

This PUBLIC BILL originated in the LEGISLATIVE ASSEMBLY, and, having this day passed, is now ready for presentation to the LEGISLATIVE COUNCIL for its concurrence.

ALLAN PICKERING,
Clerk of the Legislative Assembly.

*Legislative Assembly Chamber,
Sydney, 5 November, 1957.*

New South Wales

ANNO SEXTO

ELIZABETHÆ II REGINÆ

Act No. , 1957.

An Act to sanction and to provide for the construction of a weir in a bend of the Murrumbidgee River at Gogeldrie, two main diversion canals offtaking from near the weir to the north and south respectively, levee banks and works incidental thereto; to amend the Public Works Act, 1912, as amended by subsequent Acts, in certain respects; and for purposes connected therewith.

BE it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

1. This Act may be cited as the "Gogeldrie Weir and Main Diversion Canals Act, 1957".

Gogeldrie Weir and Main Diversion Canals.

2. (1) (a) The carrying out of the work described in the Schedule to this Act is hereby sanctioned. ^{Work sanctioned.}

(b) The said work shall be deemed to be an authorised work within the meaning of the Public Works Act, 1912, as amended by subsequent Acts.

(c) The Water Conservation and Irrigation Commission is empowered to carry out the said work, and shall be the Constructing Authority for the same within the meaning of the said Act, as so amended, and shall enter into such contracts and take all such necessary steps for the proper execution thereof as such Authority may think proper.

(d) The provisions of the Public Works Act, 1912, as amended by subsequent Acts, sections thirty-four, thirty-five, thirty-six and thirty-seven excepted, shall apply to and in respect of the said work.

(2) Without prejudice to the generality of subsection one of this section the provisions of section thirty-eight of the Public Works Act, 1912, as amended by subsequent Acts, shall apply to and in respect of any contracts referred to in paragraph (c) of subsection one of this section.

3. The plan of the said work is the plan marked "Proposed Diversion Works near Gogeldrie", sealed with the Seal of the Water Conservation and Irrigation Commission, and deposited in the head office of the said Commission and catalogued No. 145/122. ^{The plan.}

4. The cost of carrying out the said work is estimated at two million pounds and such estimated cost shall not, under any circumstances, be exceeded by more than ten per centum. ^{Estimated cost.}

5.

Gogeldrie Weir and Main Diversion Canals.

5. For the purposes of this Act, but not otherwise, the following amendments shall be made in the Public Works Act, 1912, as amended by subsequent Acts, that is to say:—

- 5 (a) section ninety-eight is amended by inserting in subsection three before the words "public works" the words "authorised works or";
- 10 (b) section one hundred and twenty-six is amended by inserting at the end of subsection two the following proviso:—
- 15 Provided that such interest shall not be paid for any period during which delay in fixing the amount of compensation or in completing title has been caused without reasonable excuse by the act or default of the person to whom such compensation is payable.

SCHEDULE.

Sec. 2.

- (1) The construction of—
- 20 (a) a concrete and steel weir with steel control gates to be constructed in a bend of the Murrumbidgee River about 4½ miles south of Gogeldrie Railway Station, together with works incidental thereto and other works necessary for the diversion of a supply of water;
- 25 (b) an earthen block dam in the Murrumbidgee River adjacent to the weir referred to in subparagraph (a);
- 30 (c) a northern diversion canal approximately 15 miles long and a southern diversion canal approximately 10 miles long, both offtaking from near the weir referred to in subparagraph (a), both to be earthen canals with offtakes, regulators, bridges, flumes, subways and other associated subsidiary works necessary for the supply and distribution of water for irrigation, stock and domestic purposes;
- (d) flood protection levees consisting of earthen banks placed across natural depressions south of the Murrumbidgee River.
- 35 (2) The whole of the works hereinbefore described shall be subject to such modifications as may be deemed desirable by the Constructing Authority.

No. , 1957.

