AMENDMENT) BILL 1992**

NEW SOUTH WALES

EXPLANATORY NOTE

(This Explanatory Note relates to this Bill as introduced into Parliament)

The objects of this Bill are:

- (a) to improve and simplify the benefit provisions for partially incapacitated workers (both in respect of the "job-seeking and rehabilitation training" special benefits and the "make-up" ordinary benefits payable after the worker ceases to be entitled to those special benefits); and
- (b) to provide for the amalgamation of the separate statutory funds managed by an insurer (currently, separate funds are established for premiums received in each financial year); and
- (c) to extend the provisions for the licensing of self-insurers so that a holding company may be issued with a group licence to cover it and its nominated subsidiaries; and
- (d) to provide that Government employers covered by the Treasury managed fund scheme are to be regarded as a group of licensed self-insurers for workers compensation purposes; and
- (e) to make consequential changes to the Workers Compensation Act 1987 as a result of the privatisation of GIO; and
- (f) to make other miscellaneous changes to the Workers Compensation Act 1987, including an increase in the compensation payable for severe facial or bodily disfigurement, the closure of the category of specialised workers compensation insurers (other than domestic workers insurance) and changes by way of statute law revision; and
- (g) to make miscellaneous changes to the Workers' Compensation (Dust Diseases) Act 1942 relating to the administration of the compensation scheme under that Act; and
- (h) to amend the Motor Vehicles (Third Party Insurance) Act 1942 with respect to work-related motor vehicle accidents affected by the decision in *Nikolovsky v GIO and Anor.*

**SCHEDULE 1—AMENDMENTS TO WORKERS
COMPENSATION ACT RELATING TO BENEFITS FOR
PARTIALLY INCAPACITATED WORKERS**

(Sec. 3)

- (1) Sections 38, 38A: 5
- Omit the sections, insert instead:
- Partially incapacitated workers not suitably employed to be compensated as if totally incapacitated** (cf. former s. 11 (2))
38. (1) **Entitlement.** If: 10
- (a) a worker is partially incapacitated for work as a result of an injury; and
- (b) the worker is not suitably employed during any period of that partial incapacity for work,
- the worker is to be compensated in accordance with this section during each such period as if the worker's incapacity for work were total. 15
- (2) **Maximum period of entitlement.** The maximum total period for which the worker may be so compensated is 104 weeks. 20
- (3) **Rate of compensation.** When a worker is so compensated, the compensation is payable at the relevant rate prescribed by this Act for the period of incapacity concerned. However, after the first 26 weeks of incapacity and until the worker has been compensated under this section for a total of 52 weeks, the rate is the greater of the following rates: 25
- (a) 80% of the worker's current weekly wage rate (that is, 80% of the rate prescribed by this Act for the first 26 weeks of incapacity);
- (b) the statutory indexed rate (that is, the rate prescribed by this Act for a period of incapacity after the first 26 weeks). 30
- (4) **Worker to seek suitable employment.** Compensation is not payable to a worker in accordance with this section during any period unless the worker is seeking suitable employment during that period (as determined in accordance with section 38A). 35

5 **Section 38—determination of whether worker seeking
suitable employment**

38A. (1) **Application.** This section provides for the
determination of whether a worker is seeking suitable
employment for the purposes of section 38.

10 (2) **General requirements.** The worker is not to be
regarded as seeking suitable employment unless:

(a) the worker is ready, willing and able to accept an offer
of suitable employment from the employer; and

15 (b) the worker has supplied the employer (or the insurer
who is liable to indemnify the employer) with a
medical certificate in accordance with the regulations
with respect to the worker's partial incapacity for
work; and

20 (c) the worker has requested the employer (or such an
insurer) to provide suitable employment or it is
apparent from the circumstances that the worker is
ready, willing and able to accept an offer of suitable
employment from the employer; and

25 (d) the worker is taking reasonable steps to obtain suitable
employment from some other person (but only if the
worker has been duly notified to take those steps in
order to remain entitled to compensation under section
38).

30 (3) **Taking reasonable steps to obtain suitable
employment from other person.** A notice to the worker
under subsection (2) (d):

(a) is to be given in writing by the insurer or self-insurer
concerned; and

35 (b) is not to be given while action is being taken by or on
behalf of the employer to arrange or explore the
possibility of suitable employment with the employer;
and

(c) may set out particular steps to be taken by the worker
instead of the general terms of subsection (2) (d); and

