"Regulations" means regulations made under this Part of this Act.

Technical Education and New South Wales University of Technology.

5. (1) The Governor may, for the purpose of co-ordinating technical education throughout the State and of carrying out or giving effect to this Part of this Act, establish a Department of Technical Education under the Minister for Education.

Department
of
Technical
Education.

(2) The Minister shall, within the Department of Technical Education, provide, maintain, control and manage such facilities for and in respect of the provision of technical education as he may consider suitable to the requirements of the State.

(3) All powers, authorities, duties and functions which immediately before the commencement of this Part of this Act were exercised and discharged by the Minister for Education in relation to the provision, maintenance, control and management of technical education shall, upon and after such commencement, be exercised and discharged by him through the Department of Technical Education.

(4) The provisions of the Public Instruction Act of 1880 and of any other Act in force at the date of commencement of this Part of this Act relating to the provision, maintenance, control or management of technical education shall, so far as applicable but subject to this Part of this Act, continue to apply to and in respect of the exercise and discharge by the Minister of the powers, authorities, duties and functions conferred or imposed upon him by this Part of this Act.

6. (1) The Governor may, under and subject to the Public Service Act, 1902, as amended by subsequent Acts, appoint a Director of Technical Education, a Deputy Director of Technical Education, and two or more Assistant Directors of Technical Education.

Director,
Deputy
Director
and
Assistant
Directors of
Technical
Education.

(2) The Director of Technical Education shall, for the purposes of the Public Service Act, 1902, as amended by subsequent Acts, be deemed to be the permanent head of the Department of Technical Education.

(3) The Governor may, under and subject to the Public Service Act, 1902, as amended by subsequent Acts, appoint such officers and employees as may be necessary for the administration of this Part of this Act.

Officers and
employees.

Technical Education and New South Wales University of Technology.

Diplomas
and
certificates.

7. The Minister may, subject to and in accordance with the regulations, arrange for the grant of State diplomas and the issue of State certificates of proficiency to persons who pass such examinations and comply with such requirements and conditions as may be prescribed.

Any such diploma or certificate shall be authenticated by the signature of such person or persons and in such manner as may be prescribed.

Technical
Education
Advisory
Council.

8. (1) There shall be a Technical Education Advisory Council (hereinafter in this Part of this Act referred to as the "Council") which shall consist of such number of persons as may be prescribed.

(2) Subject to subsection three of this section, the members of the Council shall be appointed by the Governor and shall be representative of industry, commerce, the professions, the trade union movement and educational authorities.

(3) The Director of Technical Education and the Director-General of Education shall be ex officio members of the Council.

(4) The Director of Technical Education shall be the chairman of the Council.

(5) The members of the Council appointed by the Governor shall hold office for such period as may be prescribed.

In the case of an extraordinary vacancy in the office of any appointed member, the Governor may appoint a person to the vacant office, and the person so appointed shall hold office for the residue of his predecessor's term of office.

A member of the Council who vacates his office by reason of the expiration of his term shall be eligible for reappointment.

(6) The procedure for the calling of meetings of the Council and for the conduct of business at such meetings shall, subject to any regulations in relation thereto, be as determined by the Council.

(7)

Technical Education and New South Wales University of Technology.

(7) The number of members who shall constitute a quorum for the purposes of any meeting of the Council shall be as prescribed, and any duly convened meeting at which a quorum is present shall be competent to transact any business of the Council.

(8) The members of the Council shall be entitled to receive allowances for conveyance and subsistence in travelling to and from meetings of the Council, or upon the business of the Council, at such rates as may be prescribed.

(9) The provisions of the Public Service Act, 1902, as amended by subsequent Acts, shall not apply to or in respect of the appointment by the Governor of any member of the Council, and any member so appointed shall not, in his capacity as such member, be subject to the provisions of such Act during his term of office.

(10) The office of a member of the Council shall not for the purposes of the Constitution Act, 1902, or any Act amending or replacing that Act, be deemed to be an office or place of profit under the Crown.

9. (1) The Council may make such recommendations as it thinks fit to the Minister with respect to—

Functions
and
duties of
Council.

- (a) the provision and conduct of technical education in the State having regard to the needs of the community, industry and commerce;
- (b) the co-ordination of the functions of the Department of Technical Education with those of the Department of Education, the University of Sydney, the New South Wales University of Technology and other bodies concerned with education;
- (c) such other matters as may be prescribed.

(2) The Council shall investigate and report to the Minister on any matter referred to it by the Minister for investigation and report.

Vocational
instruction.
cf. Act. No.
20, 1940,
s. 81.

10. (1) Where the Governor is satisfied that it is desirable in the public interest that a standard of instruction should be maintained by law in any subject matter or matters, the Governor may from time to time, by proclamation published in the Gazette, declare such subject matter or matters to be vocational in character.

(2) (a) After the expiration of twelve months from the commencement of this Part of this Act, no person shall give or offer to give for fee or reward instruction in any subject matter which is for the time being declared to be vocational in character pursuant to subsection one of this section unless he is the holder of a permit granted to him by the Minister under subsection three of this section authorising him to give instruction in such subject matter.

(b) Paragraph (a) of this subsection shall not extend to or in respect of any person who gives or offers to give any instruction in his capacity as an officer or employee of the Crown, or in his capacity as principal of or a teacher in any school certified under the Public Instruction (Amendment) Act, 1916, or registered under the Bursary Endowment Act, 1912, or in his capacity as principal of or teacher in any institution or school registered under this section.

(3) (a) The Minister may, upon the recommendation of the Advisory Committee, grant a permit to any person where he is satisfied that such person possesses sufficient qualifications and capacity to enable him to give such instruction in an adequate and satisfactory manner.

(b) Any such permit may be granted subject to such terms and conditions as may be specified therein or as may be prescribed.

(c) Any permit granted under this subsection may, upon the recommendation of the Advisory Committee, be withdrawn by the Minister if he is satisfied that—

(i) the holder of the permit no longer possesses the capacity to give such instruction in an adequate and satisfactory manner; or

(ii)

Technical Education and New South Wales University of Technology.

(ii) the holder has contravened or failed to comply with any of the terms and conditions subject to which the permit was granted.

(4) (a) The Minister may, upon the recommendation of the Advisory Committee, register under this section any institution or school where he is satisfied that such institution or school is providing efficient instruction.

(b) The Minister may, upon the recommendation of the Advisory Committee, cancel the registration of any such institution or school where he is satisfied that the institution or school is no longer providing efficient instruction.

(5) Any person aggrieved by the refusal of registration of any institution or school under this section or the cancellation of any such registration or whose application for a permit under this section has been refused or whose permit has been withdrawn may appeal to the Supreme Court against any such refusal, withdrawal or cancellation.

Any such appeal shall be in the nature of a rehearing and shall be made in accordance with rules of court.

The decision of the Supreme Court on any such appeal shall be final, and shall be deemed to be the decision of the Minister and be carried into effect accordingly.

(6) (a) There shall be a Vocational Instruction Advisory Committee (in this section referred to as the "Advisory Committee") which shall consist of three members.

Two of such members shall be the persons who for the time being hold respectively the following offices, that is to say, the Director of Technical Education, who shall be the chairman of the Advisory Committee, and the Under Secretary of the Department of Labour and Industry and Social Welfare. The other member shall be a person appointed by the Minister who shall hold office for such period as the Minister may determine.

(b) The Advisory Committee shall investigate and report on any matter referred to it by the Minister in relation to the grant or withdrawal of any permit.

permit under this section or the registration or cancellation of the registration of any institution or school pursuant to this section.

(7) Any person who contravenes the provisions of this section shall be liable to a penalty not exceeding fifty pounds.

Application
of certain
moneys.

11. (1) Any moneys vested in the Newcastle Technical Education District Council immediately before the commencement of this Part of this Act shall, upon such commencement, be divested from that Council and vest in the officers of the public service who at such commencement hold the office of Director of Technical Education, Principal of the Newcastle Technical College and Registrar of that College respectively upon trust to apply the same in accordance with any direction given with respect thereto under subsection two of this section.

(2) Upon the constitution by the regulations of a technical education district council for the technical education district of Newcastle, such council may give directions for the application of any moneys referred to in subsection one of this section for the promotion and furtherance of technical education within the technical education district of Newcastle.

(3) The Newcastle Technical Education District Council and any member thereof shall upon the commencement of this Part of this Act be discharged from any duty, obligation or liability existing immediately before such commencement in respect of or in relation to the moneys referred to in subsection one of this section.

(4) In this section—

“Newcastle Technical Education District Council” means the body by that name constituted under the Technical Education Act, 1940, immediately before the commencement of this Part of this Act;

“technical education district of Newcastle” means the technical education district established under the regulations which includes within its boundaries the City of Greater Newcastle.

Technical Education and New South Wales University of Technology.

12. (1) The Public Service Act, 1902, as amended by subsequent Acts, is amended by inserting at the end of section twenty-five the words "or the Department of Technical Education."

Amendment
of Act No.
31, 1902,
sec. 25.
(Educa-
tional
Division.)

(2) The Public Accountants Registration Act, 1945-1948, is amended by omitting from subsection one of section nineteen the words "Department of Public Instruction" and by inserting in lieu thereof the words "Department of Technical Education."

Amendment
of Act No.
18, 1945,
sec. 19.
(Exemption
from
prescribed
examina-
tions.)

