[Read.]

Question proposed,—That the clause, as read, stand part of the Bill.

Motion made (*Mr Page*)—pages 4 and 5, clause 8, line 24 on page 4 to line 2 on page 5. *Omit* clause 8, *insert instead*:**Temporary exemption for all existing swimming pools and exemption for new swimming pools on very small properties**

8. (1) This section applies to:

- (a) all existing swimming pools; and
- (b) new swimming pools that are situated, or proposed to be constructed or installed, on premises having an area of less than 230 square metres.

NOTE: 230 square metres is the smallest area on which a dwelling-house may currently be erected.

- (a) the means of access to the swimming pool from the building are at all times restricted by a barrier which is certified by a local authority to be reasonably safe; and
  - (b) a door, window or other opening (whether or not fitted with a child-proof lock) through which access may at any time be gained to the swimming pool does not constitute the barrier or any part of it; and
  - (c) any other standards prescribed by the regulations in relation to such a barrier are complied with.

whichever first occurs.

(4) The diagrams in Part 2 of Schedule 1 illustrate the provisions of this section.

CONVEYANCERS LICENSING BILL:

Clauses 1 to 3 having been dealt with,—

Clause 4, as amended.

**Conveyancing work**

4. (1) For the purposes of this Act, conveyancing work is legal work carried out in connection with any transaction that creates, varies, transfers or extinguishes a legal or equitable interest in residential property or that otherwise affects residential property.

(2) Without limitation, conveyancing work includes:

- (a) legal work involved in preparing any document (such as an agreement, conveyance, transfer, lease or mortgage) that is necessary to give effect to any such transaction; and

- (b) legal work (such as the giving of advice or the preparation, perusal, exchange or registration of documents) that is consequential or ancillary to any such transaction; and
- (c) any other legal work that is prescribed by the regulations as constituting conveyancing work for the purposes of this Act.
- (3) However, conveyancing work does not include the carrying out of any work for the purpose of:
- (a) commencing or maintaining legal proceedings; or
  - (b) establishing a corporation or varying the memorandum or articles of association of a corporation; or
  - (c) preparing a mortgage otherwise than where the mortgage is prepared in connection with an agreement for sale of residential property and:
    - the mortgagee is the vendor of the property; or
    - the mortgagee has nominated the purchaser of the property as the mortgagor and has specified the terms of the mortgage independently of any advice given by the person by whom the mortgage is being prepared; or
  - (d) creating, varying or extinguishing a trust; or
  - (e) preparing a testamentary instrument; or
  - (f) creating, varying, transferring or extinguishing a legal or equitable interest in animals or in the goodwill or stock-in-trade of a business; or
  - (g) obtaining the consent of any public or local authority to the subdivision of land, the erection of a building or the carrying out of development (within the meaning of the Environmental Planning and Assessment Act 1979) on land;
  - (h) giving investment or financial advice; or
  - (i) investing money otherwise than as provided for by Division 2 of Part 3,
- and does not include any work that is prescribed by the regulations as not constituting conveyancing work for the purposes of this Act.

(4) In this section:

“legal work” means work that, if done for fee or reward by a person who is neither a solicitor nor a barrister, would give rise to an offence under Part 9 of the Legal Profession Act 1987;

“residential property” has the same meaning as it has in Division 8 of Part 4 of the Conveyancing Act 1919, except that it includes land having an area of up to, but not more than, 10 hectares.

Question proposed,—That the clause, as amended, stand part of the Bill.

Motion made (*Mr Amery*)—page 2, clause 4, lines 19 and 20. *Omit* “residential property or that otherwise affects residential property”, *insert instead* “real property, or that otherwise affects real property (other than real property that comprises offices or buildings consisting of more than 4 floors, or more than 10 retail shops, or that is licensed under the Liquor Act 1982)”.

Question put,—That the words proposed to be left out stand.

CONSTITUTION (FIXED TERM PARLIAMENTS) AMENDMENT BILL:

Clauses 1 to 5 having been dealt with,—

Schedule 1.

SCHEDULE 1—AMENDMENTS

(Sec. 3)

\* \* \* \* \*

[Read.]

**Dissolution of Legislative Assembly during 4 year term**

24B. (1) The Legislative Assembly may be dissolved by the Governor by proclamation, but only in the circumstances authorised by this section.