Workers Compensation Legislation (Further Amendment) 1992

- (d) is subject to, and must comply with, any regulations and (subject to the regulations) any claims procedures notified by the Authority to insurers and self-insurers; and 5
- (e) does not constitute an admission of liability by an employer or insurer under this Act or independently of this Act; and 10
- (f) may be given (subject to any order of the Compensation Court) even though proceedings relating to the compensation are pending in that Court.
- Taking reasonable steps to obtain suitable employment includes seeking or receiving rehabilitation training that is reasonably necessary to improve the worker's employment prospects. 15
- (4) **Workers treated as not seeking suitable employment.** A worker is not to be regarded as seeking suitable employment if the worker: 20
- (a) unreasonably refuses an offer of suitable employment from any person; or
- (b) unreasonably refuses to have an assessment made of the worker's employment prospects; or
- (c) unreasonably refuses an offer of suitable rehabilitation training from any person; or 25
- (d) unreasonably refuses to co-operate in procedures connected with the provision or arrangement of suitable employment or rehabilitation training under the employer's workplace rehabilitation program. 30
- (5) **Court orders.** An order of the Compensation Court relating to the payment of compensation under section 38 may be subject to conditions relating to the worker taking reasonable steps to obtain suitable employment.
- (6) **Regulations.** The regulations may make provision for or with respect to determining whether a worker is seeking suitable employment. 35

INCAPACITATED WORKERS—*continued*

(7) **Definitions.** In this section:

- 5 “**employer**” of a worker who is partially incapacitated for
work means the employer liable to pay compensation to
the worker in respect of the incapacity or, if there are 2
or more such employers, the employer so liable who last
employed the worker;
- 10 “**refusal**” of an offer or to do a thing includes a failure to
accept the offer or to do the thing;
- “**rehabilitation training**” means training of a
vocationally useful kind, and includes vocational
re-education, work-trials, occupational rehabilitation
services or treatment provided by way of rehabilitation;
- 15 “**suitable employment**” means suitable employment
within the meaning of section 43A.

Explanatory note

20 The amendment improves and simplifies the benefit provisions for partially
incapacitated workers who are not provided with suitable employment by their employer
and who are therefore compensated at the higher total incapacity rate during an initial
period of job-seeking and rehabilitation training. The existing provisions are complex.
They apply for a maximum period of 52 weeks, a higher rate of compensation being
payable during certain phases such as a preliminary 4 weeks employment-seeking period
25 and a post-training employment seeking period. Under the proposed provisions:

- (a) The maximum period is extended to 104 weeks.
- (b) The totally incapacitated rate applies to the whole of the relevant period (with
one exception) and does not differ according to kinds of activity undertaken by
30 the injured worker. The relevant totally incapacitated rate is the current weekly
wage rate of the worker during the first 26 weeks of incapacity and the statutory
rate after that first 26 weeks, the exception being the maintenance of a minimum
rate of 80% of the current weekly wage rate until the worker has been
compensated under section 38 for a total of 52 weeks.
- (c) The requirement for the worker to be seeking suitable employment is simplified.
35 Generally speaking, the injured worker should be actively seeking
re-employment in a suitable position with his or her employer and undergoing
any rehabilitation training provided or arranged by his or her employer. An
actual request for a suitable position is not required if the worker's willingness to
work is apparent from the circumstances (for example, if a partially incapacitated
40 worker who continues working is dismissed without being guilty of misconduct).
If suitable employment or training with a view to such employment is not made
available, the worker may be required (by notice duly given by the relevant
insurer) to seek employment from some other person in order to continue
receiving the special higher rate of compensation payments.

(2) Sections 40, 40A:

Omit section 40, insert instead:

5

Weekly payment during partial incapacity (cf. former ss. 9, 11)

40. (1) **Entitlement.** The weekly payment of compensation to an injured worker in respect of any period of partial incapacity for work is to be an amount not exceeding the reduction in the worker's weekly earnings, but is to bear such relation to the amount of that reduction as may appear proper in the circumstances of the case.

10

(2) **Calculation of reduction in earnings of worker—general.** The reduction in the worker's weekly earnings is (subject to subsection (3)) the difference between:

15

(a) the weekly amount which the worker would probably have been earning as a worker but for the injury and had the worker continued to be employed in the same or some comparable employment (but not exceeding \$1,000); and

20

(b) the average weekly amount that the worker is earning, or would be able to earn in some suitable employment, from time to time after the injury (but not exceeding \$1,000).

25

(3) **Calculation of reduction in earnings of worker not suitably employed after 104 weeks.** If the worker has received at least a total of 104 weeks of weekly compensation under this section assessed on the basis of the worker's ability to earn in some suitable employment, the reduction in the worker's weekly earnings is thereafter (when assessed on that basis) the difference between:

30

(a) the amount of the worker's current weekly wage rate from time to time if (but for the injury) the worker had continued to be employed in the same or some comparable employment (but not exceeding \$1,000); and

35

Workers Compensation Legislation (Further Amendment) 1992

SCHEDULE 1—AMENDMENTS TO WORKERS COMPENSATION
ACT RELATING TO BENEFITS FOR PARTIALLY
INCAPACITATED WORKERS—*continued*

5 (b) the amount of the current weekly wage rate from time
to time for some suitable employment for the worker
after the injury, calculated as if the worker had been so
employed before the injury (but not exceeding \$1,000).

