

**ELECTRICITY DEVELOPMENT (AMENDMENT) BILL 1985**

---

**EXPLANATORY NOTE**

**(This Explanatory Note relates to this Bill as introduced into Parliament)**

The object of this Bill is to amend the Electricity Development Act 1945 so as—

- (a) to prohibit the resale of electricity supplied by an electricity supply authority at a rate higher than that at which the electricity was originally sold;
  - (b) to empower the Energy Authority of New South Wales from time to time to enter into insurance policies with an insurer whereby the insurer undertakes to insure electricity supply authorities against certain risks and to provide for the recovery from electricity supply authorities of contributions towards the cost of the premiums paid by the Authority in respect of the policies;
  - (c) to make Sydney County Council liable to reimburse the Electricity Commission of New South Wales with respect to the sum of \$1,379,900 expended by the Commission as the Council's share of the premiums paid by the Energy Authority in respect of insurance policies (numbered PL 9000 340 EN and PL 9000 341 EN) effected by the Authority on behalf of electricity supply authorities (including the Council); and
  - (d) to provide for other matters of an ancillary, consequential or minor nature.
- 

Clause 1 specifies the short title of the proposed Act.

Clause 2 provides that the proposed Act will, with the exception of the provisions contained in Schedule 2, commence on the date of assent. Schedule 2 will commence on a day to be appointed by the Governor-in-Council.

Clause 3 defines the Principal Act.

Clause 4 lists the Schedules to the proposed Act.

Clause 5 is a formal provision that gives effect to the Schedules of amendments to the Principal Act.

Clause 6 gives effect to Schedule 4.

Schedule 1 inserts into the Principal Act a new Part IIIAA, which contains proposed sections 14AAA–14AAD.

Proposed section 14AAA empowers the Energy Authority from time to time to enter into, on behalf of electricity supply authorities generally or electricity supply authorities of a specified class, an insurance policy or insurance policies under which the electricity supply authorities concerned are covered against the risks specified in the policy or policies. The proposed section also makes it clear that the Authority has always had that power.

Proposed section 14AAB empowers the Energy Authority to enter into an agreement for the variation of a policy entered into under proposed section 14AAA.

Proposed section 14AAC imposes on the Energy Authority the responsibility for paying the premium for any policy entered into under proposed section 14AAA or the additional premium for increased indemnity cover under an agreement made under proposed section 14AAB for the variation of such a policy.

Proposed section 14AAD empowers the Minister to require electricity supply authorities that are covered by an insurance policy entered into under proposed section 14AAA to make payments to the Minister by way of contribution towards the cost incurred by the Energy Authority in paying the premium for an insurance policy entered into under proposed section 14AAA or an additional premium for increased indemnity cover under an agreement made under proposed section 14AAB for the variation of such a policy.

Schedule 2 inserts into the Principal Act a new Part VIA which contains proposed sections 27A–27C.

Proposed section 27A defines certain expressions used in the new Part.

Proposed section 27B provides that where a person, such as a landlord or the owner or operator of a caravan park, resupplies electricity which was originally supplied by an electricity supply authority, that person is prohibited from imposing a separate charge for the resupply unless the quantity resupplied has been separately measured by an electricity meter that complies with the prescribed standard. In the first instance, the prescribed standard will be that prescribed for electricity meters by the Standards Association of Australia but some other standard can be prescribed by regulations made under the Principal Act. Proposed section 27B also provides that where the quantity resupplied has been measured by such a meter, the person concerned is prohibited from imposing a charge for the quantity resupplied greater than the charge which would have been imposed under the published tariffs of the electricity supply authority on the person to whom the electricity was resupplied if that authority had supplied that quantity to that person directly.

Proposed section 27C enables a Local Court which finds a person guilty of having committed an offence under proposed section 27B to make an order directing that person to compensate the victim of the offence.

Schedule 3 makes several consequential, ancillary or minor amendments to the Principal Act. The amendment proposed to section 37 of the Principal Act (which empowers the making of regulations for the purposes of that Act) enables any such regulations to adopt by reference the standards, rules, codes or specifications of certain institutions such as the Standards Association of Australia.

