(2) A certificate of provisional enrolment has effect until it is cancelled or expires.

(3) The President is to set an expiry date, not later than 6 months after the certificate takes effect, for each certificate of provisional enrolment granted by the President.

(4) The Board may, at any time before the date of expiry, for such cause as to it seems proper, cancel a certificate of provisional enrolment without prejudice to any application for enrolment of the person who was the holder of the certificate.
(5) If a person to whom a certificate of provisional enrolment has been granted becomes enrolled under this Act during the currency of the certificate, the person’s enrolment dates from the granting of the certificate, unless otherwise decided by the Board.

28B Temporary enrolment

(1) The Board may, on the application in writing of any person who wishes to obtain a certificate of temporary enrolment and on being paid the prescribed fee, issue to the person a certificate of temporary enrolment in the prescribed form on being satisfied that:

(a) the person has adequate qualifications to practise nursing in New South Wales and proposes while in New South Wales to undertake teaching or research work in nursing, or

(b) for a reason accepted by the Board the person should be permitted to practise nursing in New South Wales temporarily.

(2) A certificate of temporary enrolment may be issued unconditionally or subject to such conditions, including a condition as to the capacity in which the person to whom it is issued may practise as a nurse, as the Board considers appropriate.

(3) A person to whom a certificate of temporary enrolment has been issued is, while the certificate is in force and the person complies with any conditions endorsed on the certificate, taken to be enrolled as a nurse for the purposes of sections 5 and 37 but, if applicable, only in the capacity specified in the certificate.

(4) A certificate of temporary enrolment issued under this section, unless sooner cancelled under subsection (5), remains in force for such period not exceeding 12 months as the Board may determine, but the Board may from time to time renew such a certificate for a further period not exceeding 12 months.

(5) The Board may, by notice given by post to the holder of the certificate at the last address of the holder shown in the record kept under section 26 (4), cancel a certificate of temporary enrolment in force under this section for failure to comply
with any condition subject to which the certificate is issued or for any other reason that it considers appropriate and, on any such notice being given to the holder of such a certificate, the certificate ceases to be in force.

(6) For the purposes of this section, a reference to a certificate of temporary enrolment includes a reference to such a certificate that is renewed under subsection (4).

28C Consideration and determination of application

(1) As soon as practicable after receiving an application made under section 27 or 28, the Board must consider the application and, if satisfied as to the entitlement of an applicant, must enrol the applicant and direct the Registrar to enter the relevant particulars of the applicant in the appropriate part of the Roll, but if the Board is not so satisfied, it must refuse the application.

(2) The Board must not refuse an application made under section 27 or 28 unless it has afforded the applicant an opportunity to be heard in relation to the matter.

(3) If the Board holds a hearing for the purposes of subsection (2), it:

(a) may conduct the hearing in such manner as it considers appropriate, and

(b) is not bound to observe rules of law governing the admission of evidence but may inform itself of any matter in such manner as it considers appropriate, and

(c) may call and receive evidence as to any matter relevant to the hearing, and

(d) may, from time to time as it considers appropriate, adjourn the hearing.

(4) If the Board refuses an application made under section 27 or 28, it must forthwith notify the applicant in writing of the refusal and of the reasons for the refusal.

(5) The Board need not afford the applicant an opportunity to be heard under this section if under section 29A the Board refuses the application because the Board is of the opinion, following an inquiry under Schedule 1B, that the applicant is not competent to practise nursing.

[76] Section 29A
Omit the section. Insert instead:

29A Power to refuse or impose conditions on registration or enrolment

(1) The Board may refuse to register or enrol a person who would otherwise be entitled to registration or enrolment if:
   (a) the Board is of the opinion, following an inquiry under Schedule 1B, that the person is not competent to practise nursing or midwifery (as appropriate), or
   (b) the person has been convicted of or made the subject of a criminal finding for an offence (either in or outside New South Wales) and the Board is of the opinion that the circumstances of the offence render the person unfit in the public interest to practise nursing or midwifery (as appropriate).

(2) As an alternative to refusing to register or enrol a person, the Board may grant registration or enrolment subject to conditions if the Board considers that refusal of registration or enrolment is not warranted and that the person should be granted registration or enrolment subject to appropriate conditions.

(3) A nurse or midwife who has had conditions imposed on his or her registration or enrolment under this section (including on a review under this section) may apply to the Board for a review of the conditions.

(4) The Board may decline to review the conditions if the application is made within 12 months after the conditions were last reviewed under this section. No appeal lies under section 32 in respect of such a decision by the Board to decline to review conditions.

(5) On a review of conditions the Board may alter or remove conditions or impose new conditions, as it thinks appropriate.

(6) Schedule 1B has effect.

