Second Reading

Ms PRU GOWARD (Goulburn—Minister for Family and Community Services, and Minister for Women) [11.40 a.m.], on behalf of Ms Gladys Berejiklian: I move:

That this bill be now read a second time.

As this bill was introduced in the other place on 29 May and it is in the same form, I refer members to the second reading speech that appears at pages 21034 to 21036 in *Hansard*. I commend the bill to the House.
