1986**

NEW SOUTH WALES

EXPLANATORY NOTE

(This Explanatory Note relates to this Bill as introduced into Parliament)

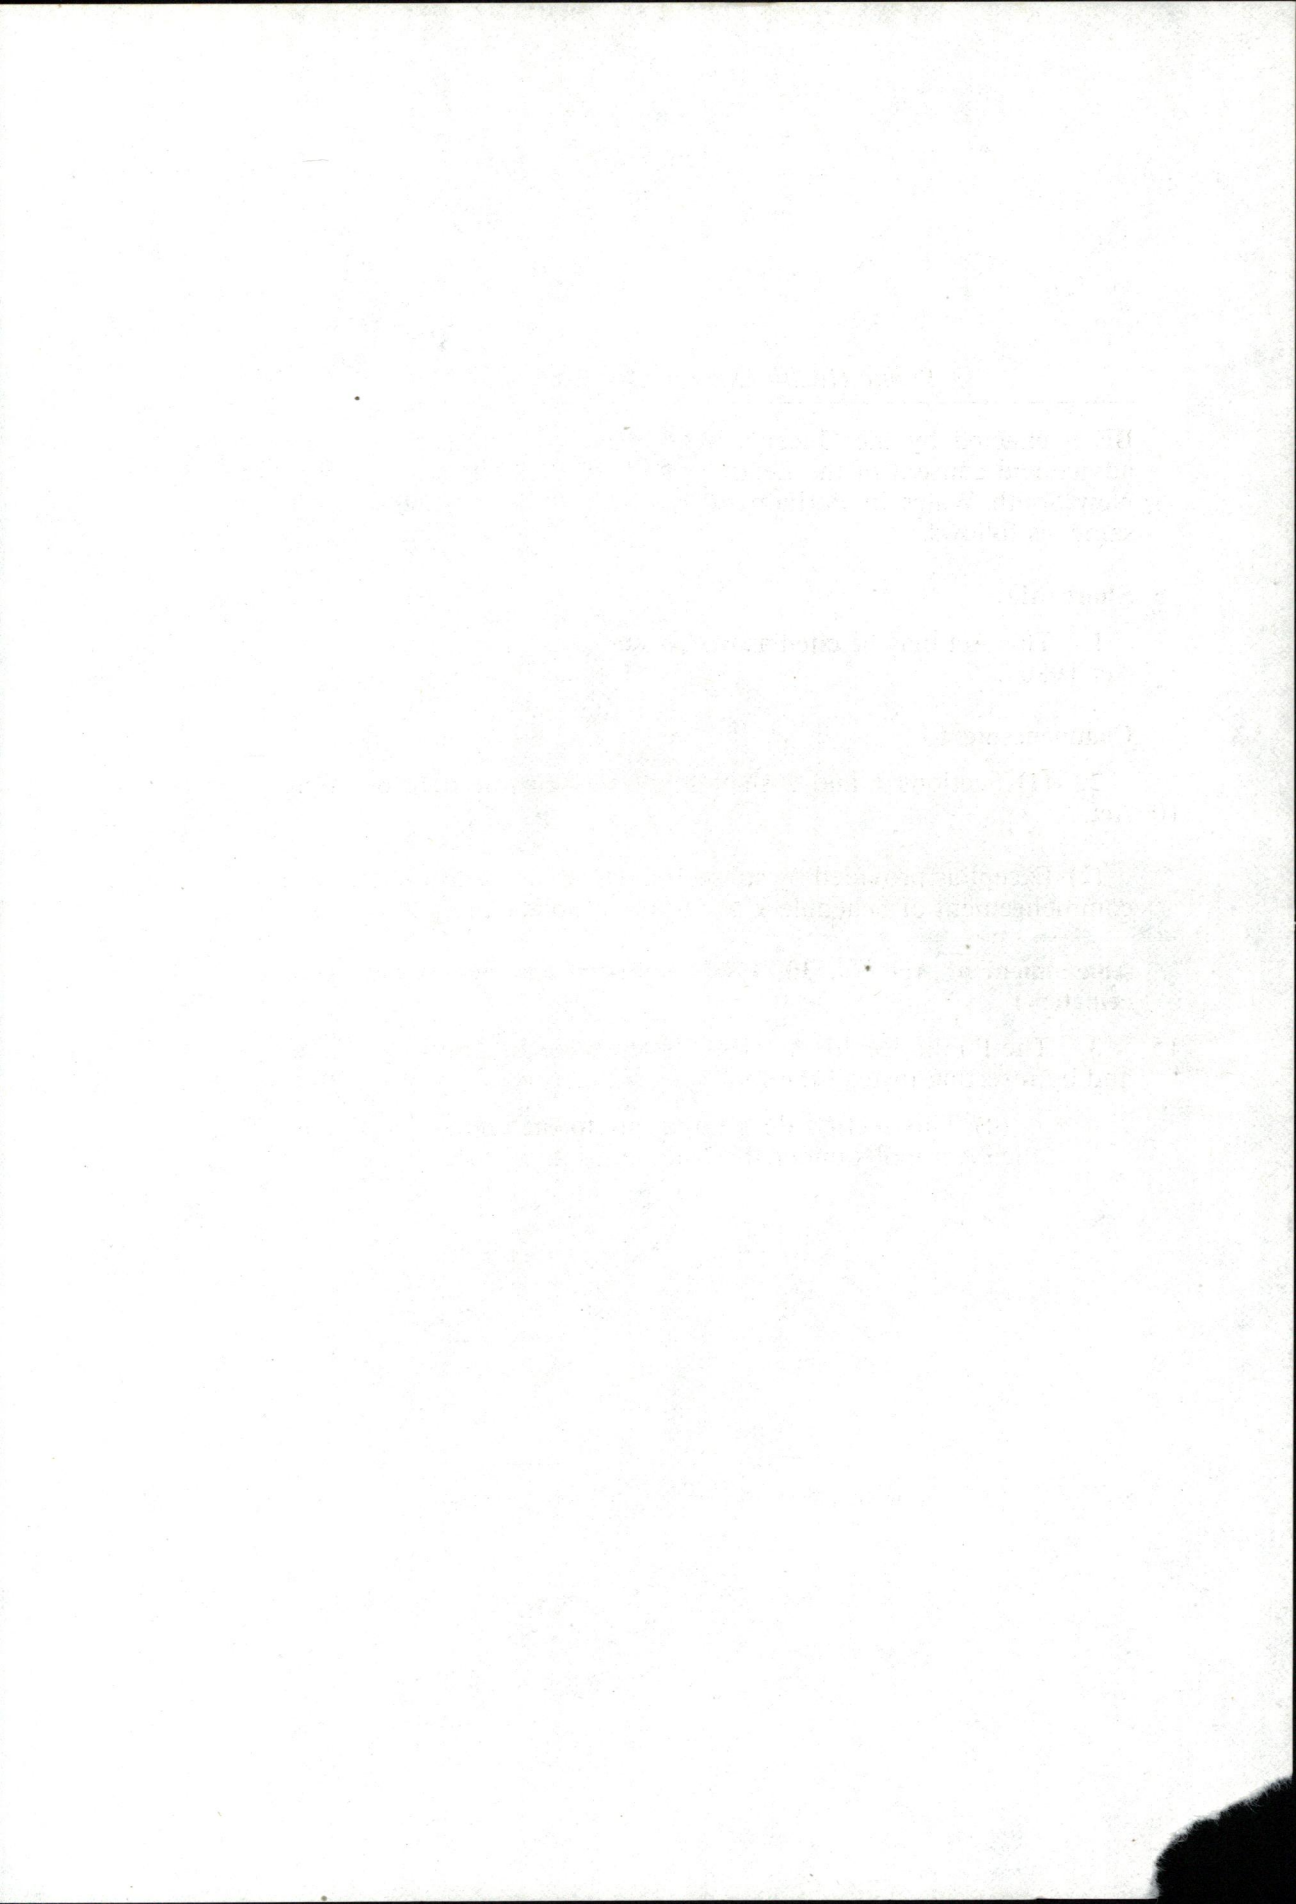

This Bill is cognate with the Necropolis (Amendment) Bill 1986.

The object of this Bill is to provide that the provision of the Principal Act which requires the operator of a crematorium in a cemetery to contribute towards the upkeep of the cemetery does not apply to the crematorium within the Necropolis at Rookwood.

Clause 1 specifies the short title of the proposed Act.

Clause 2 provides that the proposed Act will, with minor exceptions, commence on the commencement of the relevant provisions of the proposed Necropolis (Amendment) Act 1986.

Clause 3 amends section 51c of the Public Health Act 1902 to provide that the section does not apply to the crematorium within the Necropolis at Rookwood. The section requires a person conducting a crematorium within a cemetery to contribute to the upkeep of the cemetery. Provision for a similar contribution by the operator of the Rookwood crematorium will be inserted in the Necropolis Act 1901 by the proposed Necropolis (Amendment) Act 1986.
