#### SCHEDULE C.

# Units of Weight and Measure.

#### Measures of weight.

The standard pound shall be the legal standard measure of weight, English Act. 20 and of measure having reference to weight, and shall be the only unit or standard measure of weight from which all other weights, and all measures having reference to weight, shall be ascertained.

One-sixteenth part of the standard pound shall be an ounce, and *Ibid*. one-sixteenth part of such ounce shall be a dram, and one seven-

25 thousandth part of the standard pound shall be a grain.

A hundredweight shall consist of one hundred and twelve pounds, English and and a ton shall consist of twenty such hundredweights.

New South

Provided that a ton of flour, bran, pollard, sharps, semolina, wheat- Wales Act. meal, or other milled product of wheat shall consist of 2,000 pounds.

Four hundred and eighty grains shall be an ounce troy or apothecaries.

#### Measures of capacity.

The unit or standard measure of capacity from which all other English Act. measures of capacity, as well for liquids as for dry goods, shall be derived, shall be the gallon, containing ten standard pounds weight of distilled water weighed in air against brass weights, with the water and air at the temperature of sixty-two degrees Fahrenheit's thermometer, and the barometer at thirty inches.

The quart shall be the fourth part of the gallon, and the pint shall be the eighth part of the gallon. Two gallons shall be a peck, and 40 eight gallons shall be a bushel, and eight such bushels shall be a quarter.

#### Measures of length.

The standard yard shall be the only unit or standard measure of *Ibid.* extension, from which all other measures of extension, whether linear, 45 superficial, or solid, shall be ascertained.

One-third

One-third of the standard yard shall be a foot, and the twelfth part English Act. of such foot shall be an inch, and the rod, pole, or perch in length shall be five such yards and a half; and the chain shall contain twenty-two such yards, and the mile one thousand seven hundred and sixty such 5 yards.

The rood of land shall contain one thousand two hundred and ten *Ibid.* square yards, according to the standard yard, and the acre of land shall contain four thousand eight hundred and forty such square yards, being one hundred and sixty square rods, poles, or perches.

# New South Wales.

ANNO QUINTO

# GEORGII V REGIS.

# Act No. 10, 1915.

An Act to provide standards and units, and to declare the law of weights and measures; for the verification and stamping of weights, measures, and weighing and measuring instruments; to regulate the sale of coal and firewood; to repeal the Weights and Measures Act, 1898, and the Sydney Coal Delivery Act, 1901; to amend the Government Railways Act, 1912, the Pure Food Act, 1908, and certain other Acts; and for purposes consequent thereon or incidental thereto. [Assented to, 22nd February, 1915.]

BE

A

BE it enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

### PART I.

#### PRELIMINARY.

# Preliminary and repeal.

Short title.

- 1. (1) This Act may be cited as the "Weights and Measures Act, 1915," and shall commence and take effect on and from the first day of June, one thousand nine hundred and fifteen.
  - (2) This Act is divided into Parts, as follows:—

PART I.—PRELIMINARY—ss. 1-11.

PART II.—STANDARDS AND UNITS—ss. 12-21.

PART III.—THE LAW OF WEIGHTS AND MEASURES—88. 22-29.

PART IV.—VERIFICATION AND STAMPING ss. 30-34.

PART V.—SALE OF COAL AND FIREWOOD—ss. 35-39.

PART VI.—General and Supplemental—ss. 40-58.

Repeal.

2. The Weights and Measures Act, 1898, the Sydney Coal Delivery Act, 1901, and section thirty-seven of the Government Railways Act, 1912, are repealed.

Savings.

3. All members of the police force who are inspectors under the Weights and Measures Act, 1898, and who hold office at the commencement of this Act, shall be deemed to be appointed hereunder.

Transfer of copies of standards.

4. All copies of standard weights and measures deposited with clerks of petty sessions or other persons under the Weights and Measures Act, 1898, shall be deemed to be "local standards" within the meaning of this Act, and with all books, papers, records, weights, measures, scales, and other things in the possession of any clerk of petty sessions or other person under the said Act shall, at the request of the Inspector-General, be handed over to such persons as he may appoint.

5.

**5.** This Act shall apply to all weights, measures, and Application weighing and measuring instruments in use upon any of Act to railways and of the railways or tramways, or upon any station, pier, tramways, wharf, jetty, or other premises vested in the Chief Commissioner for Railways and Tramways.

# Definitions.

6. In this Act, unless the context or subject matter Definitions. otherwise indicates,—

"Coal" means all descriptions of coal, coke, and

charcoal.

"Driver" means any person driving or in charge of a vehicle.

"Inspector" means inspector of weights and measures appointed under this Act.

"Inspector General" means Inspector General of Police.

"Measuring instrument" means any instrument or machine, other than standard measures of extension or capacity, used for measuring any article or any liquid.

"Package" includes anything in or by which articles are cased, covered, enclosed, contained,

or packed.

"Prescribed" means prescribed by this Act or the

regulations.

"Public weighing instrument" means any weighing instrument open for use by the public, or for the use of which a charge is made.

"Purchaser" includes person purchasing as agent

for any other person.

"Regulation" means regulation made under this Act.

"Schedule" means Schedule to this Act.

"Superintendent" means superintendent appointed under this Act.

"The court" means the court in or before which the proceedings in question are had.

"To stamp" means to stamp or otherwise mark in such a manner as to be, as far as practicable, indelible.

"Vehicle"

"Vehicle" means any description of vehicle upon wheels.

"Weighing instrument" means weighbridge, weighing machine, scales, balance, steelyard, or other instrument for weighing, and includes the weights belonging thereto.

"Weighman" means the person in charge of a

public weighing instrument.

#### Administration.

Inspector-General of Police to administer.

7. Subject to the control of the Minister, this Act shall be administered by the Inspector-General, a superintendent, and inspectors.

Appointment of superintendent and inspectors.

**8.** The Governor shall appoint the superintendent, who, when so appointed, shall be a superintendent of police. The Inspector-General shall appoint the inspectors from the members of the police force.

Superintendent to control inspectors. **9.** The superintendent, subject to the control of the Inspector-General, shall control the inspectors in the performance of their duties under this Act.

Absence of the superintendent.

10. Whenever the superintendent is absent from his duties by reason of illness or other cause the Inspector-General may appoint a deputy, and during such absence such deputy shall have the powers and shall perform the duties of, and for the purposes of this Act be deemed to be, the superintendent.

Superintendent or inspector not to derive profit from making, adjusting, or selling weights or measures. 11. A superintendent or inspector shall not derive any profit from or be employed in making, adjusting, or selling weights, measures, or weighing instruments:

Provided that, with the approval of the Inspector-General, an inspector may, outside the metropolitan police district, adjust any weight submitted to him for verification and charge a fee for the same, but in no case shall this be done without sufficient cause; such fee shall be as prescribed in Schedule A.

