| RULINGS OF :— That motion for appointment of Chairman of Committees was in order, notwithstanding the Sessional Order just passed, which precluded any but Government business being taken, 19. That the Closer Settlement (Amendment) Bill was out of order, as containing a provision not set forth in the Order of Leave, 24. That the Petition of Walter Bennett against the election of William Brown as Member for the Electoral District of Durham, although it was not worded in accordance with the usual form required by the Standing Order, was in order, 30. That he would not rule that the Income Tax (Further Amendment) Bill, proposed to be presented, was not in accordance with the Resolution carried in Committee of Ways and Means, but would consider the matter at a later stage, 34. That the Income Tax (Further Amendment) Bill was not in accordance with the Resolution reported from the Committee of Ways and Means, and contained amendments of Acts which should have been dealt with in a Machinery Bill brought in through a Committee of the Whole, 46. That objection to the reception of a Resolution from Committee of Ways and Means must be taken when the report is made from Committee, 52. That the Income Tax (Further Amendment) Bill (No. 2) would amend Acts which were foreign to Income Tax legislation not indicated in the title, and was beyond the Order of Leave, 56. That the clauses of the Closer Settlement (Amendment) Bill (No. 2) were covered by the Order of Leave, 57. That it was in accordance with the Electoral Act to bring up a Progress Report from the Committee of Elections and Qualifications recommending that a Petition be referred to the Committee to be appointed next session, provided that a Resolution to that effect be agreed to, 73-4. | | | | |
