

New South Wales.

ANNO SEXTO DECIMO

GEORGII VI REGIS.

Act No. 51, 1951.

An Act to amend the Wheat Industry Stabilisation Act, 1948, in certain respects; and for purposes connected therewith. [Assented to, 20th December, 1951.]

BE it enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

1. (1) This Act may be cited as the "Wheat Industry Stabilisation (Amendment) Act, 1951".

Short title
citation and
commence-
ment.

(2) The Wheat Industry Stabilisation Act, 1948, as amended by this Act, may be cited as the Wheat Industry Stabilisation Act, 1948-1951.

Wheat Industry Stabilisation (Amendment).

(3) This Act shall be deemed to have commenced upon the first day of December, one thousand nine hundred and fifty-one.

Amendment
of Act No.
46, 1948.

Sec. 18.

(Home con-
sumption
price of
wheat.)

2. The Wheat Industry Stabilisation Act, 1948, is amended by inserting at the end of section eighteen the following new subsections:—

(2) (a) The Board may sell wheat in New South Wales as feed for poultry, pigs or dairy cattle at a price per bushel equal to the price which would be applicable under the provisions of subsection one of this section increased by two shillings.

(b) The price charged by the Board in pursuance of paragraph (a) of this subsection shall not exceed a price calculated on the basis of a price of fourteen shillings per bushel for wholesale sales of bulk wheat of fair average quality f.o.r. ports.

(3) Subsection two of this section shall not apply to a sale where the quantity of wheat comprised in the sale, together with the aggregate of the quantities of wheat comprised in all other sales which the Board has, in the year which commenced on the first day of December next preceding the date of the sale, made in Australia of wheat as feed for poultry, pigs or dairy cattle, would exceed twenty-six million bushels.

(4) The Board may sell wheat in New South Wales—

(a) as feed for animals other than poultry, pigs or dairy cattle; or

(b) as feed for poultry, pigs or dairy cattle where, in the year which commenced on the first day of December next preceding the date of the sale, the Board has sold in Australia as such feed not less than twenty-six million bushels of wheat,

at a price calculated on the basis of a price of sixteen shillings and one penny per bushel for wholesale sales of bulk wheat of fair average quality f.o.r. ports.

(5)

Wheat Industry Stabilisation (Amendment).

(5) Where the Board makes in New South Wales a sale of wheat to a purchaser who requires the wheat for transport to another State, the Board may sell the wheat at a price equal to the price otherwise applicable under this section, less the estimated costs of and incidental to transporting the wheat to, and landing it at, the principal port in that other State.

(6) If it appears to the Governor that, in relation to the supply of wheat, produced in any State, for consumption in another State (being a State in which adequate supplies of local wheat are not available) the Board is not observing the principle that the costs of and incidental to transporting such wheat to, and landing it at, the principal port of that other State are to be borne by the Board, the Governor may, by proclamation published in the Gazette, suspend the operation of subsection two of this section.

(7) The Governor may revoke a proclamation under subsection six of this section and thereupon the suspension effected by the proclamation so revoked shall cease.

By Authority:

A. H. PETTIFER, Government Printer, Sydney, 1952

[4d.]

Wheat Industry Stabilization (Continued)

(5) Where the Board issues a 200,000 bushel wheat sale of wheat to a purchaser who requests the wheat for transport to another state, the Board may sell the wheat at a price equal to the price of the wheat applicable under the section for the estimated cost of and incident to transporting the wheat to the landing it at the principal port in that other state.

(6) If it appears to the Board that it is necessary to the supply of wheat, produced in this state, for consumption in another state, to be sold in that state, the Board may sell wheat at a price equal to the price of wheat sold in that state, plus the cost of and incident to transporting the wheat to the landing it at the principal port of that other state, and to be sold in that other state. The Board may also, in its discretion, sell wheat in that other state at a price equal to the price of wheat sold in that other state, plus the cost of and incident to transporting the wheat to the landing it at the principal port of that other state.

SEC. 10. The Board may, in its discretion, sell wheat in this state at a price equal to the price of wheat sold in this state, plus the cost of and incident to transporting the wheat to the landing it at the principal port in this state.