13. (1) The Governor may make regulations not inconsistent with this Part of this Act prescribing all matters which by this Part of this Act are required or permitted to be prescribed or which are necessary or convenient to be prescribed for carrying out or giving effect to this Part of this Act.

Regulations.

(2) In particular and without prejudice to the generality of subsection one of this section the Governor may make regulations with respect to the following matters:—

- (a) the qualifications to be possessed by persons as a condition of appointment to the Council;
- (b) the constitution and functions of advisory committees and boards of studies;
- (c) the establishment of technical education districts, the constitution in respect of any such district of a technical education district council, and the powers, authorities, duties and functions to be exercised and discharged by any such council.

(3) The regulations shall—

- (a) be published in the Gazette;
- (b) take effect from the date of publication or from a later date to be specified therein;
- (c) be laid before both Houses of Parliament within fourteen sitting days after the publication thereof if Parliament is in session, and if not, then within fourteen sitting days after the commencement of the next session.

Technical Education and New South Wales University of Technology.

If either House of Parliament passes a resolution of which notice has been given at any time within fifteen sitting days after such regulations have been laid before such House disallowing any regulation or part thereof, such regulation or part shall thereupon cease to have effect.

PART III.

THE NEW SOUTH WALES UNIVERSITY OF TECHNOLOGY.

DIVISION 1.—*Preliminary.*Commence-
ment.

14. This Part of this Act shall, except where otherwise expressly provided, commence upon a day to be appointed by the Governor and notified by proclamation published in the Gazette.

establish-
ments to
issue
certificates.

(2) (a) The Council may authorise any college or educational establishment, whether incorporated or not, engaged in the promotion of applied science and technology, to issue to candidates for any degree or diploma, certificates to the effect that the candidate for any such degree or diploma has completed such course of instruction therefor as the Council by by-law prescribes.

(b) Any person who presents to the Council any such certificate may be admitted as a candidate for the degree or diploma to which it has reference.

Evidence
of degrees
conferred.

30. All degrees conferred by the University shall be evidenced by a certificate under the common seal of the University and be signed by the President and the Director.

Fees.

31. The Council may by by-law make provision for the payment by students of the University of reasonable fees for entrance to the University, attendance at lectures, conferring of degrees and other University charges, except in the case of any student who is granted any fellowship, scholarship, exhibition, bursary or similar benefit, to the extent to which he is thereby exempted from payment of fees.

Technologi-
cal and
scientific
investiga-
tion.

32. (1) The Council may carry out special investigations in any technological or scientific matter at the request of any authority, institution, association, firm or person, and in respect of any such investigation may charge such fees therefor and agree to such conditions in relation thereto as it thinks fit.

(2) The Council may publish information relating to any matter investigated by it pursuant to the provisions of subsection one of this section or otherwise:

Provided that no such publication shall be made in contravention of any condition agreed to pursuant to the said subsection.

- (c) be laid before both Houses of Parliament within fourteen sitting days after the publication thereof if Parliament is in session, and if not, then within fourteen sitting days after the commencement of the next session.

If either House of Parliament passes a resolution of which notice has been given at any time within fifteen sitting days after such regulations have been laid before such House disallowing any regulation or part thereof, such regulation or part shall thereupon cease to have effect.

PART IV.

ACQUISITION OF LAND.

49. (1) For the purposes of this Act, the Governor may, under the Public Works Act, 1912, as amended by subsequent Acts, resume or appropriate any land and the Minister may, under the said Act as so amended, purchase any land. Acquisition of land.

(2) (a) Where any land has been appropriated or resumed pursuant to this section the Governor may, by notification published in the Gazette, notify that the land so resumed or appropriated and specified in such notification is vested in The New South Wales University of Technology.

(b) Thereupon the land so specified shall vest in the said University.

(3) For the purposes of the Public Works Act, 1912, as amended by subsequent Acts, any such resumption, appropriation or purchase shall be deemed to be for an authorised work, and the Minister shall be deemed to be the Constructing Authority:

c/

Provided

Technical Education and New South Wales University of Technology.

Provided that sections thirty-four, thirty-five, thirty-six and thirty-seven of the Public Works Act, 1912, as amended by subsequent Acts, shall not apply to any such resumption, appropriation or purchase, but section thirty-eight of such Act shall, mutatis mutandis, apply to and in respect of any contracts relating to any such resumption, appropriation or purchase.

Power to
rescind
resumptions.
cf. Act No.
7, 1912,
s. 4C.

50. (1) The Governor may, by notification in the Gazette, rescind in whole or in part any notification of resumption made in pursuance of section forty-nine of this Act.

(2) Upon the publication of any notification of rescission the land described in such notification shall revert in the person who was entitled thereto immediately before the resumption for his estate, interest or right immediately before such resumption, but subject to any interest in or equity binding upon such land created by the Constructing Authority since such resumption; and the land shall be subject to all trusts, obligations, estates, interests, contracts, charges, rates, rights-of-way or other easements from which it was freed and discharged by such resumption as if the land had not been resumed and shall also be subject to any interests in or equities binding on the compensation moneys created since the resumption.

(3) On the lodgment with the Registrar-General of a copy of a notification in the Gazette rescinding a notification of resumption of land under the provisions of the Real Property Act, 1900, the Registrar-General shall cancel any entry or notification in the register book made by him pursuant to section 46A of the Real Property Act, 1900, in so far as it relates to the land the notification of the resumption of which has been rescinded, and for the purpose of any dealing with such land the entry or notification made pursuant to section 46A of the Real Property Act, 1900, shall be deemed never to have been made.

(4)

Technical Education and New South Wales University of Technology.

(4) The person in whom any land is revested under this section shall be entitled to be compensated by the Constructing Authority for any loss or damage actually suffered by him as a direct consequence of the resumption and its rescission other than compensation in respect of the value of the land.

(5) Any claim for compensation arising under this section shall be heard and determined in like manner and subject to the like conditions as a claim for compensation by reason of the acquisition of land under the Public Works Act, 1912, as amended by subsequent Acts, and the provisions of the Land and Valuation Court Act, 1921, as amended by subsequent Acts, shall, *mutatis mutandis*, apply to and in respect of the hearing and determination of any such claim.

By Authority:

ALFRED HENRY PETTIFER, Government Printer, Sydney, 1949.

7. The Minister may, subject to and in accordance with the regulations, arrange for the grant of State diplomas and the issue of State certificates of proficiency to persons who pass such examinations and comply with such requirements and conditions as may be prescribed.

Any such diploma or certificate shall be authenticated by the signature of such person or persons and in such manner as may be prescribed.

Technical
Education
Advisory
Council.

8. (1) There shall be a Technical Education Advisory Council (hereinafter in this Part of this Act referred to as the "Council") which shall consist of such number of persons as may be prescribed.

(2) Subject to subsection three of this section, the members of the Council shall be appointed by the Governor and shall be representative of industry, commerce, the professions, the trade union movement and educational authorities.

(3) The Director of Technical Education and the Director-General of Education shall be ex officio members of the Council.

(4) The Director of Technical Education shall be the chairman of the Council.

(5) The members of the Council appointed by the Governor shall hold office for such period as may be prescribed.

In the case of an extraordinary vacancy in the office of any appointed member, the Governor may appoint a person to the vacant office, and the person so appointed shall hold office for the residue of his predecessor's term of office.

A member of the Council who vacates his office by reason of the expiration of his term shall be eligible for reappointment.

(6) The procedure for the calling of meetings of the Council and for the conduct of business at such meetings shall, subject to any regulations in relation thereto, be as determined by the Council.

(7)

Technical Education and New South Wales University of Technology.

(7) The number of members who shall constitute a quorum for the purposes of any meeting of the Council shall be as prescribed, and any duly convened meeting at which a quorum is present shall be competent to transact any business of the Council.

(8) The members of the Council shall be entitled to receive allowances for conveyance and subsistence in travelling to and from meetings of the Council, or upon the business of the Council, at such rates as may be prescribed.

(9) The provisions of the Public Service Act, 1902, as amended by subsequent Acts, shall not apply to or in respect of the appointment by the Governor of any member of the Council, and any member so appointed shall not, in his capacity as such member, be subject to the provisions of such Act during his term of office.

(10) The office of a member of the Council shall not for the purposes of the Constitution Act, 1902, or any Act amending or replacing that Act, be deemed to be an office or place of profit under the Crown.

9. (1) The Council may make such recommendations as it thinks fit to the Minister with respect to—

Functions
and
duties of
Council.

(a) the provision and conduct of technical education in the State having regard to the needs of the community, industry and commerce;

(b) the co-ordination of the functions of the Department of Technical Education with those of the Department of Education, the University of Sydney, the New South Wales University of Technology and other bodies concerned with education;

(c) such other matters as may be prescribed.

(2) The Council shall investigate and report to the Minister on any matter referred to it by the Minister for investigation and report.

10.

Technical Education and New South Wales University of Technology.

Vocational
instruction.
cf. Act. No.
20, 1940,
s. 81.

10. (1) Where the Governor is satisfied that it is desirable in the public interest that a standard of instruction should be maintained by law in any subject matter or matters, the Governor may from time to time, by proclamation published in the Gazette, declare such subject matter or matters to be vocational in character.

