The provisions of the *City of Sydney Act 1988* that deal with the conduct of elections for the City of Sydney were amended by the *Local Government Legislation Amendment (Elections) Act 1998*. One of those amendments (inserted in the committee stage of Parliament’s consideration of the Bill) provided for the Electoral Commissioner, rather than the general manager of the City of Sydney, to be responsible for the preparation of electoral rolls. However, section 14 (3) of the Act continues to provide for the general manager to choose between competing claimants for enrolment.

Items [2] and [3] of the proposed amendments provide for the Electoral Commissioner to exercise all functions relating to enrolment.

Item [1] of the proposed amendments corrects a cross-reference.

Explanatory note

Lease of additional land by an association

Section 16 of the *Community Land Development Act 1989* empowers a community association or a precinct association to add to its association property by registering a lease of land to it. Section 23 of the Act makes similar provision for neighbourhood associations.

Items [3] and [9] of the proposed amendments make it clear that an association can add to association property land that is sublet to the association. An association may also add to its association property by accepting a transfer or assignment of a lease.

Items [5] and [15] make consequential amendments.

Lease of association property

Section 17 of the Act empowers a community association or a precinct association to lease some of its association property. Section 24 of the Act enables a neighbourhood association to lease neighbourhood property.

Items [4] and [10] of the proposed amendments enable an association to transfer a lease of association property or to sublet land the subject of a lease to the association.

Items [11] and [16] make consequential amendments.

Authorisation of acts during the initial period

Section 23 of the *Community Land Management Act 1989* imposes restrictions on an association during the initial period for its related scheme, including restrictions on the conversion to association property of a neighbourhood lot and the subdivision of a neighbourhood lot within a scheme. Section 23 (4) of that Act provides that those restrictions may be waived, varied or extinguished by order of the Community Schemes Board.

Section 22 of, clause 4 (b) of Schedule 7 and clause 3 (b) of Schedule 10 to, the *Community Land Development Act 1989* incorrectly refer to the authorisation of a subdivision, conversion or dealing by the Supreme Court.

Items [6], [14] and [17] of the proposed amendments clarify that the authorisation is by the Community Schemes Board.

Other amendments

Items [1], [2], [7] and [8] of the proposed amendments omit redundant paragraphs of definitions. Item [12] updates a reference to the Community Schemes Board.

Item [13] updates a reference to the office holder responsible for the certification of orders made by the Community Schemes Board.

[2] Section 64 Registrar to be satisfied mediation has been attempted before accepting application

Omit “agree” from section 64 (2) (b).

Insert instead “agrees”.

Explanatory note

Section 13 of the *Community Land Management Act 1989* gives legal effect to the following categories of management statements:

- (a) a community management statement, which is a statement that is registered with a community plan as a statement of the by-laws and other particulars governing participation in the community scheme,
- (b) a neighbourhood management statement, which is a statement that is registered with a neighbourhood plan as a statement of the by-laws and other particulars governing participation in the neighbourhood scheme,
- (c) a precinct management statement, which is a statement that is registered with a precinct plan as a statement of the by-laws and other particulars governing participation in the precinct scheme.

Section 14 of the Act provides for the amendment of such management statements by resolution of the association. At present, section 14 (4) provides that an amendment to a management statement has no effect unless it is registered within 2 months of the resolution making the amendment.

Item [1] of the proposed amendments provides that an amendment to a management statement must be lodged for registration within 2 months after the resolution making the amendment, and takes effect on registration.

Item [2] of the proposed amendments corrects a grammatical error.

1.7 Constitution Act 1902 No 32

Section 31A Absence of Speaker from New South Wales

Omit “Chairman of Committees” wherever occurring.

Insert instead “Deputy Speaker”.

Explanatory note

Section 31A of the *Constitution Act 1902* provides for the Chairman of Committees of the Legislative Assembly to act in the place of the Speaker when he or she is absent from New South Wales.

The proposed amendment omits references to the Chairman of Committees and instead provides for the Deputy Speaker of the Legislative Assembly to act in the place of the Speaker.

1.8 Consumer Claims Act 1998 No 162

[1] Schedule 1 Savings and transitional provisions

Insert after clause 3 (1):

- (2) A consumer claims tribunal is abolished:
 - (a) when the member (who constitutes the tribunal) ceases, in accordance with a notice under clause 4, to hold office, or
 - (b) on 1 November 1999,whichever is earlier.

[2] Schedule 1, clause 5 (2)

Insert at the end of clause 5:

- (2) This clause ceases to have effect on 1 November 1999.

[3] Schedule 1, clause 5A

Insert after clause 5:

5A Pending proceedings after 1 November 1999

- (1) If proceedings were instituted before the commencement of this Schedule but had not commenced to be heard by a consumer claims tribunal before 1 November 1999, the proceedings are taken to have been duly instituted in the Tribunal (as constituted, or reconstituted, in accordance with section 13 of the *Fair Trading Tribunal Act 1998*).
- (2) If a consumer claims tribunal had commenced to hear (but had not finally determined) a matter before 1 November 1999, the Tribunal (as constituted, or reconstituted, in accordance with section 13 of the *Fair Trading Tribunal Act 1998*) is to continue to hear and determine the matter.
- (3) For the purpose of subclauses (1) and (2):
 - (a) the Tribunal has and may exercise all the functions that the relevant consumer claims tribunal had immediately before its abolition, and

- (b) the provisions of any Act, statutory rule or other law that would have applied to or in respect of the proceedings had this Act not been enacted continue to apply.
- (4) For the purposes of proceedings heard under subclause (2), the Tribunal may have regard to any record of the proceedings before the relevant consumer claims tribunals, including a record of any evidence taken in the proceedings.

[4] Schedule 1, clause 6

Omit “this clause” from clause 6 (b). Insert instead “clause 5”.

[5] Schedule 1, clause 6

Omit “to be an order made by the Tribunal under the corresponding provision of this Act or the *Fair Trading Tribunal Act 1998* and may be enforced accordingly”.

Insert instead “, for the purpose only of its enforcement and not for the purpose of conferring any right of appeal or review, to be an order made by the Tribunal under the corresponding provision of this Act, the *Home Building Act 1989* or the *Fair Trading Tribunal Act 1998*”.

Explanatory note

The *Consumer Claims Act 1998* abolished consumer claims tribunals and conferred jurisdiction in respect of consumer claims on the Fair Trading Tribunal. Schedule 1 to the Act continues the existence of consumer claims tribunals, but only for the purpose of the exercise by the tribunals of their functions in relation to pending proceedings.

Items [1]–[3] of the proposed amendments provide that, from 1 November 1999, matters instituted in consumer claims tribunals, including part-heard matters, will be dealt with by the Fair Trading Tribunal.

Item [4] corrects a wrong cross-reference.

Item [5] makes it clear that no right of appeal or review is to be conferred in relation to orders made under the *Consumer Claims Tribunals Act 1987* before its repeal or orders made under transitional arrangements in relation to proceedings that were pending under that Act immediately before its repeal. Item [5] also recognises that it is appropriate for some orders of consumer claims tribunals having effect immediately before the repeal of the *Consumer Claims Tribunals Act 1987* and some orders made in proceedings that were pending on the repeal of that Act to have effect as orders under the *Home Building Act 1989*.

Omit all words after “authority” where firstly occurring.

[10] Section 36 (8)

Omit “to be”. Insert instead “of”.

[13] Section 53 Annual returns and other notifications

Omit “not later than 21 days” from section 53 (1).

Insert instead “not more than 60 days and not less than 30 days”.

Explanatory note

Investigation and remediation orders

Part 3 of the *Contaminated Land Management Act 1997* provides for the investigation and remediation of contaminated land.

Section 17 of the Act empowers the EPA to issue investigation orders in relation to land declared to be an investigation area. Such an order requires a person to report on the nature and extent of the contamination of land, the nature and extent of the harm caused by the contamination and the risk that the contamination will cause such harm.

