

WORKERS' COMPENSATION (AMENDMENT) BILL, 1984
(No. 2)

EXPLANATORY NOTE

(This Explanatory Note relates to this Bill as introduced into Parliament)

This Bill is cognate with the Compensation Court Bill, 1984.

The object of this Bill is to repeal the provisions relating to the Workers' Compensation Commission of New South Wales ("the Commission") and to replace the Commission with a Compensation Court and a State Compensation Board. The Commission, in so far as its judicial functions are concerned, is to be replaced by a Compensation Court of New South Wales ("the Court") to be established under the proposed Compensation Court Act, 1984. In so far as the Commission's administrative functions are concerned, it is to be replaced by a State Compensation Board ("the Board") to be established under the Workers' Compensation Act, 1926 ("the Act"), as to be amended by this Bill.

The Bill also vests in the Board the administration of the Insurers' Contribution Fund which is established under Part IIIA of the Act and which is presently administered by the Government Insurance Office.

The principal provision of the Bill is Schedule 6 which—

- (a) repeals the provisions of Part IV of the Act relating to the constitution and functions of the Commission; and
- (b) constitutes, under Part IV of the Act, the State Compensation Board.

The Board will consist of 5 members appointed by the Governor. Of the members, 3 shall be full-time and 2 shall be part-time. One of the full-time members shall be Chairman and Chief Executive Officer of the Board. Of the other full-time members, one shall represent employees and the other shall represent employers. Those members shall have backgrounds or experience in rehabilitation, industrial relations, law, accounting, commerce or finance.

Of the 2 part-time members, one shall be a person selected from a panel submitted by the Labor Council and one shall represent insurers.

The Bill provides for the appointment, under the Public Service Act, 1979, of a Secretary of the Board who may act in the office of the Chief Executive Officer in the absence of that officer.

Proposed Division 2 of Part IV specifies the general functions of the Board. In addition to the former administrative functions of the Commission which are being vested in the Board by way of amendment of the various provisions of the Act and other Acts, the Division authorises the provision by the Board of a law reporting service in relation to compensation matters, the provision and administration of a legal aid service and the provision of interpreting services.

The Board is required, under proposed section 38 of Division 2, to make all reasonable efforts to conciliate and bring parties to agreement where a dispute has arisen concerning compensation, other than where a claim or application has been filed in the Court. For this purpose conciliators may be employed under the Public Service Act, 1979 (proposed section 38A). In connection with its conciliation functions the Board is to be given powers to require persons to attend before it and give evidence, and to refer matters to medical panels for report.

Regulations may be made for or with respect to conciliation proceedings, including regulations requiring employers or insurers to furnish to workers written notice where liability is denied.

Proposed Division 3 of Part IV vests in the Board the fund which is presently vested in the Commission. This fund, from which the Commission's costs of operations are now paid, consists of compulsory contributions from insurers. The Board's costs of operation, and also the proposed Court's operation, will come from this fund.

Proposed Division 4 of Part IV contains miscellaneous provisions, including delegation of powers, requirement for preparation of annual reports and evidentiary provisions.

The principal administrative functions of the Commission under the Act which are to be vested in the Board are—

- (a) the administration of the Bush Fire Fighters Compensation Fund (Part IIA);
- (b) the licensing of insurers and self-insurers for the purposes of the Act (Part III);
- (c) the administration of the Uninsured Liability and Indemnity Scheme (formerly the Uninsured Liability Scheme) under section 18c;
- (d) the compiling of statistics relative to injuries and compensation (section 44);
- (e) the appointment of medical referees and medical panels for the purposes of the Act (sections 50 and 51);
- (f) the vocational re-education and rehabilitation of disabled workers (section 52); and
- (g) the receipt and application, investment, payment out, etc., of compensation money formerly required to be paid into, and be held by, the Commission (section 57) and the keeping of the Investment Guarantee Account.

The Bill contains a number of amendments which convert references to the Commission (or to the Registrar of the Commission) to references to the Court or the Board, as the case may require, and other amendments of a minor, consequential or ancillary nature.

Included in these amendments are the following which are of particular significance:—

- (a) Schedule 4 (3)—substitution of section 18C of the Act (Uninsured Liability and Indemnity Scheme). The procedure for dealing with claims under this Scheme has been altered extensively due to the change in administration from the Commission to the Board. A claimant under the Scheme who is dissatisfied with a decision of the Board on the claim may apply to the Court for a determination. Employers or insurers found by the Board to be liable to reimburse the Board for money paid out on claims may also apply to the Court for a determination;
 - (b) Schedule 4 (10)—new section 29D of the Act giving a right of appeal to the Court against a decision of the Board to refuse to grant, or to grant subject to conditions, etc., or to cancel, suspend, etc., an insurer's or a self-insurer's license;
 - (c) Schedule 4 (11)—alteration of the constitution of the Insurance Premiums Committee established under section 30A of the Act;
 - (d) Schedule 9 (4)—certain provisions relating to the jurisdiction of the Commission under the Act have been transferred from Part IV of the Act to Part VII (sections 53G–53I) and have been altered so as to relate to the Court;
 - (e) Schedule 11 (2)—insertion in the Act of new sections 66A–66D enabling the Board to make, with the approval of the Minister, rules in relation to its functions.

