

*This PUBLIC BILL originated in the LEGISLATIVE ASSEMBLY, and, having this day passed, is now ready for presentation to the LEGISLATIVE COUNCIL for its concurrence.*

I. P. K. VIDLER,  
*Clerk of the Legislative Assembly.*

*Legislative Assembly Chamber,  
Sydney, 22 March, 1973.*

## New South Wales

ANNO VICESIMO SECUNDO

**ELIZABETHÆ II REGINÆ**

\*\*\*\*\*

**Act No.           , 1973.**

An Act to authorise the making of regulations for or with respect to cathodic protection systems; for this purpose to amend the Electricity Development Act, 1945; and for purposes connected therewith.

**B**E it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

1. This Act may be cited as the "Electricity Development Short title. (Amendment) Act, 1973".

2.

*Electricity Development (Amendment).*

2. The Electricity Development Act, 1945, is amended— Amendment  
of Act No.  
13, 1946.

(a) by inserting in section 4 next after the definition of Sec. 4.  
“Authority” the following new definition :— (Interpre-  
tation.)

5 “Cathodic protection system” means any appli-  
ances, wires, fittings or other apparatus  
designed, intended or used for the protec-  
tion, by means of electrical currents, of  
10 metallic structures in contact with land,  
including water, from external corrosion and  
includes drainage bonds, boosted drainage  
bonds and cross bonds, but does not include  
any such appliances, wires, fittings or other  
15 apparatus installed on a floating mobile  
structure or on any equipment used for the  
taking of fish.

(b) by omitting from section 25 the words “premises at Sec. 25.  
any reasonable time for the examination of any (Power of  
entry.)  
electrical installation on such premises” and by  
20 inserting instead the words “land and any structure  
thereon at any reasonable time for the purpose of  
examining any electrical installation or cathodic  
protection system in or on the land or structure”;

(c) (i) by inserting next after section 37 (2) (a) the Sec. 37.  
following new paragraph :— (Regula-  
tions.)

25 (a1) the installation and operation of  
cathodic protection systems;

(ii) by inserting in section 37 (2) (b) and (d)  
after the words “approval of” wherever occur-  
30 ring the words “cathodic protection systems  
and”.

## A BILL

To authorise the making of regulations for or with respect to cathodic protection systems; for this purpose to amend the Electricity Development Act, 1945; and for purposes connected therewith.

[Mr FIFE—14 March, 1973.]

---

---

**B**E it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows :—

1. This Act may be cited as the "Electricity Development Short title. (Amendment) Act, 1973".

2.

*Electricity Development (Amendment).*

2. The Electricity Development Act, 1945, is amended—  
Amendment  
of Act No.  
13, 1946.

(a) by inserting in section 4 next after the definition of  
“Authority” the following new definition :—  
Sec. 4.  
(Interpre-  
tation.)

5 “Cathodic protection system” means any appli-  
ances, wires, fittings or other apparatus  
designed, intended or used for the protec-  
tion, by means of electrical currents, of  
metallic structures in contact with land,  
10 including water, from external corrosion and  
includes drainage bonds, boosted drainage  
bonds and cross bonds, but does not include  
any such appliances, wires, fittings or other  
apparatus installed on a floating mobile  
15 structure or on any equipment used for the  
taking of fish.

(b) by omitting from section 25 the words “premises at  
any reasonable time for the examination of any  
electrical installation on such premises” and by  
20 inserting instead the words “land and any structure  
thereon at any reasonable time for the purpose of  
examining any electrical installation or cathodic  
protection system in or on the land or structure”;  
Sec. 25.  
(Power of  
entry.)

(c) (i) by inserting next after section 37 (2) (a) the  
following new paragraph :—  
25 (a1) the installation and operation of  
cathodic protection systems;  
Sec. 37.  
(Regula-  
tions.)

ANNO VICESIMO SECUNDO

**ELIZABETHÆ II REGINÆ**

\*\*\*\*\*

### Act No. 16, 1973.

An Act to authorise the making of regulations for or with respect to cathodic protection systems; for this purpose to amend the Electricity Development Act, 1945; and for purposes connected therewith. [Assented to, 17th April, 1973.]

**B**E it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

1. This Act may be cited as the "Electricity Development Short title. (Amendment) Act, 1973".

2.

*I have examined this Bill, and find it to correspond in all respects with the Bill as finally passed by both Houses.*

J. H. BROWN,  
*Chairman of Committees of the Legislative Assembly.*

---

*Electricity Development (Amendment).*

---

Amendment  
of Act No.  
13, 1946.

Sec. 4.  
(Interpre-  
tation.)

**2.** The Electricity Development Act, 1945, is amended—

- (a) by inserting in section 4 next after the definition of “Authority” the following new definition :—

“Cathodic protection system” means any appliances, wires, fittings or other apparatus designed, intended or used for the protection, by means of electrical currents, of metallic structures in contact with land, including water, from external corrosion and includes drainage bonds, boosted drainage bonds and cross bonds, but does not include any such appliances, wires, fittings or other apparatus installed on a floating mobile structure or on any equipment used for the taking of fish.

Sec. 25.  
(Power of  
entry.)

- (b) by omitting from section 25 the words “premises at any reasonable time for the examination of any electrical installation on such premises” and by inserting instead the words “land and any structure thereon at any reasonable time for the purpose of examining any electrical installation or cathodic protection system in or on the land or structure”;

Sec. 37.  
(Regula-  
tions.)

- (c) (i) by inserting next after section 37 (2) (a) the following new paragraph :—  
(a1) the installation and operation of cathodic protection systems;  
(ii) by inserting in section 37 (2) (b) and (d) after the words “approval of” wherever occurring the words “cathodic protection systems and”.

*In the name and on behalf of Her Majesty I assent to this Act.*

**L. J. HERRON,**  
*Lieutenant-Governor.*

*Government House,  
Sydney, 17th April, 1973.*