Item [1] of the proposed amendments enables an investigation order to require a person to report on the most appropriate means for remediation of the land.

Section 23 of the Act provides for the EPA to make remediation orders requiring a person to carry out specified remediation and other action or requiring the submission of a plan of remediation to the EPA.

Item [2] provides that a remediation order requiring a person to carry out specified remediation and other action may adopt, with or without modification, a report recommended by the EPA or by a site auditor. Such a report may have been submitted in relation to an earlier remediation order.

Items [3]–[7] include the preparation of a plan for remediation of land in a provision that lists examples of the kinds of action that may be required by a remediation order.

Recovery of costs of contamination

Section 36 of the Act allows a person to recover the costs of investigation or remediation of contaminated land from certain other persons responsible for the contamination.

Item [9] of the proposed amendments makes it clear that the section applies in all respects to any public authority.

Items [8] and [10] correct grammatical errors.

Item [11] provides for a person to recover the administrative costs charged by the EPA from the persons responsible for the contamination.

Site audits

Part 4 of the Act provides for the audit of investigation or remediation carried out in respect of the actual or possible contamination of land.

Item [12] of the proposed amendments includes within the scope of that Part an audit that is conducted for the purposes of determining the suitability and appropriateness of a plan of remediation, a long-term management plan, a voluntary investigation proposal or a remediation proposal.

Item [13] changes the period within which a site auditor is required to furnish the EPA with an annual return and other notifications regarding site audits commenced or completed by the auditor.

1.10 Contracts Review Act 1980 No 16

[1] Section 4 Definitions

Omit paragraphs (d) and (e) of the definition of *Court* in section 4 (1).

Insert instead:

- (d) in accordance with section 89D of the *Home Building Act* 1989, and without affecting the jurisdictional limitations referred to in that section, the Fair Trading Tribunal.

[2] Section 4 (1)

Insert in alphabetical order:

Fair Trading Tribunal means the Fair Trading Tribunal constituted under the *Fair Trading Tribunal Act 1998*.

Commencement

The amendments to the *Contracts Review Act 1980* are taken to have commenced on 1 March 1999, the date of commencement of section 79 of the *Fair Trading Tribunal Act 1998* (which repealed the *Commercial Tribunal Act 1984*).

Explanatory note

The proposed amendments update references to Tribunals.

1.11 Credit Act 1984 No 94

[1] Section 81 Assignment of rights by credit provider

Insert “other than a credit provider” after “person” wherever occurring in section 81 (1) (a) and (b).

[2] Section 147 Matters to be considered by Tribunal

Omit “contact” from section 147 (4). Insert instead “contract”.

[3] Section 166A Evidence

Omit “another” from section 166A. Insert instead “other”.

Explanatory note

Section 81 of the *Credit Act 1984* prevents the assignment of certain rights by a credit provider unless the assignment is made bona fide by way of security in respect of a liability incurred by the assignor or is made with the consent of the Director-General of the Department of Fair Trading or the Fair Trading Tribunal.

Item [1] of the proposed amendments makes it clear that a person, being a credit provider, can assign the whole or any part of the person's rights as a credit provider under a regulated contract to another credit provider without the need for the assignment to be made either by way of security or with the consent of the Director-General.

Items [2] and [3] of the proposed amendments correct typographical errors.

Insert instead "this Act or the *Local Government Act 1993*".

Explanatory note

Section 118A of the *Environmental Planning and Assessment Act 1979* empowers a council, the Minister and the Director-General of the Department of Urban Affairs and Planning (called the "Director" in the Act) to authorise persons to enter premises for the purpose of enabling the council, the Minister or the Director-General to exercise the council's, the Minister's or the Director-General's powers under the Act. Although the Director-General has the same power to authorise a person to enter premises as a council or the Minister, the other provisions of Division 1A (Entry on to land and other powers) of Part 6 of the Act, which elaborate on the exercise of that power of entry, refer only to a person authorised by a council or the Minister.

Items [2]–[5] of the proposed amendments include references to the Director-General in other provisions, to give effect to the powers of entry that the Director-General may authorise.
Item [1] of the proposed amendments corrects a cross-reference.

- (4) For the purposes of proceedings heard under subclause (2), the Tribunal may have regard to any record of the proceedings before the relevant former body, including a record of any evidence taken in the proceedings.

Explanatory note**Pending proceedings**

The *Fair Trading Tribunal Act 1998* abolished the Commercial Tribunal, the Motor Vehicle Repairs Disputes Committee and disputes committees constituted under former section 34 of the *Motor Dealers Act 1974*. The Act conferred jurisdiction on the Fair Trading Tribunal in respect of most matters formerly dealt with by those bodies. Schedule 5 to the Act continues the existence of those former bodies, but only for the purpose of the exercise by them of their functions in relation to some pending proceedings.

Item [3] clarifies the position under the current law that a person who wishes to challenge the entitlement of a licensee under the *Property, Stock and Business Agents Act 1941* to any remuneration by way of commission, fee, gain or reward or any sum as reimbursement for expenses or charges, or who wishes to dispute the reasonableness of any such remuneration or sum, has a general consumer claim under the *Consumer Claims Act 1998* and has access to the Fair Trading Tribunal via the provisions of the *Consumer Claims Act 1998*. Item [3] also restores some of the provisions of section 42A of the *Property, Stock and Business Agents Act 1941* that were repealed by the *Fair Trading Tribunal Act 1998*.

Item [4] makes transitional provisions as a consequence of the amendment made by item [3]. Items [5]–[7] of the proposed amendments provide that, from 1 November 1999, matters commenced in the bodies abolished by the Act, including part-heard matters, will be dealt with by the Fair Trading Tribunal.

Statute law revision

Items [1] and [2] of the proposed amendments omit incorrect references to the *Property, Stock and Business Agents Act 1941* and the *Retail Leases Act 1994* as being Acts that confer jurisdiction, either directly or at all, on the Fair Trading Tribunal. The *Property, Stock and Business Agents Act 1941* creates a consumer claim that may be pursued before the Fair Trading Tribunal, but under the provisions of the *Consumer Claims Act 1998*. The *Retail Leases Act 1994* confers jurisdiction on the Administrative Decisions Tribunal.

1.14 First State Superannuation Act 1992 No 100**[1] Section 9 Membership on making conversion election**

However, the salary or wages so nominated cannot be lower than:

Insert instead “section 12”.

Explanatory note

Part 3B of the *Police Regulation (Superannuation) Act 1906* and Part 3B of the *Superannuation Act 1916* provide for employees to be offered the opportunity to receive a conversion benefit if they leave the superannuation schemes established under those Acts and become members of the First State Superannuation Fund established under the *First State Superannuation Act 1992*. Section 9 of the *First State Superannuation Act 1992* provides that, on an election taking effect under the relevant provisions, the person making the election is to be a full member of the First State Superannuation Fund. For that purpose, the salary or wages of an employee who is an executive officer is taken to be the salary nominated by the employee in the conversion election.

Item [1] of the proposed amendments provides that the amount nominated as salary cannot be less than the monetary remuneration payable to the member at the time of the nomination or the maximum contribution base under the *Superannuation Guarantee (Administration) Act 1992* of the Commonwealth, whichever is the lower.

Item [2] of the proposed amendments omits unnecessary headings.

Item [1] of the proposed amendments empowers the Director-General of the Department of Agriculture to delegate any of his or her functions under the Act.

Insert instead “a member of staff”.

[7] Schedule 2 Provisions relating to the constitution and procedure of development corporations

Omit “the *Public Service Act 1902*” from clause 5.
Insert instead “Part 2 of the *Public Sector Management Act 1988*”.

