**LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS)
AMENDMENT BILL 1985**

EXPLANATORY NOTE

(This Explanatory Note relates to this Bill as introduced into Parliament)

The object of this Bill is to amend the Local Government Act 1919 in relation to a miscellany of matters that have arisen from time to time.

The Bill contains the following provisions:

Clause 1 specifies the short title of the proposed Act.

Clause 2 provides that, with a few exceptions, the proposed Act will commence on the date of assent to the proposed Act.

Clause 3 refers to the Local Government Act 1919 as the Principal Act.

Clause 4 specifies the Schedules of amendments to be effected by the proposed Act, with Schedule 1 containing the amendments commencing on the date of assent and Schedule 2 containing those having a later commencement.

Clause 5 is the operative provision giving effect to the proposed amendments.

Clause 6 requires references to "servants" in the Principal Act and certain other Acts to be construed as references to "employees". The references referred to are very numerous and the clause effects a general amendment of all of them. An order will be sought in due course under section 9A of the Reprints Act 1972 so that, when the Acts are reprinted, the necessary detailed amendments will be made.

Schedule 1 (1) removes, in the case of a pensioner whose liability to pay rates has been deferred, the disqualification from civic office to which the pensioner would otherwise be liable by reason of owing more than 50 cents to the council.

Schedule 1 (2) provides for the office of a person as mayor or president to commence on the day the person is declared elected instead of on the day of the poll.

Schedule 1 (3) enables a person who is not on the roll at a non-compulsory poll to cast a vote in the manner in which it could have been cast at a compulsory poll.

Schedule 1 (4) makes it clear that a municipal council, as well as a shire council, is required to appoint a certificated engineer.

Schedule 1 (5) enables a guest-house or boarding-house to be rated as residential.

Schedule 1 (6) authorises a council to exempt from rating a claim registered under Part IV of the Mining Act 1973.

Schedule 1 (7) provides for the procedure to be adopted for notifying an alteration of the rate-book and for the consequences of such an alteration.

Schedule 1 (8)—

- (a) enables a council, instead of the Minister, to determine a claim by a pensioner for a rate reduction and enables a person aggrieved by a determination of a council to obtain redress from the Minister; and
- (b) enables a council to dispense with the necessity for annual application by a pensioner if the eligibility of the pensioner for continued rate reductions is verified under an ordinance to be made in relation to a centralised verification procedure.

Schedule 1 (9)–(13) provides for the appointment of local government inspectors instead of inspectors of local government accounts and confers on them power to inspect all aspects of a council's activities rather than those relating merely to accounts and office management. Existing inspectors of local government accounts become local government inspectors.

Schedule 1 (14) extends the facilities that may be provided by a council to maternity welfare centres and infant welfare centres and authorises the establishment of those and other facilities on land (including public reserves) under the care, control and management of the council. The provisions operate retrospectively.

Schedule 1 (15) inserts a new section 298B that enables a council to lend money for the purpose of establishing an aged persons settlement and associated facilities.

Schedule 1 (16) requires a council to consider, in relation to a building application, questions relating to the possibility of excessive noise and the effect approval of the application would have on adjoining land and buildings.

Schedule 1 (17) imposes a penalty not exceeding \$2,000 on a person who fails to comply with a demolition order.

Schedule 1 (19) enables a council to eradicate noxious weeds at the expense of the owner or occupier of the land if so desired by the owner or occupier.

Schedule 1 (21) confers on a council a discretion as to the associations or organisations it may join.

Schedule 1 (23) requires a council's powers of leasing a public reserve to be exercised only for a public purpose.

Schedule 1 (24) requires a council to submit annual reports to the electors and the Minister.

Schedule 1 (25) validates the past actions of certain councils in relation to rates and the granting of certain leases and licences for a public purpose.

Schedule 2 (1) requires a nominee for election under the Act to lodge a deposit fixed for the time being at \$100.

Schedule 2 (2) enables an ordinance to be made in relation to the forfeiture of a deposit referred to in Schedule 2 (1).

Schedule 2 (3) dispenses with certain appeals to a Local Court in relation to rating matters and requires all such appeals to be made to the Land and Environment Court.

Schedule 2 (4) provides for the variation of the present upper limit of 10 per cent for the rate of interest that may be charged on overdue rates.

Schedule 2 (5) confers on certain owners of land a right to inspect plans of a proposed building or alteration of a building.

**LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS)
