the dingo destruction district bears to the total area of land so ratable in the dingo destruction district; and

- (b) shall not together with the amount which such board has been required to provide under section one hundred and three of the Pastures Protection Act, 1934-1954, in the year one thousand nine hundred and fifty-five exceed the sum which is equivalent to ninety-five per centum of the amount which will be produced by a rate of one halfpenny per acre of the land ratable for pastures protection rate within the district of the pastures protection board and included in the district of the dingo destruction board.

(3) A dingo destruction board may recover as a debt from a pastures protection board the amount required to be provided by such board under the resolution.

Any such proceedings may be taken in the name of the secretary or, if there be no secretary, the chairman on behalf of the dingo destruction board.

(4) Each pastures protection board may, for the purpose of providing the amount required by a dingo destruction board under subsection one of this section and the cost of collecting the rate levy a special rate upon all land ratable for pastures protection rates which is within the pastures protection district. Such rate shall be calculated upon the area of the ratable land and shall not exceed one farthing per acre. The rate shall be made and levied within three months after the commencement of this Act and except as provided in this subsection the same provisions shall apply to the making, calculating, notification, collection and payment and recovery of such rate as apply in respect of a special rate levied under section one hundred and four of the Pastures Protection Act, 1934-1954.