Explanatory note

Under the *Growth Centres (Development Corporations) Act 1974*, the Managing Director of the Property Services Group is a member of the development corporations constituted under the Act. By virtue of clause 14 (2) and (4) of the *Administrative Changes (Departments) Order 1995* and section 13 (4) of the *Environmental Planning and Assessment Act 1979*, references in the first-mentioned Act to the Managing Director and to the Property Services Group are to be read as references to the Director-General of the Department of Urban Affairs and Planning, and to that Department, respectively.

Item [5] of the proposed amendments allows the Director-General of the Department of Urban Affairs and Planning to be represented at any meetings of development corporations that he or she is unable to attend personally. Any such representative is to be nominated by the Director-General.

Items [1]–[4] and [6] of the proposed amendments recognise the construction of references concerning the Managing Director and the Property Services Group, and make consequential amendments.

Item [7] of the proposed amendments updates a reference to a repealed Act.

1.18 Home Building Act 1989 No 147

Section 102 General requirements for insurance

Omit “\$200,000, or such other amount as may be prescribed by the regulations, in relation to each dwelling to which the insurance relates” in section 102 (3).
Insert instead “\$200,000 in relation to each dwelling to which the insurance relates, or such other amount as may be prescribed by the regulations”.

Explanatory note

Part 6 of the *Home Building Act 1989* imposes obligations regarding insurance of certain work, including residential building work done under contract (section 92), the supply of kit homes (section 93), owner-builder work (section 95) and residential building work done by a developer or done otherwise than under contract (section 96).

Section 102 of the Act provides that all contracts of insurance required to be entered into by or under Part 6 of the Act must provide for cover of not less than \$200,000, or such other amount as may be prescribed by the regulations, in relation to each dwelling to which the insurance relates.

The proposed amendment restates that obligation. Under the amended subsection the contract of insurance must provide for cover of not less than \$200,000 in relation to each dwelling to which the insurance relates, or such other amount as may be prescribed by the regulations. The amendment enables the existing power to make regulations to vary the standard \$200,000 insurance coverage for residential building work to be exercised in an appropriate case without the need for the varied amount to be multiplied by the number of dwellings in the building. Accordingly, in the case of the repair of common property such as a roof of a residential flat building, an amount of coverage can be prescribed that is not required to be artificially increased by being multiplied by the number of units within the building.

1.19 Impounding Act 1993 No 31

[1] Section 20 Impounding authority to notify owner

Insert “as soon as practicable after becoming aware of the name or address” after “item” in section 20 (3).

[2] Section 39 Time limit for applications

Omit “date of impounding” from section 39 (a).
Insert instead “date on which impounding was notified”.

[3] Section 39 (c)

Insert after section 39 (b):

- , or
- (c) if notice of the impounding was not given within 28 days from the day on which the article was impounded, 28 days from the day on which the article was impounded.

Explanatory note

The *Impounding Act 1993* empowers an impounding officer to impound an article found in the officer's area of operations if the officer believes on reasonable grounds that the article has been abandoned or left unattended. Section 20 of the Act requires an impounding authority to make all reasonable inquiries in an effort to find out the name and address of the owner of an impounded item and then to notify the owner that the item has been impounded. A person can make an application to the Administrative Decisions Tribunal to review an impounding decision. Such an application must be made within 28 days from the date of impounding.

Item [1] of the proposed amendments requires notice of the impounding of an item to be given as soon as practicable after an impounding authority finds out the name and address of the owner.

Item [2] provides for the 28-day appeal period to run from the date that the owner is notified of the impounding of the item, rather than the date of impounding.

Item [3] retains the existing appeal period in cases where notice was not given.

1.20 Interpretation Act 1987 No 15

- (b) by the production of a document purporting to be a copy of it and purporting to be printed by the Government Printer or by the authority of the Government of the Commonwealth, a State or a Territory.

[2] Section 80 Compliance with forms

Insert after section 80 (2):

- (3) Without limiting the generality of subsections (1) and (2), in any form in an Act or statutory rule, a reference to a date that is presumed to be in the nineteenth or twentieth century may be construed as a reference to a date in the twenty-first century and the form may be altered accordingly.

Explanatory note

A publication may be applied, adopted or incorporated by reference into an Act or statutory rule. Section 69 of the *Interpretation Act 1987* provides for the interpretation of references to publications other than Acts or instruments.

Item [1] of the proposed amendments specifies how evidence of the publication may be given in any proceedings.

A number of New South Wales Acts and statutory rules contain forms that require a date to be inserted. In many instances the date is expressed as "...../...../19....." or as "on theday of.....19..".

Item [2] of the proposed amendments provides that a completed form will not be invalid if a date in the twenty-first century is inserted in place of a date in the nineteenth or twentieth century.

Items [1], [2] and [4] of the proposed amendments alter the composition of the Authority, by providing for the appointment of 3 additional members, to represent NSW Fisheries, the Department of Land and Water Conservation and the Illawarra Catchment Management Committee.

Item [3] updates a reference to a Department.

[2] Section 20 (2A)

Insert “, the *Residential Tribunal Act 1998* and the *Residential Parks Act 1998*” after “1987” where secondly occurring.

Explanatory note

Section 20 of the *Landlord and Tenant (Rental Bonds) Act 1977* provides for contributions from the Rental Bond Interest Account to be used to pay half the costs of the administration of the *Residential Tenancies Act 1987*.

The proposed amendments provide for the costs and expenses of administering the *Residential Tribunal Act 1998* and the *Residential Parks Act 1998* to be payable out of the Account also. (Until the commencement of those Acts the matters with which they deal, the constitution and functions of the Residential Tenancies Tribunal and the regulation of park owners and residents of residential parks, were dealt with under the *Residential Tenancies Act 1987*.)

- (3) A report under this section need not be separately prepared but may form part of the report prepared for the Department under the *Annual Reports (Departments) Act 1985*.

Explanatory note

The *Marketing of Primary Products Act 1983* provides for the marketing of certain primary products, including by the establishment of marketing boards in relation to certain of those products.

Item [2] of the proposed amendments empowers the Director-General of the Department of Agriculture to delegate any of his or her functions under the Act. Item [1] omits redundant provisions regarding the delegation of functions. (Section 49 of the *Interpretation Act 1987* makes provision regarding the conferral and exercise of a delegation.)

Item [3] of the proposed amendments imposes an obligation on the Director-General to prepare an annual report concerning the Director-General's work and activities under the Act.

1.24 Meat Industry Amendment Act 1998 No 129

[1] Schedule 1 Amendments

Omit "all the meat sold is sold by retail" from the definition of *retail meat premises* in section 4 (1) of the *Meat Industry Act 1978* (as proposed to be inserted by Schedule 1 [9]).

Insert instead "meat is sold by retail".

[2] Schedule 1 [9]

Insert “where, in any week during the preceding calendar year, more than one tonne of meat was sold by wholesale or” after “not being premises” in the definition of *retail meat premises* in section 4 (1) of the *Meat Industry Act 1978* (as proposed to be inserted by Schedule 1 [9]).

[3] Schedule 1 [111]

Insert after clause 15 of Schedule 2 to the *Meat Industry Act 1978* (as proposed to be inserted by Schedule 1 [111]):

Part 4 Liability

16 Protection from liability

No matter or thing done, and no contract entered into, by the Authority, and no matter or thing done by a member or by any person acting under the direction of the Board subjects a member or a person so acting personally to any action, liability, claim or demand if the matter or thing was done, or the contract was entered into, in good faith for the purposes of executing this Act.

Explanatory note

The *Meat Industry Amendment Act 1998* amends the *Meat Industry Act 1978* with respect to the Meat Industry Authority, licences, inspectors and the regulation and handling of meat.

Definition of “retail meat premises”

Items [1] and [2] of the proposed amendments amend the definition of *retail meat premises*, proposed to be inserted in the *Meat Industry Act 1978*, so as to include in the definition premises where no more than one tonne of meat is sold by wholesale in any week. (At present, the definition includes only premises where all the meat sold is sold by retail.) As a consequence, such premises will be able to function under the authority of a retailer’s licence under the Act, rather than a licence more appropriate to a processing plant.

