### Act No. 45, 1934.

An Act to restrict in certain respects the construction, establishment, or extension within the County of Camden or the County of St. Vincent of electricity generating stations or main transmission lines; to amend the Public Works (Port Kembla Electricity) Act, 1929, and certain other Acts; and for purposes connected therewith. [Assented to, 27th December, 1934.]

**B**E it enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

**1.** (1) This Act may be cited as the "Public Works Short title. (Port Kembla Electricity) Amendment Act, 1934."

(2) The Public Works (Port Kembla Electricity) Act, 1929, as amended by this Act, may be cited as the Public Works (Port Kembla Electricity) Act, 1929-1934.

**2.**

*I have examined this Bill, and find it to correspond in all respects with the Bill as finally passed by both Houses.*

W. W. HEDGES,  
*Chairman of Committees of the Legislative Assembly.*

*Public Works (Port Kembla Electricity) Amendment.*

Amendment  
of Act No. 18,  
1929.  
New sec. 8A.

Restrictions  
in relation  
to certain  
works.

**2.** The Public Works (Port Kembla Electricity) Act, 1929, is amended by inserting next after section eight the following new section:—

8A. (1) Except with the consent of the Governor and in accordance with any conditions or stipulations which may be specified in such consent no person shall, within the County of Camden or the County of St. Vincent—

- (a) construct, establish, or extend an electricity generating station; or
- (b) construct a main transmission line; or
- (c) extend a main transmission line whether the main transmission line proposed to be extended is within either or both of the said counties or is wholly or partly outside the said counties.

(2) Where any such construction, establishment or extension as is referred to in subsection one of this section has been commenced within the County of Camden or the County of St. Vincent after the thirtieth day of June, one thousand nine hundred and thirty-four, and before the commencement of this Act no person shall, except with the consent of the Governor and in accordance with any conditions or stipulations which may be specified in such consent, continue or complete such construction, establishment or extension.

Any person deprived by this section of the benefit of any agreement lawfully entered into prior to the twelfth day of December, one thousand nine hundred and thirty-four, may recover from the Crown any moneys actually expended by him in respect of the carrying out during the period commencing on the first day of July, one thousand nine hundred and thirty-four, and ending on the twelfth day of December, one thousand nine hundred and thirty-four, of any such construction, establishment or extension.

(3) The consent of the Governor under this section may be given subject to such conditions and stipulations as may be specified in the consent.

(4)

---

*Public Works (Port Kembla Electricity) Amendment.*

---

(4) Any person who contravenes any provision of subsection one or subsection two of this section shall be liable to a penalty not exceeding five hundred pounds.

(5) Any person who uses for or in connection with the generating or supply of electricity any electricity generating station or main transmission line constructed, established, extended, continued or completed in contravention of this section shall be liable to a penalty not exceeding fifty pounds for each day during which the same is so used.

(6) Subsections one and two of this section shall not apply to or in respect of any private electricity generating station or private transmission line.

(7) Nothing in this section shall abridge or in any way prejudice or affect any of the powers conferred by this Act upon the Minister.

*In the name and on behalf of His Majesty I assent to this Act.*

PHILIP GAME,  
*Governor.*

*Government House,  
Sydney, 27th December, 1934.*

Public Utility Law (Article 10, Chapter 10)

- (1) Any person who... shall be liable to a penalty not exceeding five hundred dollars.
- (2) Any person who... shall be liable to a penalty not exceeding fifty dollars for each day during which the same is so done.
- (3) Subsections one and two of this section shall not apply to or in respect of any public utility operating station or private transmission line.
- (4) Nothing in this section shall... any way prejudice or affect any of the powers conferred by law upon the State.

NOTE—The words to be inserted are printed in black letter.

*Public Works (Port Kembla Electricity) Amendment.*

2. The Public Works (Port Kembla Electricity) Act, 1929, is amended by inserting next after section eight the following new section:—

Amendment  
of Act No. 18,  
1929.

New sec. 8A.

5 8A. (1) Except with the consent of the Governor and in accordance with any conditions or stipulations which may be specified in such consent no person shall, within the County of Camden or the County of St. Vincent—

Restrictions  
in relation  
to certain  
works.

10 (a) construct, establish, or extend an electricity generating station; or

(b) construct a main transmission line; or

15 (c) extend a main transmission line whether the main transmission line proposed to be extended is within either or both of the said counties or is wholly or partly outside the said counties.

