## PASTURES PROTECTION (AMENDMENT) BILL 1986

NEW SOUTH WALES

### EXPLANATORY NOTE

**(This Explanatory Note relates to this Bill as introduced into Parliament)**

The object of this Bill is to amend the Pastures Protection Act 1934—

- (a) to abolish wild dog control boards in the Central and Eastern Divisions of the State;
- (b) to provide for Pastures Protection Boards in the Central and Eastern Divisions to open, when directed by the Minister, Wild Dog Funds for the suppression and destruction of wild dogs; and
- (c) to make further provisions relating to the payment of wild dog scalp bonuses in the Western Division.

---

Clause 1 specifies the short title of the proposed Act.

Clause 2 provides that the proposed Act will, with minor exceptions, commence on 1 January 1987.

Clause 3 is a formal provision that gives effect to the Schedule of amendments to the Principal Act.

Clause 4 is a formal provision that gives effect to the Schedule of savings and transitional provisions.

Schedule 1 (1) amends the long title of the Principal Act to reflect certain amendments made by the proposed Act.

Schedule 1 (2) substitutes the definition of "Scalp" in section 4 of the Principal Act so that it is similar to the definition in the Wild Dog Destruction Act 1921. The new definition relates only to a wild dog scalp.

Schedule 1 (3) inserts a new section 19AA into the Principal Act. The proposed section provides for the opening of a Wild Dog Fund by a Pastures Protection Board for a district in the Central or Eastern Division, if directed by the Minister. The Fund is to be applied only—

- (a) for the suppression and destruction of wild dogs in the Board's district; and
- (b) for campaigns for any such suppression and destruction under arrangements made under proposed section 84A.

Schedule 1 (4) amends section 40 of the Principal Act in consequence of the amendment made by Schedule 1 (9).

Schedule 1 (5) inserts a new section 84A into the Principal Act. The proposed section provides that a Pastures Protection Board for a district may enter into arrangements with other Boards, occupiers or owners of land or other persons for the conduct of campaigns for the suppression and destruction of noxious animals (which include wild dogs).

Schedule 1 (6) substitutes section 88 of the Principal Act. The old section provided that a Pastures Protection Board for a district shall pay out of its Pastures Protection Fund bonuses for wild dog scalps and may pay for the scalps of any other noxious animals. The proposed section provides for the payment of bonuses for wild dog scalps by a Board in the Western Division at the rate determined under section 21 of the Wild Dog Destruction Act 1921. Provision is made for reimbursement by the Wild Dog Destruction Board for scalp bonuses paid by Pastures Protection Boards in that Division.

Schedule 1 (7) substitutes section 89. The old section dealt with the powers of a Pastures Protection Board when a scalp of any noxious animal was delivered to it. The proposed section is confined to wild dog scalps in the Western Division.

Schedule 1 (8) amends section 90 of the Principal Act in consequence of the amendment made by Schedule 1 (6).

Schedule 1 (9) repeals Division 3 of Part VI of the Principal Act. The old Division provided for the establishment of wild dog control districts in the Central and Eastern Divisions of the State, with wild dog control boards for particular districts. It is proposed that Pastures Protection Boards in these Divisions will undertake the responsibilities of the wild dog control boards and, where appropriate, Wild Dog Funds will be established.

Schedule 1 (10) amends section 169 of the Principal Act in consequence of the amendment made by Schedule 1 (9).

Schedule 2 enacts savings and transitional provisions in relation to—

- (a) notices to occupiers of land under section 100 of the Principal Act requesting that steps be taken to suppress and destroy wild dogs on the occupier's land;
- (b) the collection or recovery of a special rate levied under section 104 of the Principal Act before 1 January 1987; and

- (c) the transfer of money held in trust accounts opened by wild dog control boards under section 106 of the Principal Act.
