PHYSIOTHERAPISTS REGISTRATION (AMENDMENT) BILL, 1984

EXPLANATORY NOTE

(This Explanatory Note relates to this Bill as introduced into Parliament)

The object of this Bill is to amend section 21 of the Physiotherapists Registration Act, 1945, so as to enable the Physiotherapists Registration Board to exempt certain persons, being persons who would be entitled to be registered as physiotherapists but for the requirement that they first practise physiotherapy for at least 12 months as holders of certificates of conditional registration, from that requirement (clause 4).

The Bill also validates exemptions and determinations purporting to have been granted or made under that Act in certain circumstances (clause 5) and saves certain exemptions and determinations so made before the date of assent to the proposed Act (clause 6).