(2) (a) After the expiration of twelve months from the commencement of this Part of this Act, no person shall give or offer to give for fee or reward instruction in any subject matter which is for the time being declared to be vocational in character pursuant to subsection one of this section unless he is the holder of a permit granted to him by the Minister under subsection three of this section authorising him to give instruction in such subject matter.

(b) Paragraph (a) of this subsection shall not extend to or in respect of any person who gives or offers to give any instruction in his capacity as an officer or employee of the Crown, or in his capacity as principal of or a teacher in any school certified under the Public Instruction (Amendment) Act, 1916, or registered under the Bursary Endowment Act, 1912, or in his capacity as principal of or teacher in any institution or school registered under this section.

(3) (a) The Minister may, upon the recommendation of the Advisory Committee, grant a permit to any person where he is satisfied that such person possesses sufficient qualifications and capacity to enable him to give such instruction in an adequate and satisfactory manner.

(b) Any such permit may be granted subject to such terms and conditions as may be specified therein or as may be prescribed.

(c) Any permit granted under this subsection may, upon the recommendation of the Advisory Committee, be withdrawn by the Minister if he is satisfied that—

(i) the holder of the permit no longer possesses the capacity to give such instruction in an adequate and satisfactory manner; or

(ii)

Technical Education and New South Wales University of Technology.

(ii) the holder has contravened or failed to comply with any of the terms and conditions subject to which the permit was granted.

(4) (a) The Minister may, upon the recommendation of the Advisory Committee, register under this section any institution or school where he is satisfied that such institution or school is providing efficient instruction.

(b) The Minister may, upon the recommendation of the Advisory Committee, cancel the registration of any such institution or school where he is satisfied that the institution or school is no longer providing efficient instruction.

(5) Any person aggrieved by the refusal of registration of any institution or school under this section or the cancellation of any such registration or whose application for a permit under this section has been refused or whose permit has been withdrawn may appeal to the Supreme Court against any such refusal, withdrawal or cancellation.

Any such appeal shall be in the nature of a rehearing and shall be made in accordance with rules of court.

The decision of the Supreme Court on any such appeal shall be final, and shall be deemed to be the decision of the Minister and be carried into effect accordingly.

(6) (a) There shall be a Vocational Instruction Advisory Committee (in this section referred to as the "Advisory Committee") which shall consist of three members.

Two of such members shall be the persons who for the time being hold respectively the following offices, that is to say, the Director of Technical Education, who shall be the chairman of the Advisory Committee, and the Under Secretary of the Department of Labour and Industry and Social Welfare. The other member shall be a person appointed by the Minister who shall hold office for such period as the Minister may determine.

(b) The Advisory Committee shall investigate and report on any matter referred to it by the Minister in relation to the grant or withdrawal of any permit

permit under this section or the registration or cancellation of the registration of any institution or school pursuant to this section.

(7) Any person who contravenes the provisions of this section shall be liable to a penalty not exceeding fifty pounds.

Application
of certain
moneys.

11. (1) Any moneys vested in the Newcastle Technical Education District Council immediately before the commencement of this Part of this Act shall, upon such commencement, be divested from that Council and vest in the officers of the public service who at such commencement hold the office of Director of Technical Education, Principal of the Newcastle Technical College and Registrar of that College respectively upon trust to apply the same in accordance with any direction given with respect thereto under subsection two of this section.

(2) Upon the constitution by the regulations of a technical education district council for the technical education district of Newcastle, such council may give directions for the application of any moneys referred to in subsection one of this section for the promotion and furtherance of technical education within the technical education district of Newcastle.

(3) The Newcastle Technical Education District Council and any member thereof shall upon the commencement of this Part of this Act be discharged from any duty, obligation or liability existing immediately before such commencement in respect of or in relation to the moneys referred to in subsection one of this section.

(4) In this section—

“Newcastle Technical Education District Council” means the body by that name constituted under the Technical Education Act, 1940, immediately before the commencement of this Part of this Act;

“technical education district of Newcastle” means the technical education district established under the regulations which includes within its boundaries the City of Greater Newcastle.

Technical Education and New South Wales University of Technology.

12. (1) The Public Service Act, 1902, as amended by subsequent Acts, is amended by inserting at the end of section twenty-five the words "or the Department of Technical Education."

Amendment
of Act No.
31, 1902,
sec. 25.
(Educa-
tional
Division.)

(2) The Public Accountants Registration Act, 1945-1948, is amended by omitting from subsection one of section nineteen the words "Department of Public Instruction" and by inserting in lieu thereof the words "Department of Technical Education."

Amendment
of Act No.
18, 1945,
sec. 19.
(Exemption
from
prescribed
examina-
tions.)

13. (1) The Governor may make regulations not inconsistent with this Part of this Act prescribing all matters which by this Part of this Act are required or permitted to be prescribed or which are necessary or convenient to be prescribed for carrying out or giving effect to this Part of this Act.

Regulations.

(2) In particular and without prejudice to the generality of subsection one of this section the Governor may make regulations with respect to the following matters:—

- (a) the qualifications to be possessed by persons as a condition of appointment to the Council;
- (b) the constitution and functions of advisory committees and boards of studies;
- (c) the establishment of technical education districts, the constitution in respect of any such district of a technical education district council, and the powers, authorities, duties and functions to be exercised and discharged by any such council.

(3) The regulations shall—

- (a) be published in the Gazette;
- (b) take effect from the date of publication or from a later date to be specified therein;
- (c) be laid before both Houses of Parliament within fourteen sitting days after the publication thereof if Parliament is in session, and if not, then within fourteen sitting days after the commencement of the next session.

If

appointed for a less period than that prescribed pursuant to paragraph (a) of this subsection with respect to members of that class.

(c) All retiring members shall, unless otherwise disqualified, be eligible for reappointment.

(6) Where a casual vacancy occurs in the office of a member of the Council the Governor may appoint a person to the vacant office. The person so appointed shall have the like prescribed qualification (if any) as that of the member whose office has become vacant and shall, subject to this Part of this Act, hold office for the residue of his predecessor's term of office.

(7) The provisions of the Public Service Act, 1902, as amended by subsequent Acts, shall not apply to or in respect of the appointment by the Governor of any member of the Council, and any member so appointed shall not, in his capacity as such member, be subject to the provisions of such Act during his term of office.

Vacation
of office.

20. A member of the Council shall be deemed to have vacated his office if he—

- (a) dies;
- (b) resigns his office by writing under his hand addressed to the Governor;
- (c) becomes bankrupt, compounds with his creditors or makes any assignment of his salary or estate for their benefit;
- (d) becomes an insane person or patient or an incapable person within the meaning of the Lunacy Act, 1898-1947;
- (e) absents himself from four consecutive meetings of the Council without leave of the Council; or
- (f) in the case of a member elected by either House of Parliament—ceases to be a member of that House.

President
and Vice-
President.

21. (1) (a) The first President of the University shall be appointed by the Minister and shall hold office for a period of one year.

The person so appointed shall be a member of the Council.

(b)

Technical Education and New South Wales University of Technology.

(b) Whenever a vacancy in the office of President occurs, the Council shall elect one of its number to be President of the University.

(c) The President, other than the first President, shall hold office for such period and on such terms and conditions as may be prescribed by the by-laws.

(2) (a) The Council shall, at its first meeting and thereafter whenever a vacancy in the office of Vice-President occurs, elect one of its number to be Vice-President of the University.

(b) The Vice-President shall hold office for such period and on such terms and conditions as may be prescribed by the by-laws.

22. At every meeting of the Council the President or, Chairman. in his absence, the Vice-President shall preside as chairman, but if the President and Vice-President are both absent, the members present shall elect a person from among their number to preside as chairman.

23. (1) All questions which come before the Council shall be decided at any meeting duly convened, at which a quorum is present, by a majority of the votes of the members present. Questions how decided.

(2) The chairman at any such meeting shall have a vote; and in case of an equality of votes a second or casting vote.

(3) At any such meeting ten members shall form a quorum.

24. (1) No act or proceeding of the Council or any committee of the Council, or of the Director or any person acting pursuant to any direction of the Council shall be invalidated or prejudiced by reason only of the fact that at the time when such act or proceeding was done, taken or commenced there was a vacancy or vacancies, not exceeding twelve in number, in the office or offices of any member or members of the Council. Validity of acts and proceedings.

(2) All acts and proceedings of the Council or any committee of the Council, or of the Director or any person acting pursuant to any direction of the Council shall, notwithstanding the subsequent discovery of any defect

defect in the appointment, nomination or election of any member of the Council, or that any such member was disqualified from acting as or incapable of being a member of the Council, be as valid as if such member had been duly appointed, nominated or elected and was qualified to act as or capable of being a member and had acted as a member of the Council and as if the Council had been properly and fully constituted.

DIVISION 3.—*Administration.*

Powers
of the
Council.

25. Subject to this Part of this Act and to the regulations and by-laws, the Council—

- (a) may provide courses in applied science, engineering, technology, commerce, industrial organisation and such other related courses as it deems fit and may, after examination, confer the several degrees of Bachelor, Master and Doctor, and such other degrees and such certificates in the nature of degrees or otherwise as it thinks fit;
- (b) may from time to time appoint deans, professors, lecturers and other officers and employees of the University;
- (c) shall have the entire control and management of the affairs, concerns and property of the University; and
- (d) may act in all matters concerning the University in such manner as appears to it best calculated to promote the objects and interests of the University:

Provided that no appointment of a dean, professor, lecturer or other officer or employee shall be made pursuant to this section before the day appointed and notified pursuant to subsection three of section thirty-three of this Act.