(2) Where any such construction, establishment or extension as is referred to in subsection one of this section has been commenced within the County of Camden or the County of St. Vincent after the thirtieth day of June, one thousand nine hundred and thirty-four, and before the commencement of this Act no person shall, except with the consent of the Governor and in accordance with any conditions or stipulations which may be specified in such consent, continue or complete such construction, establishment or extension.

30 **Any person deprived by this section of the benefit of any agreement lawfully entered into prior to the twelfth day of December, one thousand nine hundred and thirty-four, may recover from the Crown any moneys actually expended by him in respect of the carrying out during the period commencing on the first day of July, one thousand nine hundred and thirty-four, and ending on the twelfth day of December, one thousand nine hundred and thirty-four, of any such construction, establishment or extension.**

35 (3) The consent of the Governor under this section may be given subject to such conditions and stipulations as may be specified in the consent.

40 (4) Any person who contravenes any provision of subsection one or subsection two of this section shall be liable to a penalty not exceeding five hundred pounds.

(5)

---

*Public Works (Port Kembla Electricity) Amendment.*

---

5 (5) Any person who uses for or in connection with the generating or supply of electricity any electricity generating station or main transmission line constructed, established, extended, continued or completed in contravention of this section shall be liable to a penalty not exceeding fifty pounds for each day during which the same is so used.

10 (6) Subsections one and two of this section shall not apply to or in respect of any private electricity generating station or private transmission line.

(7) Nothing in this section shall abridge or in any way prejudice or affect any of the powers conferred by this Act upon the Minister.

Public Works (Food Service Electrical Department)

(6) Any person who uses for or in connection with the generating or supply of electricity any electric generating station or main transmission line established, extended, maintained, repaired or replaced in connection of this section shall be liable to a penalty not exceeding fifty pounds for each day during which the same is so used.

(7) Nothing in this section shall apply to any private electric generating station or private transmission line.

(8) Nothing in this section shall apply to any power generated by this Act upon the Minister's order.

\*\*\*\*\*

Act No. , 1934.

An Act to restrict in certain respects the construction, establishment, or extension within the County of Camden or the County of St. Vincent of electricity generating stations or main transmission lines; to amend the Public Works (Port Kembla Electricity Act, 1929, and certain other Acts; and for purposes connected therewith.

**B**E it enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

- 5 **1.** (1) This Act may be cited as the "Public Works Short title.  
(Port Kembla Electricity) Amendment Act, 1934."  
(2) The Public Works (Port Kembla Electricity)  
Act, 1929, as amended by this Act, may be cited as the  
10 Public Works (Port Kembla Electricity) Act, 1929-1934.

*Public Works (Port Kembla Electricity) Amendment.*

2. The Public Works (Port Kembla Electricity) Act, 1929, is amended by inserting next after section eight the following new section:—

Amendment of Act No. 18, 1929.

New sec. 8A.

Restrictions in relation to certain works.

5 8A. (1) Except with the consent of the Governor and in accordance with any conditions or stipulations which may be specified in such consent no person shall, within the County of Camden or the County of St. Vincent—

10 (a) construct, establish, or extend an electricity generating station; or

(b) construct a main transmission line; or

15 (c) extend a main transmission line whether the main transmission line proposed to be extended is within either or both of the said counties or is wholly or partly outside the said counties.

20 (2) Where any such construction, establishment or extension as is referred to in subsection one of this section has been commenced within the County of Camden or the County of St. Vincent after the thirtieth day of June, one thousand nine hundred and thirty-four, and before the commencement of this Act no person shall, except with the consent of the Governor and in accordance with any conditions or stipulations which may be specified in such consent, continue or complete such construction, establishment or extension.

25 (3) The consent of the Governor under this section may be given subject to such conditions and stipulations as may be specified in the consent.

30 (4) Any person who contravenes any provision of subsection one or subsection two of this section shall be liable to a penalty not exceeding five hundred pounds.

35 (5) Any person who uses for or in connection with the generating or supply of electricity any electricity generating station or main transmission line constructed, established, extended, continued or completed in contravention of this section shall be liable to a penalty not exceeding fifty pounds for each day during which the same is so used.

(6)

---

*Public Works (Port Kembla Electricity) Amendment.*

---

(6) Subsections one and two of this section shall not apply to or in respect of any private electricity generating station or private transmission line.

5

(7) Nothing in this section shall abridge or in any way prejudice or affect any of the powers conferred by this Act upon the Minister.

Public Works (1917) (1917) (1917)

(7) Subject to the provisions of this section  
 shall not apply to any work done in the  
 thirty days immediately preceding the  
 day of the meeting of the Board of  
 Public Works for the year 1917.