A BILL

To sanction and to provide for the construction of a weir in a bend of the Murrumbidgee River at Gogeldrie, two main diversion canals offtaking from near the weir to the north and south respectively, levee banks and works incidental thereto; to amend the Public Works Act, 1912, as amended by subsequent Acts, in certain respects; and for purposes connected therewith.

[MR. WETHERELL;—12 *September*, 1957.]

BE it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of
5 the same, as follows:—

1. This Act may be cited as the "Gogeldrie Weir and Main Diversion Canals Act, 1957".

Gogeldrie Weir and Main Diversion Canals.

2. (1) (a) The carrying out of the work described in the Schedule to this Act is hereby sanctioned. ^{Work sanctioned.}

(b) The said work shall be deemed to be an authorised work within the meaning of the Public Works Act, 1912, as amended by subsequent Acts.

(c) The Water Conservation and Irrigation Commission is empowered to carry out the said work, and shall be the Constructing Authority for the same within the meaning of the said Act, as so amended, and shall enter into such contracts and take all such necessary steps for the proper execution thereof as such Authority may think proper.

(d) The provisions of the Public Works Act, 1912, as amended by subsequent Acts, sections thirty-four, thirty-five, thirty-six and thirty-seven excepted, shall apply to and in respect of the said work.

(2) Without prejudice to the generality of subsection one of this section the provisions of section thirty-eight of the Public Works Act, 1912, as amended by subsequent Acts, shall apply to and in respect of any contracts referred to in paragraph (c) of subsection one of this section.

3. The plan of the said work is the plan marked "Proposed Diversion Works near Gogeldrie", sealed with the Seal of the Water Conservation and Irrigation Commission, and deposited in the head office of the said Commission and catalogued No. 145/122. ^{The plan.}

4. The cost of carrying out the said work is estimated at two million pounds and such estimated cost shall not, under any circumstances, be exceeded by more than ten per centum. ^{Estimated cost.}

Gogeldrie Weir and Main Diversion Canals.

5. For the purposes of this Act, but not otherwise, the following amendments shall be made in the Public Works Act, 1912, as amended by subsequent Acts, that is to say:—

- 5 (a) section ninety-eight is amended by inserting in subsection three before the words "public works" the words "authorised works or";
- (b) section one hundred and twenty-six is amended by inserting at the end of subsection two the following proviso:—

10 Provided that such interest shall not be paid for any period during which delay in fixing the amount of compensation or in completing title has been caused without reasonable excuse by

15 the act or default of the person to whom such compensation is payable.

SCHEDULE.

Sec. 2.

(1) The construction of—

- 20 (a) a concrete and steel weir with steel control gates to be constructed in a bend of the Murrumbidgee River about 4½ miles south of Gogeldrie Railway Station, together with works incidental thereto and other works necessary for the diversion of a supply of water;
- 25 (b) an earthen block dam in the Murrumbidgee River adjacent to the weir referred to in subparagraph (a);
- 30 (c) a northern diversion canal approximately 15 miles long and a southern diversion canal approximately 10 miles long, both offtaking from near the weir referred to in subparagraph (a), both to be earthen canals with offtakes, regulators, bridges, flumes, subways and other associated subsidiary works necessary for the supply and distribution of water for irrigation, stock and domestic purposes;
- (d) flood protection levees consisting of earthen banks placed across natural depressions south of the Murrumbidgee River.

35 (2) The whole of the works hereinbefore described shall be subject to such modifications as may be deemed desirable by the Constructing Authority.