#### PART II.

#### STANDARDS AND UNITS.

#### Standards.

- 12. The weights and measures now deposited in the Standards Treasury shall, respectively, until removed therefrom now in Treasury. for the purpose of substituting standards to be provided in pursuance of the following sections, be standard weights and measures of New South Wales.
- 13. Specimens of weights and measures of the Standards in standard of the United Kingdom of Great Britain and Schedule B to be provided. Ireland, as described in Schedule B, shall be provided by the Minister and deposited in the Treasury by the authority of the Governor; such weights and measures shall, subject to this Act, be standard weights and measures of New South Wales.
- 14. If any standard weight or measure is lost, Replacing destroyed, defaced, or injured, another weight or standards lost, measure of the same standard shall, with the approval destroyed, of the Governor, be provided by the Minister in place defaced, or injured. of the one so lost, destroyed, defaced, or injured. weight or measure shall be deposited in the Treasury, and shall, subject to this Act, be a standard weight or measure of New South Wales.

15. The Governor, by proclamation in the Gazette, when standmay declare that any standard of New South Wales shall ards cease to be standards. cease to be such standard, and may revoke or alter any such proclamation.

16. The Governor may cause such new denomina- New denomitions of standards as may appear to him to be required nations of standards. in addition to those hereinbefore in this Act mentioned to be provided and deposited in the Treasury, and may prescribe the fees for adjusting, testing, verifying, and stamping the same. Such new denominations of standards when proclaimed by the Governor in the Gazette shall be standard weights and measures of New South Wales.

Departmental

# Departmental standards.

Departmental standards.

17. The Minister shall provide copies of the standard weights and measures of New South Wales. Such copies shall be verified as prescribed with the standards in the Treasury, and shall be known as the "departmental standards," and be deposited in the office of the superintendent.

Departmental standards shall be renewed when

necessarv.

#### Local standards.

Local standards.

**18.** (1) The Minister shall provide such copies of the departmental standards as may be necessary.

Each such copy, except where its size renders it impracticable, shall be legibly stamped with such letters and figures as are commonly used to signify the name or mark of the Sovereign, together with "S.W." for standard weight or "S.M." for standard measure, as the case may be, and the denomination of such weight or measure.

Their verification.

(2) Such copies shall be known as "local standards," and, after being verified as prescribed with the departmental standards, shall be transmitted to the inspectors, and shall be safely and securely kept by them.

Periodical verification of local standards.

19. A local standard of weight shall not be deemed legal nor be used for the purposes of this Act unless it has been verified or reverified within ten years before the time at which it is used.

# Falsifying standard.

Penalty for falsifying standard.

**20.** Any person who falsifies, injures, or destroys any standard shall be liable to a penalty not exceeding one hundred pounds.

Units.

Units of weight and measure.

**21.** The units of weight and measure shall be those described in Schedule C.

#### PART III.

# THE LAW OF WEIGHTS AND MEASURES.

#### Sale of goods.

22. (1) Every contract, bargain, sale, purchase, or Contracts and dealing made or had in New South Wales for any work, sales to be according to goods, wares, or merchandise, or other thing which has standard been or is to be done, sold, purchased, delivered, carried, measures. or agreed for by weight or measure, shall be deemed to Act, 1878. be made and had according to the standard weights or s. 19. measures ascertained by this Act, or to some multiple or 41 & 42 Vic., et 49, s. 19. part thereof, and if not so made or had shall be void. All tolls or duties charged or collected according to weight or measure shall be charged and collected according to one of the abovementioned standards, or to some multiple or part thereof.

Such contract, bargain, sale, purchase, or dealing and Definition of collection of tolls or duties as is in this section mentioned

is in this Act referred to under the term "trade."

(2) No person shall sell or buy by any denomina- Sale to be by tion of weight or measure other than the standard standards. weights or measures, or some multiple or part thereof.

(3) This section shall not apply to a contract, Foreign bargain, sale, purchase, or dealing in connection with and sales. the importation or export of goods, wares, or merchandise from or to a country where other than the standard weights or measures, ascertained by this Act, are used.

23. (1) All articles sold by weight shall be sold by Articles to be avoirdupois weight, except that—

(a) gold, silver, and articles made thereof, platinum, Act, 1878, and other precious metals may be sold by the s. 20. ounce troy, or by any decimal part of such ounce, or by pennyweights or grains;

(b) diamonds and other precious stones shall be sold by the metric carat, or by any decimal

part of such carat; and

(c) drugs, when sold by retail, may be sold by anothecaries weight.

(2) All contracts, bargains, sales, and dealings in relation thereto shall be deemed to be made and had by such weights and, where so made or had, shall be 24. valid.

avoirdupois.

Weight of bushel. (Canada.)

24. In any contract for the sale by the bushel of any articles mentioned in Schedule E, the bushel shall be determined by weighing; the weight equivalent to a bushel of any such article being that stated in the said Schedule.

Sale by net weight or measure.

**25.** (1) No person shall sell by retail any article by weight or measure unless by net weight or measure.

Invoices and delivery notes.

(2) Every person delivering to any purchaser, at any place other than the premises of the seller, any article so sold, shall deliver an invoice or delivery note showing the net weight or measure of such article, provided that this shall not apply to bread, or to any article weighed or measured at the premises of the purchaser.

Package of weight or measure printed thereon.

(3) No person shall sell or offer or expose for goods to have sale by retail any article enclosed in a package unless the net weight or measure of the article is legibly written or printed upon the outside of the package, or upon a label firmly attached thereto.

> But this subsection shall not apply to articles weighed or measured, before or at the time of sale, in the presence of the purchaser.

Exemptions.

- (4) This section shall not apply to any article—
- (a) exempted by the regulations; or
- (b) exposed for sale or sold by weight in a package if the weight of such article is subject to variation by reason of climatic influences, and the package bears a conspicuous label inscription showing the words "Net weight when packed", together with such weight.

Liquors.

(5) In the case of any liquors paying excise or customs duties, the measures set forth in any Act dealing with such liquors shall be held to satisfy the requirements of this section in regard to measure.

Approximate weights and measures.

(6) Weights and measures closely approximating those indicated on the invoice or delivery note, label, or inscription will be allowed, when and as prescribed by regulations under this Act, either generally or with respect to particular articles.