Director.

26. (1) There shall be a Director of the University who shall be the chief executive officer of the Council.

(2)

Technical Education and New South Wales University of Technology.

(2) The Director shall have and may exercise and discharge such powers, authorities, duties and functions as may be prescribed in the regulations and by-laws.

(3) The Director shall be appointed in the manner prescribed and shall hold office for such period and upon such terms and conditions as may be prescribed.

27. (1) The Council may constitute and appoint such committees as it thinks fit and may delegate all or any of its powers, authorities and functions (except this power of delegation and the power to make by-laws) to any such committee or to any member of the Council, or to any officer or officers of the University.

Delegation to committees, etc.

(2) Every delegation under this section shall be revocable by resolution of the Council and no delegation shall prevent the exercise or discharge by the Council of any of its powers, authorities, duties or functions.

28. (1) Where any person has obtained in any university or other educational establishment recognised by the by-laws of the University in force for the time being any degree or diploma corresponding or equivalent, in the opinion of the Council, to any degree which the Council is now or may hereafter be empowered to confer after examination, the Council may confer such latter degree upon such person without examination.

Ad eundem and honorary degrees.

(2) The persons upon whom degrees are conferred, under the provisions of subsection one of this section, shall be entitled to the same rights and privileges as appertain to those who have taken the same degrees in the ordinary course in the University.

(3) By-laws may be made for or with respect to the conferring of honorary degrees or other distinctions on approved persons.

29. (1) The Council may establish and maintain branches, departments or colleges of the University at Newcastle, Wollongong, Broken Hill or such other place in the State as the Council deems fit.

(2) (a) The Council may authorise any college or educational establishment, whether incorporated or not, engaged in the promotion of applied science and technology, to issue to candidates for any degree or diploma, certificates to the effect that the candidate for any such degree or diploma has completed such course of instruction therefor as the Council by by-law prescribes.

(b) Any person who presents to the Council any such certificate may be admitted as a candidate for the degree or diploma to which it has reference.

Evidence
of degrees
conferred.

30. All degrees conferred by the University shall be evidenced by a certificate under the common seal of the University and be signed by the President and the Director.

Fees.

31. The Council may by by-law make provision for the payment by students of the University of reasonable fees for entrance to the University, attendance at lectures, conferring of degrees and other University charges, except in the case of any student who is granted any fellowship, scholarship, exhibition, bursary or similar benefit, to the extent to which he is thereby exempted from payment of fees.

Technologi-
cal and
scientific
investiga-
tion.

32. (1) The Council may carry out special investigations in any technological or scientific matter at the request of any authority, institution, association, firm or person, and in respect of any such investigation may charge such fees therefor and agree to such conditions in relation thereto as it thinks fit.

(2) The Council may publish information relating to any matter investigated by it pursuant to the provisions of subsection one of this section or otherwise:

Provided that no such publication shall be made in contravention of any condition agreed to pursuant to the said subsection.

Transi-
tional

(b) Thereupon the land so specified shall vest in the said University.

(3) For the purposes of the Public Works Act, 1912, as amended by subsequent Acts, any such resumption, appropriation or purchase shall be deemed to be for an authorised work, and the Minister shall be deemed to be the Constructing Authority:

Provided

Technical Education and New South Wales University of Technology.

Provided that sections thirty-four, thirty-five, thirty-six and thirty-seven of the Public Works Act, 1912, as amended by subsequent Acts, shall not apply to any such resumption, appropriation or purchase, but section thirty-eight of such Act shall, mutatis mutandis, apply to and in respect of any contracts relating to any such resumption, appropriation or purchase.

Power to
rescind
resumptions,
cf. Act No.
7, 1912,
s. 4c.

50. (1) The Governor may, by notification in the Gazette, rescind in whole or in part any notification of resumption made in pursuance of section forty-nine of this Act.

(2) Upon the publication of any notification of rescission the land described in such notification shall revert in the person who was entitled thereto immediately before the resumption for his estate, interest or right immediately before such resumption, but subject to any interest in or equity binding upon such land created by the Constructing Authority since such resumption; and the land shall be subject to all trusts, obligations, estates, interests, contracts, charges, rates, rights-of-way or other easements from which it was freed and discharged by such resumption as if the land had not been resumed and shall also be subject to any interests in or equities binding on the compensation moneys created since the resumption.

(3) On the lodgment with the Registrar-General of a copy of a notification in the Gazette rescinding a notification of resumption of land under the provisions of the Real Property Act, 1900, the Registrar-General shall cancel any entry or notification in the register book made by him pursuant to section 46A of the Real Property Act, 1900, in so far as it relates to the land the notification of the resumption of which has been rescinded, and for the purpose of any dealing with such land the entry or notification made pursuant to section 46A of the Real Property Act, 1900, shall be deemed never to have been made.

(4)

Technical Education and New South Wales University of Technology.

(4) The person in whom any land is revested under this section shall be entitled to be compensated by the Constructing Authority for any loss or damage actually suffered by him as a direct consequence of the resumption and its rescission other than compensation in respect of the value of the land.

(5) Any claim for compensation arising under this section shall be heard and determined in like manner and subject to the like conditions as a claim for compensation by reason of the acquisition of land under the Public Works Act, 1912, as amended by subsequent Acts, and the provisions of the Land and Valuation Court Act, 1921, as amended by subsequent Acts, shall, *mutatis mutandis*, apply to and in respect of the hearing and determination of any such claim.

(7) The number of members who shall constitute a quorum for the purposes of any meeting of the Council shall be as prescribed, and any duly convened meeting at which a quorum is present shall be competent to
5 transact any business of the Council.

(8) The members of the Council shall be entitled to receive allowances for conveyance and subsistence in travelling to and from meetings of the Council, or upon the business of the Council, at such rates as may be
10 prescribed.

(9) The provisions of the Public Service Act, 1902, as amended by subsequent Acts, shall not apply to or in respect of the appointment by the Governor of any member of the Council, and any member so appointed
15 shall not, in his capacity as such member, be subject to the provisions of such Act during his term of office.

(10) The office of a member of the Council shall not for the purposes of the Constitution Act, 1902, or any Act amending or replacing that Act, be deemed to
20 be an office or place of profit under the Crown.

9. (1) The Council may make such recommendations as it thinks fit to the Minister with respect to—

10. (1) Where the Governor is satisfied that it is desirable in the public interest that a standard of instruction should be maintained by law in any subject matter or matters, the Governor may from time to time, by proclamation published in the Gazette, declare such subject matter or matters to be vocational in character.
- (2) (a) After the expiration of twelve months from the commencement of this Part of this Act, no person shall give or offer to give for fee or reward instruction in any subject matter which is for the time being declared to be vocational in character pursuant to subsection one of this section unless he is the holder of a permit granted to him by the Minister under subsection three of this section authorising him to give instruction in such subject matter.
- (b) Paragraph (a) of this subsection shall not extend to or in respect of any person who gives or offers to give any instruction in his capacity as an officer or employee of the Crown, or in his capacity as principal of or a teacher in any school certified under the Public Instruction (Amendment) Act, 1916, or registered under the Bursary Endowment Act, 1912, or in his capacity as principal of or teacher in any institution or school registered under this section.
- (3) (a) The Minister may, upon the recommendation of the Advisory Committee, grant a permit to any person where he is satisfied that such person possesses sufficient qualifications and capacity to enable him to give such instruction in an adequate and satisfactory manner.
- (b) Any such permit may be granted subject to such terms and conditions as may be specified therein or as may be prescribed.
- (c) Any permit granted under this subsection may, upon the recommendation of the Advisory Committee, be withdrawn by the Minister if he is satisfied that—
- (i) the holder of the permit no longer possesses the capacity to give such instruction in an adequate and satisfactory manner; or

(ii) the holder has contravened or failed to comply with any of the terms and conditions subject to which the permit was granted.

5 (4) (a) The Minister may, upon the recommendation of the Advisory Committee, register under this section any institution or school where he is satisfied that such institution or school is providing efficient instruction.

10 (b) The Minister may, upon the recommendation of the Advisory Committee, cancel the registration of any such institution or school where he is satisfied that the institution or school is no longer providing efficient instruction.

15 (5) Any person aggrieved by the refusal of registration of any institution or school under this section or the cancellation of any such registration or whose application for a permit under this section has been refused or whose permit has been withdrawn may appeal to the Supreme Court against any such refusal, withdrawal or
20 cancellation.

Any such appeal shall be in the nature of a rehearing and shall be made in accordance with rules of court.

The decision of the Supreme Court on any such appeal shall be final, and shall be deemed to be the decision of the
25 Minister and be carried into effect accordingly.

(6) (a) There shall be a Vocational Instruction Advisory Committee (in this section referred to as the "Advisory Committee") which shall consist of three members.

30 Two of such members shall be the persons who for the time being hold respectively the following offices, that is to say, the Director of Technical Education, who shall be the chairman of the Advisory Committee, and the Under Secretary of the Department of Labour and Industry
35 and Social Welfare. The other member shall be a person appointed by the Minister who shall hold office for such period as the Minister may determine.