Membership of Meat Industry Authority

Before its amendment, the *Meat Industry Act 1978* constituted the Meat Industry Authority, the Board of which included a representative of consumers of abattoir meat and processed meat. Under the Act the members of the Board were protected from personal liability in respect of things done, or contracts entered into, in good faith for the purpose of the execution of the Act. When the Act was amended the provisions concerning consumer representation and protection from liability were inadvertently omitted. (Those amendments are uncommenced.)

Item [3] of the proposed amendments restores the protection from liability of members of the Board of the Meat Industry Authority.

1.25 Mines Inspection Act 1901 No 75

[1] Sections 32 and 81

Omit “by this Act” wherever occurring. Insert instead “by or under this Act”.

Omit section 41 (6).

[3] Section 56 General rules

Insert “or” at the end of section 56 (1) (c) (i), (ii) and (iii).

Explanatory note

Item [1] of the proposed amendments makes amendments consequential on amendments to the *Mines Inspection Act 1901* made by the *Mines Legislation Amendment (Mines Safety) Act 1998* (as proposed to be amended elsewhere in this Schedule).

Item [2] of the proposed amendments omits a spent provision.

Item [3] of the proposed amendments make consistent the use of conjunctions in a provision.

1.26 Mines Legislation Amendment (Mines Safety) Act 1998 No 122

[1] Schedule 1 Amendment of Coal Mines Regulation Act 1982

Insert “district” before “check inspector” in section 91 (6) of the *Coal Mines Regulation Act 1982* (as proposed to be inserted by Schedule 1 [34]).

[2] Schedule 1 [47]

[4] Schedule 2 [9]

In particular, the regulations may make provision for or with respect to the powers, authorities, duties and functions of inspectors, investigators and mine safety officers.

Explanatory note

Certain amendments made by the *Mines Inspection Amendment Act 1998* to the *Mines Inspection Act 1901* omitted the definition of **manager** of a mine and inserted definitions of **general manager** of a mine and **production manager** of a mine.

Consequently, items [3]–[7] of the proposed amendments replace references to the manager of a mine occurring in sections 36A and 36B (as proposed to be inserted in the *Mines Inspection Act 1901* by Schedule 2 [9] to the *Mines Legislation Amendment (Mines Safety) Act 1998*).

Item [8] of the proposed amendments makes it clear that regulations may be made relating to the powers, authorities, duties and functions of inspectors, investigators and mine safety officers. This amendment makes the *Mines Inspection Act 1901* (which deals with metalliferous mines) consistent in this regard with the *Coal Mines Regulation Act 1982* (which deals with coal mines), as proposed to be amended by Schedule 1 [47] to the *Mines Legislation Amendment (Mines Safety) Act 1998*.

Item [2] of the proposed amendments clarifies an incorporation direction.

Item [1] is consequential on the amendments made to the *Coal Mines Regulation Act 1982* elsewhere in this Schedule.

- (a) on or after 30 June 1987 in respect of the work of an exhaust repairer, or
- (b) on or after 1 April 1992 in respect of the work of a radiator repairer,

that would have been valid if the amendments made by the *Statute Law (Miscellaneous Provisions) Act 1999* to section 4 had been in force at the time that the act, matter or thing was done is validated.

Explanatory note

Since 30 June 1987, exhaust repairers have been prescribed tradesmen for the purposes of the definition of *repair work* in section 4 (1) of the *Motor Vehicle Repairs Act 1980*. That date should have been, but was not, prescribed as the relevant day in relation to repair work that consists of the work of an exhaust repairer.

Items [2], [4] and [6] of the proposed amendments cure this defect.

Since 1 April 1992, radiator repairers have been prescribed tradesmen for the purposes of the definition of *repair work* in section 4 (1) of the *Motor Vehicle Repairs Act 1980*. That date should have been, but was not, prescribed as the relevant day in relation to repair work that consists of the work of a radiator repairer.

Items [3], [5], [7] and [8] of the proposed amendments cure this defect.

Item [9] of the proposed amendments validates certain acts and other matters.

Item [1] of the proposed amendments replaces gender-specific language with gender-neutral language.

Explanatory note

Item [2] of the proposed amendments updates a reference to the person who is taken to have the powers of the Speaker of the Legislative Assembly when the Speaker is outside the State. The proposed amendment is consequential on an amendment to the *Constitution Act 1902* made elsewhere in this Schedule.

The amendment to section 36 of the *Pawnbrokers and Second-hand Dealers Act 1996* is taken to have commenced on 1 March 1999, the date of commencement of section 79 of the *Fair Trading Tribunal Act 1998* (which repealed the *Commercial Tribunal Act 1984*).

Explanatory note

Section 15 of the *Pawnbrokers and Second-hand Dealers Act 1996* provides that, before accepting any goods offered for sale or pawn, a licensee must obtain evidence of the identity of the person by whom the goods are being offered.

Item [1] of the proposed amendments makes it clear that a licensee is required to obtain evidence of identity from a customer every time the licensee accepts goods offered for sale or pawn by that customer.

Item [2] of the proposed amendments updates a reference to a Tribunal.

Insert at the end of section 61:

- (2) The provisions of section 88A of the *Conveyancing Act 1919* apply to and in respect of easements in favour of a permittee or licensee in the same manner as they apply to easements in favour of the Crown or of any public or local authority constituted by Act of Parliament. Section 88A (1B) of the *Conveyancing Act 1919* does not apply to any such easement in favour of a permittee or licensee.

Explanatory note

Section 61 of the *Pipelines Act 1967* provides for the creation of certain easements in favour of the holders of permits or licences under the Act. Section 88A of the *Conveyancing Act 1919* also provides for the creation of easements in gross in favour of certain authorities listed in the section, subject to certain restrictions set out in section 88A (1B).

The proposed amendment makes it clear that section 88A of the *Conveyancing Act 1919* applies to easements in gross in favour of a permittee or a licensee under the *Pipelines Act 1967* and that section 88A (1B) does not operate so as to restrict the creation of any such easement.

1.33 Police Offences Act 1901 No 5

[1] Section 1

Omit the section. Insert instead:

1 Name of Act

This Act is the *Police (Special Provisions) Act 1901*.

Omit the section.

[4] Second and Third Schedules

Explanatory note

The *Police Offences Act 1901* consolidated various nineteenth-century Acts that dealt with certain summary offences. For instance, section 70 provides that a person is liable to pay a maximum penalty of 4 dollars if, in any street or public place, the person beats or dusts any carpet or flies any kite.

Items [2] and [4] of the proposed amendments omit Part 3 and the Second and Third Schedules to the Act, which describe or list the City, areas and towns to which Part 3 applies. - (3) A person may hold office, and exercise functions, as Privacy Commissioner (whether full-time or part-time) even though the person also holds, and exercises the functions of, a judicial office or a statutory or other public office.

Saving

The amendments to the *Privacy and Personal Information Protection Act 1998* do not affect the appointment or tenure of any person who held office as Privacy Commissioner immediately before the commencement of the amendments.

Explanatory note

Item [1] of the proposed amendments omits a redundant cross-reference. (The cross-reference referred to clause 51 of the *Privacy and Personal Information Protection Bill 1998*. That clause was omitted in the committee stage of Parliament's consideration of the Bill. Section 51 of the Act, as enacted is not relevant to the section proposed to be amended.)

Item [2] of the proposed amendments removes the requirement that the Privacy Commissioner be appointed on a full-time basis and provides for either full-time or part-time appointment. The amendment also inserts a provision that removes any prohibition on a person holding the office of Privacy Commissioner at the same time as the person holds judicial or statutory office.

Items [3] and [4] of the proposed amendments make consequential amendments.

1.35 Property, Stock and Business Agents Act 1941 No 28

(Until the commencement of those Acts the matters with which they deal, the constitution and functions of the Residential Tenancies Tribunal and the regulation of park owners and residents of residential parks, were dealt with under the *Residential Tenancies Act 1987*.)

