**BUSINESS FRANCHISE LICENCES (PETROLEUM
PRODUCTS) (APPLICATION AND ENFORCEMENT)
AMENDMENT BILL 1986**

NEW SOUTH WALES

EXPLANATORY NOTE

(This Explanatory Note relates to this Bill as introduced into Parliament)

This Bill is cognate with the Business Franchise Licences (Tobacco) (Application and Enforcement) Amendment Bill 1986.

The object of this Bill is to amend the Business Franchise Licences (Petroleum Products) Act 1982 in order to eliminate discrimination of a kind which imposes an undue burden on some forms of trade in petroleum products and to protect the revenue derived under that Act from trading in petroleum products against certain avoidance practices.

Clause 1 specifies the short title of the proposed Act.

Clause 2 provides for the commencement of the Schedule of amendments to the Principal Act, and of proposed section 3 in so far as it gives effect to those amendments, on 1 January 1987. The rest of the proposed Act will commence on assent.

Clause 3 is a formal provision that gives effect to the Schedule of amendments.

Schedule 1 (1) amends section 3 of the Principal Act, which defines certain terms and contains other provisions in aid of the interpretation of the Principal Act. The effect of the amendments is to state, in one provision (proposed section 3 (2A)), rather than in several provisions, that the Principal Act applies to sales of petroleum products in the course of intrastate trade.

Schedule 1 (2) inserts proposed section 3A into the Principal Act so as to state that the Principal Act also extends to apply to sales of petroleum products otherwise than in the course of intrastate trade.

Schedule 1 (3) amends section 13 of the Principal Act so as to allow inspectors for the purposes of the Principal Act to require information, from persons capable of providing the information, concerning a business carried on by any person in connection with petroleum products. (At present the inspectors' powers are limited to requiring information concerning financial and other records relating to such a business which are in the custody or under the control of the person from whom the information is required.)

Schedule 1 (4) amends sections 13 (5) and 14 (4) of the Principal Act so as to permit information furnished by a person in compliance with a requirement made by the Chief Commissioner or an inspector under the Principal Act to be used in evidence against the person in proceedings other than criminal proceedings.

Schedule 1 (5) inserts proposed new sections 13B and 13C into the Principal Act. Proposed section 13B requires transporters of petroleum products to be given, and to keep, certain records relating to the nature, quantity, origin and destination of the petroleum products and empowers inspectors to inspect the records and to stop and detain vehicles for that purpose. Proposed section 13C allows an inspector, having stopped a road vehicle which is transporting any petroleum products in respect of which appropriate records are not produced as required under proposed section 13B, or in respect of which an offence is reasonably suspected of having been committed, to require the driver of the vehicle to convey the inspector to the vehicle's destination and, if the driver refuses, allows the inspector to take charge of the vehicle. The proposed section goes on to provide for forfeiture to the Crown of the petroleum products if a court finds that they were intended for illicit sale.

Schedule 1 (6) amends section 17 of the Principal Act so as to specify the only grounds for refusal of a licence under the Principal Act, namely, that the Chief Commissioner under the Principal Act is satisfied—

- (a) that the intended licensee has not made a payment required to be made under the Principal Act; or
- (b) that the intended licensee, if granted a licence, will not comply with the requirements of the Principal Act.

Schedule 1 (7) amends section 18 of the Principal Act—

- (a) to permit information furnished by a person in compliance with a requirement made by the Chief Commissioner under section 14 of the Principal Act to be taken into account when assessing a licence fee (Schedule 1 (7) (a)); and
- (b) in consequence of the amendment made by Schedule 1 (1) (b) (Schedule 1 (7) (b)).

Schedule 1 (8) inserts proposed section 20A into the Principal Act in order to enable the Chief Commissioner to refund or waive payment of a licence fee by a person in respect of petroleum products sold outside New South Wales if the person has paid or is liable to pay a fee under the law of another State or a Territory of the Commonwealth which corresponds with the Principal Act.

Schedule 1 (9) amends sections 24 and 26 of the Principal Act to provide that, in an appeal brought by a licensee against an assessment or reassessment of the licence fee, the licensee bears the burden of proving the assessment or reassessment made by the Chief Commissioner to be wrong.

Schedule 1 (10) inserts proposed section 31A into the Principal Act, which provides that a notice of assessment or reassessment authenticated by the Chief Commissioner is evidence, in any appeal against the assessment or reassessment, that the assessment or reassessment was duly made and is conclusive evidence of that fact in other proceedings.

Schedule 1 (11) effects a minor amendment to section 32 of the Principal Act by way of statute law revision.

Schedule 1 (12) amends section 37 of the Principal Act to allow regulations to be made for or with respect to the stopping, detention and taking charge of road vehicles and the impounding and release of petroleum products.
