

**PUBLIC AUTHORITIES SUPERANNUATION  
(AMENDMENT) BILL 1985**

---

**EXPLANATORY NOTE**

**(This Explanatory Note relates to this Bill as introduced into Parliament)**

The following Bills are cognate with this Bill:

Local Government and Other Authorities (Superannuation) Amendment Bill 1985;

Transport Employees Retirement Benefits (Further Amendment) Bill 1985.

The objects of this Bill are—

- (a) to make a number of miscellaneous amendments to the Public Authorities Superannuation Act 1985 relating to the superannuation schemes established or continued under that Act; and
  - (b) to reconstitute the Public Authorities Superannuation Board by providing for an additional part-time member who is also a member of the State Public Service Superannuation Board or the State Superannuation Board.
- 

Clause 1 specifies the short title of the proposed Act.

Clause 2 provides that the amendments to the Principal Act relating to the constitution of the Board are to commence on a date to be appointed by the Governor-in-Council and the other amendments are to be deemed to have commenced on 1 July 1985 (the date on which the Principal Act commenced).

Clause 3 defines the Principal Act.

Clause 4 lists the Schedules to the proposed Act.

Clause 5 is a formal provision that gives effect to the Schedules of amendments to the Principal Act.

**SCHEDULE 1—MISCELLANEOUS AMENDMENTS TO THE PRINCIPAL ACT**

Schedule 1 (1) makes it clear that the definition of “superannuation scheme” in the Principal Act includes a scheme which is not established by legislation.

Schedule 1 (2) ensures that a contributor to another superannuation scheme who becomes entitled to contribute to the Public Authorities Superannuation Fund (“the Fund”) may elect to transfer to the Fund without first ceasing to contribute to the other scheme and may make that election on condition that the Board approves an application by the contributor to be covered for the additional death or breakdown benefit.

Schedule 1 (3) enables the Board to require an applicant for the additional death or breakdown benefit to submit to further medical examinations and to provide further medical reports and enables the Board to obtain evaluations of medical examinations and reports.

Schedule 1 (4) provides for a resumption of contributions to the Fund by a person who is re-employed within 3 months after retrenchment or retirement because of partial disablement (at present provision for resumption of contributions applies only in the case of persons who have resigned or have been dismissed or discharged).

Schedule 1 (5) provides that, where a contributor transfers from the service of an employer who pays contributions to the Fund wholly or partly when benefits become payable, the employer is liable to pay to the Fund a contribution based on the employer-financed portion of a preserved benefit.

Schedule 1 (6) and (7) (b) clarify the obligation of employers who pay contributions to the Fund wholly or partly when benefits become payable to pay management and contingent account charges.

Schedule 1 (7) (a) provides that employers who pay to the Fund one-half of the contributions made by their employees and the balance when benefits become payable shall make their payments based on the total contributions of their employees without maintaining separate records for each contributor.

Schedule 1 (8) provides for the debiting and crediting of the reserves of employers in the Fund where contributors transfer to the service of other employers (under the Principal Act the employer-financed benefit is payable from the account of the employer in whose service the contributor is employed when benefit becomes payable).

Schedule 1 (9) clarifies the provisions relating to the determination of the salary used in calculating benefits for part-time employees.

Schedule 1 (10) provides that where a contributor becomes a contributor to another superannuation scheme while employed by the same employer the contributor is required to take a preserved benefit and is not entitled to be paid a withdrawal benefit while employed by that same employer.

Schedule 1 (11) extends the benefits of the contingent account to the scheme established by the Transport Employees Retirement Benefits Act 1967.

Schedule 1 (12) brings the provision relating to the payment of part of a benefit before the grant of probate into line with similar provisions relating to other public sector superannuation schemes.
