Christians (Churchmen) (Churchmen)

The first part of the book is devoted to a general survey of the position of the Church in the world. It is a very interesting and well-written account of the various branches of the Christian Church, and of the progress of the Christian religion in different parts of the world. The author is a very experienced and able writer, and his account is very full and complete. It is a very good book for anyone who is interested in the history and progress of the Christian religion.
