

SUPPLY BILL, 1981

EXPLANATORY NOTE

(This Explanatory Note relates to this Bill as introduced into Parliament)

The object of this Bill is to make provision, pending the enactment of the Appropriation Act, 1981, for the Government to make payments during the months of October and November, 1981, in respect of regularly recurring services and ordinary contingencies, from the funds and in the amounts as follows:—

Road Transport and Traffic Fund	12,045,000
	\$688,793,000

1913

The first of these is the year 1911, when the total catch was 1,000 tons.

The second is the year 1912, when the total catch was 1,200 tons. This was due to a combination of factors, including a high level of effort and a high level of stock.

The third is the year 1913, when the total catch was 1,100 tons. This was also due to a combination of factors, including a high level of effort and a high level of stock.