(2) The Legislative Assembly may be dissolved if:

- (a) a motion of no confidence in the Government is passed by the Legislative Assembly (being a motion of which not less than 3 clear days' notice has been given in the Legislative Assembly); and
- (b) during the period commencing on the passage of the motion of no confidence and ending 8 clear days thereafter, the Legislative Assembly has not passed a motion of confidence in the then Government.

After the motion of no confidence is passed, the Legislative Assembly may not be prorogued before the end of that 8-day period and may not be adjourned for a period extending beyond that 8-day period, unless the motion of confidence has been passed.

(3) The Legislative Assembly may be dissolved if it:

- (a) rejects a Bill which appropriates revenue or moneys for the ordinary annual services of the Government; or
- (b) fails to pass such a Bill before the time that the Governor considers that the appropriation is required.

(4) The Legislative Assembly may be dissolved within 2 months before the Assembly is due to expire if the general election would otherwise be required to be held during the same period as a Commonwealth election, during a holiday period or at any other inconvenient time.

(5) This section does not prevent the Governor from dissolving the Legislative Assembly in circumstances other than those specified in subsections (2)–(4), despite any advice of the Premier or Executive Council, if the Governor could do so in accordance with established constitutional conventions.

(6) When deciding whether the Legislative Assembly should be dissolved in accordance with this section, the Governor is to consider whether a viable alternative Government can be formed without a dissolution and, in so doing, is to have regard to any motion passed by the Legislative Assembly expressing confidence in an alternative Government in which a named person would be Premier.

Question proposed,—That the Schedule, as read, stand part of the bill.

Motion made (*Mr Hatton*)—page 4, Schedule 1 (4). At the end of proposed section 24B (3), *insert* "This subsection does not apply to a Bill which appropriates revenue or moneys for the Legislature only."

Question put,—That the amendment be agreed to.

No. 2

INDUSTRIAL RELATIONS (SICK LEAVE) AMENDMENT BILL:

Clauses 1 and 2 having been dealt with,—

Clause 3.

**Amendment of Industrial Relations Act 1991 No. 34**

3. The Industrial Relations Act 1991 is amended by inserting after section 99 the following section:

10 **Prohibition on cashing-in of accumulated sick leave**

99A. (1) An award must not allow or require an employee to cash-in the employee's accumulated sick leave.

15 (2) Accumulated sick leave is cashed-in if the leave is not taken and a payment is made by the employer to or on behalf of the employee of the amount of salary for the period of accumulated leave or of any other amount calculated by reference to that period.

20 (3) This section applies whenever the accumulated sick leave is to be cashed-in, including on termination of employment (whether by resignation, retirement, death or otherwise) or during the period of employment.

(4) A provision of an award, whether made, filed or registered before or after the commencement of this section, does not have any effect to the extent that the provision contravenes this section.

25 (5) However, this section does not affect the cashing-in of accumulated sick leave under an existing provision on termination of employment (whether by resignation, retirement, death or otherwise), but the maximum number of days (or other periods) of that leave that may be cashed-in is to be calculated as follows:

30 Step 1: Calculate the number of days (or other periods) of accumulated sick leave, as at the date of termination of employment, that the employee could cash-in in accordance with the existing provision as in force on that date.

35 Step 2: Calculate the number of days (or other periods) of accumulated sick leave, as at the commencement of this section, that the employee could have cashed-in if his or her employment had been terminated immediately before that commencement.

The maximum number of days (or other periods) of accumulated leave that may be cashed-in is the lesser of the numbers calculated under step 1 and step 2.

(6) An existing provision may be duly repealed or varied, but not so as to increase the number of days (or other periods) of accumulated sick leave that may be cashed-in.

(7) This section does not affect any payment made or due to an employee before the commencement of this section.

(8) In this section:

“award” includes:

10

(a) a former industrial agreement; and

(b) any order of the Commission; and

(c) a determination under section 63 of the Public Sector Management Act 1988 or an agreement under section 64 of that Act, or any similar determination or agreement relating to employment in the public sector; and

15

(d) a contract determination (in which case references in this section to employers and employees are to be read as references to the parties to relevant contracts of bailment or carriage);

20

“existing provision” means a provision of an award that allows or requires an employee to cash-in the employee’s accumulated sick leave on termination of employment (whether by resignation, retirement, death or otherwise), being a provision that commenced before the commencement of this section.

25

Question proposed,—That the clause, as read, stand part of the Bill.

Motion made (*Mr Collins, by leave*)—page 2, clause 3 (proposed section 99A (1)), line 11. After “award”, insert “or agreement”.

