## SAME BILL:—

Clauses 4 to 10 having been dealt with,—

[Read.]Motion made (Mr Nagle) to insert new clause, as follows:—

## Compensation for egg carrier

11. (1) The Corporation must, within 28 days after the commencement of this Part, set up an arbitration panel to determine the cases, if any, in which compensation is to be payable to sub-contract carriers:

- (a) employed by, or under contract to, the Corporation dissolved by section 6, the Egg Marketing Board abolished by section 73 of the repealed Act or Thomas Nationwide Transport for the purpose of carrying produce for or on behalf of the dissolved Corporation; and
- (b) making a claim for compensation under this section.

(2) The arbitration panel is to consist of 3 persons appointed by the Corporation, of whom:

- (a) 1 is to be a person nominated by the Corporation; and
- (b) 1 is to be a person nominated by the Transport Workers Union (NSW Branch) as a representative of that trade union; and
- (c) 1 is to be an arbitrator appointed in accordance with rules made under the District Court Act 1973.

(3) The arbitration panel may, if it considers necessary, make an award for payment of compensation to a sub-contract carrier who has suffered or may suffer loss as a result of the enactment of this Act.

(4) In determining whether compensation is payable and the amount of payment, the arbitration panel is to have regard to:

- (a) the type of contract the sub-contract carrier had with the dissolved Corporation, the abolished Board or Thomas Nationwide Transport; and
- (b) the duration of the contracts with all or any of those bodies; and
- (c) the likelihood of the carrier being able to utilise the motor vehicle used to carry the dissolved Corporation's produce for some other commercial purpose; and
- (d) the loss suffered or likely to be suffered by the carrier as a consequence of the enactment of this Act; and
- (e) any previous decisions regarding legal proceedings conducted by the carrier in relation to the contracts concerned; and
- (f) any other factor it considers relevant.

(5) If the arbitration panel determines that compensation is to be paid to a claimant under this section and the 3 members of the panel are unable to agree on the sum of compensation to be paid, then the amount to be paid to the claimant under the award of the panel is to be the highest average sum as determined by 2 of the members.

(6) The award of the arbitration panel is binding on the Corporation.

(7) Payment of compensation is to be made out of:

- (a) money borrowed by the Corporation; or
- (b) money provided by Parliament.

(8) Sections 50–60 apply to claims for compensation under this section in the same way as they apply to claims made under the Hen Quota Payment Scheme.

Motion made (Mr Carr) to insert new clause as follows:

\*Elected director

25. (1) Part 2 of the Schedule 2 to the State Owned Corporations Act 1989 is, as regards the Corporation, to be taken to be altered by inserting after clause 1 (6) the following subclause:

- (6A) One of the members of the Board is however to include an elected director appointed by the Governor. The person to hold office as elected director is to be elected in accordance with regulations under the State Bank (Corporatisation) Act 1989. The term of office of the elected director is the period of 3 years commencing with the day specified in the instrument of appointment as the day on which the term of office commences. The elected director sooner ceases to hold office in circumstances specified in regulations under the State Bank (Corporatisation) Act 1989 or if the person holding the office ceases to hold any qualification required for nomination as elected director.

(2) Despite the repeal of the State Bank Act 1981, the provisions of clause 3 of Schedule 1 (except clause 3 (9)) continue to have effect. References in that clause to the State Bank are to be read as references to the Corporation, and references to the elected director of the State Bank Board are to be read as references to the elected director of the board of the Corporation.

(3) Despite the repeal of the regulations under the State Bank Act 1981, the provisions of the regulations made pursuant to clause 3 of Schedule 1 to that Act are, with any necessary adaptations, to be taken to be regulations made under this Act.

(4) The person holding office as elected director of the State Bank Board immediately before the dissolution of that Board is to be taken to have been elected as elected director of the board of the Corporation, for the balance of his or her term of office."

Question put,—That the new clause proposed to be inserted be so inserted.

Committee divided.

- (a) the history of the person to whom the application relates; and
- (b) the needs of the person; and

**(3)** A copy of the report is to be provided as soon as practicable to a barrister, solicitor or agent representing the person to whom the report relates.

**(4)** In proceedings on an application for a general remand order under section 28A or an order under 28B, the court hearing the proceedings:

- (b) may order a report as to any matter that the court thinks fit and may adjourn the proceedings to enable the report to be prepared; and
- (c) may consider such other evidence as it thinks appropriate in the circumstances of the case.
