

This PUBLIC BILL originated in the LEGISLATIVE ASSEMBLY, and, having this day passed, is now ready for presentation to the LEGISLATIVE COUNCIL for its concurrence.

D. L. WHEELER,
for Clerk of the Legislative Assembly.

*Legislative Assembly Chamber,
Sydney, 29 March, 1977.*

New South Wales

ANNO VICESIMO SEXTO

ELIZABETHÆ II REGINÆ

Act No. , 1977.

An Act to amend the Metropolitan Water, Sewerage, and Drainage Act, 1924, to limit increases in the rates payable in respect of certain residential land.

BE

Metropolitan Water, Sewerage, and Drainage (Amendment).

BE it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows :—

1. This Act may be cited as the "Metropolitan Water, Sewerage, and Drainage (Amendment) Act, 1977".

Short title.

2. The Metropolitan Water, Sewerage, and Drainage Act, 1924, is amended by inserting after section 96AA the following section :—

Amendment of Act No. 50, 1924. Sec. 96AB.

96AB. (1) This section applies to a rate on residential land which is levied on the unimproved value of that land for the period of 12 months commencing on 1st July, 1977, or for any subsequent period of 12 months.

Limitation on certain increases in rates levied on residential land.

(2) Subject to section 96 (7), the board may, by the resolution by which it levies a water, sewerage or stormwater drainage rate to which this section applies or by a subsequent resolution, determine that the amount of any such rate shall not, in respect of any land, exceed the sum of—

(a) the amount, calculated in accordance with subsection (3), of that rate, in respect of that land, for the immediately preceding period of 12 months; and

(b) a specified percentage of that amount.

(3) For the purposes of subsection (2) (a), the amount of a water, sewerage or stormwater drainage rate payable in respect of any land for the immediately preceding period of 12 months is—

(a) except as provided in paragraphs (b) and (c), the amount of the rate levied for the whole of that period;

(b)

Metropolitan Water, Sewerage, and Drainage (Amendment).

5 (b) where that water, sewerage or stormwater drainage rate was not levied for the whole of that period, the rate that would have been levied for the whole of that period if the land was, in respect of the water, sewerage or stormwater drainage service, as the case may be, ratable for the whole of that period; or

10 (c) where a valuation is made or adopted under section 97 (4) in respect of the land during that period, the rate that would have been levied for the whole of that period if that valuation was in force, and the circumstances that caused that valuation to be made or adopted had existed, for the whole of that
15 period.

(4) Notwithstanding subsection (1), the board may, by a resolution referred to in subsection (2), determine that this section shall, in respect of a period of 12 months, apply only to a specified class or description of residential land.

Municipalities Water, Sewerage and Drainage (Amendment)

(b) where that water, sewerage or stormwater drainage-rate was not levied for the whole of that period, the rate that would have been levied for the whole of that period if the land was in respect of the water, sewerage or stormwater drainage service, as the case may be, leviable for the whole of that period; or

(c) where a valuation is made or adopted under section 97 (4) in respect of the land during that period, the rate that would have been levied for the whole of that period if that valuation was in force, and the circumstances that caused that valuation to be made or adopted had existed for the whole of that period.

(4) Notwithstanding subsection (1), the board may, by a resolution referred to in subsection (2), determine that this section shall, in respect of a period of 12 months, apply only to a specified class or classes of residential land.

No. , 1977.

A BILL

To amend the Metropolitan Water, Sewerage, and Drainage Act, 1924, to limit increases in the rates payable in respect of certain residential land.

[MR FERGUSON—23 March, 1977.]

BE

Metropolitan Water, Sewerage, and Drainage (Amendment).

BE it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows :—

1. This Act may be cited as the "Metropolitan Water, Sewerage, and Drainage (Amendment) Act, 1977".

Short title.

2. The Metropolitan Water, Sewerage, and Drainage Act, 1924, is amended by inserting after section 96AA the following section :—

Amendment of Act No. 50, 1924. Sec. 96AB.