(b) The Advisory Committee shall investigate and report on any matter referred to it by the
40 Minister in relation to the grant or withdrawal of any permit

7. The Minister may, subject to and in accordance with the regulations, arrange for the grant of State diplomas and the issue of State certificates of proficiency to persons who pass such examinations and comply with such requirements and conditions as may be prescribed.

Diplomas
and
certificates.

Any such diploma or certificate shall be authenticated by the signature of such person or persons and in such manner as may be prescribed.

8. (1) There shall be a Technical Education Advisory Council (hereinafter in this Part of this Act referred to as the "Council") which shall consist of such number of persons as may be prescribed.

Technical
Education
Advisory
Council.

(2) Subject to subsection three of this section, the members of the Council shall be appointed by the Governor and shall be representative of industry, commerce, the professions, the trade union movement and educational authorities.

(3) The Director of Technical Education and the Director-General of Education shall be ex officio members of the Council.

(4) The Director of Technical Education shall be the chairman of the Council.

(5) The members of the Council appointed by the Governor shall hold office for such period as may be prescribed.

In the case of an extraordinary vacancy in the office of any appointed member, the Governor may appoint a person to the vacant office, and the person so appointed shall hold office for the residue of his predecessor's term of office.

A member of the Council who vacates his office by reason of the expiration of his term shall be eligible for reappointment.

(6) The procedure for the calling of meetings of the Council and for the conduct of business at such meetings shall, subject to any regulations in relation thereto, be as determined by the Council.

(7)

New South Wales University of Technology and Technical Education.

(7) The number of members who shall constitute a quorum for the purposes of any meeting of the Council shall be as prescribed, and any duly convened meeting at which a quorum is present shall be competent to 5 transact any business of the Council.

(8) The members of the Council shall be entitled to receive allowances for conveyance and subsistence in travelling to and from meetings of the Council, or upon the business of the Council, at such rates as may be 10 prescribed.

(9) The provisions of the Public Service Act, 1902, as amended by subsequent Acts, shall not apply to or in respect of the appointment by the Governor of any member of the Council, and any member so appointed 15 shall not, in his capacity as such member, be subject to the provisions of such Act during his term of office.

(10) The office of a member of the Council shall not for the purposes of the Constitution Act, 1902, or any Act amending or replacing that Act, be deemed to 20 be an office or place of profit under the Crown.

9. (1) The Council may make such recommendations as it thinks fit to the Minister with respect to—

Functions and duties of Council.

(a) the provision and conduct of technical education in the State having regard to the needs of the community, industry and commerce; 25

(b) the co-ordination of the functions of the Department of Technical Education with those of the Department of Education, the University of Sydney, the New South Wales University of Technology and other bodies concerned with education; 30

(c) such other matters as may be prescribed.

(2) The Council shall investigate and report to the Minister on any matter referred to it by the Minister 35 for investigation and report.

New South Wales University of Technology and Technical Education.

10. (1) Where the Governor is satisfied that it is desirable in the public interest that a standard of instruction should be maintained by law in any subject matter or matters, the Governor may from time to time, 5 by proclamation published in the Gazette, declare such subject matter or matters to be vocational in character.

(2) (a) After the expiration of twelve months from the commencement of this Part of this Act, no person shall give or offer to give for fee or reward 10 instruction in any subject matter which is for the time being declared to be vocational in character pursuant to subsection one of this section unless he is the holder of a permit granted to him by the Minister under subsection three of this section authorising him to give 15 instruction in such subject matter.

(b) Paragraph (a) of this subsection shall not extend to or in respect of any person who gives or offers to give any instruction in his capacity as an officer or employee of the Crown; or in his capacity as principal 20 of or a teacher in any school certified under the Public Instruction (Amendment) Act, 1916, or registered under the Bursary Endowment Act, 1912, or in his capacity as principal of or teacher in any institution or school registered under this section.

(3) (a) The Minister may, upon the recommendation of the Advisory Committee, grant a permit to any person where he is satisfied that such person possesses sufficient qualifications and capacity to enable him to give such instruction in an adequate and 25 satisfactory manner.

(b) Any such permit may be granted subject to such terms and conditions as may be specified therein or as may be prescribed.

(c) Any permit granted under this subsection may, upon the recommendation of the Advisory Committee, be withdrawn by the Minister if he is satisfied that—

(i) the holder of the permit no longer possesses the capacity to give such instruction in an adequate and satisfactory manner; or

(ii)

26, 1940,
s. 81.

New South Wales University of Technology and Technical Education.

(ii) the holder has contravened or failed to comply with any of the terms and conditions subject to which the permit was granted.

5 (4) (a) The Minister may, upon the recommendation of the Advisory Committee, register under this section any institution or school where he is satisfied that such institution or school is providing efficient instruction.

10 (b) The Minister may, upon the recommendation of the Advisory Committee, cancel the registration of any such institution or school where he is satisfied that the institution or school is no longer providing efficient instruction.

15 (5) Any person aggrieved by the refusal of registration of any institution or school under this section or the cancellation of any such registration or whose application for a permit under this section has been refused or whose permit has been withdrawn may appeal to the Supreme Court against any such refusal, withdrawal or
20 cancellation.

Any such appeal shall be in the nature of a rehearing and shall be made in accordance with rules of court.

The decision of the Supreme Court on any such appeal shall be final, and shall be deemed to be the decision of the
25 Minister and be carried into effect accordingly.

(6) (a) There shall be a Vocational Instruction Advisory Committee (in this section referred to as the "Advisory Committee") which shall consist of three members.

30 Two of such members shall be the persons who for the time being hold respectively the following offices, that is to say, the Director of Technical Education, who shall be the chairman of the Advisory Committee, and the Under Secretary of the Department of Labour and Industry
35 and Social Welfare. The other member shall be a person appointed by the Minister who shall hold office for such period as the Minister may determine.

(b) The Advisory Committee shall investigate and report on any matter referred to it by the
40 Minister in relation to the grant or withdrawal of any permit

permit under this section or the registration or cancellation of the registration of any institution or school pursuant to this section.

(7) Any person who contravenes the provisions of this section shall be liable to a penalty not exceeding fifty pounds.

11. (1) Any moneys vested in the Newcastle Technical Education District Council immediately before the commencement of this Part of this Act shall, upon such commencement, be divested from that Council and vest in the officers of the public service who at such commencement hold the office of Director of Technical Education, Principal of the Newcastle Technical College and Registrar of that College respectively upon trust to apply the same in accordance with any direction given with respect thereto under subsection two of this section.

Application
of certain
moneys.

(2) Upon the constitution by the regulations of a technical education district council for the technical education district of Newcastle, such council may give directions for the application of any moneys referred to in subsection one of this section for the promotion and furtherance of technical education within the technical education district of Newcastle.

(3) The Newcastle Technical Education District Council and any member thereof shall upon the commencement of this Part of this Act be discharged from any duty, obligation or liability existing immediately before such commencement in respect of or in relation to the moneys referred to in subsection one of this section.

(4) In this section—

“Newcastle Technical Education District Council” means the body by that name constituted under the Technical Education Act, 1940, immediately before the commencement of this Part of this Act;

“technical education district of Newcastle” means the technical education district established under the regulations which includes within its boundaries the City of Greater Newcastle.

7. The Minister may, subject to and in accordance with the regulations, arrange for the grant of State diplomas and the issue of State certificates of proficiency to persons who pass such examinations and comply with 5 such requirements and conditions as may be prescribed.

Diplomas
and
certificates.

Any such diploma or certificate shall be authenticated by the signature of such person or persons and in such manner as may be prescribed.

8. (1) There shall be a Technical Education Advisory Council (hereinafter in this Part of this Act referred to as the "Council") which shall consist of such number of persons as may be prescribed.

Technical
Education
Advisory
Council.

(2) Subject to subsection three of this section, the members of the Council shall be appointed by the Governor and shall be representative of industry, commerce, the professions, the trade union movement and educational authorities.

(3) The Director of Technical Education and the Director-General of Education shall be ex officio 20 members of the Council.

(4) The Director of Technical Education shall be the chairman of the Council.

(5) The members of the Council appointed by the Governor shall hold office for such period as may be 25 prescribed.

In the case of an extraordinary vacancy in the office of any appointed member, the Governor may appoint a person to the vacant office, and the person so appointed shall hold office for the residue of his predecessor's term 30 of office.

A member of the Council who vacates his office by reason of the expiration of his term shall be eligible for reappointment.

(6) The procedure for the calling of meetings of the Council and for the conduct of business at such meetings shall, subject to any regulations in relation thereto, be 35 as determined by the Council.

(7)

Technical Education.

(7) The number of members who shall constitute a quorum for the purposes of any meeting of the Council shall be as prescribed, and any duly convened meeting at which a quorum is present shall be competent to
5 transact any business of the Council.

(8) The members of the Council shall be entitled to receive allowances for conveyance and subsistence in travelling to and from meetings of the Council, or upon the business of the Council, at such rates as may be
10 prescribed.

(9) The provisions of the Public Service Act, 1902, as amended by subsequent Acts, shall not apply to or in respect of the appointment by the Governor of any member of the Council, and any member so appointed
15 shall not, in his capacity as such member, be subject to the provisions of such Act during his term of office.

