

New South Wales.

ANNO NONO

GEORGI VI REGIS.

Act No. 15, 1945.

An Act to sanction the construction of hydro-electric works at Wyangala on the Lachlan River with transmission lines and necessary subsidiary works for the distribution of electricity therefrom ; to amend the Southern Electricity (Administration) Act, 1942, and certain other Acts ; to validate certain matters ; and for purposes connected therewith. [Assented to, 3rd April, 1945.]

BE it enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows :—

1. This Act may be cited as the "Wyangala Dam Hydro-electric Development (Construction) Act, 1945." Short title.

Wyangala Dam Hydro-electric Development (Construction).

Works sanctioned.

2. (1) (a) The carrying out of the work described in the Schedule to this Act is hereby sanctioned.

(b) The said work shall be deemed to be an authorised work within the meaning of the Public Works Act, 1912, as amended by subsequent Acts.

(c) The Minister for Public Works is empowered to carry out the said work and shall be the constructing authority for the same within the meaning of the said Act, and shall enter into such contracts and take all such necessary steps for the proper execution thereof as such authority may think proper.

(d) The provisions of the Public Works Act, 1912, as amended by subsequent Acts, sections thirty-four, thirty-five, thirty-six and thirty-seven excepted, shall apply to and in respect of the said work.

(2) Without prejudice to the generality of subsection one of this section the provisions of section thirty-eight of the Public Works Act, 1912, as amended by subsequent Acts, shall apply to and in respect of any contracts referred to in paragraph (c) of subsection one of this section.

The plan.

3. The plan of the said work is the plan marked "Wyangala Hydro-electric Construction" signed by the Minister for Public Works and countersigned by the Chief Engineer, Department of Public Works, and deposited in the public office of the said Minister.

Cost.

4. The cost of carrying out the said work, exclusive of land resumptions, is estimated at three hundred and ninety thousand pounds and such estimated cost shall not in any circumstances be exceeded by more than ten per centum.

Amendment of Act No. 3, 1942. Sec. 6.

(Works controlled by the Administrator.)

5. (1) The Southern Electricity (Administration) Act, 1942, is amended—

(a) by inserting next after paragraph (f) of section six the following new paragraph:—

(f1) the works constructed pursuant to the Wyangala Dam Hydro-electric Development (Construction) Act, 1945.

(b)

Wyangala Dam Hydro-electric Development (Construction).

- (b) by inserting next after subsection two of section seven the following new subsection:—

(2A) The provisions of subsection seven of section four hundred and eighteen of the Local Government Act, 1919, as amended by subsequent Acts, shall not apply and shall be deemed never to have applied to any contract made pursuant to subsection two of this section for the supply of electricity in bulk or to any contract made before the commencement of this Act between the Minister for Public Works and any municipal, shire or county council for the supply of electricity in bulk from the works.

(2) The Southern Electricity (Administration) Act, 1942, as amended by this Act, may be cited as the Southern Electricity (Administration) Act, 1942-1945.

Sec. 7.
(Adminis-
trator may
generate and
supply
electricity
and enter
into con-
tracts.)

SCHEDULE.

Sec. 2.

A hydro-electric power station having a maximum capacity of about 7,000 kilowatts at the Wyangala Dam; high tension transmission lines from Wyangala to Cowra, from Cowra to Orange, from Cowra to Forbes and thence to Parkes, and from Parkes to a point (to be agreed upon between the Minister for Public Works and The Commissioner for Railways) on The Commissioner for Railways' electric transmission line from Lithgow to Dubbo; sub-stations at Wyangala, Cowra, Forbes, Parkes and at such other places as the Minister for Public Works may deem necessary for or in connection with any of the aforesaid high tension transmission lines.

The works to be subject to such modification and deviations as the Minister for Public Works may deem necessary.

By Authority:

THOMAS HENRY TENNANT, Government Printer, Sydney, 1945.

I certify that this PUBLIC BILL, which originated in the LEGISLATIVE ASSEMBLY, has finally passed the LEGISLATIVE COUNCIL and the LEGISLATIVE ASSEMBLY of NEW SOUTH WALES.

W. R. McCOURT,
Clerk of the Legislative Assembly.

*Legislative Assembly Chamber,
Sydney, 22 March, 1945.*

New South Wales.

ANNO NONO

GEORGI VI REGIS.

Act No. 15, 1945.

An Act to sanction the construction of hydro-electric works at Wyangala on the Lachlan River with transmission lines and necessary subsidiary works for the distribution of electricity therefrom ; to amend the Southern Electricity (Administration) Act, 1942, and certain other Acts; to validate certain matters; and for purposes connected therewith. [Assented to, 3rd April, 1945.]

BE it enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows :—

1. This Act may be cited as the "Wyangala Dam Short title. Hydro-electric Development (Construction) Act, 1945."

2.

I have examined this Bill, and find it to correspond in all respects with the Bill as finally passed by both Houses.

