**EXPLANATORY NOTE**

**(This Explanatory Note relates to this Bill as introduced into Parliament)**

The Bail (Amendment) Bill 1986 is cognate with this Bill.

The objects of this Bill are to amend the Drug Misuse and Trafficking Act 1985—

- (a) to provide for the destruction of prohibited plants and prohibited drugs which have been seized by the police; and
- (b) to make miscellaneous amendments to that Act.

---

Clause 1 specifies the short title of the proposed Act.

Clause 2 provides that the proposed Act will, with minor exceptions, commence on a day to be appointed by the Governor-in-Council.

Clause 3 is a formal provision which gives effect to the Schedules of amendments.

**SCHEDULE 1—AMENDMENTS TO THE DRUG MISUSE AND TRAFFICKING  
ACT 1985 RELATING TO DESTRUCTION OF EXHIBITS**

Schedule 1 (1) makes consequential amendments to section 35 of the Principal Act so as to remove from its provisions, as a consequence of the insertion of Part IIIA into the Principal Act, provisions relating to the forfeiture and destruction of prohibited plants and prohibited drugs.

Schedule 1 (2) inserts a new Part into the Principal Act containing the following provisions:

## PART IIIA—DESTRUCTION OF EXHIBITS

DIVISION 1—*Pre-trial orders*

Proposed section 39A is an interpretation provision. It defines the minimum quantity of a prohibited drug for the purposes of the Division to be the traffickable quantity of the drug except in the case of heroin where the minimum quantity is 1 gram.

Proposed section 39B provides that a destruction order under the Division does not authorise the destruction of so much of the prohibited drug as comprises three times the amount that is required for the purpose of sampling and analysis.

Proposed section 39C enables a member of the police force of or above the rank of Superintendent to order the destruction of a prohibited drug in certain circumstances where the drug cannot reasonably be securely retained pending the order of a magistrate as to its destruction.

Proposed section 39D requires a member of the police force to apply to a magistrate within 21 days after the date of seizure of not less than the minimum amount of a prohibited drug for an order as to its destruction unless, within that period, a person is charged with an offence or the drug is destroyed. The section requires the magistrate to make a determination whether the prohibited drug should be retained.

Proposed section 39E requires a magistrate, on the first occasion on which a charge involving not less than the minimum quantity of a prohibited drug is before the magistrate, to determine whether the drug has been destroyed and, if it has not, whether it should be retained.

Proposed section 39F specifies the matters to be taken into consideration in making a determination whether a prohibited drug should be retained.

Proposed section 39G specifies the circumstances in which a magistrate may adjourn proceedings under proposed section 39D or 39E.

Proposed section 39H requires a magistrate to review a determination that a prohibited drug be retained within 2 months after making the determination.

Proposed section 39I provides for the expeditious destruction of a prohibited drug once an order for its destruction has been made.

Proposed section 39J enables a prohibited drug which has been ordered to be destroyed to be used instead at the request of the Secretary of the Department of Health for scientific research, instruction, analysis or study.

Proposed section 39K requires a determination whether a prohibited drug should be retained to be made on the committal for trial of a person for a drug offence involving not less than the minimum quantity where the drug has not been destroyed.

Proposed section 39L requires a court, on the first hearing of the trial of a person committed for trial on a charge involving not less than the minimum quantity of a prohibited drug which has not been ordered to be destroyed, to determine whether the drug should be retained.

Proposed section 39M enables the application of the provisions of the Division to a prohibited drug seized by a member of the police force the quantity of which is less than the minimum quantity.

DIVISION 2—*Post-trial orders*

Proposed section 39N provides for the destruction of prohibited plants and prohibited drugs on the determination of proceedings before a magistrate.

Proposed section 39O requires the District Court, on the first hearing of an appeal in respect of an offence involving a prohibited plant or prohibited drug which has not been destroyed to determine whether the plant or drug should be retained.

Proposed section 39P provides for the destruction of prohibited plants and prohibited drugs on the determination of proceedings before the District Court or the Supreme Court.

DIVISION 3—*Supplementary*

Proposed section 39Q provides that on an appeal by a person who was legally represented on the trial of an offence involving a prohibited plant or prohibited drug and who pleaded guilty to the charge, any particular in the information shall, where the plant or drug is destroyed by order before the appeal is heard, be presumed to be true.

Proposed section 39R enables the return of a prohibited drug seized by a member of the police force to a person lawfully entitled to it.

Proposed section 39S enables the making of regulations as to the storage, destruction, sampling and analysis of prohibited plants and prohibited drugs.

SCHEDULE 2—MISCELLANEOUS AMENDMENTS TO THE DRUG MISUSE AND TRAFFICKING ACT 1985

Schedule 2 (1)—

- (a) removes the requirement that the tetrahydrocannabinol content be determined in every case where a prosecution is brought in relation to cannabis leaf; and
- (b) simplifies the definition of “cannabis oil”.

Schedule 2 (2), (3), (7) and (8) omit inappropriate defences to certain offences involving prohibited plants and prohibited drugs.

Schedule 1 (4) extends the offence of obtaining prohibited drugs by false representation to cases where the drug is obtained from a dentist.

Schedule 1 (5) makes an amendment by way of statute law revision.

Schedule 1 (6) clarifies the circumstances in which a person commits the offence of cultivating or knowingly taking part in the cultivation of a commercial quantity of prohibited plants.

Schedule 1 (9) extends the forfeiture provisions in section 39 of the Principal Act to provide for the forfeiture of cannabis plant, cannabis leaf, cannabis resin and cannabis oil seized by the police.

Schedule 1 (10) provides that the accused has the onus of proving—

- (a) that a substance is fibre of cannabis leaf from which the resin has been extracted; and

(b) any matters which are declared not to be unlawful by the provisions of the Principal Act.

Schedule 1 (11) enables an analyst to give a certificate for the purposes of the Principal Act in respect of any analysis carried out by a person supervised by the analyst and extends the matters of which prima facie evidence may be given by the certificate of an analyst to include the quantity or mass of the substance analysed.
