

MINING (AMENDMENT) BILL, 1980**EXPLANATORY NOTE**

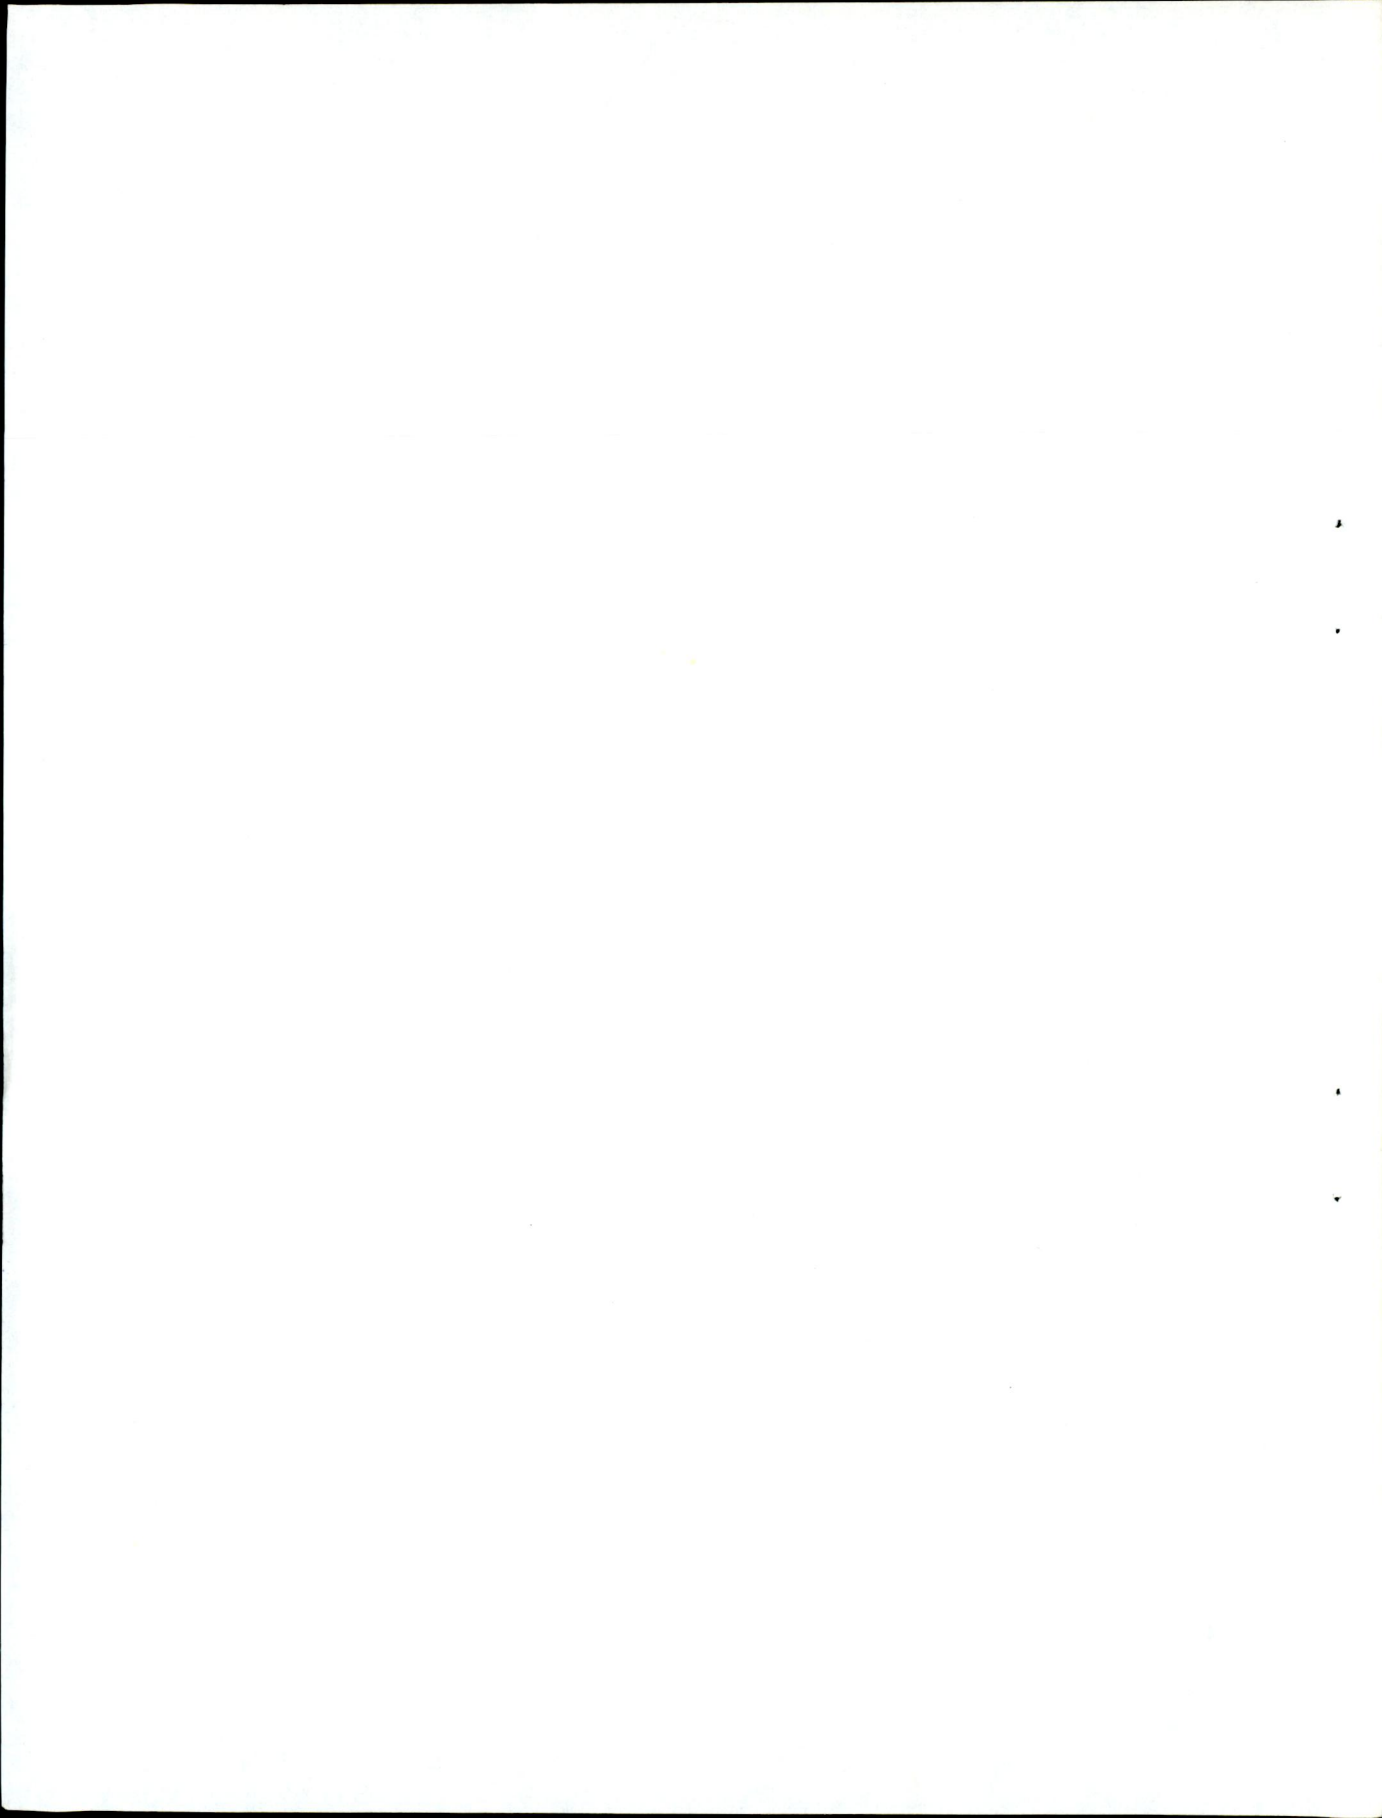

(This Explanatory Note relates to this Bill as introduced into Parliament)

The objects of this Bill are—

- (a) to enable the holder of a fossicking licence, subject to certain limitations and conditions, to fossick throughout New South Wales (Schedule 3—proposed Part IIIA—sections 26B and 26C);
- (b) to establish a new prospecting title, to be known as an opal prospecting licence, and to grant to the holder of such a licence the exclusive right to prospect for opals in an area specially set aside for the purpose (Schedule 2, and Schedule 3—proposed Part IIIA—sections 26D and 26E);
- (c) to remove doubt as to the application of certain provisions of the Mining Act, 1973 (“the Act”) to lands held under certain leases granted under the Western Lands Act, 1901 (Schedule 1 (2) (k) and (p));
- (d) to amend the definition of “occupier” (Schedule 1 (2) (i));
- (e) to enable a mining registrar to refuse an application for registration of a claim if the applicant is less than 16 years old or if the land to which the application relates is unsafe for mining (Schedule 4 (1) (c)—proposed section 28 (5) (f) and (g));
- (f) to enable a mining registrar to defer approval of the transfer or cancellation of a claim where the claim is the subject of legal proceedings, or an inquiry, under the Act (Schedule 4 (3) and (5) (c)—proposed sections 33 (2A) and 36 (1B));
- (g) to amend the provisions of the Act relating to the time within which an applicant for certain authorities must erect a datum post over the land to which his application relates (Schedule 5 (1));
- (h) to amend the provisions of the Act relating to the requirements with which an applicant for, or an applicant for the renewal of, certain authorities must comply (Schedule 5 (4) and (14) (d));