(7) This section shall not take effect until the Postponeexpiration of one year from the commencement of this ment of operation of

26. Where the net weight or measure of an article sold is stated in an invoice or delivery note, or is written or printed on a package enclosing the article, and such net weight or measure is not correctly so stated, written, or printed, the seller shall be guilty of an offence against this Act:

Provided that in any prosecution for a contravention where net of this section it shall be sufficient defence if the seller — weight or measure is

(a) produces from the person from whom he pur- not correctly chased such article a written guarantee that stated. the weight or measure written or printed on the package is correct; and

(b) proves that he sold such article in the same state as when purchased by him,

subject to the following conditions—

- (c) that the person giving the guarantee must be resident in New South Wales, or, if a company, must have a registered office in New South Wales; and
- (d) the guarantee must state the name and the place of business of the guarantor, and the name under which he trades.

The form of guarantee under this section may be

prescribed by regulation.

Any person who gives a guarantee which is false, shall in addition to the penalty for the sale of any articles in contravention of this Act, be guilty of an offence against this Act.

27. (1) Where any person in a shop or other place, Provision for or in any vehicle, pack, basket, or other receptacle, offers weighing or measuring. or exposes for sale, by retail, by weight or measure, any article, he shall have in a convenient place, capable of being easily seen by the purchaser, a suitable weighing instrument or measure, with the necessary weights for weighing such article; and shall, at the request of a purchaser of any such article sold by retail, by weight or measure, weigh or measure it in the presence of the purchaser.

(2) If the article is less than the due weight or measure, the person selling the same shall be guilty of an offence against this Act.

False declaration as to measures, weights, &c.

**28.** No person shall, by means of words, description, or other indication, direct or indirect, make any false declaration or statement, or wilfully mislead any person as to the number, quantity, measure, gauge, or weight of any articles sold or delivered by him, or sell or cause to be sold or delivered anything by weight or measure short of the quantity ordered or purchased.

Fraud in using weight or measure. Act, 1878, s. 26.

**29.** Where any fraud is wilfully committed in the using of any weight, measure, or weighing or measuring instrument, the person committing such fraud, and every person party to the fraud, shall be guilty of an offence against this Act, and the weight, measure, or instrument shall be seized.

#### PART IV.

# VERIFICATION AND STAMPING.

Verification

**30.** (1) Every weight, measure, and weighing or and stamping measuring instrument used for trade, not being a weight, measure, or instrument exempted by the regulations shall be stamped with a mark of verification in pursuance of this Act.

(2) Provided that—

(a) for the purposes of this section, a weight or measureduly verified and stamped in pursuance of the Act hereby repealed shall, if it is correct, be deemed, for the period of one year from the commencement of this Act, to be stamped with a mark of verification in pursuance of this Act: and

(b) the operation of this section is suspended for one year from the commencement of this Act

in the case of weighing and measuring instruments which, before such commencement. might lawfully have been used without being stamped as aforesaid, if the same are correct.

31. (1) Every weight, measure, and weighing or Reverificameasuring instrument used for trade, not being a measure tion and made of glass, shall be produced at the office of an inspector, and reverified and stamped every two years.

(2) Provided that the Governor, by regulation, may exempt from the operation of this section, subject to such conditions as he may impose, any places named therein which are situated at a greater distance than twenty miles from the office of an inspector.

(3) Provided also that the Governor may make regulations for the more frequent reverification and stamping of spring balances, computing scales, and weighbridges, and of weighing or measuring instruments for which a charge is made for use by the public, and of weighing instruments used at collieries. Such regulations may require the owners of such weighing instruments to provide such stamped weights and such labour as the inspector considers necessary for the proper conduct of such verification.

(4) In the case of a weighing or measuring instrument which, by reason of its being fixed or of its being so heavy that it cannot conveniently be moved, it shall be a sufficient compliance with this section if arrangements are made to the satisfaction of an inspector for the reverification and stamping of the instrument within the period prescribed.

32. No person shall use, or have in his possession Penalty for for use for trade, any weight, measure, or weighing using unstamped or measuring instrument which is not stamped as required weights, &c. by this Act, or which is incorrect or unjust.

33. No personshall use for trade any weight, measure, Using or weighing or measuring instrument which has become defective or repaired defective in consequence of wear or accident, or has weights, &c., been mended or repaired, until the same has been re-until re-stamped. Any person mending or repairing such defective weight, measure, or instrument shall destroy any existing stamp thereon.

34.

**34.** The fees for testing, verifying, or stamping Fees for verifying and weights, measures, and weighing or measuring instrustamping. ments shall be those prescribed in Schedule D.

#### PART V.

#### SALE OF COAL AND FIREWOOD.

Sale to be by weight unless by consent of purchaser.

Written consent of

purchaser to be produced.

Application of last two preceding sections.

Fraudulent

sales.

English Act, 1889, s. 23.

Re ulations.

**35.** All coal and firewood shall be sold by weight, provided that in the case of quantities exceeding five hundredweights, if the written consent of the purchaser be obtained, it may be sold otherwise as agreed.

**36.** The driver of any vehicle conveying coal or firewood in quantities exceeding five hundredweights, which the purchaser has agreed shall be sold otherwise than by weight, shall carry the purchasers written consent to such sale, and shall produce it on demand to any inspector.

37. The last two preceding sections, so far as they relate to firewood, shall apply only to the metropolitan and Parramatta police districts, but may be extended to such other places as the Governor, by proclamation, may notify.

38. No person shall—

(a) sell coal or firewood by description which is false as to the sort of coal or firewood sold; or

(b) sell or deliver wet coal or firewood with intent to defraud the purchaser as to the weight of coal or firewood sold or delivered; or

(c) sell or deliver coal or firewood short of the quantity purchased, or of the quantity purported to be sold or delivered; or

(d) make any false statement as to the weight of any coal or firewood; or

being in charge of a vehicle, wilfully make any false statement as to the tare weight of the vehicle, or wilfully do any act by which either the seller or purchaser of any coal or firewood is defrauded.

**39.** The Governor may make regulations for any of the subjects following:-

(a) The sale, weighing, and delivery of coal and firewood, and the provision and use of weighing instruments in connection therewith.

(b)

(b) The issue by sellers, to drivers of vehicles conveying coal or firewood, of weight tickets, and the carrying and production of such tickets and delivery of same to purchasers.

The weighing of any vehicle conveying coal or firewood, or the load thereon, or any part of such load, on demand by a purchaser or an

inspector.

(d) Generally for other matters for carrying out

the provisions of this Part.

(e) For imposing a penalty not exceeding ten pounds for any breach of any regulation.

#### PART VI.

## GENERAL AND SUPPLEMENTAL.

## Inspection.

**40.** (1) Any inspector may at all reasonable times— Inspection of (a) enter any building or place, or stop and inspect weights, measures, and any vehicle wherein or in connection with which instruments. weights, measures, or weighing or measuring

instruments are used for trade;

(b) inspect any weights, measures, or weighing instruments in the possession of any person having a pack, basket, or other receptacle containing articles for sale; and

(c) examine and test such weights, measures, and

weighing or measuring instruments.

