

PUBLIC SECTOR EMPLOYMENT AND MANAGEMENT AMENDMENT (PROCUREMENT OF GOODS AND SERVICES) BILL 2012

Second Reading

Mr BRAD HAZZARD (Wakehurst—Minister for Planning and Infrastructure, and Minister Assisting the Premier on Infrastructure NSW) [4.52 p.m.], on behalf of Mr Baird, I move:

That this bill be now read a second time.

As this bill was introduced in the other place on 23 May 2012 and is in the same form, the second reading speech appears at pages 11719 to 11722 in the Hansard for that day, which, I am sure, all members have read closely, I commend the bill to the House.