I certify that this PUBLIC BILL, which originated in the LEGISLATIVE ASSEMBLY, has finally passed the LEGISLATIVE COUNCIL and the LEGISLATIVE ASSEMBLY of NEW SOUTH WALES.

(7) The Governor may revoke a proclamation under subsection six of this section and thereupon the suspension effected by the proclamation so revoked shall cease.

In the name and on behalf of His Majesty I assent to this Act.

J. NORTHCOTT,
Governor.

*Government House,
Sydney, 20th December, 1951.*

Wheat Industry Stabilization (Amendment)

(5) Where the board makes in New South Wales a sale of wheat to a purchaser who requires the wheat for transport to another State, the board may sell the wheat at a price equal to the price otherwise applicable under this section less the estimated costs of and incidental to transporting such wheat to and landing it at the principal port of that State.

(6) It appears to the board that it is in the public interest to the supply of wheat produced in any State or consumption in another State (being a State in which wheat is a principal crop) that wheat produced in that State should be sold at a price equal to the price otherwise applicable under this section less the estimated costs of and incidental to transporting such wheat to and landing it at the principal port of that State. The board may, if it is satisfied that it is in the public interest to do so, make a determination under this section in relation to the wheat produced in that State.

(7) The board may revoke a determination made under this section if it is satisfied that the circumstances have changed since the determination was made and that it is in the public interest to do so. The revocation shall take effect from the date of the revocation.

In the event of a revocation of a determination made under this section, the board may, if it is satisfied that it is in the public interest to do so, make a determination under this section in relation to the wheat produced in that State.

General

This PUBLIC BILL originated in the LEGISLATIVE ASSEMBLY, and, having this day passed, is now ready for presentation to the LEGISLATIVE COUNCIL for its concurrence.

WHEAT INDUSTRY STABILISATION (AMENDMENT) BILL, 1951.

EXPLANATORY NOTE.

THE objects of this Bill are—

- (a) to enable the Australian Wheat Board to sell wheat within the Commonwealth as feed for poultry, pigs and dairy cattle up to twenty-six million bushels per year at two shillings per bushel above the guaranteed price but not exceeding a price of fourteen shillings per bushel for wholesale sales of fair average quality wheat f.o.r. ports;
- (b) to enable the Board to charge a price equivalent to 16s. 1d. per bushel for wholesale sales of fair average quality wheat f.o.r. ports in respect of—
 - (i) sales of wheat as feed for poultry, pigs or dairy cattle in excess of twenty-six million bushels per year, and
 - (ii) sales of wheat as feed for animals other than poultry, pigs or dairy cattle;
- (c) to enable the Board to make sales of wheat produced in one State for consumption in another State upon terms that freight charges covering the movement of the wheat to the consuming State are borne by the Board;
- (d) to enable the Governor where he is satisfied that wheat is not being supplied to a State in which a shortage exists on terms that freight charges between States are borne by the Board, to suspend by proclamation the provision enabling the Board to sell wheat on terms set out in paragraph (a) above.

WHEAT INDUSTRY INVESTIGATION (AMENDMENT) 1937

1937

EXPLANATORY NOTES

The following notes are intended to explain the various items appearing in the schedule of wheat production and consumption for the year 1937. The figures are given in thousands of bushels unless otherwise stated.

1. The total production of wheat in the United States for the year 1937 was 1,000,000,000 bushels. This was an increase of 10% over the production of 900,000,000 bushels in 1936.

2. The total consumption of wheat in the United States for the year 1937 was 800,000,000 bushels. This was an increase of 5% over the consumption of 760,000,000 bushels in 1936.

3. The total export of wheat from the United States for the year 1937 was 200,000,000 bushels. This was an increase of 10% over the export of 180,000,000 bushels in 1936.

4. The total import of wheat into the United States for the year 1937 was 100,000,000 bushels. This was an increase of 10% over the import of 90,000,000 bushels in 1936.

5. The total stock of wheat in the United States at the beginning of the year 1937 was 1,000,000,000 bushels. This was an increase of 10% over the stock of 900,000,000 bushels at the beginning of 1936.

6. The total stock of wheat in the United States at the end of the year 1937 was 1,000,000,000 bushels. This was an increase of 10% over the stock of 900,000,000 bushels at the end of 1936.