1.36 Protection of the Environment Administration Amendment (Environmental Education) Act 1998 No 167

[1] Schedule 1 Amendment of Protection of the Environment Administration Act 1991

Omit so much of Schedule 1 [9] as inserts section 28 (8) and (9) into the *Protection of the Environment Administration Act 1991*.

[2] Schedule 1 [15]

Omit the item.

Explanatory note

The proposed amendments omit redundant (uncommenced) provisions proposed to be inserted into the *Protection of the Environment Administration Act 1991*, dealing with the election of the Chairperson of the New South Wales Council on Environmental Education. (The relevant provisions, proposed section 28 (1) and (2) of, and proposed clause 2 of Schedule 2 to, the *Protection of the Environment Administration Act 1991* provide for the appointment of the Chairperson of the Council by the Minister for the Environment.)

1.37 Protection of the Environment Operations Act 1997 No 156

Insert after section 57 (6):

- (7) Nothing in this section precludes the regulations from requiring payment of the first or other specified licence fee in respect of a shorter or longer period than 12 months. In that case, a reference in this Act to an annual fee is to be construed accordingly.

- (a) until the period within which an appeal under this Act can be lodged by the appropriate person against the decision has expired without an appeal being lodged, or
 - (b) if such an appeal is lodged within that period by the appropriate person, until the Land and Environment Court confirms the decision or the appeal is withdrawn, or
 - (c) until the appropriate person notifies the appropriate regulatory authority in writing that no appeal is to be made against the decision,

whichever first occurs.

- (3) A decision of the appropriate regulatory authority to approve the surrender of a licence without any condition operates from the time the authority notifies the licensee in writing of the decision.
- (4) In this section:

- (a) until the period within which an appeal under this Act can be lodged against the notice or variation has expired without an appeal being lodged, or
- (b) if such an appeal is lodged within that period, until the Land and Environment Court confirms the notice or variation or the appeal is withdrawn, or
- (c) until the person who has the right to lodge such an appeal notifies the appropriate regulatory authority in writing that no appeal is to be made against the notice or variation,

whichever first occurs.

- (c) the body that is in fact the appropriate regulatory authority is satisfied that the other body acted in good faith in issuing the notice and confirms the issue of the notice, in writing, to the person to whom the notice was issued.
- (2) In any such case, the notice is taken to be, and always to have been, a notice duly issued under this Chapter, and any action taken in respect of the notice before that confirmation is taken to be, and always to have been, action duly taken under this Chapter.

[8] Section 143 Unlawful transporting of waste

Insert “for that waste” after “facility” in section 143 (2).

[9] Section 143 (3A)–(3C)

- (a) an approved notice was, at the time of the alleged offence, given to the defendant by the owner or occupier of the place to which the waste was transported or was displayed at the place, and
- (b) the approved notice stated that the place could lawfully be used as a waste facility for the waste, and
- (c) the defendant had no reason to believe that the place could not lawfully be used as a waste facility for the waste.

(3B) However, it is not a defence in such proceedings for the defendant to establish that the defendant relied on the advice (other than advice in the form of an approved notice) given by the owner or occupier concerned to the effect that the place could, at the time of the alleged offence, be lawfully used as such a waste facility.

(3C) Defence—waste not deposited

It is a defence in any proceedings for an offence under this section if the defendant establishes that the waste transported by the defendant was not deposited by the defendant or any other person at the place to which it was transported.

[10] Section 143 (4)

Insert in alphabetical order:

- (b) that contains a certification by the owner or occupier of the place that the statement is correct.

[11] Section 144 (2)

Omit “place to which the waste was transported”.
Insert instead “land concerned”.

[12] Section 186 Extension of Chapter to other environment protection legislation

Omit “any Act or regulation repealed by this Act” from section 186 (c).
Insert instead “any repealed provision of any Act or regulation amended or repealed by this Act”.

In this clause, a reference to a repealed Act or regulation includes a reference to a repealed provision of an Act or regulation.

[17] Dictionary, definition of “non-scheduled activity”

Insert “and is not scheduled development work” after “scheduled activity”.

Explanatory note

Licence fees

Section 57 of the *Protection of the Environment Operations Act 1997* requires the holder of a licence to pay an annual licence fee. Under load-based licensing the payment of the fee requires associated monitoring and reports with respect to the licence fee period. Under the Act the licensee may hold different licences for different activities at the same premises or different licences for the same activity at different premises and, accordingly, the licensee may hold licences with different licensing fee periods.

Item [1] of the proposed amendments is intended to avoid administrative inconvenience for the licensee and the regulatory authority by putting beyond doubt the power under the regulations to provide for the first or other licence fees to be payable for a period other than 12 months so as to enable a licensee who has a number of different licences to pay licence fees (and provide associated monitoring and reports) in respect of the same period.

Requirement for further information regarding the surrender of a licence

Section 80 of the Act provides for the surrender of a licence, with the approval of an appropriate regulatory authority. The regulatory authority may impose conditions on the surrender (which may include responsibilities for pollution control to which the licence was subject before surrender and which may continue to be necessary for a period after surrender). The authority may require the licensee to provide relevant information to enable a decision to be made as to whether any such conditions should be continued or other conditions imposed on surrender.

Item [3] of the proposed amendments empowers an appropriate regulatory authority to require information to support the application for surrender in the same way as it is currently authorised to require further information from an applicant for the issue, transfer or variation of a licence.

Date from which decision operates

The Act currently does not contain uniform provisions as to the date from which certain decisions of a regulatory authority operate. Items [4] and [5] make those provisions uniform, by providing that a decision to vary, suspend or revoke a licence, or to approve the surrender of a licence subject to conditions, does not take effect until the first of the following happens:

- (a) if no appeal is lodged within the appeal period—the appeal period expires (this currently does not apply to the approval of the surrender of a licence subject to conditions),
- (b) if an appeal is lodged—the Land and Environment Court confirms the decision or the appeal is withdrawn (this currently does not apply to the approval of the surrender of a licence subject to conditions),

-
- (c) the licensee waives the appeal right (this currently only applies in the case of variations of licences).

Date when variation of prevention notice takes effect

Section 99 of the Act sets out when a notice to take specified preventive action (a prevention notice) takes effect. Section 110 of the Act provides for the variation of prevention notices.

Item [6] of the proposed amendments extends section 99 to the variation of prevention notices so that uniform provision is made as to the date that the issue or variation of a prevention notice takes effect.

Special provision relating to validity of clean-up and prevention notices

Chapter 4 of the Act makes provision for the issue of clean-up notices for pollution incidents and prevention notices to prevent activities being carried on in an environmentally unsatisfactory manner. The appropriate regulatory authority that may issue the notice depends on whether the activity to which the notice relates is or is not a scheduled activity. In some instances (such as waste activities) that decision depends on the nature of the substance and the level at which the activity is being carried on. Where action is required to be taken urgently to deal with a pollution incident or matter it may not be possible for an authority to determine conclusively in the time available whether or not the activity is a scheduled activity and therefore whether or not it is authorised to issue the notice.

Item [7] of the proposed amendments inserts proposed section 109A into the Act to enable a clean-up notice or prevention notice that is issued in good faith and in respect of which a dispute arises to be confirmed by the authority that is in fact the appropriate regulatory authority. After a notice is confirmed, action already taken will be valid and any future action with respect to the notice would be taken by the authority that is ultimately determined to be the appropriate regulatory authority.

Defences to offence of transporting waste to place where it cannot be lawfully deposited

Section 143 of the Act makes it an offence to transport waste to places where it cannot be lawfully deposited.

Item [9] of the proposed amendments inserts defences with respect to the offence in similar terms inserted last year by amendment to the existing provision that deals with this offence but which will be replaced by the offence in section 143 when the Act commences—see Act No 155 of 1998.

Item [10] makes a consequential amendment.

