

New South Wales.

ANNO QUARTO DECIMO

GEORGI VI REGIS.

Act No. 6, 1950.

An Act to sanction and to provide for the construction of a dam across Wollombi Brook at Warkworth and works incidental thereto; to amend the Public Works Act, 1912, in certain respects; and for purposes connected therewith. [Assented to, 24th March, 1950.]

BE it enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

1. This Act may be cited as the "Warkworth Flood Mitigation and Water Conservation Act, 1950." Short title.

Warkworth Flood Mitigation and Water Conservation.

Work
sanctioned.

2. (1) (a) The carrying out of the work described in the Schedule to this Act is hereby sanctioned.

(b) The said work shall be deemed to be an authorised work within the meaning of the Public Works Act, 1912, as amended by subsequent Acts.

(c) The Water Conservation and Irrigation Commission is empowered to carry out the said work, and shall be the constructing authority for the same within the meaning of the said Act, as so amended, and shall enter into such contracts and take all such necessary steps for the proper execution thereof as such authority may think proper.

(d) The provisions of the Public Works Act, 1912, as amended by subsequent Acts, sections thirty-four, thirty-five, thirty-six and thirty-seven excepted, shall apply to and in respect of the said work.

(2) Without prejudice to the generality of subsection one of this section the provisions of section thirty-eight of the Public Works Act, 1912, as amended by subsequent Acts, shall apply to and in respect of any contracts referred to in paragraph (c) of subsection one of this section.

The plan.

3. The plan of the said work is the plan marked "Wollombi Brook Proposed Warkworth Dam," sealed with the Seal of the Water Conservation and Irrigation Commission, and deposited in the head office of the said Commission.

Estimated
cost.

4. The cost of carrying out the said work is estimated at two million five hundred thousand pounds and such estimated cost shall not, under any circumstances, be exceeded by more than ten per centum.

Amendment
of Act
No. 45,
1912.

5. For the purposes of this Act, but not otherwise, the following amendments and additions shall be made in the Public Works Act, 1912, as amended by subsequent Acts, that is to say:—

Sec. 98.

(a) section ninety-eight is amended by inserting in subsection three before the words "public works" the words "authorised works or";

(b)

Warkworth Flood Mitigation and Water Conservation.

- (b) section one hundred and twenty-six is amended Sec. 126.
by inserting at the end of subsection two the
following proviso:—

Provided that such interest shall not be paid for any period during which delay in fixing the amount of compensation or in completing title has been caused without reasonable excuse by the act or default of the person to whom such compensation is payable.

SCHEDULE.

Sec. 2.

- (1) The construction of:—
- (a) an earth dam across Wollombi Brook about two miles upstream from the township of Warkworth, of a height sufficient to store about 400,000 acre feet of water, with concrete spillway and outlets for regulation of the discharge of water from the storage, together with works incidental thereto;
 - (b) road deviations and roads of access together with structures incidental thereto;
 - (c) silt dams and weirs on Wollombi Brook and tributaries upstream of the storage to prevent siltation within the reservoir;
 - (d) works necessary for the protection of the foreshores of the storage;
- all for the combined purposes of flood mitigation and conservation of water.
- (2) The whole of the works hereinbefore described to be subject to such modifications as may be deemed desirable by the constructing authority.

By Authority:

ALFRED HENRY PETTIFER, Government Printer, Sydney, 1950.

[3d.]

Warkworth Flood Mitigation and Water Conservation

(b) section one hundred and twenty-six is amended see 120 by inserting at the end of subsection two the following proviso:—

Provided that such interest shall not be paid for any period during which delay in fixing the amount of compensation or in completing the same has been caused without reasonable excuse by the act or default of the person to whom such compensation is payable.

see 1

SCHEDULE

1) The extension of:—

(a) an earth dam across Wollombi Brook about two miles upstream from the township of Warkworth, of a height sufficient to store about 100,000 acre feet of water, with concrete spillway and outlet for regulation of the discharge of water from the storage together with works incidental thereto;

(b) road deviations and roads or access together with structures incidental thereto;

(c) all dams and weirs on Wollombi Brook and tributaries upstream of the storage to prevent pollution within the township;

(d) works necessary for the protection of the fisheries of the storage;

all for the combined purpose of flood mitigation and conservation of water.