### 32 Appeals concerning registration or enrolment

1. A person who is aggrieved by any decision of the Board concerning the person’s application under section 18, 19, 19A, 20, 27 or 28 or application for review under section 29A may appeal to the Tribunal against the decision.

2. An appeal must be made within 28 days (or such longer period as the Chairperson may allow in a particular case) after notice of the decision is given to the person. The appeal is to be lodged with the Registrar who is to refer it to the Tribunal.

3. If the decision in respect of which an appeal is made was made as a consequence of an inquiry held by the Board, the appeal is to be dealt with by way of rehearing and fresh evidence or evidence in addition to or in substitution for the evidence received at the inquiry may be given.

4. An appeal does not affect any determination with respect to which it is made until the appeal is determined.

5. When it determines an appeal, the Tribunal may dismiss the appeal or order that the decision of the Board be revoked and replaced by a different decision made by the Tribunal and specified in the order. The Tribunal may also make such ancillary orders as it thinks proper.
(6) The Tribunal’s decision is taken to be a decision of the Board (but this does not confer a right of appeal under this section in respect of the Tribunal’s decision).

(7) No appeal lies under this Act against a decision of the Board under the Mutual Recognition laws in relation to its functions under that Act.

Note. The Mutual Recognition laws provide that a person may, subject to the Administrative Appeals Tribunal Act 1975 of the Commonwealth, apply to the Administrative Appeals Tribunal for a review of a decision of a local registration authority in relation to its functions under the Mutual Recognition laws. Those functions include registration, the imposition or waiver of conditions on registration and the postponement, refusal or reinstatement of registration.

Omit section 33 (1)–(3). Insert instead:

(1) A nurse or midwife must, on or before the commencement of each practice period for the nurse or midwife, pay to the Board the fee prescribed by the regulations as the annual practising fee payable for that practice period.

(1A) The same annual practising fee must be prescribed in respect of both nurses and midwives. A person who is to be registered as both a nurse and a midwife for a practice period is only required to pay one annual practising fee for the practice period.

(2) The Board must forward by post to a nurse or midwife (at the address of the nurse or midwife appearing in the Board’s record of addresses) not earlier than 2 months before the commencement of each practice period for the nurse or midwife a notice informing the nurse or midwife that:

(a) an annual practising fee of a specified amount is payable by the nurse or midwife for the practice period, and

(b) if the fee is not paid to the Board before the commencement of the practice period the Board may cancel the nurse’s or midwife’s registration or enrolment.

(3) The Board may cancel the registration or enrolment of a nurse or midwife if the annual practising fee payable by the nurse or midwife for a practice period is not paid before the commencement of the practice period.
[82] **Section 33 (4)**
Omit “the Board must”. Insert instead “the Board may”.

[83] **Section 33 (4)**
Insert “or enrolment” after “person’s registration”.

[84] **Section 33 (6)–(8)**
Insert after section 33 (5):

(6) If the Board determines not to grant an application for restoration of registration or enrolment, the Board may treat the application as an application by the person for registration or enrolment (and proceed to deal with the application accordingly) or may instead require the person to make the appropriate application for registration or enrolment.

(7) A person who is eligible to be registered as a nurse cannot remain registered as a midwife unless the person also remains registered as a nurse. Accordingly, the Board must cancel a person’s registration as a midwife if the person’s registration as a nurse is cancelled while the person remains eligible to be registered as a nurse.

(8) The **practice period** for a nurse or midwife is the period of 12 months commencing on the first day of the month next following the first anniversary of the day of the nurse’s or midwife’s registration or enrolment, and each subsequent period of 12 months.

(2) The Board may require a return under this section to be verified by statutory declaration.

(3) The regulations may provide that subsection (1) (a) does not apply in respect of particular offences.

(4) In this section:

return date for a nurse or midwife means the date notified to the nurse or midwife by the Board in writing at least 1 month in advance.

return period means the period of 12 months ending 2 months before the return date.

42B Notification of convictions, criminal findings and charges

(1) A nurse or midwife must notify the Board in writing within 7 days after:

(a) the nurse or midwife is convicted of an offence or made the subject of a sex/violence criminal finding for an offence, in this State or elsewhere, giving details of the conviction or criminal finding and any penalty imposed for the offence, or

(2) The regulations may provide that this section does not apply in respect of particular offences.

42D Application of Criminal Records Act

For the purposes of the application of this Division in respect of a criminal finding, the Criminal Records Act 1991 applies in respect of a criminal finding as if section 8 (2) and (4) of that Act were omitted.

Note. Section 8 (2) and (4) of the Criminal Records Act 1991 make special provision for when criminal findings become “spent” under that Act. The omission of those subsections will mean that in determining when a criminal finding becomes spent for the purposes of this Division, criminal findings will be treated as ordinary convictions and the relevant crime-free period will be as provided by section 9 of that Act.