1. The first part of the report is devoted to a general survey of the situation in the field of international law.

2. The second part of the report is devoted to a detailed analysis of the various aspects of the problem.

3. The third part of the report is devoted to a study of the various methods of solving the problem.

4. The fourth part of the report is devoted to a study of the various results of the work.

5. The fifth part of the report is devoted to a study of the various conclusions of the work.

6. The sixth part of the report is devoted to a study of the various recommendations of the work.

7. The seventh part of the report is devoted to a study of the various conclusions of the work.

8. The eighth part of the report is devoted to a study of the various conclusions of the work.

9. The ninth part of the report is devoted to a study of the various conclusions of the work.

10. The tenth part of the report is devoted to a study of the various conclusions of the work.

11. The eleventh part of the report is devoted to a study of the various conclusions of the work.

12. The twelfth part of the report is devoted to a study of the various conclusions of the work.

13. The thirteenth part of the report is devoted to a study of the various conclusions of the work.

14. The fourteenth part of the report is devoted to a study of the various conclusions of the work.

15. The fifteenth part of the report is devoted to a study of the various conclusions of the work.

16. The sixteenth part of the report is devoted to a study of the various conclusions of the work.

17. The seventeenth part of the report is devoted to a study of the various conclusions of the work.

18. The eighteenth part of the report is devoted to a study of the various conclusions of the work.

19. The nineteenth part of the report is devoted to a study of the various conclusions of the work.

20. The twentieth part of the report is devoted to a study of the various conclusions of the work.

21. The twenty-first part of the report is devoted to a study of the various conclusions of the work.

22. The twenty-second part of the report is devoted to a study of the various conclusions of the work.

23. The twenty-third part of the report is devoted to a study of the various conclusions of the work.

24. The twenty-fourth part of the report is devoted to a study of the various conclusions of the work.

25. The twenty-fifth part of the report is devoted to a study of the various conclusions of the work.

GOGELDRIE WEIR AND MAIN DIVERSION CANALS BILL, 1957.

EXPLANATORY NOTE.

THE objects of this Bill are to sanction and provide for the construction of—

- (a) a concrete and steel weir with steel control gates and necessary diversion works to be constructed in a bend of the Murrumbidgee River about four and one-half miles south of Gogeldrie Railway Station;
- (b) an earthen block dam in the Murrumbidgee River adjacent to the weir referred to in paragraph (a);
- (c) a northern diversion canal approximately fifteen miles long and a southern diversion canal approximately ten miles long, both offtaking from near the weir referred to in paragraph (a);
- (d) flood protection levees consisting of earthen banks placed across natural depressions south of the Murrumbidgee River.

The Bill provides that the work shall be deemed an authorised work within the meaning of the Public Works Act, 1912, and that the Water Conservation and Irrigation Commission shall be the Constructing Authority for the work.

The estimated cost of the work is £2,000,000.

COCHISE WEIR AND MAIN DIVERSION CANALS BILL, 1937.

EXPLANATORY NOTES.

The following notes are intended to explain the provisions of the bill.

The bill is intended to provide for the construction of a weir and main diversion canals for the purpose of diverting water from the Colorado River to the Colorado Desert.

The bill is intended to provide for the construction of a weir and main diversion canals for the purpose of diverting water from the Colorado River to the Colorado Desert.

The bill is intended to provide for the construction of a weir and main diversion canals for the purpose of diverting water from the Colorado River to the Colorado Desert.

No. , 1957.

A BILL

To sanction and to provide for the construction of a weir in a bend of the Murrumbidgee River at Gogeldrie, two main diversion canals offtaking from near the weir to the north and south respectively, levee banks and works incidental thereto; to amend the Public Works Act, 1912, as amended by subsequent Acts, in certain respects; and for purposes connected therewith.

[MR. WETHERELL;—12 *September*, 1957.]

BE it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of
5 the same, as follows:—

1. This Act may be cited as the "Gogeldrie Weir and Short title.
Main Diversion Canals Act, 1957".

Gogeldrie Weir and Main Diversion Canals.

2. (1) (a) The carrying out of the work described in the Schedule to this Act is hereby sanctioned. Work sanctioned.

(b) The said work shall be deemed to be an authorised work within the meaning of the Public Works Act, 1912, as amended by subsequent Acts.

(c) The Water Conservation and Irrigation Commission is empowered to carry out the said work, and shall be the Constructing Authority for the same within the meaning of the said Act, as so amended, and shall enter into such contracts and take all such necessary steps for the proper execution thereof as such Authority may think proper.