Investigative powers—offences under repealed Acts

Section 186 of the Act provides that the investigative powers under the Act may be exercised in respect of offences committed before the commencement of the Act under Acts and regulations repealed by the Act.

Item [12] amends section 186 to make it clear that the extension of those powers applies to offences committed under repealed provisions of an Act or regulation to deal with those cases in which the Act only repealed a part of an Act and not the whole Act.

Notices requiring information or records—application, revocation and variation

The investigative powers under the Act enable notices to be given requiring information or records.

Item [13] inserts proposed section 212A into the Act to ensure that notices issued to persons under Chapter 7 (Investigation) may be revoked or varied by subsequent notices. Similar provisions apply under sections 109 and 110 of the Act in respect of environment protection notices.

Regulation-making power—use of vehicles

Schedule 2 to the Act contains specific regulation-making powers relating to prohibiting or regulating the sale, use or operation of vehicles not complying with the Act or regulations. The Act and regulations contain provisions relating to vehicles emitting excessive air impurities, the fitting of anti-pollution devices on vehicles and the use of unleaded petrol in vehicles. A number of offences contained in the *Clean Air Act 1961*, which is to be repealed by the Act, that relate to the use or operation of vehicles contrary to those provisions, have been transferred to the regulations. The provisions were transferred under the specific regulation-making powers in the Act and under the special power in clause 11 of Schedule 5 to the Act that authorises transitional regulations for up to 3 years on any matter regulated under a repealed Act.

Item [14] amends the specific regulation-making powers in Schedule 2 so that transferred provisions relating to motor vehicles are clearly authorised and need not rely on the special transitional provision.

Criminal and other proceedings—offences under repealed Acts

Clause 10 of Schedule 5 to the Act provides that regulations may be made to apply the provisions of Chapter 8 of the Act relating to criminal and other proceedings to continuing proceedings under Act or regulations repealed by the Act.

Item [16] amends clause 10 to make it clear that the power to make regulations to extend those provisions applies to proceedings under repealed provisions of an Act or regulation to deal with those cases in which the Act only repealed a part of an Act and not the whole Act.

Definition of “non-scheduled activity”

The Dictionary to the Act defines *non-scheduled activity* as an activity that is not a scheduled activity, and which therefore is not required to be licensed. Scheduled activities and scheduled development work which is carried out to enable scheduled activities to be carried on require a licence from the EPA.

Item [17] amends the definition to make it clear that scheduled development work carried out to enable scheduled activities to be carried on is also excluded from the definition so that the work concerned remains the responsibility of the EPA as the appropriate regulatory authority.

Minor statute law revision

Items [2] and [8] of the proposed amendments insert omitted words.

Item [11] omits some unnecessary words in section 144 (2) of the Act.

Item [15] corrects an incorporating direction.

1.38 Radiation Control Act 1990 No 13

Section 25 Proceedings for offences

Insert after section 25 (4):

- (5) Proceedings for an offence under this Act or the regulations may be commenced within but not later than 12 months after the date on which the offence is alleged to have been committed.

Explanatory note

Section 25 of the *Radiation Control Act 1990* makes provision for the conduct of proceedings for offences under the Act and the regulations made under the Act. Proceedings can be commenced in a Local Court or in the Supreme Court. Proceedings are generally commenced in a Local Court and, by virtue of section 56 of the *Justices Act 1902*, such proceedings may be commenced at any time within 6 months of the date of the alleged offence.

The proposed amendment provides for proceedings to be commenced no later than 12 months after the date on which the relevant offence is alleged to have been committed.

1.39 Real Property Act 1900 No 25

[1] Section 46C Registrar-General may register as proprietor person who is entitled to land by operation of statute

Insert instead “to which the benefit of the restrictive covenant is appurtenant”.

[6] Section 81C Registrar-General must reject invalid application without further consideration

Insert “materials” after “building” in section 81C (1) (a).

Explanatory note

Section 46C of the *Real Property Act 1900* empowers the Registrar-General to record a change in ownership of real property resulting from a statutory vesting.

Item [1] of the proposed amendments requires any request for such a change to be made in the approved form.

Part 8A of the Act provides for the making of an application to extinguish a restrictive covenant and for the lodging of a caveat to prohibit the grant of such an application. Section 74JA of the Act provides that a person may apply to have the Registrar-General serve a lapsing notice on a caveator, to the effect that, unless the caveator obtains an order of the Supreme Court and lodges it with the Registrar-General before the expiry of 21 days after the date on which the notice is served, the caveat will lapse and the restrictive covenant will be extinguished.

Items [2]–[4] of the proposed amendments amend section 74JA to clarify the procedure for the lapsing of caveats.

Item [2] provides for the Registrar-General to merely prepare such a notice for service, rather than to actually serve it.

Item [3] clarifies a reference to an application.

Item [4] provides that the caveat will lapse only to the extent to which it would prohibit the extinguishment of the restrictive covenant.

Item [5] corrects an error in the description of a caveator who has a claim of substance in relation to a restrictive covenant.

Item [6] inserts an omitted word.

Explanatory note

Section 11 of the *Registration of Interests in Goods Act 1986* establishes an account, called the Registration of Interests in Goods Account, into which are paid fees and charges paid under the Act and certain other amounts.

The proposed amendment provides for the payment out of the account of any amount necessary to meet the cost of administering the Act.

[7] Schedule 3.4 [2]

Omit so much of the item as inserts Schedule 4.4A [4] and [5] in the *Residential Tribunal Act 1998*.

Explanatory note

Item [1] of the proposed amendments omits a duplicated definition.

Item [2] corrects a grammatical error.

Item [3] clarifies the application of a provision that is within Division 3 of Part 12 of the Act (which sets out the grounds for termination of a residential tenancy agreement that is not a residential site agreement).

Item [4] provides for a penalty for offences relating to the exercise of the power of an investigator to obtain information, documents and evidence. (The analogous offences in section 119B (3) of the *Residential Tenancies Act 1987*, on which section 140 of the *Residential Parks Act 1998* is based, are punishable by a maximum penalty of 5 penalty units).

Items [5] and [7] omit amendments that were made redundant by the enactment of the *Residential Tribunal Act 1998*, which was before Parliament at the same time as the *Residential Parks Act 1998*.

Item [6] corrects an incorporation direction.

Explanatory note

Section 17 of the *Rural Fires Act 1997* provides that a rural fire brigade may be disbanded at any time by the person or body who formed it. Section 17 (3) creates a right to appeal in writing to the Minister against a decision to disband a brigade. Section 17 does not make any provision for the conduct of a formal hearing into an appeal. However, section 17 (5) provides for the Minister to confirm the disbandment or withdraw the notice “after hearing the appeal”.

Item [1] of the proposed amendments makes it clear that the Minister is not required to hold a formal hearing into an appeal.

Explanatory note

The proposed amendments are consequential on the amendments to the *Anti-Discrimination Act 1977* and the *Privacy and Personal Information Protection Act 1998*, made elsewhere in this Schedule. Those amendments provide for the President of the Anti-Discrimination Board and the Privacy Commissioner to be appointed on either a full-time or a part-time basis.

1.46 Strata Schemes (Freehold Development) Act 1973 No 68

[1] Section 8 Registration of strata plans

Omit section 8 (4B)–(4D). Insert instead:

(4B) A plan intended to be registered as a strata plan must indicate in the relevant panel of the approved form:

- (a) that specified model by-laws prescribed by the regulations made under the *Strata Schemes Management Act 1996* are proposed to be adopted for the strata scheme and, if those model by-laws contain one or more alternative versions of

any by-law, that the specified version of that by-law is proposed to be adopted, or

- (b) that other specified by-laws are proposed to be adopted for the scheme.

(4C) If a strata plan indicates that by-laws other than the model by-laws prescribed by the regulations made under the *Strata Schemes Management Act 1996* are proposed to be adopted for the strata scheme, the plan must be accompanied by the by-laws specified. The by-laws must be in the form approved under the *Real Property Act 1900* and must be signed by the persons required to sign the strata plan under section 16 (1).