96AB. (1) This section applies to a rate on residential land which is levied on the unimproved value of that land for the period of 12 months commencing on 1st July, 1977, or for any subsequent period of 12 months.

Limitation on certain increases in rates levied on residential land.

(2) Subject to section 96 (7), the board may, by the resolution by which it levies a water, sewerage or stormwater drainage rate to which this section applies or by a subsequent resolution, determine that the amount of any such rate shall not, in respect of any land, exceed the sum of—

(a) the amount, calculated in accordance with subsection (3), of that rate, in respect of that land, for the immediately preceding period of 12 months; and

(b) a specified percentage of that amount.

(3) For the purposes of subsection (2) (a), the amount of a water, sewerage or stormwater drainage rate payable in respect of any land for the immediately preceding period of 12 months is—

(a) except as provided in paragraphs (b) and (c), the amount of the rate levied for the whole of that period;

(b)

Metropolitan Water, Sewerage, and Drainage (Amendment).

5 (b) where that water, sewerage or stormwater drainage rate was not levied for the whole of that period, the rate that would have been levied for the whole of that period if the land was, in respect of the water, sewerage or stormwater drainage service, as the case may be, ratable for the whole of that period; or

10 (c) where a valuation is made or adopted under section 97 (4) in respect of the land during that period, the rate that would have been levied for the whole of that period if that valuation was in force, and the circumstances that caused that valuation to be made or adopted had existed, for the whole of that
15 period.

(4) Notwithstanding subsection (1), the board may, by a resolution referred to in subsection (2), determine that this section shall, in respect of a period
20 of 12 months, apply only to a specified class or description of residential land.

(continued from page 100)

(3) The above data, when compared with the results of the other experiments, show that the rate of development of the pupae is not affected by the amount of food available. The rate of development is the same whether the pupae are reared on a diet of 10% or 20% protein. This is in agreement with the results of other workers who have shown that the rate of development of the pupae is not affected by the amount of food available.

(4) The above data, when compared with the results of the other experiments, show that the rate of development of the pupae is not affected by the amount of food available. The rate of development is the same whether the pupae are reared on a diet of 10% or 20% protein. This is in agreement with the results of other workers who have shown that the rate of development of the pupae is not affected by the amount of food available.

(5) The above data, when compared with the results of the other experiments, show that the rate of development of the pupae is not affected by the amount of food available. The rate of development is the same whether the pupae are reared on a diet of 10% or 20% protein. This is in agreement with the results of other workers who have shown that the rate of development of the pupae is not affected by the amount of food available.

Received for publication, June 10, 1957.

PROOF

**METROPOLITAN WATER, SEWERAGE, AND DRAINAGE
(AMENDMENT) BILL, 1977**

EXPLANATORY NOTE

THE object of this Bill is to authorise the Metropolitan Water Sewerage and Drainage Board to limit increases in rates payable on certain residential land to a percentage fixed by the Board.

PROOF

Metropolitan Water, Sewerage, and Drainage (Amendment).

It enacted by the House of Representatives, and with the assent and consent of the Senate, and the Queen's assent, that the Metropolitan Water, Sewerage, and Drainage (Amendment) Act, 1977, be and it shall be in and to the following effect:

1. This Act may be cited as the Metropolitan Water, Sewerage, and Drainage (Amendment) Act, 1977.

2. The Metropolitan Water, Sewerage, and Drainage Act, 1924, is amended by inserting after section 21 the following section:

21A. This section applies to a rate on residential land which is based on the unimproved value of that land for the year 1977 or for any year 12 months or less than 12 months ending on 31st July 1977 or for any year 12 months or less than 12 months ending on 31st July 1977 or for any year 12 months or less than 12 months ending on 31st July 1977 or for any year 12 months or less than 12 months ending on 31st July 1977.

No. , 1977.