(2) Any weight, measure, or weighing or seizure. measuring instrument which is not stamped as required by this Act, or which is incorrect or unjust, may be seized by an inspector.

41. Any inspector may at all reasonable times enter Inspection of any building or place, and stop and inspect any vehicle, articles in packages. or inspect any pack, basket, or other receptacle, and any article therein kept or exposed for sale in a package, and weigh or cause the article to be weighed or measured in the presence of the person in charge of the same, and may seize any article in respect of which a contravention of this Act has been committed.

Obstruction of inspector.

**42.** Any person who hinders or obstructs any inspector in the execution of his duty under this Act, or who does not, when requested by such inspector, produce all weights, measures, or weighing or measuring instruments in his possession for examination or testing, shall be guilty of an offence against this Act.

Unjust weights, measures, or weighing instruments.

Forged stamp.

Act, 1878, s. 32; Act, 1889, s. 1.

Weight, measure, or instrument, with

forged stamp.

Act, 1878, s. 2; Act, 1889, s. 1. 43. (1) No person shall—

- (a) forge or counterfeit or unlawfully have in his possession any stamp used for stamping under this Act or under the Act hereby repealed any weight, measure, or weighing or measuring instrument, or in any way alter or tamper with any weight, measure, or weighing or measuring instrument which has been so stamped, so as to cause it to weigh or measure unjustly;
- (b) knowingly use, sell, dispose of, or expose for sale any weight, measure, or weighing or measuring instrument, with such forged or counterfeit stamp thereon, or any weight, measure, or weighing or measuring instrument so altered or tampered with;

False or unjust weight, measure, or instrument. Act, 1878, s. 25.

(c) wilfully or knowingly make, or sell, or cause to be made or sold, any weight, measure, or weighing or measuring instrument which is false or unjust;

Increasing or diminishing stamped weight or measure. (d) increase or diminish any stamped weight or measure, or use, sell, dispose of, or expose for sale any such increased or diminished weight or measure: Provided that nothing herein shall apply to any person who increases or diminishes any stamped weight or measure when he adjusts the same to standard, and entirely obliterates the stamp thereon.

Contract in reference to false weight or measure. (2) Any bargain, sale, or contract made in reference to any false or unjust weight, measure, or weighing or measuring instrument shall be void.

Penalties.

#### Penalties.

44. Any person who contravenes or is guilty of an Penalties. offence against this Act, for which no specific penalty is in this Act provided, shall on conviction be liable to

a penalty not exceeding twenty pounds.

45. Any weights, measures, or weighing or measuring Forfeiture, instruments in connection with which any contravention of or offence against this Act was committed may on conviction of any person guilty of such contravention or offence be forfeited to His Majesty, and may be disposed of as the court directs.

**46.** Where a person is convicted of a second or sub- Imprisonsequent contravention of or offence against this Act, and ment for fraud. the court by which he is convicted is of opinion that such English Act, contravention or offence was committed with intent to 1889, s. 4. defraud, he shall be liable, in addition to or in lieu of any penalty, to be imprisoned for a term not exceeding three months.

## Procedure.

47. Penalties and forfeitures under this Act may be Recovery of imposed, recovered and enforced in any court of petty penalties. sessions.

48. No proceeding or conviction for any offence Conviction not to affect civil punishable under this Act shall prejudice any civil remedy.

proceedings.

49. This Act shall not exempt any person from any This Act not indictment or other proceeding for an offence which is to exempt punishable at common law or under some other Act, but indictment. so that no person be punished twice for the same offence.

50. When any weight, measure, or weighing or Evidence as measuring instrument is found in the possession of any to possession. person carrying on trade, or on any premises which, whether a building or in the open air, are used by any person for trade, such person shall be deemed for the purposes of this Act to have such weight, measure, or instrument in his possession for use for trade.

**51.** Proceedings for a penalty for a contravention Proceedings of this Act by a corporation or incorporated company against corporations. may be taken against any person who is the manager

or who acts in the management of such corporation or company, and such person shall be personally liable in such proceedings for such contravention.

Costs or failure of prosecution.

**52.** If an information is laid by any person other than an inspector, and the proceedings are withdrawn or dismissed, the court may, if it thinks fit, order that the said person pay to the defendant such compensation for costs and loss of time as seems reasonable.

Costs on conviction.

**53.** In any conviction under this Act, the court may order such payment as it thinks fit as compensation for loss of time or expense incurred in consequence of the offence of which defendant was convicted, or in connection with the proceedings to secure such conviction.

Evidence of regulations.

**54.** In any proceedings under this Act, any printed paper purporting to be regulations made by the Governor under this Act, and to be printed by the Government Printer, shall be evidence that the regulations in the words printed in such paper were duly made and published under this Act.

Penalty imposed.

55. One-half of any penalty imposed under this Act shall be placed to the credit of the Consolidated Revenue, and one-half to the credit of the Police Superannuation and Reward Fund.

#### Fees.

Fees to be paid into Treasury.

**56.** All fees received by an inspector in pursuance of this Act shall be accounted for by him, and paid into the Treasury and carried to the Consolidated Revenue Account.

# Regulations.

Regulations (Canada and Board of Trade).

**57.** The Governor may make regulations for any of the subjects following:—

Superintendent and inspectors.

(a) The guidance of the superintendent and inspectors in the performance of their duties.

(b) The fixing of times and places for the submitting for verification and the verifying and stamping of weights, measures, and weighing or measuring instruments.

Local standards. (c) The conditions for the supply, custody, care, and verification of departmental and local standards, and the certifying of such verification. (d)

By Authority:

WILLIAM APPLEGATE GULLICK, Government Printer, Sydney, 1915. [1s. 3d.]

I certify that this Public Bill, which originated in the Legislative Assembly, has finally passed the Legislative Council and the Legislative Assembly of New South Wales.

RICHD. A. ARNOLD, Clerk of the Legislative Assembly.

Legislative Assembly Chamber, Sydney, 11 February, 1915.

# New South Wales.

ANNO QUINTO

# GEORGII V REGIS.

# Act No. 10, 1915.

An Act to provide standards and units, and to declare the law of weights and measures; for the verification and stamping of weights, measures, and weighing and measuring instruments; to regulate the sale of coal and firewood; to repeal the Weights and Measures Act, 1898, and the Sydney Coal Delivery Act, 1901; to amend the Government Railways Act, 1912, the Pure Food Act, 1908, and certain other Acts; and for purposes consequent thereon or incidental thereto. [Assented to, 22nd February, 1915.]