(10) The office of a member of the Council shall not for the purposes of the Constitution Act, 1902, or any Act amending or replacing that Act, be deemed to
20 be an office or place of profit under the Crown.

9. (1) The Council may make such recommendations as it thinks fit to the Minister with respect to—

Functions
and
duties of
Council.

(a) the provision and conduct of technical education in the State having regard to the needs of
25 the community, industry and commerce;

(b) the co-ordination of the functions of the Department of Technical Education with those of the Department of Education, the University of Sydney, the New South Wales University of
30 Technology and other bodies concerned with education;

(c) such other matters as may be prescribed.

(2) The Council shall investigate and report to the Minister on any matter referred to it by the Minister
35 for investigation and report.

Technical Education.

10. (1) Where the Governor is satisfied that it is desirable in the public interest that a standard of instruction should be maintained by law in any subject matter or matters, the Governor may from time to time, by proclamation published in the Gazette, declare such subject matter or matters to be vocational in character.

Vocational
instruction.
cf. Act. No.
20, 1940,
s. 81.

(2) (a) After the expiration of twelve months from the commencement of this Part of this Act, no person shall give or offer to give for fee or reward instruction in any subject matter which is for the time being declared to be vocational in character pursuant to subsection one of this section unless he is the holder of a permit granted to him by the Minister under subsection three of this section authorising him to give instruction in such subject matter.

(b) Paragraph (a) of this subsection shall not extend to or in respect of any person who gives or offers to give any instruction in his capacity as an officer or employee of the Crown, or in his capacity as principal of or a teacher in any school certified under the Public Instruction (Amendment) Act, 1916, or registered under the Bursary Endowment Act, 1912, or in his capacity as principal of or teacher in any institution or school registered under this section.

(3) (a) The Minister may, upon the recommendation of the Advisory Committee, grant a permit to any person where he is satisfied that such person possesses sufficient qualifications and capacity to enable him to give such instruction in an adequate and satisfactory manner.

(b) Any such permit may be granted subject to such terms and conditions as may be specified therein or as may be prescribed.

(c) Any permit granted under this subsection may, upon the recommendation of the Advisory Committee, be withdrawn by the Minister if he is satisfied that—

(i) the holder of the permit no longer possesses the capacity to give such instruction in an adequate and satisfactory manner; or

(ii)

Technical Education.

(ii) the holder has contravened or failed to comply with any of the terms and conditions subject to which the permit was granted.

5 (4) (a) The Minister may, upon the recommendation of the Advisory Committee, register under this section any institution or school where he is satisfied that such institution or school is providing efficient instruction.

10 (b) The Minister may, upon the recommendation of the Advisory Committee, cancel the registration of any such institution or school where he is satisfied that the institution or school is no longer providing efficient instruction.

15 (5) (a) There shall be a Vocational Instruction Advisory Committee (in this section referred to as the "Advisory Committee") which shall consist of three members.

20 Two of such members shall be the persons who for the time being hold respectively the following offices, that is to say, the Director of Technical Education, who shall be the chairman of the Advisory Committee, and the Under Secretary of the Department of Labour and Industry and Social Welfare. The other member shall be a person appointed by the Minister who shall hold office for such
25 period as the Minister may determine.

(b) The Advisory Committee shall investigate and report on any matter referred to it by the Minister in relation to the grant or withdrawal of any permit under this section or the registration or cancellation
30 of the registration of any institution or school pursuant to this section.

(6) Any person who contravenes the provisions of this section shall be liable to a penalty not exceeding fifty pounds.

binding on the compensation moneys created since the
resumption.

20 (3) On the lodgment with the Registrar-General
of a copy of a notification in the Gazette rescinding a
notification of resumption of land under the provisions
of the Real Property Act, 1900, the Registrar-General
shall cancel any entry or notification in the register book
made by him pursuant to section 46A of the Real Property
25 Act, 1900, in so far as it relates to the land the notification
of the resumption of which has been rescinded, and for
the purpose of any dealing with such land the entry or
notification made pursuant to section 46A of the Real
Property Act, 1900, shall be deemed never to have been
30 made.

(4) The person in whom any land is revested
under this section shall be entitled to be compensated
by the Constructing Authority for any loss or damage
actually suffered by him as a direct consequence of the
35 resumption and its rescission other than compensation
in respect of the value of the land.

(5)

Definitions.

"Prescribed" means prescribed by this Part of this Act or by the regulations.

"Regulations" means regulations made under this Part of this Act.

Technical Education.

5. (1) The Governor may, for the purpose of co-ordinating technical education throughout the State and of carrying out or giving effect to this Part of this Act, establish a Department of Technical Education under the Minister for Education.

Department of Technical Education.

(2) The Minister shall, within the Department of Technical Education, provide, maintain, control and manage such facilities for and in respect of the provision of technical education as he may consider suitable to the requirements of the State.

(3) All powers, authorities, duties and functions which immediately before the commencement of this Part of this Act were exercised and discharged by the Minister for Education in relation to the provision, maintenance, control and management of technical education shall, upon and after such commencement, be exercised and discharged by him through the Department of Technical Education.

(4) The provisions of the Public Instruction Act of 1880 and of any other Act in force at the date of commencement of this Part of this Act relating to the provision, maintenance, control or management of technical education shall, so far as applicable but subject to this Part of this Act, continue to apply to and in respect of the exercise and discharge by the Minister of the powers, authorities, duties and functions conferred or imposed upon him by this Part of this Act.

6. (1) The Governor may, under and subject to the Public Service Act, 1902, as amended by subsequent Acts, appoint a Director of Technical Education, a Deputy Director of Technical Education, and two or more Assistant Directors of Technical Education.

Director, Deputy Director and Assistant Directors of Technical Education.

(2) The Director of Technical Education shall, for the purposes of the Public Service Act, 1902, as amended by subsequent Acts, be deemed to be the permanent head of the Department of Technical Education.

(3) The Governor may, under and subject to the Public Service Act, 1902, as amended by subsequent Acts, appoint such officers and employees as may be necessary for the administration of this Part of this Act.

Officers and employees.

Technical Education.

7. The Minister may, subject to and in accordance with the regulations, arrange for the grant of State diplomas and the issue of State certificates of proficiency to persons who pass such examinations and comply with
5 such requirements and conditions as may be prescribed.

Diplomas
and
certificates.

Any such diploma or certificate shall be authenticated by the signature of such person or persons and in such manner as may be prescribed.

8. (1) There shall be a Technical Education Advisory
10 Council (hereinafter in this Part of this Act referred to as the "Council") which shall consist of such number of persons as may be prescribed.

Technical
Education
Advisory
Council.

(2) Subject to subsection three of this section, the members of the Council shall be appointed by the
15 Governor and shall be representative of industry, commerce, the professions, the trade union movement and educational authorities.

(3) The Director of Technical Education and the Director-General of Education shall be ex officio
20 members of the Council.

(4) The Director of Technical Education shall be the chairman of the Council.

(5) The members of the Council appointed by the Governor shall hold office for such period as may be
25 prescribed.

In the case of an extraordinary vacancy in the office of any appointed member, the Governor may appoint a person to the vacant office, and the person so appointed shall hold office for the residue of his predecessor's term
30 of office.

A member of the Council who vacates his office by reason of the expiration of his term shall be eligible for reappointment.

(6) The procedure for the calling of meetings of the
35 Council and for the conduct of business at such meetings shall, subject to any regulations in relation thereto, be as determined by the Council.

(7)

Technical Education.

(7) The number of members who shall constitute a quorum for the purposes of any meeting of the Council shall be as prescribed, and any duly convened meeting at which a quorum is present shall be competent to
5 transact any business of the Council.

(8) The members of the Council shall be entitled to receive allowances for conveyance and subsistence in travelling to and from meetings of the Council, or upon the business of the Council, at such rates as may be
10 prescribed.

(9) The provisions of the Public Service Act, 1902, as amended by subsequent Acts, shall not apply to or in respect of the appointment by the Governor of any member of the Council, and any member so appointed
15 shall not, in his capacity as such member, be subject to the provisions of such Act during his term of office.

(10) The office of a member of the Council shall not for the purposes of the Constitution Act, 1902, or any Act amending or replacing that Act, be deemed to
20 be an office or place of profit under the Crown.

9. (1) The Council may make such recommendations as it thinks fit to the Minister with respect to—

Functions
and
duties of
Council.

(a) the provision and conduct of technical educa-
tion in the State having regard to the needs of
25 the community, industry and commerce;

(b) the co-ordination of the functions of the
Department of Technical Education with those
of the Department of Education, the University
of Sydney, the New South Wales University of
30 Technology and other bodies concerned with
education;

(c) such other matters as may be prescribed.

(2) The Council shall investigate and report to the
Minister on any matter referred to it by the Minister
35 for investigation and report.

10.

Technical Education.

10. (1) Where the Governor is satisfied that it is desirable in the public interest that a standard of instruction should be maintained by law in any subject matter or matters, the Governor may from time to time, 5 by proclamation published in the Gazette, declare such subject matter or matters to be vocational in character.

Vocational
instruction.
cf. Act. No.
20, 1940,
s. 81.

(2) (a) After the expiration of twelve months from the commencement of this Part of this Act, no person shall give or offer to give for fee or reward 10 instruction in any subject matter which is for the time being declared to be vocational in character pursuant to subsection one of this section unless he is the holder of a permit granted to him by the Minister under subsection three of this section authorising him to give 15 instruction in such subject matter.

