## INDUSTRIAL ARBITRATION (AMENDMENT) BILL:—

Clause 5. (1) The Principal Act is further amended—

(a) by omitting from subsection three of section one hundred and twenty-seven the words "ten pounds" and by inserting in lieu thereof the words "fifty pounds";

Further amendment of Act No. 2, 1940.

Sec. 127. (Appointment and powers of inspectors.)

(b) by omitting section 129A and by inserting in lieu thereof the following section:—

Subst. sec. 129A.

129A. (1) The registrar may, on application being made by any person and on proof to his satisfaction that such person is the secretary or a duly accredited representative of an industrial union of employees whose members are engaged in an industry in respect of which an award or industrial agreement is in force, issue to that person in writing an entry and inspection permit.

Entry and inspection by accredited union representatives.

(2) The person to whom any such entry and inspection permit has been issued may, if such permit is for the time being in force—

(a) enter the premises of any employer engaged in any such industry—

(i) during any lunch hour or non-working time for the purpose of interviewing employees on legitimate union business;

(ii) during working hours for the purpose of investigating any suspected breach of this Act or of any award or industrial agreement in force in relation to such industry;

(b) for the purpose of investigating any suspected breach of this Act or of any award or industrial agreement in force in relation to such industry, require any employer engaged in such industry to produce for his inspection during the usual office hours at the employer's office or other convenient place any time and pay sheets kept by him in regard to employees in such industry, and may make copies of the entries in such time and pay sheets relating to any such suspected breach.

In this subsection "premises" includes any building, mine, mine working, ship, vessel, or place of any kind wherein or in respect of which any industry is carried on or any work is being or has been done or commenced.

(3) An entry and inspection permit—

(a) shall remain in force until it expires in accordance with paragraph (b) of this subsection or is revoked in pursuance of the provisions of this section;

(b) shall expire when the person to whom it was issued ceases to be the secretary or a duly accredited representative of the industrial union and notification of such cessation has been given to the registrar;

(c) may be revoked by the registrar if he is satisfied that the person to whom it was issued has wilfully hampered or hindered employees during their working time or has otherwise acted in an improper manner in the exercise or purported exercise of any power conferred on him by this section.

Any decision of the registrar revoking any entry and inspection permit shall be subject to appeal to the commission as prescribed.

(4) Nothing in this section shall authorise a secretary or duly accredited representative of an industrial union of employees to enter a private dwelling house, or the land used in connection therewith, unless some manufacture or trade in which labour is employed is carried on therein.

(5) Any person who hinders or obstructs the holder of an entry and inspection permit for the time being in force in the exercise of any power conferred on him by this section shall be liable to a penalty not exceeding fifty pounds.

(6) A person to whom an entry and inspection permit has been issued pursuant to this section shall upon the expiry or revocation of such permit return such permit to the registrar for cancellation. Any person failing to comply with the provisions of this subsection shall be liable to a penalty not exceeding fifty pounds.

(2) The terms of every award or industrial agreement which is in force at the commencement of this Act and in which provisions have been inserted pursuant to subsection one of section 129A of the Principal Act shall as from such commencement be deemed to be varied by omitting such provisions therefrom. As soon as practicable after such commencement the registrar shall vary the terms of every such award or industrial agreement to give effect to the provisions of this subsection.