I have examined this Bill, and find it to correspond in all respects with the Bill as finally passed by both Houses.

> THOS. H. THROWER, Chairman of Committees of the Legislative Assembly.

B<sup>E</sup> it enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

#### PART I.

#### PRELIMINARY.

## Preliminary and repeal.

Short title.

- 1. (1) This Act may be cited as the "Weights and Measures Act, 1915," and shall commence and take effect on and from the first day of June, one thousand nine hundred and fifteen.
  - (2) This Act is divided into Parts, as follows:—

PART I.—Preliminary—ss. 1-11.

PART II.—STANDARDS AND UNITS—ss. 12-21.

- PART III.—THE LAW OF WEIGHTS AND MEASURES—88. 22-29.
- PART IV.—VERIFICATION AND STAMPING— 88. 30-34.
- PART V.—SALE OF COAL AND FIREWOOD—ss. 35-39.
- PART VI.—GENERAL AND SUPPLEMENTAL—ss. 40-58.

Repeal.

2. The Weights and Measures Act, 1898, the Sydney Coal Delivery Act, 1901, and section thirty-seven of the Government Railways Act, 1912, are repealed.

Savings.

3. All members of the police force who are inspectors under the Weights and Measures Act, 1898, and who hold office at the commencement of this Act, shall be deemed to be appointed hereunder.

Transfer of copies of standards.

4. All copies of standard weights and measures deposited with clerks of petty sessions or other persons under the Weights and Measures Act, 1898, shall be deemed to be "local standards" within the meaning of this Act, and with all books, papers, records, weights, measures, scales, and other things in the possession of any clerk of petty sessions or other person under the said Act shall, at the request of the Inspector-General, be handed over to such persons as he may appoint.

5.

**5.** This Act shall apply to all weights, measures, and Application weighing and measuring instruments in use upon any of Act to railways and of the railways or tramways, or upon any station, pier, tramways. wharf, jetty, or other premises vested in the Chief Commissioner for Railways and Tramways.

# Definitions.

6. In this Act, unless the context or subject matter Definitions. otherwise indicates,—

"Coal" means all descriptions of coal, coke, and charcoal.

"Driver" means any person driving or in charge of a vehicle.

"Inspector" means inspector of weights and measures appointed under this Act.

"Inspector General" means Inspector General of Police.

"Measuring instrument" means any instrument or machine, other than standard measures of extension or capacity, used for measuring any article or any liquid.

"Package" includes anything in or by which articles are cased, covered, enclosed, contained, or packed.

"Prescribed" means prescribed by this Act or the regulations.

"Public weighing instrument" means any weighing instrument open for use by the public, or for the use of which a charge is made.

"Purchaser" includes person purchasing as agent for any other person.

"Regulation" means regulation made under this Act.

"Schedule" means Schedule to this Act.

"Superintendent" means superintendent appointed under this Act.

"The court" means the court in or before which the proceedings in question are had.

"To stamp" means to stamp or otherwise mark in such a manner as to be, as far as practicable, indelible. "Vehicle"

"Vehicle" means any description of vehicle upon wheels.

"Weighing instrument" means weighbridge, weighing machine, scales, balance, steelyard, or other instrument for weighing, and includes the weights belonging thereto.

"Weighman" means the person in charge of a public weighing instrument.

## Administration.

Inspector-General of Police to administer.

7. Subject to the control of the Minister, this Act shall be administered by the Inspector-General, a superintendent, and inspectors.

Appointment of superintendent and inspectors.

8. The Governor shall appoint the superintendent, who, when so appointed, shall be a superintendent of police. The Inspector-General shall appoint the inspectors from the members of the police force.

Superintendent to control inspectors.

9. The superintendent, subject to the control of the Inspector-General, shall control the inspectors in the performance of their duties under this Act.

Absence of the superintendent.

10. Whenever the superintendent is absent from his duties by reason of illness or other cause the Inspector-General may appoint a deputy, and during such absence such deputy shall have the powers and shall perform the duties of, and for the purposes of this Act be deemed to be, the superintendent.

Superintendent or inspector not to derive profit from making, adjusting, or selling weights or measures. 11. A superintendent or inspector shall not derive any profit from or be employed in making, adjusting, or selling weights, measures, or weighing instruments:

Provided that, with the approval of the Inspector-General, an inspector may, outside the metropolitan police district, adjust any weight submitted to him for verification and charge a fee for the same, but in no case shall this be done without sufficient cause; such fee shall be as prescribed in Schedule A.

### PART II.

#### STANDARDS AND UNITS.

#### Standards.

- 12. The weights and measures now deposited in the Standards Treasury shall, respectively, until removed therefrom now in Treasury. for the purpose of substituting standards to be provided in pursuance of the following sections, be standard weights and measures of New South Wales.
- 13. Specimens of weights and measures of the standards in standard of the United Kingdom of Great Britain and Schedule B to be provided. Ireland, as described in Schedule B, shall be provided by the Minister and deposited in the Treasury by the authority of the Governor; such weights and measures shall, subject to this Act, be standard weights and measures of New South Wales.
- 14. If any standard weight or measure is lost, Replacing destroyed, defaced, or injured, another weight or standards measure of the same standard shall, with the approval destroyed, of the Governor, be provided by the Minister in place defaced, or injured. Such weight or measure shall be deposited in the Treasury, and shall, subject to this Act, be a standard weight or measure of New South Wales.
- 15. The Governor, by proclamation in the Gazette, when standmay declare that any standard of New South Wales shall ards cease to be such standard, and may revoke or alter any such proclamation.
- 16. The Governor may cause such new denomina- New denomitions of standards as may appear to him to be required standards in addition to those hereinbefore in this Act mentioned to be provided and deposited in the Treasury, and may prescribe the fees for adjusting, testing, verifying, and stamping the same. Such new denominations of standards when proclaimed by the Governor in the Gazette shall be standard weights and measures of New South Wales.

Departmental

## Departmental standards.

Departmental standards.

17. The Minister shall provide copies of the standard weights and measures of New South Wales. Such copies shall be verified as prescribed with the standards in the Treasury, and shall be known as the "departmental standards," and be deposited in the office of the superintendent.

Departmental standards shall be renewed when

necessary.

#### Local standards.

Local standards.

18. (1) The Minister shall provide such copies of

the departmental standards as may be necessary.

Each such copy, except where its size renders it impracticable, shall be legibly stamped with such letters and figures as are commonly used to signify the name or mark of the Sovereign, together with "S.W." for standard weight or "S.M." for standard measure, as the case may be, and the denomination of such weight or measure.

Their verification.

(2) Such copies shall be known as "local standards," and, after being verified as prescribed with the departmental standards, shall be transmitted to the inspectors, and shall be safely and securely kept by them.