Schedule 4 is designed to facilitate the recovery of certain money expended by the Electricity Commission of New South Wales on account of the Sydney County Council. The Energy Authority recently effected insurance policies (numbered PL 9000 340 EN and PL 9000 341 EN) on behalf of all New South Wales electricity supply authorities. In order that the policies could be effected, the Commission paid the amount determined as Sydney County Council's contribution. That amount was \$1,379,900. Clause 2 of the Schedule makes the Council liable to pay that amount to the Commission, together with interest which will be calculated as from and including 1 November 1985 at the rate of 16.7 per cent.

(Sec. 5)

5       **INSERTION OF PART IIIAA INTO THE PRINCIPAL ACT**

Part IIIAA—

After Part III, insert:

PART IIIAA

10       **ELECTRICITY SUPPLY AUTHORITIES INSURANCE  
SCHEME**

**Energy Authority empowered to effect insurance policies on behalf  
of electricity supply authorities**

15       14AAA. (1) Subject to subsection (3), the Authority may from  
time to time, on behalf of electricity supply authorities generally  
or any specified class of electricity supply authorities, enter into  
an insurance policy or insurance policies of the kind to which  
subsection (2) applies.

20       (2) For the purposes of subsection (1), an insurance policy is  
of a kind to which this subsection applies if it is a policy under  
which the insurer undertakes to indemnify an electricity supply  
authority covered by the policy in respect of any prescribed  
liability, loss or damage incurred or sustained during the  
currency of the policy by that authority (being a prescribed  
liability, loss or damage that is specified in the policy).

25       (3) The power to enter into an insurance policy under  
subsection (1) shall not be exercised except with the approval of  
the Minister and unless the Minister has approved of the terms  
of the policy.

30       (4) Before entering into an insurance policy under subsection  
(1), the Authority shall consult with the electricity supply  
authorities concerned.

(5) In subsection (2)—

*Electricity Development (Amendment) 1985*SCHEDULE 1—*continued*INSERTION OF PART IIIAA INTO THE PRINCIPAL ACT—*continued*

“prescribed liability, loss or damage” means a liability or a loss, or damage, arising from or attributable to fire, negligence, nuisance, breach of statutory duty or any other act or omission arising from or attributable to some other prescribed risk.

(6) The Authority shall be deemed always to have had the power to enter into an insurance policy as provided by subsection (1), and any such insurance policy entered into before the commencement of this Part shall be deemed, for the purposes of this Part, to have been entered into under subsection (1).

**Variation, etc., of policy of insurance entered into under section 14AAA**

14AAB. Where an insurance policy entered into under section 14AAA is in force, the Authority may, with the approval of the Minister and after consulting the electricity supply authorities which are covered by the policy, enter into an agreement with the insurer for the variation of the policy and may, after similar consultation, surrender the policy.

**Payment of premiums, etc.**

14AAC. (1) Where the Authority enters into an insurance policy under section 14AAA or an agreement under section 14AAB varying such a policy, it is the responsibility of the Authority to pay the premium for the policy or, as the case may be, the additional premium (if any) payable under the agreement.

(2) A premium or additional premium payable under subsection (1) shall be paid from funds standing to the credit of the Electricity Development Account.

*Electricity Development (Amendment) 1985*SCHEDULE 1—*continued*INSERTION OF PART IIIAA INTO THE PRINCIPAL ACT—*continued***Power of Minister to require electricity supply authority to contribute towards premium or additional premium paid under section 14AAC**

5           14AAD. (1) As soon as practicable after entering into an insurance policy under section 14AAA or after entering into an agreement under section 14AAB varying such a policy, the Authority shall inform the Minister of the fact that it has done so and notify the Minister of the amount of the premium paid in respect of the policy or, as the case may be, the additional premium (if any) paid under the agreement.

