SPEAKER (*continued*):

RULINGS:

ADJOURNMENT UNDER 49TH STANDING ORDER:

Ruled out of order as matter was before a judicial inquiry and *sub judice*, 183.

Ruled out of order as matter was not of sufficient public importance, 329.

An urgency motion having been agreed to, it would not be in order to move an amendment to the motion, 71.

The rule of submitting the same question can be summarized by saying that no question shall be submitted to the House that is substantially the same as one on which its judgment has already been expressed in the current session.

Having had the opportunity to study the terms of the (prior) motion of the Member for Earlwood and the subsequent debate, and the motion now moved by the Member for Northcott, Mr Speaker had no hesitation in saying that the motion is one on which the House has expressed its opinion, 116.

RESIGNATION OF MEMBER FROM JOINT COMMITTEE:

Mr Speaker informed House of receipt of communications from Messrs Bruxner and Fischer, of 14 November, 1980, submitting their respective resignation from the Joint Committee of the Legislative Council and Legislative Assembly upon Public Funding of Election Campaigns and requesting that he convey their resignation to the House and take appropriate action for their discharge from the Committee.

Mr Speaker said that while the standing orders did not prescribe the procedure for the resignation of members from membership of a select committee he deemed it his duty to report to the House the receipt of the members' letters, 159.

SPECIAL ADJOURNMENT (See "ADJOURNMENT").

STANDING OF GOVERNMENT (See "MOTIONS").

STANDING ORDERS (See also "BILLS"; also "COMMITTEES"; also "MOTIONS"):