Periodical verification of local standards.

19. A local standard of weight shall not be deemed legal nor be used for the purposes of this Act unless it has been verified or reverified within ten years before the time at which it is used.

# Falsifying standard.

Penalty for falsifying standard.

**20.** Any person who falsifies, injures, or destroys any standard shall be liable to a penalty not exceeding one hundred pounds.

Units.

Units of weight and measure.

21. The units of weight and measure shall be those described in Schedule C.

#### PART III.

## THE LAW OF WEIGHTS AND MEASURES.

# Sale of goods.

22. (1) Every contract, bargain, sale, purchase, or Contracts and dealing made or had in New South Wales for any work, sales to be according to goods, wares, or merchandise, or other thing which has standard been or is to be done, sold, purchased, delivered, carried, weights and measures. or agreed for by weight or measure, shall be deemed to Act, 1878, be made and had according to the standard weights or s. 19. measures ascertained by this Act, or to some multiple or 41 & 42 Vic., part thereof, and if not so made or had shall be raid a 49, s. 19. part thereof, and if not so made or had shall be void. All tolls or duties charged or collected according to weight or measure shall be charged and collected according to one of the abovementioned standards, or to some multiple or part thereof.

Such contract, bargain, sale, purchase, or dealing and Definition of collection of tolls or duties as is in this section mentioned "trade. is in this Act referred to under the term "trade."

(2) No person shall sell or buy by any denomina- Sale to be by tion of weight or measure other than the standard standards. weights or measures, or some multiple or part thereof.

(3) This section shall not apply to a contract, Foreign bargain, sale, purchase, or dealing in connection with and sales, the importation or export of goods, wares, or merchandise from or to a country where other than the standard weights or measures, ascertained by this Act. are used.

23. (1) All articles sold by weight shall be sold by Articles to be avoirdupois weight, except that—

(a) gold, silver, and articles made thereof, platinum, Act, 1878, and other precious metals may be sold by the s. 20. ounce troy, or by any decimal part of such ounce, or by pennyweights or grains;

(b) diamonds and other precious stones shall be sold by the metric carat, or by any decimal part of such carat; and

(c) drugs, when sold by retail, may be sold by apothecaries weight.

(2) All contracts, bargains, sales, and dealings in relation thereto shall be deemed to be made and had by such weights and, where so made or had, shall be valid.

Weight of bushel. (Canada.) 24. In any contract for the sale by the bushel of any articles mentioned in Schedule E, the bushel shall be determined by weighing; the weight equivalent to a bushel of any such article being that stated in the said Schedule.

Sale by net weight or measure. 25. (1) No person shall sell by retail any article by weight or measure unless by net weight or measure.

Invoices and delivery notes.

(2) Every person delivering to any purchaser, at any place other than the premises of the seller, any article so sold, shall deliver an invoice or delivery note showing the net weight or measure of such article, provided that this shall not apply to bread, or to any article weighed or measured at the premises of the purchaser.

Package of goods to have weight or measure printed thereon.

(3) No person shall sell or offer or expose for sale by retail any article enclosed in a package unless the net weight or measure of the article is legibly written or printed upon the outside of the package, or upon a label firmly attached thereto.

But this subsection shall not apply to articles weighed or measured, before or at the time of sale, in the presence of the purchaser.

Exemptions.

- (4) This section shall not apply to any article—
- (a) exempted by the regulations; or
- (b) exposed for sale or sold by weight in a package if the weight of such article is subject to variation by reason of climatic influences, and the package bears a conspicuous label or inscription showing the words "Net weight when packed", together with such weight.

Liquors.

(5) In the case of any liquors paying excise or customs duties, the measures set forth in any Act dealing with such liquors shall be held to satisfy the requirements of this section in regard to measure.

Approximate weights and measures.

(6) Weights and measures closely approximating those indicated on the invoice or delivery note, label, or inscription will be allowed, when and as prescribed by regulations under this Act, either generally or with respect to particular articles.

(7) This section shall not take effect until the Postponeexpiration of one year from the commencement of this ment of operation of

26. Where the net weight or measure of an article Where net sold is stated in an invoice or delivery note, or is written weight or measure is or printed on a package enclosing the article, and such not correctly net weight or measure is not correctly so stated, written, stated. or printed, the seller shall be guilty of an offence against this Act:

Provided that in any prosecution for a contravention of this section it shall be sufficient defence if the seller —

- (a) produces from the person from whom he purchased such article a written guarantee that the weight or measure written or printed on the package is correct; and
- (b) proves that he sold such article in the same state as when purchased by him,

subject to the following conditions—

- (c) that the person giving the guarantee must be resident in New South Wales, or, if a company, must have a registered office in New South Wales; and
- (d) the guarantee must state the name and the place of business of the guarantor, and the name under which he trades.

The form of guarantee under this section may be prescribed by regulation.

Any person who gives a guarantee which is false, shall in addition to the penalty for the sale of any articles in contravention of this Act, be guilty of an offence against this Act.

27. (1) Where any person in a shop or other place, Provision for or in any vehicle, pack, basket, or other receptacle, offers weighing or measuring. or exposes for sale, by retail, by weight or measure, any article, he shall have in a convenient place, capable of being easily seen by the purchaser, a suitable weighing instrument or measure, with the necessary weights for weighing such article; and shall, at the request of a purchaser of any such article sold by retail, by weight or measure, weigh or measure it in the presence of the purchaser.

(2) If the article is less than the due weight or measure, the person selling the same shall be guilty of an offence against this Act.

False declaration as to measures, weights, &c.

28. No person shall, by means of words, description, or other indication, direct or indirect, make any false declaration or statement, or wilfully mislead any person as to the number, quantity, measure, gauge, or weight of any articles sold or delivered by him, or sell or cause to be sold or delivered anything by weight or measure short of the quantity ordered or purchased.

Fraud in using weight or measure.
Act, 1878, s. 26.

29. Where any fraud is wilfully committed in the using of any weight, measure, or weighing or measuring instrument, the person committing such fraud, and every person party to the fraud, shall be guilty of an offence against this Act, and the weight, measure, or instrument shall be seized.

## PART IV.

#### VERIFICATION AND STAMPING.

Verification and stamping. (1) Every weight, measure, and weighing or measuring instrument used for trade, not being a weight, measure, or instrument exempted by the regulations shall be stamped with a mark of verification in pursuance of this Act.

(2) Provided that—

- (a) for the purposes of this section, a weight or measureduly verified and stamped in pursuance of the Act hereby repealed shall, if it is correct, be deemed, for the period of one year from the commencement of this Act, to be stamped with a mark of verification in pursuance of this Act; and
- (b) the operation of this section is suspended for one year from the commencement of this Act

in the case of weighing and measuring instruments which, before such commencement, might lawfully have been used without being stamped as aforesaid, if the same are correct.