10           (2) After being informed under subsection (1) that the Authority has entered into an insurance policy under section 14AAA or an agreement under section 14AAB varying such a policy and while the policy is still in force, the Minister may, by notice served on each electricity supply authority covered by the policy, require the electricity supply authority to pay to the Minister within such period as is specified in the notice a contribution, determined in accordance with subsection (3), towards defraying the cost incurred by the Authority in paying the premium in respect of the policy or, as the case may be, the additional premium (if any) under the agreement.

15           (3) Where the Minister proposes to impose a requirement under subsection (2) in relation to a premium or an additional premium paid in respect of an insurance policy entered into under section 14AAA or an agreement under section 14AAB varying such a policy, the Minister shall determine the amount of contribution to be paid to the Minister by each electricity supply authority covered by the policy.

20           (4) If an electricity supply authority which has been served with a notice under subsection (2) fails to pay to the Minister the amount of contribution specified in the notice in respect of that authority, then, on the expiration of the period so specified—

25           (a) interest in respect of that amount shall accrue at the prescribed rate; and

## SCHEDULE 2

(Sec. 5)

## INSERTION OF PART VIA INTO THE PRINCIPAL ACT

## Part VIA—

After Part VI, insert:

15

## PART VIA

## RESTRICTIONS ON RESUPPLY OF ELECTRICITY

**Interpretation**

27A. In this Part—

20

“person to whom this Part applies” means a person in that person’s capacity—

(a) as the landlord of any premises, whether business, residential or otherwise; or

25

(b) as the proprietor or operator of any hotel, motel, inn, hostel, boarding or rooming house, holiday flats or cabins, caravan park or campsite or any other prescribed premises or place;

*Electricity Development (Amendment) 1985*SCHEDULE 2—*continued*INSERTION OF PART VIA INTO THE PRINCIPAL ACT—*continued*

“prescribed standard”, in relation to an electricity meter, means the standard prescribed for electricity meters by the Standards Association of Australia or, where the regulations prescribe some other standard, the standard so prescribed.

5 **Offence to impose charges for the resupply of electricity in certain cases**

27B. (1) Where a person to whom this Part applies resupplies to another person electricity originally supplied by an electricity supply authority, the first-mentioned person shall not—

- 10 (a) impose a separate charge for that resupply unless the quantity of electricity resupplied has been separately measured by an electricity meter that complies with the prescribed standard; or
- 15 (b) where the quantity resupplied has been measured by such a meter, impose a charge for that quantity greater than the charge that the electricity supply authority would have imposed under its published tariff for the direct supply of a similar quantity of electricity under an agreement entered into between the authority and that other person.

20 (2) Subsection (1) does not apply to the imposition of a separate charge for the use of a specified service or facility where the use of that service or facility necessarily involves the consumption of electricity.

(3) Any person who contravenes subsection (1) (a) or (b) is guilty of an offence against this Act.

25 (4) If in any proceedings for an offence under subsection (3) it is proved that a person other than an electricity supply authority supplied electricity to another person, it shall be presumed until the contrary is proved that the source of the first-mentioned person’s supply was an electricity supply authority.

*Electricity Development (Amendment) 1985*SCHEDULE 2—*continued*INSERTION OF PART VIA INTO THE PRINCIPAL ACT—*continued***Power of Local Court to make orders against persons found guilty of contravening section 27B**

27C. (1) Where a person is found guilty of having committed an offence under section 27B (2), the Local Court concerned may make an order  
5 directing the person found guilty of the offence, within a period specified in the order—

- (a) where the offence involves the imposition of a charge for the resupply of electricity in contravention of section 27B (1) (a)—to refund the amount of the charge; or
  - 10 (b) where the offence involves the imposition of a charge for the resupply of electricity in contravention of section 27B (1) (b)—to refund the difference between the amount of the charge and the maximum amount that could have been lawfully charged for the quantity of electricity involved in the resupply.
- 15 (2) A Local Court may make an order under subsection (1)—
- (a) on its own motion at the time of the finding; or
  - (b) at the time of the finding or within 6 months after the date of the finding—on an application made to the Court by the person on whom the relevant offence was perpetrated.
- 20 (3) An order under subsection (1) may be enforced in a Local Court exercising its jurisdiction under the Local Court (Civil Claims) Act 1970, and the provisions of Part V of that Act apply in respect of such an order as if —
- (a) it were a judgment of the Local Court exercising that jurisdiction;
  - 25 (b) the amount ordered to be refunded were a judgment debt referred to in that Part;
  - (c) the person against whom the order was made were a judgment debtor referred to in that Part; and
  - 30 (d) the person in favour of whom the order was made were a judgment creditor referred to in that Part.