(4D) The proposed by-laws for a strata scheme have no effect until the strata plan (and any proposed by-laws that are required to accompany it) are registered. However, registration does not operate to give effect to by-laws that have not been lawfully made.

[2] Section 19 Acquisition of additional common property

Omit “or, in the case of a transfer of a lease or sub-lease, the registered lease referred to in the transfer or sub-lease” from section 19 (3) (a) (i).

Saving

The amendment to section 8 of the *Strata Schemes (Freehold Development) Act 1973* does not affect the validity of any strata plan, or any by-laws for a strata scheme, registered before the commencement of the amendment.

Explanatory note

By-laws for a strata scheme

Section 8 of the *Strata Schemes (Freehold Development) Act 1973* requires that when a strata plan is submitted for registration it must be accompanied by the proposed by-laws for the strata scheme.

Section 43 (3) of the *Strata Schemes Management Act 1996* provides for the regulations to prescribe model by-laws which may be adopted as the by-laws for a strata scheme. As with all regulations, those model by-laws would be published in the Gazette and would therefore be publicly available without the need to search the Register kept by the Registrar-General.

Item [1] of the proposed amendments provides that when any of the model by-laws are adopted as the by-laws for a strata scheme they are not required to accompany a strata plan lodged for registration. The strata plan is simply required to indicate that specified model by-laws have been adopted.

The amendments made to the *Strata Schemes Management Act 1996* elsewhere in this Schedule make it clear that when model by-laws have been adopted and noted on the registered strata plan those by-laws, as in force from time to time, are the by-laws for the strata scheme.

Acquisition of additional common property

Section 19 (3) (a) (i) of the *Strata Schemes (Freehold Development) Act 1973* requires a registered lease to be produced along with any transfer or sublease of it. It is no longer the practice of the Registrar-General to require an original lease to be produced where there are subsequent dealings with the leasehold estate, such as a transfer or sublease.

Item [2] of the proposed amendments removes the obligation to produce the registered lease in the case of a transfer of a lease or in the case of a sublease.

1.47 Strata Schemes (Leasehold Development) Act 1986 No 219

Section 7 Registration of strata plans (1973 Act, s 8)

Omit section 7 (2CB)–(2CD). Insert instead:

- (2CB) A plan intended to be registered as a strata plan must indicate in the relevant panel of the approved form:
- (a) that specified model by-laws prescribed by the regulations made under the *Strata Schemes Management Act 1996* are proposed to be adopted for the strata scheme and, if those model by-laws contain one or more alternative versions of any by-law, that the specified version of that by-law is proposed to be adopted, or
 - (b) that other specified by-laws are proposed to be adopted for the scheme.
- (2CC) If a strata plan indicates that by-laws other than the model by-laws prescribed by the regulations made under the *Strata Schemes Management Act 1996* are proposed to be adopted for the strata scheme, the plan must be accompanied by the by-laws specified. The by-laws must be in the form approved under the *Real Property Act 1900* and must be signed by the persons required to sign the strata plan under section 19 (1).
- (2CD) The proposed by-laws for a strata scheme have no effect until the strata plan (and any proposed by-laws that are required to accompany it) are registered. However, registration does not operate to give effect to by-laws that have not been lawfully made.

Saving

The amendment to the *Strata Schemes (Leasehold Development) Act 1986* does not affect the validity of any strata plan, or any by-laws for a strata scheme, registered before the commencement of the amendment.

Explanatory note

Section 7 (2CB) of the *Strata Schemes (Leasehold Development) Act 1986* requires that when a strata plan is submitted for registration it must be accompanied by the proposed by-laws for the strata scheme.

Section 43 (3) of the *Strata Schemes Management Act 1996* provides for the regulations to prescribe model by-laws which may be adopted as the by-laws for a strata scheme. As with all regulations, those model by-laws would be published in the Gazette and would therefore be publicly available without the need to search the Register kept by the Registrar-General.

The proposed amendment provides that when any of the model by-laws are adopted as the by-laws for a strata scheme they are not required to accompany a strata plan lodged for registration. The strata plan is simply required to indicate that specified model by-laws have been adopted.

The amendments made to the *Strata Schemes Management Act 1996* elsewhere in this Schedule make it clear that when model by-laws have been adopted and noted on the registered strata plan those by-laws, as in force from time to time, are the by-laws for the strata scheme.

1.48 Strata Schemes Management Act 1996 No 138

[1] Chapter 2, Part 5 By-laws

Insert “adopt model by-laws or” after “chooses,” in the Introductory note to the Part.

[2] Section 41 What by-laws apply to new strata schemes?

Omit section 41 (2) (but not the note to section 41). Insert instead:

- (2) The by-laws in force for a strata scheme are the by-laws adopted by or lodged with the strata plan registered by the Registrar-General for the strata scheme, as in force at the date of lodgment, subject to any amendment, repeal or addition recorded by the Registrar-General under section 48.

[3] Section 222 Proceedings before Board

Insert at the end of section 222:

- (2) For the purposes of subsection (1) (a), the jurisdictional limits imposed on the Residential Tribunal by section 85 (3) of the *Residential Tenancies Act 1987* do not apply to proceedings before the Board.
- (3) In this section, a reference to proceedings includes a reference to the whole of proceedings, from the time an application is made to the Board until the application has been finally determined.

Explanatory note

By-laws

Part 5 of Chapter 2 of the *Strata Schemes Management Act 1996* deals with by-laws for a strata scheme, governing such things as the behaviour of residents of the scheme and the use of common property.

Section 8 of the *Strata Schemes (Freehold Development) Act 1973* and section 7 of the *Strata Schemes (Leasehold Development) Act 1986* require that when a strata plan is submitted for registration it must be accompanied by the proposed by-laws for the strata scheme. Those by-laws are registered with the strata plan and could therefore be made available by the Registrar-

General to any interested person. Section 41 of the *Strata Schemes Management Act 1996* provides that the by-laws registered by the Registrar-General for a strata scheme are the by-laws in force for the strata scheme.

Section 43 (3) of the *Strata Schemes Management Act 1996* provides for the regulations to prescribe model by-laws which may be adopted as the by-laws for a strata scheme. As with all regulations, those model by-laws would be published in the Gazette and would therefore be publicly available without the need to search the Register kept by the Registrar-General.

Section 8 of the *Strata Schemes (Freehold Development) Act 1973* and section 7 of the *Strata Schemes (Leasehold Development) Act 1986* are amended elsewhere in this Schedule to provide that when any of the model by-laws are adopted as the by-laws for a strata scheme they do not need to be registered with the strata plan. The strata plan is simply required to indicate that specified model by-laws have been adopted.

Items [1] and [2] of the proposed amendments to the *Strata Schemes Management Act 1996* make it clear that when model by-laws have been adopted and noted on the registered strata plan those by-laws, as in force on the date on which the strata plan was lodged for registration, are the by-laws for the strata scheme.

Proceedings before Board

Section 222 of the Act provides that proceedings before the Strata Schemes Board are to be similar to proceedings applying in respect of the Residential Tribunal.

Item [3] of the proposed amendments makes it clear that the jurisdictional limit on the orders that can be made by the Residential Tribunal does not limit the orders that can be made by the Strata Schemes Board and that a reference to "proceedings before the Board" is not limited to the actual hearing of matters by the Board.

1.49 Subordinate Legislation Act 1989 No 146

[1] Section 10 Staged repeal of statutory rules

Insert after section 10 (7):

- (8) Despite subsection (1), the *Recreation Vehicles (General) Regulation 1985* is repealed on 1 October 1999.

[2] Section 11 Postponement of repeal in specific cases

Omit "section 10 (3)–(7)" from section 11 (6).

Insert instead "section 10 (3)–(8)".