10 However, the regulations may provide that in all or any
specified cases subsection (2) applies (with or without
modification) instead of this subsection.

(4) **Ability to earn in suitable employment.** The
determination of the amount that an injured worker would be
able to earn in some suitable employment is subject to the
following:

15 (a) the determination is to be based on the worker's ability
to earn in the general labour market reasonably
accessible to the worker;

20 (b) the determination is to be made having regard to
suitable employment for the worker within the
meaning of section 43A, including employment for
which the worker has received rehabilitation training;

25 (c) the determination is subject to, and must comply with,
any regulations and (subject to the regulations) is to be
made having regard to any guidelines issued by the
Authority to insurers and self-insurers.

(5) **Maximum rate of compensation.** The weekly
payment of compensation to an injured worker in respect of
any period of partial incapacity for work is not to exceed the
weekly payment that would be payable to the worker if it
were a period of total incapacity for work.

30 (6) **Adjustment of compensation—indexation.** If it
appears proper in the circumstances of the case, the weekly
payment of compensation to an injured worker in respect of
any period of partial incapacity for work may (subject to
35 subsection (5)) be adjusted to take account of any adjustment
because of the operation of Division 6 in the weekly payment
that would be payable to the worker if it were a period of
total incapacity for work.

Workers Compensation Legislation (Further Amendment) 1992

SCHEDULE 1—AMENDMENTS TO WORKERS COMPENSATION
ACT RELATING TO BENEFITS FOR PARTIALLY
INCAPACITATED WORKERS—*continued*

(7) **Adjustment of maximum amounts—application.** If an amount mentioned in subsection (2) or (3): 5

(a) is adjusted by the operation of Division 6; or

(b) is adjusted by an amendment of this section,

the weekly payment of compensation applicable to a worker injured before the date on which the adjustment takes effect is, for any period of partial incapacity for work occurring on and after that date, to be determined by reference to that amount as so adjusted. Such an adjustment does not apply to the extent that the liability to make weekly payments of compensation in respect of any such period of incapacity has been commuted under section 51. 10 15

(8) **Exemption.** This section does not apply to any period of partial incapacity for work during which the worker is compensated under this Act as if the worker's incapacity for work were total.

Assessment of incapacitated worker's ability to earn 20

40A. (1) An injured worker who is partially incapacitated for work may be required by the employer to undergo an assessment of the worker's ability to earn in some suitable employment.

(2) An injured worker is not required to undergo such an assessment unless the worker has been informed about the possible entitlements of the worker under section 38 and the requirements for the worker to obtain those entitlements. The giving of that information does not constitute an admission of liability by an employer or insurer under this Act or independently of this Act. 25 30

(3) Any such assessment or information is to comply with the requirements (if any) prescribed by the regulations.

(4) Any such assessment is at the cost of the person who requires it. 35

(5) If an injured worker fails, without reasonable excuse, to undergo any such assessment, the right to weekly compensation for partial incapacity for work is suspended while the failure continues.

Workers Compensation Legislation (Further Amendment) 1992

SCHEDULE 1—AMENDMENTS TO WORKERS COMPENSATION
ACT RELATING TO BENEFITS FOR PARTIALLY
INCAPACITATED WORKERS—*continued*

Explanatory note

5 Section 40 of the Act presently provides for “make-up” weekly compensation
payments for injured workers who are only partially incapacitated and who are not
entitled to the higher rate under section 38 during job-seeking and rehabilitation
training. The “make-up” payment is, generally speaking, the difference between the
10 worker’s pre-injury earnings and the amount the worker is earning or would be able to
earn in some suitable employment after the injury. However, the Act presently provides
that where the injured worker is unemployed (or not fully employed) the “make-up”
payment is the usually lesser rate of the difference between the current weekly wage rate
for the pre-injury employment and that rate for some suitable post-injury employment;
15 the current weekly wage rate is determined by reference to the lesser award or standard
rates of pay and not average actual earnings. If there are a number of positions that
would provide suitable post-injury employment, the average rate for those positions may
be used.