**31.** (1) Every weight, measure, and weighing or Reverifica-measuring instrument used for trade, not being a measure tion and made of glass, shall be produced at the office of an inspector, and reverified and stamped every two years.

(2) Provided that the Governor, by regulation, may exempt from the operation of this section, subject to such conditions as he may impose, any places named therein which are situated at a greater distance than

twenty miles from the office of an inspector.

- (3) Provided also that the Governor may make regulations for the more frequent reverification and stamping of spring balances, computing scales, and weighbridges, and of weighing or measuring instruments for which a charge is made for use by the public, and of weighing instruments used at collieries. Such regulations may require the owners of such weighing instruments to provide such stamped weights and such labour as the inspector considers necessary for the proper conduct of such verification.
- (4) In the case of a weighing or measuring instrument which, by reason of its being fixed or of its being so heavy that it cannot conveniently be moved, it shall be a sufficient compliance with this section if arrangements are made to the satisfaction of an inspector for the reverification and stamping of the instrument within the period prescribed.

**32.** No person shall use, or have in his possession Penalty for for use for trade, any weight, measure, or weighing using unstamped or measuring instrument which is not stamped as required weights, &c. by this Act, or which is incorrect or unjust.

33. No personshall use for trade any weight, measure, Using or weighing or measuring instrument which has become defective or repaired defective in consequence of wear or accident, or has weights, &c., been mended or repaired, until the same has been re-until re-stamped. Any person mending or repairing such defective weight, measure, or instrument shall destroy any existing stamp thereon.

34.

Fees for verifying and weights, measures, and weighing or measuring instruments shall be those prescribed in Schedule D.

## PART V.

## SALE OF COAL AND FIREWOOD.

Sale to be by weight unless by consent of purchaser. **35.** All coal and firewood shall be sold by weight, provided that in the case of quantities exceeding five hundredweights, if the written consent of the purchaser be obtained, it may be sold otherwise as agreed.

Written consent of purchaser to be produced.

**36.** The driver of any vehicle conveying coal or firewood in quantities exceeding five hundredweights, which the purchaser has agreed shall be sold otherwise than by weight, shall carry the purchasers written consent to such sale, and shall produce it on demand to any inspector.

Application of last two preceding sections.

**37.** The last two preceding sections, so far as they relate to firewood, shall apply only to the metropolitan and Parramatta police districts, but may be extended to such other places as the Governor, by proclamation, may notify.

**38.** No person shall—

Fraudulent sales.

- (a) sell coal or firewood by description which is false as to the sort of coal or firewood sold; or
- (b) sell or deliver wet coal or firewood with intent to defraud the purchaser as to the weight of coal or firewood sold or delivered; or
- (c) sell or deliver coal or firewood short of the quantity purchased, or of the quantity purported to be sold or delivered; or

English Act, 1889, s. 23.

- (d) make any false statement as to the weight of any coal or firewood; or
- (e) being in charge of a vehicle, wilfully make any false statement as to the tare weight of the vehicle, or wilfully do any act by which either the seller or purchaser of any coal or firewood is defrauded.

Regulations.

- 39. The Governor may make regulations for any of the subjects following:—
  - (a) The sale, weighing, and delivery of coal and firewood, and the provision and use of weighing instruments in connection therewith.

(b)

(b) The issue by sellers, to drivers of vehicles conveying coal or firewood, of weight tickets, and the carrying and production of such tickets and delivery of same to purchasers.

(c) The weighing of any vehicle conveying coal or firewood, or the load thereon, or any part of such load, on demand by a purchaser or an

inspector.

(d) Generally for other matters for carrying out the provisions of this Part.

(e) For imposing a penalty not exceeding ten pounds for any breach of any regulation.

#### PART VI.

## GENERAL AND SUPPLEMENTAL.

## Inspection.

40. (1) Any inspector may at all reasonable times— Inspection of (a) enter any building or place, or stop and inspect weights, any vehicle wherein or in connection with which instruments. weights, measures, or weighing or measuring

instruments are used for trade; (b) inspect any weights, measures, or weighing instruments in the possession of any person having a pack, basket, or other receptacle con-

taining articles for sale; and

(c) examine and test such weights, measures, and weighing or measuring instruments.

(2) Any weight, measure, or weighing or seizure. measuring instrument which is not stamped as required

by this Act, or which is incorrect or unjust, may be seized by an inspector.

41. Any inspector may at all reasonable times enter Inspection of any building or place, and stop and inspect any vehicle, articles in packages. or inspect any pack, basket, or other receptacle, and any article therein kept or exposed for sale in a package, and weigh or cause the article to be weighed or measured in the presence of the person in charge of the same, and may seize any article in respect of which a contravention of this Act has been committed.

Obstruction of inspector.

**42.** Any person who hinders or obstructs any inspector in the execution of his duty under this Act, or who does not, when requested by such inspector, produce all weights, measures, or weighing or measuring instruments in his possession for examination or testing, shall be guilty of an offence against this Act.

Unjust weights, measures, or weighing instruments.

Forged stamp.
Act, 1878, s. 32; Act, 1889, s. 1.

43. (1) No person shall—

- (a) forge or counterfeit or unlawfully have in his possession any stamp used for stamping under this Act or under the Act hereby repealed any weight, measure, or weighing or measuring instrument, or in any way alter or tamper with any weight, measure, or weighing or measuring instrument which has been so stamped, so as to cause it to weigh or measure unjustly;
- (b) knowingly use, sell, dispose of, or expose for sale any weight, measure, or weighing or measuring instrument, with such forged or counterfeit stamp thereon, or any weight, measure, or weighing or measuring instrument so altered or tampered with;

False or unjust weight, measure, or instrument. Act, 1878, s. 25.

Weight, measure, or instrument, with forged stamp.

Act, 1878, s. 2; Act, 1889, s. 1.

(c) wilfully or knowingly make, or sell, or cause to be made or sold, any weight, measure, or weighing or measuring instrument which is false or unjust;

Increasing or diminishing stamped weight or measure. (d) increase or diminish any stamped weight or measure, or use, sell, dispose of, or expose for sale any such increased or diminished weight or measure: Provided that nothing herein shall apply to any person who increases or diminishes any stamped weight or measure when he adjusts the same to standard, and entirely obliterates the stamp thereon.

Contract in reference to false weight or measure. (2) Any bargain, sale, or contract made in reference to any false or unjust weight, measure, or weighing or measuring instrument shall be void.

Penalties.

#### Penalties.

44. Any person who contravenes or is guilty of an Penalties. offence against this Act, for which no specific penalty is in this Act provided, shall on conviction be liable to a penalty not exceeding twenty pounds.

