The first part of the report deals with the general situation of the country and the progress of the work during the year. It is followed by a detailed account of the various projects and the results achieved. The report concludes with a summary of the work done and the plans for the future.

The work has been carried out in accordance with the programme of work approved by the Council of the League of Nations. It has been a year of hard work and the results are most encouraging. The progress made in the various fields of research and in the work of the various departments is a credit to the staff and to the Council of the League of Nations.

MILK (DECIMAL CURRENCY) BILL, 1965.

EXPLANATORY NOTE.

THE objects of this Bill are to facilitate the fixation of milk prices to operate on the introduction of decimal currency on 14th February, 1966, by authorising the fixation of those prices without the necessity for first holding the public inquiry required under the provisions of the Milk Act, 1931-1964.

The Bill also makes provision for matters ancillary to and consequential upon the foregoing.