The changes effected by the new provisions include the following:

- 20 (a) The lesser “make-up” payments for unemployed (or not fully employed)
workers are to apply only after the worker has received a total of at least 104
weeks of “make-up” payments at the higher rate. However, the regulations may
make alternative provision if the use of award rates becomes inappropriate (for
example, because of the introduction of enterprise agreements).
- 25 (b) When the lesser rate applies, the rate is to be determined on the basis specified in
the Act. This reverses part of the decision in the case of *Smith v Dafinis* (Court
of Appeal 17 December 1991) which held that the use of the relevant current
weekly wage rates was not mandatory even though the Act required the amounts
to be determined “by reference” to those rates.
- 30 (c) The determination of the amount that an injured worker would be able to earn in
some suitable employment is to be subject to the regulations and is to be made
having regard to guidelines of the WorkCover Authority. Because of the different
circumstances of each case, the determination of actual market earnings for
potential employment by unemployed workers may be difficult. The regulations
35 and guidelines are intended to facilitate the application of uniform standards by
insurers (for example, by the use of particular publications of the Australian
Statistician).
- (d) Injured workers are to be given a proper opportunity to determine whether they
are eligible for the higher rate under section 38 for job-seeking and rehabilitation
training before they are assessed for “make-up” payments under section 40.

40 Generally, the other changes that have been made are consequential or reflect the
interpretation that has been placed on the existing provisions of the Act. The other
changes concerned which are not intended to alter the existing law include the use of the
expression “the reduction in the worker’s weekly earnings” to recast section 40 in
45 plainer language and the consequential changes to the provisions relating to the
determination of the amount that an unemployed worker is able to earn in some suitable
employment.

- (3) Section 43A:
- After section 43, insert: 5
- Suitable employment**
- 43A. (1) For the purposes of sections 38 and 40:
- “**suitable employment**”, in relation to a worker, means employment in work for which the worker is suited, having regard to the following: 10
- (a) the nature of the worker’s incapacity and pre-injury employment;
 - (b) the worker’s age, education, skills and work experience;
 - (c) the worker’s place of residence; 15
 - (d) the details given in the medical certificate supplied by the worker;
 - (e) the provisions of the employer’s workplace rehabilitation program and any rehabilitation assessment of, or rehabilitation plan for, the worker; 20
 - (f) the length of time the worker has been seeking suitable employment;
 - (g) any other relevant circumstances.
- (2) In the case of employment provided by the worker’s employer, suitable employment includes: 25
- (a) employment in respect of which:
 - (i) the number of hours each day or week that the worker performs work; or
 - (ii) the range of duties the worker performs, 30
is suitably increased in stages (in accordance with a rehabilitation plan or otherwise); and
 - (b) if the employer does not provide employment involving the performance of work duties—suitable training of a vocationally useful kind provided: 35

Workers Compensation Legislation (Further Amendment) 1992

SCHEDULE 1—AMENDMENTS TO WORKERS COMPENSATION
ACT RELATING TO BENEFITS FOR PARTIALLY
INCAPACITATED WORKERS—*continued*

5 (i) by the employer at the workplace or elsewhere;
or

(ii) by any other person or body under arrangements
made with the employer,

10 but only if the employer pays an appropriate wage or
salary to the worker in respect of the time the worker
attends the training concerned.

(3) However, in any such case, suitable employment does
not include:

15 (a) employment that is merely of a token nature and does
not involve useful work having regard to the
employer's trade or business; or

(b) employment that is demeaning in nature, having regard
to subsection (1) (a) and (b) and to the worker's other
employment prospects.

20 (4) A worker is to be regarded as suitably employed if the
worker has been reinstated to the worker's former
employment under Part 7 of Chapter 3 of the Industrial
Relations Act 1991.

(5) The regulations may make provision for or with respect
to determining whether a worker is suitably employed.

25 **Explanatory note**

The amendment re-locates, with minor modifications, the provisions of existing
section 38A relating to the definition of "suitable employment". The definition is
relevant to the partial incapacity provisions of both sections 38 and 40.

30 (4) Section 54 (**Notice required before termination or reduction of
payment of weekly compensation**):

(a) In section 54 (4) (b), after "in such form", insert "(or
contain such information)".

(b) After section 54 (5), insert:

35 (6) This section does not apply to a reduction in weekly
compensation as a result only of the application of different
rates of compensation after the expiration of earlier periods
of incapacity for which higher rates were payable (whether
under section 38 or otherwise).

Workers Compensation Legislation (Further Amendment) 1992

SCHEDULE 1—AMENDMENTS TO WORKERS COMPENSATION
ACT RELATING TO BENEFITS FOR PARTIALLY
INCAPACITATED WORKERS—*continued*

(7) In the case of a reduction in weekly compensation as a result of the commencement of payments under section 40 or of a change in the basis of assessment of payments under section 40, any requirement for the provision of information to the injured worker under section 40A must be complied with (in addition to the giving of a notice referred to in this section) before the reduction is made. 5
10

Explanatory note

The amendment makes a consequential amendment to the provision relating to the giving of notice to an injured worker of a reduction in weekly compensation. The amendment makes it clear that a notice is not required for a change in the rate of weekly compensation arising from different rates for different periods of incapacity. In addition, a reduction arising from a change in the basis of assessment under section 40 is not to be made until the information about the worker's entitlements required to be given by proposed section 40A has been duly given. 15

(5) Schedule 6 (Savings, transitional and other provisions):

After clause 5 of Part 4, insert: 20

Continued operation of former version of s. 38 (1)–(5) for injuries before 30 June 1989

5A. (1) In this clause, “the amending Act” means the Workers Compensation (Benefits) Amendment Act 1989.

