## LOCAL GOVERNMENT (ELECTIONS) AMENDMENT BILL, 1964.

---

### EXPLANATORY NOTE.

THE object of this Bill is to provide new machinery for the preparation of electoral rolls for elections under the Local Government Act, 1919, as amended by subsequent Acts.

The new machinery will require the clerk to continuously maintain up to date a list of persons entitled to vote in the area, and upon the prescribed day before an election that list will constitute the roll of electors for the election. Provisions are included to enable persons to have their names included in the list and to object to the inclusion of any name or particulars in the list. An appeal to a court of petty sessions against the council clerk's decision on these matters will be available.

The Bill makes other amendments of an ancillary or consequential nature.