- (d) the employer, being a corporation, is being wound up and the liability under subsection (21) is not provable in the winding up;
- 25 (e) the employer, being a corporation, has been dissolved; or
- (f) it would not be commercially feasible for the Board to attempt to recover the amount.

(23) A person on whom a notice has been served under subsection (21) in respect of an injured worker may, within the

SCHEDULE 4—*continued.*AMENDMENTS TO PART III OF THE PRINCIPAL ACT—*continued.*

(24) The Court may hear any application made to it under subsection (23) and may—

- 5 (a) make such determination in relation thereto; and
- (b) make such awards or orders as to the payment of compensation under this Act to or in respect of the injured worker concerned,
- as it thinks fit.

10 (29) On the application of an employer, the Court may, if it thinks fit, refuse to make the determination referred to in section 15 (1) (as applied by subsection (28)) in respect of an agreement made under subsection (28) but the making of such an application in no way fetters the discretion of the Court to make the determination, and a redemption made in consequence of the determination
15 is binding on the employer whether or not the employer has made such an application.

(30) Where a claim under the Scheme has been made and the employer does not appear and defend the application for an award of compensation, or where an award of compensation has,
20 prior to the making of the claim, been obtained in default of appearance by the employer, or by consent of the worker and the employer, or if in any case the Board for any reason thinks fit, the Board may cause to be made such inquiries as may be deemed necessary to determine the genuineness of the grounds on which
25 the award is sought or was based.

(31) The Court may adjourn an application referred to in subsection (30) or, if an award has been made, may reopen the proceedings and order some fit person to take and defend the proceedings in substitution for the employer, and for such purposes all the
30 rights of the employer shall be subrogated to that person.

30 (34) A lump sum payable to a claimant under the Scheme may by agreement with the Board, or by order of the Court, be paid to the Board to be invested, applied, paid out or otherwise dealt with as agreed upon or ordered or, subject to any such agreement or order, as provided by section 57.

- (b) an insurer under this Act of such an employer,

a notice requiring that person, within a period specified in the notice, to reimburse the fund an amount (not being an amount exceeding the amount of the payment made) specified in the notice.

(22) The Board may, by instrument in writing, waive the liability of an employer under subsection (21) to reimburse the fund an amount, where the Board, in respect of the amount, is satisfied that—

- (a) the amount is beyond the capacity of the employer to pay;
- (b) the employer could not reasonably have been expected to regard himself or herself as an employer at the relevant time;
- (c) the employer, not being a corporation, is bankrupt and the liability under subsection (21) is not provable in the bankruptcy;
- (d) the employer, being a corporation, is being wound up and the liability under subsection (21) is not provable in the winding up;
- (e) the employer, being a corporation, has been dissolved; or
- (f) it would not be commercially feasible for the Board to attempt to recover the amount.

(23) A person on whom a notice has been served under subsection (21) in respect of an injured worker may, within the period specified in the notice, apply to the Court in accordance with the rules of Court for a determination as to the person's liability under this Act.

SCHEDULE 4—*continued.*AMENDMENTS TO PART III OF THE PRINCIPAL ACT—*continued.*

(24) The Court may hear any application made to it under subsection (23) and may—

- (a) make such determination in relation thereto; and
- (b) make such awards or orders as to the payment of compensation under this Act to or in respect of the injured worker concerned,

as it thinks fit.

(25) In any proceedings under subsection (24), a certificate executed by the Board and certifying that—

shall be admissible in evidence in any proceedings and be prima facie evidence of the matters stated therein.

(26) The Board may recover an amount—

(28) Section 15 applies to and in respect of a redemption agreed upon under subsection (27) in the same way as it applies to and in respect of other redemptions.

(29) On the application of an employer, the Court may, if it thinks fit, refuse to make the determination referred to in section 15 (1) (as applied by subsection (28)) in respect of an agreement made under subsection (28) but the making of such an application in no way fetters the discretion of the Court to make the determination, and a redemption made in consequence of the determination is binding on the employer whether or not the employer has made such an application.

(30) Where a claim under the Scheme has been made and the employer does not appear and defend the application for an award of compensation, or where an award of compensation has, prior to the making of the claim, been obtained in default of appearance by the employer, or by consent of the worker and the employer, or if in any case the Board for any reason thinks fit, the Board may cause to be made such inquiries as may be deemed necessary to determine the genuineness of the grounds on which the award is sought or was based.

(31) The Court may adjourn an application referred to in subsection (30) or, if an award has been made, may reopen the proceedings and order some fit person to take and defend the proceedings in substitution for the employer, and for such purposes all the rights of the employer shall be subrogated to that person.

(34) A lump sum payable to a claimant under the Scheme may by agreement with the Board, or by order of the Court, be paid to the Board to be invested, applied, paid out or otherwise dealt with as agreed upon or ordered or, subject to any such agreement or order, as provided by section 57.