(2) This clause applies to a period of incapacity for work (whether occurring before or after 4.00 p.m. on 30 June 1989), if the incapacity results from an injury received before that time. 25

(3) For the purpose of determining the weekly payment of compensation in respect of a period of incapacity to which this clause applies: 30

(a) section 38 (1)–(5) of this Act (as in force immediately before the commencement of Schedule 2 (2) to the amending Act) continues to apply; and

(b) for the purposes of paragraph (a), section 38 (4) (as so in force) applies as if: 35

(i) the words “to the satisfaction of a commissioner” in section 38 (4) (b); and

(ii) section 38 (4) (c),
were omitted. 40

INCAPACITATED WORKERS—*continued*

5 (4) If a period of incapacity for work results both from an
injury received before 4.00 p.m. on 30 June 1989 and an
injury received at or after that time, the incapacity is, for the
purpose of determining the weekly payment of compensation
(if any) payable under section 38 of this Act, to be treated as
having resulted from the injury received at or after that time.

10 (5) The Workers Compensation (Savings and Transitional)
Regulation 1989 is repealed.

**Operation of 1992 amending Act—ss. 38, 38A, 40, 40A,
43A**

15 5B. (1) In this clause, “**the amending Act**” means the
Workers Compensation Legislation (Further Amendment)
Act 1992.

20 (2) The amendments made by the amending Act to
sections 38, 38A, 40, 40A and 43A of this Act apply to any
period of incapacity occurring after the commencement of
those amendments (whether the incapacity results from an
injury received before or after that commencement), except
as provided by clauses 5 and 5A and this clause.

25 (3) In the case of a period of incapacity resulting from an
injury received before the commencement of those
amendments:

(a) the maximum total period for which a worker may be
compensated in accordance with section 38 of this Act
is to be 52 weeks instead of 104 weeks but only if the
injury was received before 1 February 1992; and

30 (b) if the rate of compensation for a period of incapacity to
which section 38 applies would be higher if the
amending Act had not been enacted, the rate is to be
determined as if the amending Act had not been
enacted; and

35 (c) any period of incapacity before the commencement of
the amendment to section 40 of this Act is to be
disregarded for the purpose of calculating the period of
104 weeks of weekly compensation after which the
reduction in the worker’s weekly earnings is to be
determined in accordance with section 40 (3) of this
40 Act.

- (4) If a period of incapacity for work results both from an injury received before a relevant date and an injury received on or after that date, the incapacity is, for the purpose of determining the weekly payment of compensation (if any) payable under section 38 or 40 of this Act, to be treated as having resulted from the injury received on or after that date. The relevant date for the purposes of subclause (3) (a) is 1 February 1992 and for any other purpose is the date of commencement of the amendment concerned. 5
- Operation of regulation relating to form of medical certificates under s. 38** 10
- 5C. Clause 10 (2) of the Workers Compensation (General) Regulation 1987 (as inserted by the Regulation published in the Gazette of 1 May 1992) applies to medical certificates supplied by a worker before 1 May 1992. 15
- Explanatory note**
- Proposed clause 5A transfers to the Act the provisions of the Workers Compensation (Savings and Transitional) Regulation 1989 so that related provisions are located in the same place. 20
- Proposed clause 5B provides that the changes made to weekly compensation for partial incapacity apply to future periods of incapacity, irrespective of the date of injury. However, if the injury was received before the commencement of the proposed amendments, the extension of the maximum period of section 38 special total incapacity payments is not extended from 52 weeks to 104 weeks but any unexpected reduction in the rate of compensation is not to have effect. 25
- Proposed clause 5C extends the operation of a regulation made on 1 May 1992 relating to the form of medical certificates under section 38 about a worker's fitness for work to medical certificates given before that date. The regulation preserved the effectiveness of a certificate even though it was not given strictly in accordance with the prescribed form. 30

SCHEDULE 2—AMENDMENTS TO WORKERS COMPENSATION
ACT RELATING TO STATUTORY FUNDS OF INSURERS—
continued

Explanatory note

- 5 Schedule 2 provides for the amalgamation of the separate statutory funds managed by
a licensed workers compensation insurer. At present, separate funds are established by
an insurer (other than a specialised insurer) for premiums received in each financial
year. The funds are to be amalgamated into a single fund for each insurer. As a
consequence it will no longer be necessary for insurers to keep a separate account of
10 premiums received in respect of policies issued in each year—contributions by insurers
to the WorkCover Fund, the Premiums Adjustment Fund and other Funds will be based
on premiums received during the relevant year irrespective of the year to which the
policy relates. Items (12)–(14) make related changes to the existing provisions for
determining the solvency of each separate fund of an insurer and for the pooling of
15 premiums to cover deficiencies in funds and the distribution of excess reserves. Under
the amendments, overall deficits in the various statutory funds or in a particular
statutory fund will be funded (as at present) through the Premiums Adjustment Fund or
from transfers from other statutory funds. Excess reserves will continue to be available
for transfer to the Premiums Adjustment Fund to cover future liabilities.

