(2) This Act shall be deemed to have commenced upon the twentieth day of December, one thousand nine hundred and twenty-eight.

Work  
sanctioned.

**2.** (1) The work described in the Schedule to this Act is hereby sanctioned in lieu of the work sanctioned by the Department of Agriculture Building Act, 1916, so far as the same has not been carried out, and the Secretary for Public Works is empowered to carry out the work sanctioned by this section.

(2) The provisions of sections thirty-four, thirty-five, thirty-six, and thirty-seven of the Public Works Act, 1912, shall not apply to the said work, but subject as aforesaid the work shall be carried out under the provisions of that Act.

Plans.

**3.** (1) The plans of the said work are the plans marked No. 2 to No. 27 (both inclusive) signed by the Secretary for Public Works and deposited in the public office of the Minister of Agriculture, such plans being annexures to an indenture made the twenty-first day of December, one thousand nine hundred and twenty-eight, between William James Kell of Burwood and Alfred Leslie Rigby of Burwood of the one part and the Minister for Public Works for and on behalf of His Majesty the King of the other part.

(2) The work shall be carried out in accordance with the plans referred to in this section subject to such minor alterations and modifications as to the said secretary shall seem expedient and proper.

(3) The cost of carrying out the said work (exclusive of land resumptions) is estimated at one hundred and seventy-five thousand one hundred and thirty-two pounds, and such estimated cost shall not, under any circumstances, be exceeded by more than ten per centum and shall be defrayed out of funds provided by Parliament.

*Department of Agriculture Building.*

---

SCHEDULE.

THE proposed new offices for the Department of Agriculture will occupy the site immediately to the south of the offices for the Department of Public Instruction and will adjoin same, and will have frontages to Loftus, Raphael, and Young Streets, also a corner frontage between Loftus and Raphael Streets.

The building will consist of eight stories and will have a steel frame of stanchions, girders, and rolled steel beams, which will support the reinforced concrete floors and stone, brick, and terra-cotta walls. All steel work will be encased in reinforced concrete.

The four elevations to the streets will be formed with Sydney sandstone facings, backed up with brick and concrete, all tied together with steel cramps.

The walls facing the rear area will be built in brickwork and cemented on the outer faces. The inner walls surrounding the stairs, elevators, and lavatories will be in brickwork; those dividing the offices will be in terra-cotta, lumber, or aerocrete, and those, in some cases, facing the corridors, will have wood and glass framings above seven feet high.

The roof will be of concrete with slight falls and covered with asphalt.

*In the name and on behalf of His Majesty I assent to this Act.*

D. R. S. DE CHAIR,  
*Governor.*

*Government House,  
Sydney, 28th March, 1929.*