G. BOOTH,
Chairman of Committees of the Legislative Assembly.

Wyangala Dam Hydro-electric Development (Construction).

Works sanc-
tioned.

2. (1) (a) The carrying out of the work described in the Schedule to this Act is hereby sanctioned.

(b) The said work shall be deemed to be an authorised work within the meaning of the Public Works Act, 1912, as amended by subsequent Acts.

(c) The Minister for Public Works is empowered to carry out the said work and shall be the constructing authority for the same within the meaning of the said Act, and shall enter into such contracts and take all such necessary steps for the proper execution thereof as such authority may think proper.

(d) The provisions of the Public Works Act, 1912, as amended by subsequent Acts, sections thirty-four, thirty-five, thirty-six and thirty-seven excepted, shall apply to and in respect of the said work.

(2) Without prejudice to the generality of subsection one of this section the provisions of section thirty-eight of the Public Works Act, 1912, as amended by subsequent Acts, shall apply to and in respect of any contracts referred to in paragraph (c) of subsection one of this section.

The plan.

3. The plan of the said work is the plan marked "Wyangala Hydro-electric Construction" signed by the Minister for Public Works and countersigned by the Chief Engineer, Department of Public Works, and deposited in the public office of the said Minister.

Cost.

4. The cost of carrying out the said work, exclusive of land resumptions, is estimated at three hundred and ninety thousand pounds and such estimated cost shall not in any circumstances be exceeded by more than ten per centum.

Amendment
of Act
No. 3, 1942.
Sec. 6.
(Works con-
trolled by
the Admin-
istrator.)

5. (1) The Southern Electricity (Administration) Act, 1942, is amended—

(a) by inserting next after paragraph (f) of section six the following new paragraph:—

(f1) the works constructed pursuant to the Wyangala Dam Hydro-electric Development (Construction) Act, 1945.

(b)

Wyangala Dam Hydro-electric Development (Construction).

(b) by inserting next after subsection two of section seven the following new subsection:—

(2A) The provisions of subsection seven of section four hundred and eighteen of the Local Government Act, 1919, as amended by subsequent Acts, shall not apply and shall be deemed never to have applied to any contract made pursuant to subsection two of this section for the supply of electricity in bulk or to any contract made before the commencement of this Act between the Minister for Public Works and any municipal, shire or county council for the supply of electricity in bulk from the works.

Sec. 7.
(Adminis-
trator may
generate and
supply
electricity
and enter
into con-
tracts.)

(2) The Southern Electricity (Administration) Act, 1942, as amended by this Act, may be cited as the Southern Electricity (Administration) Act, 1942-1945.

SCHEDULE.

Sec. 2.

A hydro-electric power station having a maximum capacity of about 7,000 kilowatts at the Wyangala Dam; high tension transmission lines from Wyangala to Cowra, from Cowra to Orange, from Cowra to Forbes and thence to Parkes, and from Parkes to a point (to be agreed upon between the Minister for Public Works and The Commissioner for Railways) on The Commissioner for Railways' electric transmission line from Lithgow to Dubbo; sub-stations at Wyangala, Cowra, Forbes, Parkes and at such other places as the Minister for Public Works may deem necessary for or in connection with any of the aforesaid high tension transmission lines.

The works to be subject to such modification and deviations as the Minister for Public Works may deem necessary.

In the name and on behalf of His Majesty I assent to this Act.

F. R. JORDAN,

By Deputation from His Excellency the Governor.

EXHIBIT

A hydro electric power station having a maximum capacity of about 100,000 kilowatts is being developed at the site of the proposed transmission line from Wisconsin to Iowa. This line is being developed by the Wisconsin Power and Light Company. The line will be a high voltage transmission line and will be a part of the system of lines being developed by the Wisconsin Power and Light Company. The line will be a part of the system of lines being developed by the Wisconsin Power and Light Company. The line will be a part of the system of lines being developed by the Wisconsin Power and Light Company.

The Wisconsin Power and Light Company is the owner of the proposed transmission line from Wisconsin to Iowa. The line will be a part of the system of lines being developed by the Wisconsin Power and Light Company. The line will be a part of the system of lines being developed by the Wisconsin Power and Light Company.

This PUBLIC BILL originated in the LEGISLATIVE ASSEMBLY, and, having this day passed, is now ready for presentation to the LEGISLATIVE COUNCIL for its concurrence.

W. R. McCOURT,
Clerk of the Legislative Assembly.

Wyangala Dam Hydro-electric Development
(Construction) Bill.

EXPLANATORY NOTE.

THIS Bill authorises the construction by the Minister for Public Works as Constructing Authority under the Public Works Act, 1912, of hydro-electric works at Wyangala Dam and other subsidiary works. The works are to be controlled and administered as part of the Southern Electricity Supply under the Southern Electricity (Administration) Act, 1942.

No. , 1944.