211A); and

(2) into consideration in respect of both the applicant for the

under this Division the name of one or more wholly owned
subsidiaries of the licence holder. While the name of a
company is endorsed on an employer's licence, the company
is taken to be covered by the licence.
- (2) The Authority may at any time amend such an
endorsement by adding, altering or deleting the name of a
company. An amendment is made by the Authority giving
notice of it to the licence holder and takes effect on the day
notice is given or on a later day specified in the notice.

20 211B. (1) Any Government employer covered for the time being by the Government’s managed fund scheme is taken to be a self-insurer for the purposes of this Act.

25 (2) The Government’s managed fund scheme is any arrangement under which the self-insurer liabilities (within the meaning of section 216) of particular Government employers covered by the arrangement are paid by the Government of the State or by the Insurance Ministerial Corporation on its behalf.

30 (3) The Insurance Ministerial Corporation may enter into an arrangement with the Authority under which the Corporation acts on behalf of Government employers for the purpose of paying contributions under this Act and for other purposes of this Act.

35 (4) The other provisions of this Division do not apply to self-insurers referred to in this section. However, the Authority may, with the approval of the Treasurer, impose conditions on the authority conferred by this section on such self-insurers (being conditions of a kind that the authority could impose on the licence of a self-insurer under this Division).

40 (5) This section does not apply to any Government employers who are separately licensed under this Division as self-insurers.

ACT RELATING TO SELF-INSURERS—*continued*

- (6) Section 213 (**Deposit required for self-insurers**):
- (a) In section 213 (1), after “A self-insurer”, insert “who is granted a licence under this Division”. 5
- (b) From section 213 (1) (a), omit “on the grant of a licence under this Division to the self-insurer”, insert instead “on the grant of the licence”.
- (7) Section 215 (**Alternative method of giving security**):
- From section 215 (7), omit “satisfying under section 216 any final judgments against the self-insurer making the deposit”, insert instead “paying or satisfying under section 216 any claims, judgments or awards against a self-insurer”. 10

- Omit the section, insert instead: 15
- Application and refund of deposit**
216. (1) The Authority is to hold every amount of money deposited under this Division on trust for the payment and satisfaction of all claims, judgments or awards (not otherwise paid or satisfied): 20
- (a) against the self-insurer making the deposit in respect of its self-insurer liabilities; and
- (b) against any other self-insurer that is a subsidiary of the self-insurer making the deposit (being a subsidiary that is covered for the time being by the licence of that self-insurer) in respect of the subsidiary’s self-insurer liabilities. 25

ACT RELATING TO SELF-INSURERS—*continued*

5 (b) on satisfying the Authority that all accrued, continuing, future and contingent self-insurer liabilities of the person or the person's subsidiaries have been discharged or adequately provided for.

(4) In this section:

“self-insurer liabilities” of a person means:

10 (a) any liabilities of the person under this Act in respect of workers employed by the person while a self-insurer; or

15 (b) any liabilities of the person independently of this Act (being liabilities under a law of New South Wales) for injuries received by workers employed by the person while a self-insurer.

(9) Section 269 (**Posting summary of Act**):

From section 269 (1) (c), omit “licensed self-insurer”, insert instead “self-insurer”.

Explanatory note

20 Schedule 3 contains amendments which:

(a) extend the provisions for the licensing of self-insurers so that a holding company may be issued with a group licence to cover it and its nominated subsidiaries; and

25 (b) provide that Government employers covered by the Treasury managed fund scheme are to be regarded as a group of licensed self-insurers for workers compensation purposes.

30 At present under the Act only companies which directly employ a large number of workers are able to obtain self-insurers licences so that they can pay their own workers compensation liabilities without taking out insurance. The amendments enable a holding company to obtain a self-insurers licence to cover its own workers (if any) and also the workers employed by subsidiary companies specified in its licence. The issue of self-insurers licences will continue to be administered by the WorkCover Authority.