43 Codes of professional conduct

(1) The Board may establish one or more codes of professional conduct setting out guidelines that should be observed by nurses and midwives in their professional practice. The Board may from time to time amend or replace a code of professional conduct.

(2) The Minister may require the Board to develop guidelines relating to any conduct of nurses or midwives that the Minister considers should be the subject of a code of professional conduct.
(3) For that purpose, the Minister may:
(a) direct the Board to establish a code of professional conduct, or
(b) direct the Board to amend or replace a code of professional conduct,
so that the code includes guidelines relating to that conduct.

(4) The Board is to comply with any such direction of the Minister.

(5) The provisions of a code of professional conduct are a relevant consideration in determining for the purposes of this Act what constitutes proper and ethical conduct by a nurse or midwife.

(6) The procedure for the establishment of a code of professional conduct is as follows:
(a) the Board is to prepare a proposed code in draft form and is to prepare an impact assessment statement for the proposed code in accordance with such requirements as the Minister may from time to time determine,
(b) the draft code and impact assessment statement are to be publicly exhibited for a period of at least 21 days,
(c) the Board is to seek public comment on the draft code during the period of public exhibition and public comment may be made during the period of public exhibition and for 21 days (or such longer period as the Board may determine) after the end of that period,
(d) the Board is to submit the draft code to the Minister for approval together with a report by the Board giving details of public comment received during the period allowed for public comment and the Board’s response to it,
(e) the Board is not to establish the draft code as a code of professional conduct unless the Minister approves the draft.

(7) The procedure for the amendment or replacement of a code of professional conduct is the same as for the establishment of the code unless the Minister otherwise directs in respect of a particular amendment.

20  Definitions
In this Part:

former Register means the Register of Nurses kept by the Board immediately before the commencement of clause 21.

the 2003 amendment Act means the Nurses Amendment Act 2003.

21  Registration as nurse or midwife
(1) A person who is registered in List “A” of the former Register immediately before the commencement of this clause is on that commencement:
(a) taken to be registered as a nurse, and
(b) (if the person is also authorised to practise midwifery immediately before that commencement) also taken to be registered as a midwife.

(2) A person who is registered in List “B” of the former Register immediately before the commencement of this clause is on that commencement taken to be registered as a nurse unless the person is also authorised to practise midwifery immediately before that commencement.

(3) A person who is registered in List “B” of the former Register immediately before the commencement of this clause and also authorised to practise midwifery immediately before that commencement is on that commencement taken to be registered as a midwife, unless the person is the subject of a determination under subclause (4).

(4) The Board may determine that a person who is registered in List “B” of the former Register immediately before the commencement of this clause and also authorised to practise midwifery immediately before that commencement is, on that commencement, taken to be registered as both a nurse and a midwife (and such a determination has effect accordingly).

22 Reconstitution of Board

(1) The Nurses and Midwives Board is a continuation of the Nurses Registration Board constituted under section 8 immediately before the commencement of this clause.

(2) A person who, immediately before the substitution of section 9 (2) by the 2003 amendment Act, held office as a member of the Board continues to hold office as a member of the Board, and for that purpose is taken to have been elected or appointed under the provision of section 9 (2) (as so substituted) that the Minister determines is the provision that corresponds to the provision of that subsection under which the person was actually appointed or elected.

(3) For the purposes of clause 3 (2) of Schedule 1 (which limits a person to no more than 3 consecutive terms of office as an appointed member of the Board), a term of office for which a person is taken to be appointed under this clause constitutes the person’s first term of office as a member of the Board.
(4) A vacancy in the office of a member of the Board that results from the substitution of section 9 (2) by the 2003 amendment Act (and the operation of this clause) is to be filled in accordance with this Act. Despite such a vacancy, the Board is taken to be properly constituted pending the filling of the vacancy.

23 Term of nurse practitioner authorisation

On the commencement of the amendment to section 19A by the 2003 amendment Act, the period specified in an authorisation to practise as a nurse practitioner in force immediately before that commencement is extended by 2 years, and the period specified in the authorisation as the period for which it has effect is taken to be amended accordingly.

24 Appeals pending in District Court

An appeal to the District Court made under section 32 before the substitution of that section by the 2003 amendment Act is to proceed and be dealt with, and the decision on appeal is to be given effect to, under that section as if it had not been substituted by the 2003 amendment Act.

25 Member of Board sitting on Tribunal

Section 59 (6), as substituted by the 2003 amendment Act, does not prevent a member of the Board sitting as a member of the Tribunal pursuant to an appointment made before the commencement of that substitution.
