

LEGISLATIVE COUNCIL

Electricity Network Assets (Authorised Transactions) Bill 2015

First print

Proposed amendments

Amendments to be moved to Opposition amendments on sheet C2015-010

No. 1 **Electricity price guarantee by authorised network operator**

Insert after paragraph (a) in amendment No. 3:

- (b) the authorised network operator's total network charges for the financial year ending 30 June 2021 will be lower than the network operator's total network charges for the financial year ending 30 June 2014, and