35 Under the Treasury managed fund scheme, central government agencies (generally those funded from the Consolidated Fund) are covered for their workers compensation liabilities. Prior to the privatisation of GIO, that fund was managed by GIO and the relevant central government agencies were excluded from various provisions of the Act. The fund is now under the principal control of the NSW Insurance Ministerial Corporation (with GIO dealing with claims under contractual arrangements). The amendments in the Schedule rationalise the position of central government agencies by
40 treating them as self-insurers under the new subsidiary provisions, with the Government (or the Ministerial Corporation on its behalf) being the notional holding company.

Workers Compensation Legislation (Further Amendment) 1992

**SCHEDULE 4—AMENDMENTS TO WORKERS COMPENSATION
ACT RELATING TO PRIVATISATION OF GIO—*continued***

Explanatory note

Schedule 4 contains consequential changes to the Act as a result of the privatisation of GIO. Before the privatisation, GIO managed the workers compensation liabilities of central government agencies under the Treasury managed fund scheme, and accordingly insurance arrangements for those workers were excluded from various provisions of the Act. The amendments in this Schedule remove those references—under the amendments in Schedule 3 the relevant government agencies are to be treated as self-insurers. 5

Under the Act, the workers compensation insurance licence of GIO was a special licence that could not be revoked or amended without the approval of the Treasurer. The orders made under the Government Insurance Office (Privatisation) Act 1991 transferred that special licence to the NSW Insurance Ministerial Corporation which was constituted under that Act to manage Government assets and liabilities excluded from the sale of GIO. Because the relevant government agencies are to be treated as self-insurers, the special licence is no longer required. Accordingly, the amendments in this Schedule cancel the licence and remove the references to that licence in the Act. 10 15

**SCHEDULE 5—MISCELLANEOUS AMENDMENTS TO
WORKERS COMPENSATION ACT**

(Sec. 3) 20

(1) Section 3 (Definitions):

Omit the definition of “specialised insurer” from section 3 (1), insert instead:

“specialised insurer” means:

(a) any of the following corporations: 25

Australian Jockey Club

Catholic Church Insurances Ltd

Commonwealth Steamship Insurance Co. Pty
Ltd

The Guild Insurance Co. Ltd 30

Joint Coal Board

North Insurances Pty Ltd

(b) any other corporation declared by order of the Authority to be a specialised insurer, being a corporation which the Authority is satisfied has acquired the business undertaking of a corporation mentioned in paragraph (a) or a corporation which issues policies only in respect of domestic or similar workers. 35

Workers Compensation Legislation (Further Amendment) 1992

SCHEDULE 5—MISCELLANEOUS AMENDMENTS TO
WORKERS COMPENSATION ACT—*continued*

Explanatory note

5 The amendment removes the possibility of the existing group of specialised insurers being extended by regulation or order of the WorkCover Authority, unless the insurer is providing coverage for domestic or similar workers only.

(2) Sections 37, 45, 52:

10 From sections 37 (5) (a), 45 (1) and 52 (1), omit "Social Security Act 1947" wherever occurring, insert instead "Social Security Act 1991".

Explanatory note

The amendment updates references to a Commonwealth Act.

(3) Section 51 (**Commutation in certain cases of weekly payments**):

15 After section 51 (7), insert:

(8) If a liability in respect of weekly payments of compensation is only partially commuted under this section, the balance of the weekly payments continues to be payable under and subject to this Act.

20 **Explanatory note**

The amendment makes it clear that when a worker commutes a part of his or her weekly payments of compensation into a lump sum, the balance continues to be payable as weekly compensation.

(4) Section 65 (**Definitions**):

25 At the end of section 65 (2) (b), insert:

; and

(c) permanent brain damage.

Explanatory note

30 The amendment makes it clear that the provisions of Division 4 of Part 3 of the Act that deal with compensation for the loss of things set out in the Table of Permanent Injuries at the end of that Division apply to permanent brain damage, which is included in that Table but is not described as a "loss".

(5) Part 3, Division 4, Table (**Compensation for permanent injuries**):

35 (a) From the matter relating to disfigurement (facial), omit "0-26", insert instead "0-80".

(b) From the matter relating to disfigurement (bodily), omit "0-22", insert instead "0-50".

Workers Compensation Legislation (Further Amendment) 1992

SCHEDULE 5—MISCELLANEOUS AMENDMENTS TO
WORKERS COMPENSATION ACT—*continued*

(c) At the end of the notes to the Table, insert:

- (i) In the case of disfigurement caused by an injury received before the commencement of Schedule 5 (5) to the Workers Compensation Legislation (Further Amendment) Act 1992, the relevant percentage is the range of 0–26% in respect of severe facial disfigurement and the range of 0–22% in respect of severe bodily disfigurement.

Explanatory note

The amendment increases the maximum amount of compensation for severe facial disfigurement from a range of 0–26% of the maximum amount of compensation for permanent disabilities (currently \$128,700) to 0–80% of that maximum amount. The amendment also increases the maximum amount of compensation for severe bodily disfigurement from a range of 0–22% of the maximum amount of compensation for permanent disabilities to 0–50% of that maximum amount.

