#### **Determination of width of certain access roads excluded from reservation**

- (1) This clause applies to an exclusion order made before the commencement of section 188D that determined a width (not being a width greater than 30 metres) for an access road to be excluded from reservation under the Act by the order.
- (2) On and from the commencement of this clause:

    - (i) all trusts, obligations, estates, interests, rights of way or other easements, and
    - (ii) any dedication, reservation, Crown grant or vesting to which the land is subject, and any such dedication, reservation, grant or vesting is revoked, and
  - (b) the land referred to in paragraph (a) is taken to be an access road and may continue to be used for the purposes for which it was used immediately before the making of the exclusion order, and