2) The whole of the works herebefore described to be subject to such modifications as may be deemed desirable by the commanding authority.

By Authority:

James H. King, Government Printer, Sydney, 1920.

I certify that this PUBLIC BILL, which originated in the LEGISLATIVE ASSEMBLY, has finally passed the LEGISLATIVE COUNCIL and the LEGISLATIVE ASSEMBLY of NEW SOUTH WALES.

H. ROBBINS,
Clerk of the Legislative Assembly.
Legislative Assembly Chamber,
Sydney, 14 March, 1950.

New South Wales.

ANNO QUARTO DECIMO

GEORGI VI REGIS.

Act No. 6, 1950.

An Act to sanction and to provide for the construction of a dam across Wollombi Brook at Warkworth and works incidental thereto; to amend the Public Works Act, 1912, in certain respects; and for purposes connected therewith. [Assented to, 24th March, 1950.]

BE it enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

1. This Act may be cited as the "Warkworth Flood Mitigation and Water Conservation Act, 1950." Short title.

2.

I have examined this Bill, and find it to correspond in all respects with the Bill as finally passed by both Houses.

G. BOOTH,
Chairman of Committees of the Legislative Assembly.

*Warkworth Flood Mitigation and Water Conservation.*Work
sanctioned.

2. (1) (a) The carrying out of the work described in the Schedule to this Act is hereby sanctioned.

(b) The said work shall be deemed to be an authorised work within the meaning of the Public Works Act, 1912, as amended by subsequent Acts.

(c) The Water Conservation and Irrigation Commission is empowered to carry out the said work, and shall be the constructing authority for the same within the meaning of the said Act, as so amended, and shall enter into such contracts and take all such necessary steps for the proper execution thereof as such authority may think proper.

- (c) silt dams and weirs on Wollombi Brook and tributaries upstream of the storage to prevent siltation within the reservoir;
- (d) works necessary for the protection of the foreshores of the storage;

all for the combined purposes of flood mitigation and conservation of water.

- (2) The whole of the works hereinbefore described to be subject to such modifications as may be deemed desirable by the constructing authority.

In the name and on behalf of His Majesty I assent to this Act.

J. NORTHCOTT,
Governor.

*Government House,
Sydney, 24th March, 1950.*

It is hereby certified that the following is a true and correct copy of the original as the same appears in the records of the Board of Health of the City of New York.

1. The Board of Health of the City of New York, in its resolution of the 12th day of March, 1900, adopted the following resolution:

Resolved, That the Board of Health of the City of New York do hereby certify that the following is a true and correct copy of the original as the same appears in the records of the Board of Health of the City of New York.

SCHEDULE

1. The Board of Health of the City of New York, in its resolution of the 12th day of March, 1900, adopted the following resolution:

Resolved, That the Board of Health of the City of New York do hereby certify that the following is a true and correct copy of the original as the same appears in the records of the Board of Health of the City of New York.

2. The Board of Health of the City of New York, in its resolution of the 12th day of March, 1900, adopted the following resolution:

Resolved, That the Board of Health of the City of New York do hereby certify that the following is a true and correct copy of the original as the same appears in the records of the Board of Health of the City of New York.

3. The Board of Health of the City of New York, in its resolution of the 12th day of March, 1900, adopted the following resolution:

Resolved, That the Board of Health of the City of New York do hereby certify that the following is a true and correct copy of the original as the same appears in the records of the Board of Health of the City of New York.

In the presence of me, the undersigned, a Notary Public for the City and County of New York, on this 12th day of March, 1900.

Notary Public for the City and County of New York.

This PUBLIC BILL originated in the LEGISLATIVE ASSEMBLY, and, having this day passed, is now ready for presentation to the LEGISLATIVE COUNCIL for its concurrence.

H. ROBBINS,
Clerk of the Legislative Assembly.

*Legislative Assembly Chamber,
Sydney, 7 March, 1950.*

New South Wales.

ANNO QUARTO DECIMO

GEORGII VI REGIS.

Act No. , 1950.

An Act to sanction and to provide for the construction of a dam across Wollombi Brook at Warkworth and works incidental thereto; to amend the Public Works Act, 1912, in certain respects; and for purposes connected therewith.

BE it enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of
5 the same, as follows:—