(d) The provisions of the Public Works Act, 1912, as amended by subsequent Acts, sections thirty-four, thirty-five, thirty-six and thirty-seven excepted, shall apply to and in respect of the said work.

(2) Without prejudice to the generality of subsection one of this section the provisions of section thirty-eight of the Public Works Act, 1912, as amended by subsequent Acts, shall apply to and in respect of any contracts referred to in paragraph (c) of subsection one of this section.

3. The plan of the said work is the plan marked "Proposed Diversion Works near Gogeldrie", sealed with the Seal of the Water Conservation and Irrigation Commission, and deposited in the head office of the said Commission and catalogued No. 145/122. The plan.

4. The cost of carrying out the said work is estimated at two million pounds and such estimated cost shall not, under any circumstances, be exceeded by more than ten per centum. Estimated cost.

5.

Gogeldrie Weir and Main Diversion Canals.

5. For the purposes of this Act, but not otherwise, the following amendments shall be made in the Public Works Act, 1912, as amended by subsequent Acts, that is to say:—

- 5 (a) section ninety-eight is amended by inserting in subsection three before the words "public works" the words "authorised works or";
- (b) section one hundred and twenty-six is amended by inserting at the end of subsection two the following proviso:—

10

15 Provided that such interest shall not be paid for any period during which delay in fixing the amount of compensation or in completing title has been caused without reasonable excuse by the act or default of the person to whom such compensation is payable.

SCHEDULE.

Sec. 2.

(1) The construction of—

- 20 (a) a concrete and steel weir with steel control gates to be constructed in a bend of the Murrumbidgee River about 4½ miles south of Gogeldrie Railway Station, together with works incidental thereto and other works necessary for the diversion of a supply of water;
- 25 (b) an earthen block dam in the Murrumbidgee River adjacent to the weir referred to in subparagraph (a);
- 30 (c) a northern diversion canal approximately 15 miles long and a southern diversion canal approximately 10 miles long, both offtaking from near the weir referred to in subparagraph (a), both to be earthen canals with offtakes, regulators, bridges, flumes, subways and other associated subsidiary works necessary for the supply and distribution of water for irrigation, stock and domestic purposes;
- (d) flood protection levees consisting of earthen banks placed across natural depressions south of the Murrumbidgee River.

35 (2) The whole of the works hereinbefore described shall be subject to such modifications as may be deemed desirable by the Constructing Authority.

1. The first part of the report is a general
description of the project and its objectives.
2. The second part is a detailed description of
the methods used in the study.
3. The third part is a description of the results
of the study.
4. The fourth part is a discussion of the results
and their implications.
5. The fifth part is a conclusion and a list of
references.

ANNO SEXTO

ELIZABETHÆ II REGINÆ

Act No. 44, 1957.

An Act to sanction and to provide for the construction of a weir in a bend of the Murrumbidgee River at Gogeldrie, two main diversion canals offtaking from near the weir to the north and south respectively, levee banks and works incidental thereto; to amend the Public Works Act, 1912, as amended by subsequent Acts, in certain respects; and for purposes connected therewith. [Assented to, 28th November, 1957.]

BE it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

1. This Act may be cited as the “Gogeldrie Weir and Main Diversion Canals Act, 1957”. Short title.

Gogeldrie Weir and Main Diversion Canals.

Work
sanctioned.

2. (1) (a) The carrying out of the work described in the Schedule to this Act is hereby sanctioned.

(b) The said work shall be deemed to be an authorised work within the meaning of the Public Works Act, 1912, as amended by subsequent Acts.

(c) The Water Conservation and Irrigation Commission is empowered to carry out the said work, and shall be the Constructing Authority for the same within the meaning of the said Act, as so amended, and shall enter into such contracts and take all such necessary steps for the proper execution thereof as such Authority may think proper.

(d) The provisions of the Public Works Act, 1912, as amended by subsequent Acts, sections thirty-four, thirty-five, thirty-six and thirty-seven excepted, shall apply to and in respect of the said work.