RECOVERY OF CONTRIBUTIONS TOWARDS THE COST OF CERTAIN  
INSURANCE PREMIUMS—*continued*

“the Government Insurance Office” means the Government Insurance Office of New South Wales established by the Government Insurance Act 1927.

**Liability of Sydney County Council to pay certain money to the Electricity Commission**

2. By way of reimbursing the Commission with respect to a sum expended by it on account of the Council as a contribution towards defraying the cost incurred by the Authority in paying the premium in respect of insurance policies (numbered PL 9000 340 EN and PL 9000 341 EN) entered into between the Authority, on behalf of the various electricity supply authorities specified in the policy (including the Council), and the Government Insurance Office for the purpose of indemnifying those electricity supply authorities against the risks covered by the policy, the Council is, by virtue of this clause, liable to pay to the Commission the sum of \$1,379,900 (being the sum so expended on behalf of the Council), together with interest on that sum at the rate of 16.7 per cent per year, calculated from and including 1 November 1985, being the date on which the Commission paid the first-mentioned sum to the Authority.

**15 Recovery of sum for which the Sydney County Council is liable under clause 2**

3. If the Council fails to pay the sum referred to in clause 2 within 7 days after the commencement of this Schedule, together with the interest that has accrued in respect of that amount, the Commission is, on the expiration of that period, entitled to take proceedings in a court of competent jurisdiction and to recover that sum and the accrued interest as a debt due from the Council to the Commission.

**Additional interest**

4. Where—
- (a) the insurance policies referred to in clause 2 have been varied before the commencement of this Schedule;
  - 25 (b) pursuant to the variation an additional premium has been paid in respect of increased insurance cover provided under those policies; and
  - (c) the Minister makes a determination in respect of an electricity supply authority under section 14AAD (3) of the Principal Act,

SCHEDULE 4—*continued*

RECOVERY OF CONTRIBUTIONS TOWARDS THE COST OF CERTAIN  
INSURANCE PREMIUMS—*continued*

“the Government Insurance Office” means the Government Insurance Office of New South Wales established by the Government Insurance Act 1927.

**Liability of Sydney County Council to pay certain money to the Electricity Commission**

2. By way of reimbursing the Commission with respect to a sum expended by it on account of the Council as a contribution towards defraying the cost incurred by the Authority in paying the premium in respect of insurance policies (numbered PL 9000 340 EN and PL 9000 341 EN) entered into between the Authority, on behalf of the various electricity supply authorities specified in the policy (including the Council), and the Government Insurance Office for the purpose of indemnifying those electricity supply authorities against the risks covered by the policy, the Council is, by virtue of this clause, liable to pay to the Commission the sum of \$1,379,900 (being the sum so expended on behalf of the Council), together with interest on that sum at the rate of 16.7 per cent per year, calculated from and including 1 November 1985, being the date on which the Commission paid the first-mentioned sum to the Authority.

**Recovery of sum for which the Sydney County Council is liable under clause 2**

3. If the Council fails to pay the sum referred to in clause 2 within 7 days after the commencement of this Schedule, together with the interest that has accrued in respect of that amount, the Commission is, on the expiration of that period, entitled to take proceedings in a court of competent jurisdiction and to recover that sum and the accrued interest as a debt due from the Council to the Commission.

**Additional interest**

4. Where—

- (a) the insurance policies referred to in clause 2 have been varied before the commencement of this Schedule;
- (b) pursuant to the variation an additional premium has been paid in respect of increased insurance cover provided under those policies; and
- (c) the Minister makes a determination in respect of an electricity supply authority under section 14AAD (3) of the Principal Act,
