It is proposed to amend the provisions of the Marketing of Primary Products Act relating to elections and polls with a view to rendering the intention of the Act more certain.

Fuller provision is made for the winding up and dissolution of a board.

A method is laid down by which an area not controlled by a board may be added to an area so controlled.

A board will be empowered to accept delivery of a commodity produced outside the area controlled by it and to market the commodity on behalf of the producer.

Proclamations made under the provisions of the Principal Act are validated in order to remove some doubts as to their effect.

Certain agreements between the Egg Marketing Board for the counties of Cumberland and Northumberland and the Shires of Nattai and Wollondilly and the Colonial Treasurer are validated.