- (i) to enable an application for, or an application for the renewal of, an authority in respect of land to part of which an existing mining lease relates to be deemed to have been made in respect of such part of the land as is not the subject of that lease (Schedule 5 (7)—proposed section 50A);
- (j) to amend the provisions of the Act relating to the shape of the area of land over which certain authorities may be granted (Schedule 5 (8));

- (k) to enable a prospecting licence to be amended in the same manner as certain other authorities may be amended (Schedule 5 (9));
- (l) to enable the requirements of the Act as to time in relation to an application for, or an application for the renewal of, an authority to be waived (Schedule 5 (11) and (15));
- (m) to enable the Under Secretary to impose a time limit within which the applicants for an authority must sign the authority it is intended they be granted and return it to him (Schedule 5 (12));
- (n) to provide for the consolidation of 2 or more leases by the holder of those leases (Schedule 5 (17)—proposed section 76B);
- (o) to amend the evidentiary provisions of the Act relating to the matters in respect of which the Registrar's certificate shall be received as evidence (Schedule 5 (29));
- (p) to extend to claims the provisions of sections 118 and 120 of the Act relating to the protection of the environment (Schedule 6);
- (q) to apply the provisions of the Act relating to compensation to the exercise by the holder of the opal prospecting licence referred to in paragraph (b) of the rights conferred on him under the proposed Part IIIA (Schedule 7 (1)—proposed section 120A);
- (r) to apply sections 152–162 of the Act in place of the existing arbitration provisions in respect of appeals from compensation assessments made by a warden (Schedule 7 (3)); and
- (s) to make other minor and consequential amendments.
-