45. Any weights, measures, or weighing or measuring Forfeiture. instruments in connection with which any contravention of or offence against this Act was committed may on conviction of any person guilty of such contravention or offence be forfeited to His Majesty, and may be

disposed of as the court directs.

**46.** Where a person is convicted of a second or sub-Imprisonsequent contravention of or offence against this Act, and ment for fraud. the court by which he is convicted is of opinion that such English Act, contravention or offence was committed with intent to 1889, s. 4. defraud, he shall be liable, in addition to or in lieu of any penalty, to be imprisoned for a term not exceeding three months.

## Procedure.

47. Penalties and forfeitures under this Act may be Recovery of imposed, recovered and enforced in any court of petty penalties. sessions.

48. No proceeding or conviction for any offence Conviction not punishable under this Act shall prejudice any civil remedy.

proceedings.

49. This Act shall not exempt any person from any This Act not indictment or other proceeding for an offence which is to exempt person from punishable at common law or under some other Act, but indictment. so that no person be punished twice for the same offence.

50. When any weight, measure, or weighing or Evidence as measuring instrument is found in the possession of any to possession. person carrying on trade, or on any premises which, whether a building or in the open air, are used by any person for trade, such person shall be deemed for the purposes of this Act to have such weight, measure, or instrument in his possession for use for trade.

51. Proceedings for a penalty for a contravention Proceedings of this Act by a corporation or incorporated company against corporations. may be taken against any person who is the manager

or who acts in the management of such corporation or company, and such person shall be personally liable in such proceedings for such contravention.

Costs or failure of prosecution.

**52.** If an information is laid by any person other than an inspector, and the proceedings are withdrawn or dismissed, the court may, if it thinks fit, order that the said person pay to the defendant such compensation for costs and loss of time as seems reasonable.

Costs on conviction.

**53.** In any conviction under this Act, the court may order such payment as it thinks fit as compensation for loss of time or expense incurred in consequence of the offence of which defendant was convicted, or in connection with the proceedings to secure such conviction.

Evidence of regulations.

**54.** In any proceedings under this Act, any printed paper purporting to be regulations made by the Governor under this Act, and to be printed by the Government Printer, shall be evidence that the regulations in the words printed in such paper were duly made and published under this Act.

Penalty imposed.

55. One-half of any penalty imposed under this Act shall be placed to the credit of the Consolidated Revenue, and one-half to the credit of the Police Superannuation and Reward Fund.

#### Fees.

Fees to be paid into Treasury.

**56.** All fees received by an inspector in pursuance of this Act shall be accounted for by him, and paid into the Treasury and carried to the Consolidated Revenue Account.

#### Regulations.

Regulations (Canada and Board of Trade). Superintendent and

inspectors.

**57.** The Governor may make regulations for any of the subjects following:—

(a) The guidance of the superintendent and inspectors in the performance of their duties.

(b) The fixing of times and places for the submitting for verification and the verifying and stamping of weights, measures, and weighing or measuring instruments.

Local standards. (c) The conditions for the supply, custody, care, and verification of departmental and local standards, and the certifying of such verification. (d)

(d) The amount of error which may be tolerated in Tolerance of weights, measures, and weighing or measuring error. instruments.

(e) The shapes, dimensions, and proportions to be Particulars of required in weights, measures, and weighing weights, measures, and or measuring instruments, and the materials of instruments.

which they shall be made.

(f) Defining and specifying what weights, measures, What weights, and weighing or measuring instruments shall, measures, and instruments or shall not, be admitted to verification, and may be the tests to be applied to ascertain their accuracy verified. and efficiency.

(g) Limiting the purposes or trades for or in which Limitation of certain weights, measures, weighing or measur-use of instruments. ing instruments may lawfully be used, and prescribing the class of weighing or measuring instruments which are to be used in certain

(h) The testing, verifying, and stamping of weights, Testing, measures, and weighing or measuring instru- verification, and stamping ments, and the adjusting of weights.

(i) Prescribing the instruments for testing and verifying weights, measures, and weighing or

measuring instruments.

(j) The marking on weights and measures of their Markings on several denominations, and on weighing and weights and measures. measuring instruments of their capacities and other markings. The obliteration of stamps on weights, measures, and weighing or measuring instruments found to be incorrect or not in accordance with these regulations.

(k) The payment of the fees prescribed for the Fees for testing, verifying, adjusting, or stamping of inspection. weights, measures, and weighing or measuring instruments.

(1) The classes of weights to be used on certain classes of weights on cer-

weighing instruments.

(m) The registration by owners or lessees of public weighing or measuring instruments, and the examination and licensing of weighmen, and generally for their supervision and control.

#### SCHEDULE C.

#### Units of Weight and Measure.

#### Measures of weight.

The standard pound shall be the legal standard measure of weight, English Act. and of measure having reference to weight, and shall be the only unit or standard measure of weight from which all other weights, and all measures having reference to weight, shall be ascertained.

One-sixteenth part of the standard pound shall be an ounce, and *Ibid*. one-sixteenth part of such ounce shall be a dram, and one seventhousandth part of the standard pound shall be a grain.

A hundredweight shall consist of one hundred and twelve pounds, English and and a ton shall consist of twenty such hundredweights.

New South

Provided that a ton of flour, bran, pollard, sharps, semolina, wheatmeal, or other milled product of wheat shall consist of 2,000 pounds. Four hundred and eighty grains shall be an ounce troy or apothecaries.

#### Measures of capacity.

The unit or standard measure of capacity from which all other English Act. measures of capacity, as well for liquids as for dry goods, shall be derived, shall be the gallon, containing ten standard pounds weight of distilled water weighed in air against brass weights, with the water and air at the temperature of sixty-two degrees Fahrenheit's thermometer, and the barometer at thirty inches.

The quart shall be the fourth part of the gallon, and the pint shall be the eighth part of the gallon. Two gallons shall be a peck, and eight gallons shall be a bushel, and eight such bushels shall be a quarter.

#### Measures of length.

The standard yard shall be the only unit or standard measure of *Ibid*. extension, from which all other measures of extension, whether linear, superficial, or solid, shall be ascertained.

One-third

## English Act.

One-third of the standard yard shall be a foot, and the twelfth part of such foot shall be an inch, and the rod, pole, or perch in length shall be five such yards and a half; and the chain shall contain twenty-two such yards, and the mile one thousand seven hundred and sixty such yards.

Ibid.

The rood of land shall contain one thousand two hundred and ten square yards, according to the standard yard, and the acre of land shall contain four thousand eight hundred and forty such square yards, being one hundred and sixty square rods, poles, or perches.

#### SCHEDULE D.