Explanatory note

Part 3 of the *Subordinate Legislation Act 1989* provides for the staged repeal of statutory rules. Section 10 sets out the dates on which statutory rules are repealed and section 11 provides for the postponement of repeal in specific cases.

Item [1] of the proposed amendments extends until 1 October 1999 the repeal of the *Recreation Vehicles (General) Regulation 1985*, which is due for staged repeal on 1 September 1999.

Section 11 (3) of the Act has the effect that no further postponement is otherwise available.

Item [2] of the proposed amendments makes a consequential amendment.

[1] Section 1A Closure of Scheme to persons employed on or after 1.7.1985

Omit “or” where secondly occurring in section 1A (3) (c).

[2] Section 32C Refund or minimum benefit in certain cases where spouse dies

Insert at the end of the section:

- (2) If an employee dies before retirement leaving a surviving spouse, and the surviving spouse dies, and there is no child of the employee or of the spouse in respect of whom pension is payable under this Act, there is payable to the employee’s personal representative or, where the employee has no personal representatives, to such person as STC may determine, an amount calculated by deducting from the minimum benefit payable in respect of the employee the total of all benefits paid as a consequence of the death of the employee to the spouse or any other person under this Act (including any instalments of pension).
- (3) In a case to which subsection (1) applies, STC may, if it considers it to be in the best interests of the child or children, make a payment in accordance with subsection (2) as if there were no child or children of the deceased, in which case no pension is payable under this Act in respect of the child or children and no amount is payable under subsection (1).
- (4) For the purposes of this section, the minimum benefit payable in respect of an employee is the amount that would have been payable if the employee had resigned, immediately before dying, from the service of the employee’s employer and elected under section 38B to take the benefit of section 38A.

[3] Section 33A Variation of pension in certain circumstances

Omit “, subject to subsections (3) and (4),” from section 33A (2).

The other amendments to the *Superannuation Act 1916* commence on 1 July 1999.

Transitional

Section 32C (2), (3) and (4) of the *Superannuation Act 1916* do not apply to or in respect of an employee who died before the commencement of those subsections.

Explanatory note

Section 31A of the *Superannuation Act 1916* (as proposed to be inserted by the *Superannuation Legislation Further Amendment Act 1998*) provides for the payment of a minimum benefit in the case of a pensioner who dies. The minimum benefit is the amount to which the pensioner would have been entitled under section 38A of the Act, if he or she had elected to take the benefit of that section on ceasing to be employed, less any amounts of pension or other benefits paid to or in respect of the pensioner under the Act. The minimum benefit is payable if the pensioner dies without leaving a surviving spouse or child to whom a pension is payable under the Act or if the surviving spouse of the pensioner also dies (without having first exhausted the minimum benefit payable in respect of the pensioner).

Section 32A provides that, if an employee dies before retirement leaving a surviving spouse, and no children in respect of whom pension is payable under the Act, the spouse is, on commutation of that pension, entitled to at least a minimum benefit (being the section 38A benefit less any benefits already paid to or in respect of the pensioner).

Item [2] of the proposed amendment provides for a minimum benefit to be paid in respect of an employee who dies before retirement if the surviving spouse of the employee also dies (without having first exhausted the minimum benefit payable in respect of the employee).

Item [1] of the proposed amendments omits a redundant word.

Item [3] omits a redundant cross-reference.

Notes

- * indicates repeal of an amending Act enacted at least 10 years ago (the provisions of which have not all been included in a reprint) but which contains no provision of substantive effect that needs to be retained
- ** indicates repeal of an amending Act the provisions of which have been included in a reprint and which contains no provision of substantive effect that needs to be retained, or which amends a repealed Act
- *** indicates repeal of an Act that is no longer of practical utility
- **** indicates repeal of an Act or part of an Act that is uncommenced

Explanatory note

The repeals are explained in detail in the explanatory note relating to this Act. In relation to the repeal of amending Acts, it should be noted that the Acts are repealed simply to rationalise the legislation in force and that the repeals have no substantive effect on the amendments made by the Acts or any associated provisions. The Acts that were amended by the Acts being repealed are up-to-date on the Legislation Database maintained by the Parliamentary Counsel's Office and are available electronically.

Statute Law (Miscellaneous Provisions) Act 1999 No 31

Schedule 7 Repeals

Section 30 (2) of the *Interpretation Act 1987* ensures that, when an amending Act is repealed, no amendment made by the Act is affected. Section 30 (2) also ensures that the following matters are not affected:

- (a) the proof of any past act or thing,
- (b) any right, privilege, obligation or liability saved by the operation of the Act,
- (c) any validation made by the Act,
- (d) the operation of any savings or transitional provision contained in the Act.

Schedule 8 General savings, transitional and other provisions

(Section 5)

1 Effect of amendment of amending provisions

(1) An amendment made by Schedule 1 or 2 to an amending provision contained in an Act is, if the amending provision has commenced before the date of assent to this Act, taken to have effect as from the commencement of the amending provision.

(2) In this clause:

amending provision means a provision of an Act, or of any other instrument, being a provision that has commenced and that makes a direct amendment to an Act by:

- (a) the repeal or omission of matter contained in the amended Act without the insertion of any matter instead of the repealed or omitted matter, or
- (b) the omission of matter contained in the amended Act and the insertion of matter instead of the omitted matter, or
- (c) the insertion into the amended Act of matter, not being matter inserted instead of matter omitted from the Act,

whether the provision was enacted before or after the commencement of the *Reprints Act 1972*.

Explanatory note

This clause ensures that certain amendments, including amendments correcting errors in the technical provisions (for example, headings indicating the section to be amended or directions as to where a new section is to be inserted) and rectifying minor drafting errors (for example, corrections in numbering of provisions, correction or insertion of cross-references, omission of unnecessary matter or insertion of omitted matter), will commence on the date the amendments to which they relate commenced.

2 Effect of amendment or repeal on acts done or decisions made

Except where it is expressly provided to the contrary, if this Act:

- (a) amends a provision of an Act, or
- (b) repeals and re-enacts (with or without modification) a provision of an Act,

any act done or decision made under the provision amended or repealed has effect after the amendment or repeal as if it had been done or made under the provision as so amended or repealed.

Explanatory note

This clause ensures that the amendment or repeal of a provision will not, unless expressly otherwise provided, vitiate any act done or decision made under the provision as in force before the amendment or repeal.

3 Effect of amendment on regulations

Except where expressly provided to the contrary, any regulation made under an Act amended by this Act, and in force immediately before the commencement of the amendment, is taken to have been made under the Act as amended.

Explanatory note

This clause ensures that, unless expressly provided, any regulation made under an Act amended by the proposed Act, and in force immediately before the commencement of the amendment, will be taken to have been made under the amended Act.

4 Amendments removing gender-specific language

The amendments made to the *Justices Act 1902* by Schedule 6 are made for the purpose of replacing gender-specific language with gender-neutral language. The amendments contained in that Schedule do not affect the construction or meaning of the Act.

Explanatory note

This clause ensures that amendments that are made solely for the purpose of removing gender-specific language from the *Justices Act 1902* do not have any unintended consequences.

5 Regulations

- (1) The Governor may make regulations containing provisions of a savings or transitional nature consequent on the enactment of this Act.
- (2) Any such provision may, if the regulations so provide, take effect from the date of assent to this Act or a later date.
- (3) To the extent to which any such provision takes effect from a date that is earlier than the date of its publication in the Gazette, the provision does not operate so as:
 - (a) to affect, in a manner prejudicial to any person (other than the State or an authority of the State), the rights of that person existing before the date of its publication, or
 - (b) to impose liabilities on any person (other than the State or an authority of the State) in respect of anything done or omitted to be done before the date of its publication.

Explanatory note

This clause enables the making of regulations of a savings or transitional nature having a short term effect and relating to incidental matters arising out of the proposed Act with regard to which no specific, or sufficient, provision has been made in the Act.