(b) Paragraph (a) of this subsection shall not extend to or in respect of any person who gives or offers to give any instruction in his capacity as an officer or employee of the Crown, or in his capacity as principal 20 of or a teacher in any school certified under the Public Instruction (Amendment) Act, 1916, or registered under the Bursary Endowment Act, 1912, or in his capacity as principal of or teacher in any institution or school registered under this section.

(3) (a) The Minister may, upon the recommendation of the Advisory Committee, grant a permit to any person where he is satisfied that such person possesses sufficient qualifications and capacity to enable him to give such instruction in an adequate and 25 satisfactory manner.

(b) Any such permit may be granted subject to such terms and conditions as may be specified therein or as may be prescribed.

(c) Any permit granted under this subsection may, upon the recommendation of the Advisory Committee, be withdrawn by the Minister if he is satisfied that— 35

(i) the holder of the permit no longer possesses the capacity to give such instruction in an adequate and satisfactory manner; or 40

(ii)

Technical Education.

(ii) the holder has contravened or failed to comply with any of the terms and conditions subject to which the permit was granted.

(4) (a) The Minister may, upon the recommendation of the Advisory Committee, register under this section any institution or school where he is satisfied that such institution or school is providing efficient instruction.

(b) The Minister may, upon the recommendation of the Advisory Committee, cancel the registration of any such institution or school where he is satisfied that the institution or school is no longer providing efficient instruction.

(5) (a) There shall be a Vocational Instruction Advisory Committee (in this section referred to as the "Advisory Committee") which shall consist of three members.

Two of such members shall be the persons who for the time being hold respectively the following offices, that is to say, the Director of Technical Education, who shall be the chairman of the Advisory Committee, and the Under Secretary of the Department of Labour and Industry and Social Welfare. The other member shall be a person appointed by the Minister who shall hold office for such period as the Minister may determine.

(b) The Advisory Committee shall investigate and report on any matter referred to it by the Minister in relation to the grant or withdrawal of any permit under this section or the registration or cancellation of the registration of any institution or school pursuant to this section.

(6) Any person who contravenes the provisions of this section shall be liable to a penalty not exceeding fifty pounds.

35 **11.** (1) Any moneys vested in the Newcastle Technical Education District Council immediately before the commencement of this Part of this Act shall, upon such commencement, be divested from that Council and vest in the officers of the public service who at such commencement

commencement hold the office of Director of Technical Education, Principal of the Newcastle Technical College and Registrar of that College respectively upon trust to apply the same in accordance with any direction given
5 with respect thereto under subsection two of this section.

(2) Upon the constitution by the regulations of a technical education district council for the technical education district of Newcastle, such council may give directions for the application of any moneys referred to
10 in subsection one of this section for the promotion and furtherance of technical education within the technical education district of Newcastle.

(3) The Newcastle Technical Education District Council and any member thereof shall upon the
15 commencement of this Part of this Act be discharged from any duty, obligation or liability existing immediately before such commencement in respect of or in relation to the moneys referred to in subsection one of this section.

20 (4) In this section—

“Newcastle Technical Education District Council” means the body by that name constituted under the Technical Education Act, 1940, immediately before the commencement of this Part of this
25 Act;

“technical education district of Newcastle” means the technical education district established under the regulations which includes within its boundaries the City of Greater Newcastle.

30 **12.** (1) The Public Service Act, 1902, as amended by subsequent Acts, is amended by inserting at the end of section twenty-five the words “or the Department of Technical Education.”

tions.)

13.

Technical Education.

13. (1) The Governor may make regulations not inconsistent with this Part of this Act prescribing all matters which by this Part of this Act are required or permitted to be prescribed or which are necessary or
5 convenient to be prescribed for carrying out or giving effect to this Part of this Act.

(2) In particular and without prejudice to the generality of subsection one of this section the Governor may make regulations with respect to the following
10 matters:—

- (a) the qualifications to be possessed by persons as a condition of appointment to the Council;
- (b) the constitution and functions of advisory committees and boards of studies;
- 15 (c) the establishment of technical education districts, the constitution in respect of any such district of a technical education district council, and the powers, authorities, duties and functions to be exercised and discharged by any such
20 council.

(3) The regulations shall—

- (a) be published in the Gazette;
- (b) take effect from the date of publication or from a later date to be specified therein;
- 25 (c) be laid before both Houses of Parliament within fourteen sitting days after the publication thereof if Parliament is in session, and if not, then within fourteen sitting days after the commencement of the next session.

30 If either House of Parliament passes a resolution of which notice has been given at any time within fifteen sitting days after such regulations have been laid before such House disallowing any regulation or part thereof, such regulation or part shall thereupon cease to have
35 effect.

PART III.

THE NEW SOUTH WALES UNIVERSITY OF TECHNOLOGY.

DIVISION 1.—*Preliminary.*

14. This Part of this Act shall, except where otherwise expressly provided, commence upon a day to be appointed by the Governor and notified by proclamation published in the Gazette. Commencement.

15. In this Part of this Act, unless the context or subject matter otherwise indicates or requires— Definitions.

10 “By-laws” means by-laws made under this Part of this Act.

“Council” means the Council of the University.

“Prescribed” means prescribed by this Part of this Act or by the regulations.

15 “Regulations” means regulations made under this Part of this Act.

“University” means the New South Wales University of Technology.

20 DIVISION 2.—*Incorporation of the University and establishment of a Council thereof.*

16. (1) There shall be a New South Wales University of Technology consisting of the Council, the professors and such other classes of persons giving instruction within the University as may be prescribed and the graduate and under-graduate members thereof. New South Wales University of Technology.

(2) The University shall be a body corporate under the name of “The New South Wales University of Technology” with perpetual succession and a common seal, and shall be capable by that name of suing and being sued, and of doing and suffering all such other acts and things as bodies corporate may by law do and suffer.

(3) The University shall, subject to this Part of this Act and the regulations, have power to take, purchase, hold, grant, alienate, demise or otherwise dispose of real and personal property:

Provided that the University shall not, except with the approval of the Governor, alienate, mortgage, charge or demise any real property.

Technical Education.

17. (1) The common seal of the University shall be kept in such custody as the Council directs, and shall not be used except upon resolution of the Council. Common seal.

(2) All courts, judges and persons acting judicially shall take judicial notice of the common seal of the University affixed to any document, and shall presume that it was duly affixed.

18. The objects of the University shall include the following:— Objects of the University.

- 10** (a) to provide facilities for higher specialised instruction and advanced training in the various branches of technology and science in their application to industry and commerce; and
- 15** (b) to aid by research and other suitable means the advancement, development, and practical application of science to industry and commerce.

19. (1) There shall be a Council of the University which shall have and may exercise and discharge the powers, authorities, duties and functions conferred and imposed upon the Council by or under this Part of this Act. The Council.

(2) The Council shall consist of not more than twenty-eight members who shall be appointed by the Governor.

25 Of the members so appointed—

- (l) one shall be the person for the time being holding the office of Director of the University;
- 35 (m) not more than four shall be persons elected in the manner prescribed by the by-laws to represent such principal faculties as may be so prescribed.

Technical Education.

(3) The person or persons to be nominated by the Minister for appointment pursuant to paragraph (d), (f) or (g) of subsection two of this section shall, in respect of each such paragraph, be selected by him from
5 a panel of such number of names as may be prescribed submitted to him for the purpose by such persons or class or classes of persons or body or bodies of persons as may be prescribed in relation to that paragraph.

The regulations may prescribe—

- 10 (a) the time within which any such panel of names shall be submitted to the Minister;
- (b) where any such panel of names is to be submitted by more than one prescribed class or body of persons, the number of names which each such
15 class or body is entitled to include in such panel.

(4) If for any reason a panel of names is not submitted to the Minister in accordance with this section or the regulations or is not submitted within the time prescribed with respect thereto, the Minister may
20 nominate such person or persons as he thinks fit and such person or persons shall be deemed to have been validly nominated in accordance with subsection three of this section and the regulations.

(5) (a) Members of the Council, other than the
25 Director of the University, shall, subject to this Part of this Act, hold office for such period not exceeding four years as may be prescribed. Different periods may be prescribed in respect of the different classes of members.

The Director of the University shall hold office while
30 he remains Director.

(b) The regulations may provide for the retirement in rotation of members of any particular class and for that purpose may provide that, on the first appointment of members of any such class after the
35 introduction of rotational retirement, such number as may be prescribed of the members of that class shall be appointed for a less period than that prescribed pursuant to paragraph (a) of this subsection with respect to members of that class.

(c)

Technical Education.

(c) All retiring members shall, unless otherwise disqualified, be eligible for reappointment.

(6) Where a casual vacancy occurs in the office of a member of the Council the Governor may appoint
5 a person to the vacant office. The person so appointed shall have the like prescribed qualification (if any) as that of the member whose office has become vacant and shall, subject to this Part of this Act, hold office for the residue of his predecessor's term of office.

10 (7) The provisions of the Public Service Act, 1902, as amended by subsequent Acts, shall not apply to or in respect of the appointment by the Governor of any member of the Council, and any member so appointed
15 shall not, in his capacity as such member, be subject to the provisions of such Act during his term of office.

