He had reported the matter to the Premier and to the President of the press gallery.

PPRIVILEGE (*continued*):FRAUDULENT DOCUMENTS (*continued*):

Mr Smiles also stated that his concerns were compounded by a recent break-in at his electorate office where files and stationery were tampered with and disarranged. He concluded by advising the House that certain written material may be circulating which does not necessarily represent his views.

Mr Speaker then directed Mr Smiles to indicate to the House the text of the proposed privilege motion.

Mr Whelan, by leave, also addressed the House.

Mr Speaker then ruled that a *prima facie* case of breach of privilege had been established, and in view of the seriousness of the matters raised by both members, that the motion intimated by Mr Smiles be placed on the Business Paper as a notice of motion with precedence pursuant to Standing Order 111 (b), 288.

THREATS AND ASSAULT AGAINST A MEMBER:

Mr Gibson rose on a point of privilege to draw the attention of the House to the fact that he had been threatened and assaulted as a result of certain actions he had taken in regard to information given to him as a Member of Parliament.

Mr Speaker ruled that a *prima facie* case had been established.

Motion (*Mr Gibson*), That this House—

- (1) Views with grave concern the actions of certain individuals in assaulting and threatening the honourable member for Londonderry.
- (2) Reaffirms the principle that any action which attempts to obstruct or impede a member in properly carrying out his or her duties as a member constitutes a contempt against the House.
- (3) Calls upon the responsible authorities to fully investigate, as a matter of the greatest urgency, the matters raised by the honourable member.

Agreed to, 145.

And the Member not having previously spoken to the motion again moved (*Mr Gibson*) (*Standing Orders suspended*) and interrupted, 147, resumed, agreed to, 149.
