and never to have been, repealed.

5 Regulations

- (1) The Governor may make regulations containing provisions of a savings or transitional nature consequent on the enactment of this Act.
- (2) Any such provision may, if the regulations so provide, take effect from the date of assent to this Act or a later date.
- (3) To the extent to which any such provision takes effect from a date that is earlier than the date of its publication on the NSW legislation website, the provision does not operate so as:
 - (a) to affect, in a manner prejudicial to any person (other than the State or an authority of the State), the rights of that person existing before the date of its publication, or
 - (b) to impose liabilities on any person (other than the State or an authority of the State) in respect of anything done or omitted to be done before the date of its publication.

Explanatory note

This clause enables the making of regulations of a savings or transitional nature having a short term effect and relating to incidental matters arising out of the proposed Act with regard to which no specific, or sufficient, provision has been made in the proposed Act.