20. A member of the Council shall be deemed to have vacated his office if he— Vacation of office.

21. (1) (a) The first President of the University President and Vice-President. shall be appointed by the Minister and shall hold office for a period of one year.

35 The person so appointed shall be a member of the Council.

(b) Whenever a vacancy in the office of President occurs, the Council shall elect one of its number to be President of the University.

(c)

Technical Education.

(c) The President, other than the first President, shall hold office for such period and on such terms and conditions as may be prescribed by the by-laws.

5 (2) (a) The Council shall, at its first meeting and thereafter whenever a vacancy in the office of Vice-President occurs, elect one of its number to be Vice-President of the University.

(b) The Vice-President shall hold office for 10 such period and on such terms and conditions as may be prescribed by the by-laws.

15 **22.** At every meeting of the Council the President or, Chairman. in his absence, the Vice-President shall preside as chairman, but if the President and Vice-President are both absent, the members present shall elect a person from among their number to preside as chairman.

20 **23.** (1) All questions which come before the Council shall be decided at any meeting duly convened, at which a quorum is present, by a majority of the votes of the 20 members present. Questions how decided.

(2) The chairman at any such meeting shall have a vote; and in case of an equality of votes a second or casting vote.

25 (3) At any such meeting ten members shall form a quorum.

30 **24.** (1) No act or proceeding of the Council or any committee of the Council, or of the Director or any person acting pursuant to any direction of the Council shall be invalidated or prejudiced by reason only of the fact that at the time when such act or proceeding was done, taken or commenced there was a vacancy or vacancies, not exceeding twelve in number, in the office or offices of any member or members of the Council. Validity of acts and proceedings.

35 (2) All acts and proceedings of the Council or any committee of the Council, or of the Director or any person acting pursuant to any direction of the Council shall, notwithstanding the subsequent discovery of any defect in the appointment, nomination or election of any member of the Council, or that any such member was disqualified

disqualified from acting as or incapable of being a member of the Council, be as valid as if such member had been duly appointed, nominated or elected and was qualified to act as or capable of being a member and had
 5 acted as a member of the Council and as if the Council had been properly and fully constituted.

DIVISION 3.—*Administration.*

25. Subject to this Part of this Act and to the regulations and by-laws, the Council—

Powers
of the
Council.

- 10 (a) may provide courses in applied science, engineering, technology, commerce, industrial organisation and such other related courses as it deems fit and may, after examination, confer
 15 the several degrees of Bachelor, Master and Doctor, and such other degrees and such certificates in the nature of degrees or otherwise as it thinks fit;
- (b) may from time to time appoint deans, professors, lecturers and other officers and employees of the
 20 University;
- (c) shall have the entire control and management of the affairs, concerns and property of the University and may dispose of real or personal
 25 property in the name and on behalf of the University; and
- (d) may act in all matters concerning the University in such manner as appears to it best calculated to promote the objects and interests of the University:

30 Provided that no appointment of a dean, professor, lecturer or other officer or employee shall be made pursuant to this section before the day appointed and notified pursuant to subsection three of section thirty-three of this Act.

35 **26.** (1) There shall be a Director of the University who shall be the chief executive officer of the Council.

(2) The Director shall have and may exercise and discharge such powers, authorities, duties and functions as may be prescribed in the regulations and by-laws.

5 (3) The Director shall be appointed in the manner prescribed and shall hold office for such period and upon such terms and conditions as may be prescribed.

27. (1) The Council may constitute and appoint such committees as it thinks fit and may delegate all or any of
10 its powers, authorities and functions (except this power of delegation and the power to make by-laws) to any such committee or to any member of the Council, or to any officer or officers of the University.

Delegation to committees, etc.

(2) Every delegation under this section shall be
15 revocable by resolution of the Council and no delegation shall prevent the exercise or discharge by the Council of any of its powers, authorities, duties or functions.

28. (1) Where any person has obtained in any university or other educational establishment recognised
20 by the by-laws of the University in force for the time being any degree or diploma corresponding or equivalent, in the opinion of the Council, to any degree which the Council is now or may hereafter be empowered to confer after examination, the Council may confer such latter
25 degree upon such person without examination.

Ad eundem and honorary degrees.

(2) The persons upon whom degrees are conferred, under the provisions of subsection one of this section, shall be entitled to the same rights and privileges as appertain to those who have taken the same degrees in
30 the ordinary course in the University.

(3) By-laws may be made for or with respect to the conferring of honorary degrees or other distinctions on approved persons.

29. (1) The Council may establish and maintain
35 branches, departments or colleges of the University at Newcastle, Wollongong, Broken Hill or such other place in the State as the Council deems fit.

Power to establish and maintain branches, departments, or colleges.

Technical Education.

(2) (a) The Council may authorise any college or educational establishment, whether incorporated or not, engaged in the promotion of applied science and technology, to issue to candidates for any degree or diploma, certificates to the effect that the candidate for any such degree or diploma has completed such course of instruction therefor as the Council by by-law prescribes.

Council may authorise educational establishments to issue certificates.

(b) Any person who presents to the Council any such certificate may be admitted as a candidate for the degree or diploma to which it has reference.

30. All degrees conferred by the University shall be evidenced by a certificate under the common seal of the University and be signed by the President and the Director.

Evidence of degrees conferred.

31. The Council may by by-law make provision for the payment by students of the University of reasonable fees for entrance to the University, attendance at lectures, conferring of degrees and other University charges, except in the case of any student who is granted any fellowship, scholarship, exhibition, bursary or similar benefit, to the extent to which he is thereby exempted from payment of fees.

Fees.

32. (1) The Council may carry out special investigations in any technological or scientific matter at the request of any authority, institution, association, firm or person, and in respect of any such investigation may charge such fees therefor and agree to such conditions in relation thereto as it thinks fit.

Technological and scientific investigation.

(2) The Council may publish information relating to any matter investigated by it pursuant to the provisions of subsection one of this section or otherwise:

Provided that no such publication shall be made in contravention of any condition agreed to pursuant to the said subsection.

33. (1) (a) During the period commencing on the date of commencement of this Part of this Act and ending on the appointed day the provisions of this subsection shall have effect.

Transitional provisions—appointments.

(b)

Technical Education.

(b) All deans, professors, lecturers and other officers and employees necessary to enable the Council to exercise and discharge the powers, authorities, duties and functions conferred and imposed upon it by this
5 Part of this Act shall be appointed under and subject to the provisions of the Public Service Act, 1902, as amended by subsequent Acts; and every such dean, professor, lecturer or other officer or employee shall be subject to
10 the said Act, as so amended, during his tenure of office or employment; and the permanent head of the Department of Technical Education shall in relation to such deans, professors, lecturers and other officers and employees be the permanent head within the meaning of the said Act, as so amended.

15 If either House of Parliament passes a resolution of which notice has been given at any time within fifteen sitting days after such regulations have been laid before such House disallowing any regulation or part thereof, such regulation or part shall thereupon cease to have effect.

PART IV.

ACQUISITION OF LAND.

- 20 49. (1) For the purposes of this Act, the Governor may, under the Public Works Act, 1912, as amended by subsequent Acts, resume or appropriate any land and the Minister may, under the said Act as so amended, purchase any land. Acquisition of land.
- 25 (2) For the purposes of the Public Works Act, 1912, as amended by subsequent Acts, any such resumption, appropriation or purchase shall be deemed to be for an authorised work, and the Minister shall be deemed to be the Constructing Authority:
- 30 Provided that sections thirty-four, thirty-five, thirty-six and thirty-seven of the Public Works Act, 1912, as amended by subsequent Acts, shall not apply to any such resumption, appropriation or purchase, but section thirty-eight of such Act shall, mutatis mutandis, apply
- 35 to and in respect of any contracts relating to any such resumption, appropriation or purchase.

Technical Education.

50. (1) The Governor may, by notification in the Gazette, rescind in whole or in part any notification of resumption made in pursuance of section forty-nine of this Act.

Power to
rescind
resumptions.
cf. Act No.
7, 1912,
s. 4c.

5 (2) Upon the publication of any notification of
rescission the land described in such notification shall
revest in the person who was entitled thereto immediately
before the resumption for his estate, interest or right
immediately before such resumption, but subject to any
10 interest in or equity binding upon such land created by
the Constructing Authority since such resumption; and
the land shall be subject to all trusts, obligations, estates,
interests, contracts, charges, rates, rights-of-way or other
easements from which it was freed and discharged by
15 such resumption as if the land had not been resumed
and shall also be subject to any interests in or equities
binding on the compensation moneys created since the
resumption.

(3) On the lodgment with the Registrar-General
20 of a copy of a notification in the Gazette rescinding a
notification of resumption of land under the provisions
of the Real Property Act, 1900, the Registrar-General
shall cancel any entry or notification in the register book
made by him pursuant to section 46A of the Real Property
25 Act, 1900, in so far as it relates to the land the notification
of the resumption of which has been rescinded, and for
the purpose of any dealing with such land the entry or
notification made pursuant to section 46A of the Real
Property Act, 1900, shall be deemed never to have been
30 made.

(4) The person in whom any land is revested
under this section shall be entitled to be compensated
by the Constructing Authority for any loss or damage
actually suffered by him as a direct consequence of the
35 resumption and its rescission other than compensation
in respect of the value of the land.

(5)