A BILL

To amend the Metropolitan Water, Sewerage, and Drainage Act, 1924, to limit increases in the rates payable in respect of certain residential land.

[MR FERGUSON—23 March, 1977.]

BE

Metropolitan Water, Sewerage, and Drainage (Amendment).

BE it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows :—

1. This Act may be cited as the "Metropolitan Water, Sewerage, and Drainage (Amendment) Act, 1977".

Short title.

2. The Metropolitan Water, Sewerage, and Drainage Act, 1924, is amended by inserting after section 96AA the following section :—

Amendment of Act No. 50, 1924. Sec. 96AB.

96AB. (1) This section applies to a rate on residential land which is levied on the unimproved value of that land for the period of 12 months commencing on 1st July, 1977, or for any subsequent period of 12 months.

Limitation on certain increases in rates levied on residential land.

(2) Subject to section 96 (7), the board may, by the resolution by which it levies a water, sewerage or stormwater drainage rate to which this section applies or by a subsequent resolution, determine that the amount of any such rate shall not, in respect of any land, exceed the sum of—

(a) the amount, calculated in accordance with subsection (3), of that rate, in respect of that land, for the immediately preceding period of 12 months; and

(b) a specified percentage of that amount.

(3) For the purposes of subsection (2) (a), the amount of a water, sewerage or stormwater drainage rate payable in respect of any land for the immediately preceding period of 12 months is—

(a) except as provided in paragraphs (b) and (c), the amount of the rate levied for the whole of that period;

(b)

Metropolitan Water, Sewerage, and Drainage (Amendment).

5 (b) where that water, sewerage or stormwater drainage rate was not levied for the whole of that period, the rate that would have been levied for the whole of that period if the land was, in respect of the water, sewerage or stormwater drainage service, as the case may be, ratable for the whole of that period; or

10 (c) where a valuation is made or adopted under section 97 (4) in respect of the land during that period, the rate that would have been levied for the whole of that period if that valuation was in force, and the circumstances that caused that valuation to be made or adopted had existed, for the whole of that period.

15

(4) Notwithstanding subsection (1), the board may, by a resolution referred to in subsection (2), determine that this section shall, in respect of a period of 12 months, apply only to a specified class or description of residential land.

20

Metropolitan Water, Sewerage, and Drainage (Amendment)

(b) where that water, sewerage or stormwater drainage rate was not levied for the whole of that period, the rate that would have been levied for the whole of that period if the land was, in respect of the water, sewerage or stormwater drainage service, as the case may be, rateable for the whole of that period; or

2

(c) where a valuation is made or adopted under section 97 (4) in respect of the land during that period, the rate that would have been levied for the whole of that period if that valuation was in force, and the circumstances that caused that valuation to be made or adopted had existed for the whole of that period.

10

12

(4) Notwithstanding subsection (1), the board may, by a resolution referred to in subsection (2), determine that this section shall, in respect of a period of 12 months, apply only to a specified class of residential land.

THE HISTORY OF THE UNITED STATES

The history of the United States is a story of growth and expansion. From a small collection of colonies on the eastern coast, it grew into a vast nation that spanned the continent. The story is filled with challenges, triumphs, and the pursuit of a better life for all.

The early years were marked by the struggle for independence from British rule. The American Revolution was a defining moment in the nation's history, leading to the birth of a new republic. The challenges of the early years were met with courage and determination, laying the foundation for a nation that would become a global power.

The 19th century was a period of rapid growth and westward expansion. The discovery of gold in California and the opening of the transcontinental railroads were major milestones. The nation's borders expanded, and new states were added, shaping the geographical and political landscape of the United States.

The 20th century brought new challenges and opportunities. The rise of industry and urbanization transformed the nation's economy and society. The United States emerged as a world superpower, playing a leading role in global affairs. The challenges of the 20th century were met with innovation and leadership, ensuring the nation's continued growth and prosperity.
