**WORKERS' COMPENSATION (FURTHER AMENDMENT)
BILL 1986**

NEW SOUTH WALES

EXPLANATORY NOTE

(This Explanatory Note relates to this Bill as introduced into Parliament)

The Workers' Compensation (Brucellosis) Revival and Amendment Bill 1986 is cognate with this Bill.

The object of this Bill is to amend the Workers' Compensation Act 1926—

- (a) to improve the benefits payable under that Act for bush fire fighters and to extend those benefits to members of the State Emergency Services and Volunteer Rescue Association of New South Wales;
- (b) to regulate persons who provide interpreter and related services to claimants for workers' compensation;
- (c) to extend the provisions of the Principal Act relating to the Insurers' Guarantee Fund to former licensed insurers and self-insurers who become insolvent; and
- (d) for other purposes.

Clause 1 specifies the short title of the proposed Act.

Clause 2 provides that the Act (with minor exceptions) is to commence on such day or days as may be appointed by the Governor-in-Council.

Clause 3 defines the Principal Act.

Clause 4 is a formal provision that gives effect to the Schedules of amendments.

Clause 5 is a formal provision that gives effect to a Schedule of savings, transitional and other provisions.

SCHEDULE 1—AMENDMENTS TO THE PRINCIPAL ACT RELATING TO BUSH FIRE FIGHTING AND OTHER EMERGENCY SERVICES COMPENSATION

Schedule 1 (1) amends the definition of "Injury" in section 17B of the Principal Act so as to allow the circumstances in which a bush fire fighter is covered for workers' compensation to be extended. It will be possible to prescribe by regulation activities other than bush fire fighting in which bush fire brigades are expected to assist (e.g., storm damage repairs, rescue work, etc.). The State Compensation Board will also have a discretion (on the advice of the Minister administering the State Emergency Services and Civil Defence Act 1972) to deem activities to be covered for workers' compensation.

Schedule 1 (2) (a) (proposed section 17C (2) (a)) provides that—

- (a) the benefit payable under the Principal Act in respect of the death of a fire fighter is payable whether or not the fire fighter left dependants; and
- (b) a benefit of \$20,000, additional to the benefit payable under the Principal Act, is payable in respect of the death of a fire fighter.

Schedule 1 (2) (a) (proposed section 17C (2) (b)) and Schedule 1 (2) (b) (proposed section 17C (2A)) provide that the weekly compensation payments payable to an injured fire fighter during the first 26 weeks of incapacity shall, if the fire fighter's current weekly wage rate is less than the fire fighter's average weekly earnings, include the amount of the difference.

Schedule 1 (2) (c) is a consequential amendment.

Schedule 1 (3) provides that any additional death benefits and weekly payments are to be paid from the Consolidated Fund, which is appropriated accordingly.

Schedule 1 (4) inserts into the Principal Act a proposed Part IIB (sections 17J–17P), which is to provide for State Emergency Service workers and Volunteer Rescue Association workers similar workers' compensation benefits as are provided for bush fire fighters. State Emergency Service workers are described as "emergency service workers" and Volunteer Rescue Association workers are described as "rescue association workers". The persons to be covered may be extended or restricted by regulation or, as with fire fighters, extended at the discretion of the State Compensation Board. Proposed section 17P establishes an Emergency and Rescue Workers Compensation Fund from which shall be paid compensation payable under the proposed Part and the costs of administration and expenses incurred by the State Compensation Board in exercising its powers, etc., under the Part. The expenditure is to be funded from the Consolidated Fund, which is appropriated accordingly.

Schedule 1 (5) makes a consequential amendment to section 53G (jurisdiction of the Court under Act) of the Principal Act.

SCHEDULE 2—MISCELLANEOUS AMENDMENTS TO THE PRINCIPAL ACT

Schedule 2 (1)–(3) provide that contributions by insurers and self-insurers to the Insurers' Contribution Fund for a financial year are to be calculated by reference to certain premium income or the equivalent of premium income in respect of that financial year instead of in respect of the previous financial year.

Schedule 2 (4)–(6) extend the provisions of the Principal Act relating to the Insurers' Guarantee Fund to former licensed insurers and self-insurers who become insolvent.

Schedule 2 (7) and (9) enable the appointment as a commissioner under the Principal Act of a person who is over 60 years of age but is less than 65 years of age. Any appointment or further appointment is limited (as in the case of a commissioner who attains 60 years of age) to periods of 12 months.

Schedule 2 (8) regulates persons who act as interpreters for claimants for workers' compensation (including persons who also provide related services, such as agents or advisors). Except in certain cases, any such person who acts for fee or reward is required to be registered by the State Compensation Board. Provision is made for regulations to prescribe the maximum fees that may be charged by persons who are required to be registered.

SCHEDULE 3—SAVINGS, TRANSITIONAL AND OTHER PROVISIONS

Schedule 3 contains savings, transitional and other provisions.

Clause 1 terminates insurance policies issued by the Government Insurance Office to the extent that they provide workers' compensation cover for bush fire fighters, emergency service workers and rescue association workers, that cover is now to be provided by the proposed provisions being inserted into the Principal Act.

Clause 2 validates any additional payments which may have been made, in advance of the proposed changes in the legislation, in respect of bush fire fighters, emergency service workers or rescue association workers since 23 December 1985 (that being the date of the Premier's announcement that the increased benefits would be payable).

Clause 3 provides that amendments to the Insurers' Contribution Fund provisions do not affect any existing liability to pay contributions to that Fund.

Clause 4 authorises the making of regulations of a savings or transitional nature consequent on the enactment of the proposed Act.
