3. EACH of the Contracting Governments so far as its jurisdiction extends and so far as it may be necessary shall provide for or secure the execution and enforcement of the provisions of this Agreement and any Acts ratifying it.

4. ON and after the date of ratification of this Agreement the Principal Agreement as amended by the first Amending Agreement, the second Amending Agreement and the third Amending Agreement shall be read and construed as if the amendments made by this Agreement were incorporated in the Principal Agreement as so amended.

II. AMENDMENT OF PRINCIPAL AGREEMENT AS AMENDED BY FIRST, SECOND AND THIRD AMENDING AGREEMENTS.

5. CLAUSE 20 of the Principal Agreement as amended by clause 5 of the second Amending Agreement and clause 7 of the third Amending Agreement is further amended—

(a) by omitting paragraph (i) and inserting in its stead the following paragraph:—

“(i) the provision of a storage on the upper River Murray (in this Agreement referred to as the “Upper Murray Storage”) with a capacity of approximately two and one-half million acre feet of water and with a roadway along the top of the containing dam;” and

(b) by inserting after paragraph (v) the following new paragraph:—

“(vi) the construction or execution of such works or work on the River Murray between Tocumwal and Echuca and on the effluents of that river between those two points as the Commission from time to time determines as necessary to prevent the loss of the regulated flow of the river.”

6. CLAUSE 32 of the Principal Agreement is omitted and the following clause is inserted in its stead:—

“32. The cost of carrying out the works mentioned in clause twenty of this Agreement is estimated at Nineteen million seven hundred and fifty thousand pounds and shall be borne by the Contracting Governments in equal shares PROVIDED ALWAYS that, in the event of a contribution or contributions being received from the Snowy Mountains Hydro-electric Authority towards the cost of the works necessary to increase the capacity of the Upper Murray Storage from approximately two million acre feet of water to approximately two and one-half million acre feet of water, that contribution or those contributions shall be applied in reduction of the amounts **which**

7. Clause 30 of the original Agreement is omitted and the  
following clause is inserted in its stead:-

30. After the completion of the works specified in clause 30 of  
this Agreement other than those specified in paragraph (1) of that  
clause, the discharge from the Upper Henry Storage and the inflow  
to and discharge from the Lake Victoria Storage shall be regulated  
to provide a reserve of water in storage for use in dry years, that  
reserve to be held from time to time 15, and drawn upon at the  
discretion of the Commission provided that the quantity of water  
so held in reserve shall be not less than one million acre feet at any  
time (of which not less than two hundred thousand acre feet shall  
be in the Lake Victoria Storage) unless the Commission declares a  
period of restriction in pursuance of clause 11 of this Agree-  
ment in which case the said reserve may be drawn upon provided  
further however that the volume in Lake Victoria may be reduced  
with a corresponding reduction in the contained volume in both  
storages at times other than periods of restriction if the Commission  
is satisfied that the supply to South Australia from upstream will be  
sufficient to ensure that the full allocation to that State can be met  
until the thirty day advance next ensuing and that there will be  
a combined reserve at that date of one million acre feet including  
not less than two hundred thousand acre feet in the Lake Victoria  
Storage."