A BILL

To sanction the construction of hydro-electric works at Wyangala on the Lachlan River with transmission lines and necessary subsidiary works for the distribution of electricity therefrom; to amend the Southern Electricity (Administration) Act, 1942, and certain other Acts; to validate certain matters; and for purposes connected therewith.

[MR. CAHILL;—6 *March*, 1945.]

BE it enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

1. This Act may be cited as the "Wyangala Dam Hydro-electric Development (Construction) Act, 1944." Short title.

Wyangala Dam Hydro-electric Development (Construction).

2. (1) (a) The carrying out of the work described in the Schedule to this Act is hereby sanctioned. Works sanctioned.

(b) The said work shall be deemed to be an authorised work within the meaning of the Public Works Act, 1912, as amended by subsequent Acts.

(c) The Minister for Public Works is empowered to carry out the said work and shall be the constructing authority for the same within the meaning of the said Act, and shall enter into such contracts and take all such necessary steps for the proper execution thereof as such authority may think proper.

(d) The provisions of the Public Works Act, 1912, as amended by subsequent Acts, sections thirty-four, thirty-five, thirty-six and thirty-seven excepted, shall apply to and in respect of the said work.

(2) Without prejudice to the generality of subsection one of this section the provisions of section thirty-eight of the Public Works Act, 1912, as amended by subsequent Acts, shall apply to and in respect of any contracts referred to in paragraph (c) of subsection one of this section.

3. The plan of the said work is the plan marked "Wyangala Hydro-electric Construction" signed by the Minister for Public Works and countersigned by the Chief Engineer, Department of Public Works, and deposited in the public office of the said Minister. The plan.

4. The cost of carrying out the said work, exclusive of land resumptions, is estimated at three hundred and ninety thousand pounds and such estimated cost shall not in any circumstances be exceeded by more than ten per centum. Cost.

5. (1) The Southern Electricity (Administration) Act, 1942, is amended— Amendment of Act No. 3, 1942.

(a) by inserting next after paragraph (f) of section six the following new paragraph:— Sec. 6. (Works controlled by the Administrator.)

(f1) the works constructed pursuant to the Wyangala Dam Hydro-electric Development (Construction) Act, 1944.

(b)

Wyangala Dam Hydro-electric Development (Construction).

(b) by inserting next after subsection two of section seven the following new subsection:—

Sec. 7.
(Adminis-
trator may
generate and
supply
electricity
and enter
into con-
tracts.)

5 (2A) The provisions of subsection seven of
section four hundred and eighteen of the Local
Government Act, 1919, as amended by subse-
quent Acts, shall not apply and shall be deemed
never to have applied to any contract made pur-
10 suant to subsection two of this section for the
supply of electricity in bulk or to any contract
made before the commencement of this Act be-
tween the Minister for Public Works and any
municipal, shire or county council for the supply
of electricity in bulk from the works.

15 (2) The Southern Electricity (Administration)
Act, 1942, as amended by this Act, may be cited as the
Southern Electricity (Administration) Act, 1942-1944.

SCHEDULE.

Sec. 2.

20 A hydro-electric power station having a maximum capacity of about
7,000 kilowatts at the Wyangala Dam; high tension transmission
lines from Wyangala to Cowra, from Cowra to Orange, from Cowra
to Forbes and thence to Parkes, and from Parkes to a point (to be
agreed upon between the Minister for Public Works and The Com-
missioner for Railways) on The Commissioner for Railways' electric
25 transmission line from Lithgow to Dubbo; sub-stations at Wyangala,
Cowra, Forbes, Parkes and at such other places as the Minister for
Public Works may deem necessary for or in connection with any of
the aforesaid high tension transmission lines.

The works to be subject to such modification and deviations as the
Minister for Public Works may deem necessary.

SECTION 1. To have and to hold unto the people of the State of Louisiana, their heirs and assigns forever, all that certain tract or parcel of land lying and situated in the parish of Orleans, bounded as follows, to-wit:

On the north by the tract of land owned by the State of Louisiana and known as the "Old Orleans Canal"; on the south by the tract of land owned by the State of Louisiana and known as the "New Orleans Canal"; on the east by the tract of land owned by the State of Louisiana and known as the "Old Orleans Canal"; on the west by the tract of land owned by the State of Louisiana and known as the "New Orleans Canal"; and containing an area of more or less than one hundred and no parts of one hundred acres, more or less, as the survey shall determine.

SECTION 2. That the said tract or parcel of land shall be sold and conveyed to the State of Louisiana, its heirs and assigns, subject to the payment of the purchase price thereof, which shall be determined by the Board of Public Lands and Colonization, and the proceeds of the sale thereof shall be deposited in the State Treasury.

SECTION 3. That the said tract or parcel of land shall be sold and conveyed to the State of Louisiana, its heirs and assigns, subject to the payment of the purchase price thereof, which shall be determined by the Board of Public Lands and Colonization, and the proceeds of the sale thereof shall be deposited in the State Treasury.
