 Chairman's ruling must be challenged before a new question is proposed, 1368; explanation *re*, 1371
 Committee of Ways and Means cannot be asked to vote an item twice, 3073
 Electoral Bill—Deposit clause—not a "rate charge or impose upon the people," 2446
 Imputation that the Government had been influenced by monetary institutions in the introduction of a Bill, out of order, 130
 In Committee of Ways and Means usual to allow Members "considerable latitude," 777

CHAIRMAN OF COMMITTEES, *Assembly*—*continued*

- Irregular for private member to propose increase of taxation (proposed amendment by Mr. Fitzpatrick in Stamp Duties Bill (No. 1) to alter proposed duties on receipts), 1014
 Land Bill not a money Bill "in the sense any measure directly taxing the people would be"; therefore amendment by Council reducing rents could be considered by Committee, 1723
 Liquor Licensing Bill—proposed amendment to make Bill general in application not admissible, as it would impose a restriction on trade not covered by message, 3187
 Name of Governor not to be introduced with a view to influence votes, 1372
 Practice of House of Commons allows Chairman to give vote either in favour or against any motion, even in Committee of Supply, 1230
 Proposed Amendment in Tramways Extension Bill not covered by Governor's message, 1384
 Relevancy of remarks of Members, 1399, 1631, 2123, 2415, 2456, 2769, 3094, 3259

 Resolution *re* imposition of duties on wool properly before Committee, 3073
 Stamp Duties Bill (No. 3), proposed amendment (by Treasurer)—duties on receipts in order, 2887; ruling referred to Mr. Speaker and upheld, 2891; proposed amendment (by Mr. Copeland) to omit exemption not in order, 2888
 "Supply" Resolution to be treated as a whole. If submitted as an estimate, it would be competent to move reduction of amount by any specific sum, 849
 Sydney Corporation Act Amendment Bill (No. 3)—Incompetent for member to move an amendment involving an increase of taxation, as no Message accompanied the Bill, 1366
 Unparliamentary to say that member had offered a bribe, 3060
 (See CAMERON, Mr. ANGUS)
- CHAIRMAN OF COMMITTEES, *Council* (Sir JOSEPH GEORGE LONG INNES, Knt.),
 Casting Vote (Secret Bills of Sale Bill), 2100
 Election of, 22
 Ruling of, reported to the House, 2171
 Rulings of—
 Amendment "That the Chairman leave the chair, and report the Bill to the House with an amendment," cannot be put until Bill completely dealt with, 1660
 As to interference with prerogatives of Assembly—Danger of inserting a clause in Land Bill which might indirectly remove a burden from the people, 1003
 Imputation of "motives of conduct" unparliamentary, 1656

CHAIRMAN OF COMMITTEES, *Council—continued*

In Committee member may speak as often as he likes—nothing to prevent him from saying the same thing over and over again, 2585

Invariable Rule that after the doors are locked for division honorable members are not to change their respective positions by passing from one side to the other, 2532; reversal of rule and explanation *re*, 2572

Member may quote from a private letter “illustration of an argument in reference to the Question before the Committee,” 585

Member not out of order in pointing out that “in all probability by the adoption of an amendment” a Bill would be lost in the other Chamber, 1656

Motion for withdrawal of amendment may be submitted, 817

Proposed amendment in Metropolitan Water Sewerage Bill not in order, as it would effect the taxation under the Bill, 2164

Relevancy of Remarks of Members, 2170, 2171, 2430, 2895

Irregular to refer to debates in other House, but not inconsistent with Parliamentary rule to refer to matters or speeches made outside Parliament, 2777, 2779