Page 2, clause 3 (proposed section 99A (4)), line 21. After “award”, insert “or agreement”.

Page 3, clause 3 (proposed definition of “award”), lines 10 and 11. *Omit* all words on those lines, *insert instead*:

“award or agreement” means award, enterprise agreement or former industrial agreement, and includes:

Page 3, clause 3 (proposed definition of “existing provision”), line 21. After “award”, insert “or agreement”.

Question put,—That the amendments be agreed to.

SAME BILL:

Same clause.

\* \* \* \* \*

[*Read.*]

Question proposed,—That the clause, as read, stand part of the Bill.

Motion made (*Mr Collins*)—pages 2 and 3, clause 3 (proposed section 99A (5)), lines 24–37 on page 2 and lines 1–3 on page 3. *Omit* all words on those lines, *insert instead*:

(5) However, this section does not affect the cashing-in of accumulated sick leave under an existing provision on termination of employment, but the maximum number of days (or other periods) of that leave that may be cashed-in is to be calculated as follows:

Step 1: Calculate the number of days (or other periods) of accumulated sick leave, as at the commencement of this section, that the employee could have cashed-in if his or her employment had been terminated immediately before that commencement.

Step 2: Deduct from the number of days (or other periods) calculated under step 1, the number of days (or other similar periods) of sick leave actually taken by the employee since the commencement of this section.

The resulting balance (if any) is the maximum number of days (or other periods) of accumulated sick leave that may be cashed-in.

Question put,—That the amendment be agreed to.

[Read.]

Question proposed,—That the Schedule, as read, stand part of the Bill.

Motion made (*Dr Refshauge*)—page 7, Schedule 1. Before line 8, *insert*:

**Immunised children who suffer adverse medical reaction entitled to compensation**

42F. (1) A child who suffers an adverse medical reaction in consequence of immunisation against a vaccine preventable disease is eligible to receive compensation for the reaction and compensation for expenses.

(2) An award of compensation to a child under this section is payable out of money to be provided by Parliament and the maximum amount of compensation that the child is eligible to receive as compensation under this section for an adverse medical reaction and for expenses is \$50,000.

(3) The Victims Compensation Tribunal has jurisdiction to consider and determine applications made under this section.

(4) An application for compensation under this section must be made to the Tribunal and must:

- (a) be in writing; and
- (b) be accompanied by documentary evidence (such as a medical certificate) of the adverse medical reaction; and
- (c) be verified by statutory declaration; and
- (d) be lodged with the Registrar of the Tribunal within 2 years (or within such longer period as the Tribunal may, in a particular case, allow) after the relevant adverse medical reaction first occurred.

(5) The Tribunal must consider each application made to it.

(6) For the purposes of considering an application, the Tribunal may conduct a hearing in accordance with Part 4 of the Victims Compensation Act 1987.

(7) In deciding whether or not to conduct a hearing, the Tribunal must have regard to, but is not bound to comply with, the wishes of the applicant.

(8) The Tribunal may require an applicant to undergo a medical examination by a medical practitioner.

(9) After considering an application, the Tribunal must determine the application by making an award of compensation or by dismissing the application.

(10) The Tribunal must cause notice of its determination to be given to the applicant. Section 19 (4) of the Victims Compensation Act 1987 applies with any necessary modifications to such a notice.

(11) In determining the amount of compensation to award under this section to a child, the Tribunal must have regard to:

- (a) any amount which has been or will be paid to the child as damages awarded in civil proceedings, or under an insurance policy or other contract or under any other Act or law; and

- (b) any other amount which has been or will be received by the child,

in respect of the adverse medical reaction concerned.

(12) Sections 22 (1), 23, 24, 24A and Divisions 4 and 5 of Part 3, and Part 7, of the Victims Compensation Act 1987 apply (so far as relevant and with any necessary modifications) to an application for, and an award of, compensation under this section in the same way as they apply to an application for, and an award of, compensation under that Act.

(13) This section applies only to an immunisation administered after the commencement of this section.

(14) In this section:

“**compensation**”, in relation to an adverse medical reaction to immunisation, means compensation for pain and suffering, and for loss of enjoyment of life, attributable to the reaction;

“**compensation for expenses**” means compensation for actual and future expenses, and for loss of present and future earnings or capacity to earn, arising from an adverse medical reaction to immunization;

“**Victims Compensation Tribunal**” or “**Tribunal**” means the Victims Compensation Tribunal constituted by the Victims Compensation Act 1987.

Question put,—That the amendment be agreed to.