(2) Without prejudice to the generality of subsection one of this section the provisions of section thirty-eight of the Public Works Act, 1912, as amended by subsequent Acts, shall apply to and in respect of any contracts referred to in paragraph (c) of subsection one of this section.

The plan.

3. The plan of the said work is the plan marked "Proposed Diversion Works near Gogeldrie", sealed with the Seal of the Water Conservation and Irrigation Commission, and deposited in the head office of the said Commission and catalogued No. 145/122.

Estimated
cost.

4. The cost of carrying out the said work is estimated at two million pounds and such estimated cost shall not, under any circumstances, be exceeded by more than ten per centum.

5.

Gogeldrie Weir and Main Diversion Canals.

5. For the purposes of this Act, but not otherwise, the following amendments shall be made in the Public Works Act, 1912, as amended by subsequent Acts, that is to say:—

- (a) section ninety-eight is amended by inserting in subsection three before the words "public works" the words "authorised works or"; Amendment of Act No. 45, 1912.
- (b) section one hundred and twenty-six is amended by inserting at the end of subsection two the following proviso:— Sec. 98.
- Sec. 126.

Provided that such interest shall not be paid for any period during which delay in fixing the amount of compensation or in completing title has been caused without reasonable excuse by the act or default of the person to whom such compensation is payable.

SCHEDULE.

Sec. 2.

(1) The construction of—

- (a) a concrete and steel weir with steel control gates to be constructed in a bend of the Murrumbidgee River about 4½ miles south of Gogeldrie Railway Station, together with works incidental thereto and other works necessary for the diversion of a supply of water;
- (b) an earthen block dam in the Murrumbidgee River adjacent to the weir referred to in subparagraph (a);
- (c) a northern diversion canal approximately 15 miles long and a southern diversion canal approximately 10 miles long, both offtaking from near the weir referred to in subparagraph (a), both to be earthen canals with offtakes, regulators, bridges, flumes, subways and other associated subsidiary works necessary for the supply and distribution of water for irrigation, stock and domestic purposes;
- (d) flood protection levees consisting of earthen banks placed across natural depressions south of the Murrumbidgee River.

(2) The whole of the works hereinbefore described shall be subject to such modifications as may be deemed desirable by the Constructing Authority.

By Authority:

A. H. PETTIFER, Government Printer, Sydney, 1958

I certify that this PUBLIC BILL, which originated in the LEGISLATIVE ASSEMBLY has finally passed the LEGISLATIVE COUNCIL and the LEGISLATIVE ASSEMBLY of NEW SOUTH WALES.

ALLAN PICKERING,
Clerk of the Legislative Assembly.

*Legislative Assembly Chamber,
Sydney, 20 November, 1957.*

New South Wales.

ANNO SEXTO

ELIZABETHÆ II REGINÆ

Act No. 44, 1957.

An Act to sanction and to provide for the construction of a weir in a bend of the Murrumbidgee River at Gogeldrie, two main diversion canals offtaking from near the weir to the north and south respectively, levee banks and works incidental thereto; to amend the Public Works Act, 1912, as amended by subsequent Acts, in certain respects; and for purposes connected therewith. [Assented to, 28th November, 1957.]

BE it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

1. This Act may be cited as the "Gogeldrie Weir and Main Diversion Canals Act, 1957". Short title.

2.

I have examined this Bill, and find it to correspond in all respects with the Bill as finally passed by both Houses.

G. BOOTH,
Chairman of Committees of the Legislative Assembly.

Gogeldrie Weir and Main Diversion Canals.

Work
sanctioned.

2. (1) (a) The carrying out of the work described in the Schedule to this Act is hereby sanctioned.

(b) The said work shall be deemed to be an authorised work within the meaning of the Public Works Act, 1912, as amended by subsequent Acts.

(c) The Water Conservation and Irrigation Commission is empowered to carry out the said work, and shall be the Constructing Authority for the same within the meaning of the said Act, as so amended, and shall enter into such contracts and take all such necessary steps for the proper execution thereof as such Authority may think proper.