(6) Section 148:

Omit section 148, insert instead:

Application of other provisions of the Act to Scheme

148. (1) For the purposes of section 13 (3), the Authority is to have the same entitlement to recover payments it has made to a worker under the Scheme as an employer has in respect of payments the employer has made to a worker under section 13.

(2) If a worker has received payments under the Scheme, the payments are to be treated as compensation recovered by the worker for the purposes of:

- (a) section 64 of the former Act as continued in operation by clause 1 (2) of Part 14 of Schedule 6 to this Act; and

(b) section 151Z of this Act.

(3) The regulations may provide for the application (with such modifications as may be prescribed) of other provisions of this Act with respect to any matter arising under this Division.

Workers Compensation Legislation (Further Amendment) 1992

SCHEDULE 5—MISCELLANEOUS AMENDMENTS TO
WORKERS COMPENSATION ACT—*continued*

Explanatory note

5 Section 13 of the Act provides for compensation to be paid to a worker employed in
New South Wales, but who is injured while outside the State. Section 13 (3) provides
that if a worker has received such compensation and subsequently recovers
compensation or damages under the laws of the jurisdiction in which that person was
10 injured, the employer is entitled to recover either the amount of compensation paid by
the employer under this Act or the amount recovered in the other jurisdiction, whichever
is the lesser. Section 151Z of the Act contains provisions aimed at preventing a worker
from receiving double compensation in circumstances where the worker's injury can be
compensated under the Act and under the general law in New South Wales.

15 The object of the amendment is to enable the WorkCover Authority to recover
payments made by it to workers under the Uninsured Liability and Indemnity Scheme in
either of these situations.

**(7) Section 151D (Time limit for commencement of court
proceedings against employer for damages):**

Omit section 151D (1).

Explanatory note

20 The amendment removes the requirement that a person who commences or who has
commenced court proceedings for common law or other damages for a work-related
injury more than 18 months after the date of the injury must give the court a full and
satisfactory explanation to the court for the delay. The requirement is modelled on
25 section 52 of the Motor Accidents Act 1988. Unlike most motor accident injuries, there
are many work-related diseases or other injuries that take some time to stabilise. The
existing provision that proceedings be commenced within 3 years after the date of the
injury (except with the leave of the court) has been retained.

30 **(8) Section 151L (Mitigation of damages); section 152
(Rehabilitation programs to be established by employers);
section 154 (Rehabilitation counsellors); section 154A
(Rehabilitation etc. not admission of liability):**

(a) From sections 151L (2) (c), 152 (1), 152 (4) and 154A, omit
"general rehabilitation programme" wherever occurring,
insert instead "workplace rehabilitation program".

35 (b) From sections 152 (2), 152 (3) and 154, omit "programme"
and "programmes" wherever occurring, insert instead
"program" and "programs" respectively.

Explanatory note

40 The amendment changes the name of general rehabilitation programmes to workplace
rehabilitation programs to reflect the nature of the programs. The amendment also
revises the spelling of "program".

(5) For the avoidance of doubt, this section applies and is taken always to have applied to the recovery of compensation or damages, whether or not the compensation or damages were paid under an award or judgment. For example, compensation or damages may be paid under an agreement.

15

Explanatory note

The amendment (item (a)) makes it clear that the provisions against double payment of compensation and common law damages apply in the period between the date judgment in a common law action is given and the date payment is made. The amendment overrules a decision of the District Court in *Nsair v GIO* (14 December 1990).

20

The amendment (item (b)) makes it clear that the provisions of the section against double payment to injured workers if both workers compensation and common law damages are payable apply when payment is made voluntarily and not under a court order.

From section 153A (4) (a), omit “the first \$500 (or other agreed amount) of any claim”, insert instead “the relevant part of any weekly compensation claim”.

After section 172 (4), insert:

- 5 premium for a policy of insurance whether issued or renewed before or after the change, but only in respect of any period after the change when the premium remains unpaid.

Explanatory note

The amendment makes it clear that a change in the interest rate on unpaid premiums applies to existing policies, but only in respect of any period of non-payment occurring after the change is made.

- 10 (12) Section 184 (**Cancellation of policies following cancellation or suspension of insurer's licence**):

After section 184 (13), insert:

- (14) This section does not apply to any policies of insurance assigned to another insurer under section 185.

15 **Explanatory note**

- 20 (13) Schedule 6, Part 4 (**Savings and transitional provisions relating to weekly compensation**):

- (a) After clause 4 of Part 4, insert:

Post-26 week payments covered by the former Act not affected by the Workers Compensation (Benefits) Amendment Act 1991

- (3) Division 6 of Part 3 of this Act applies as if the amounts of:
- (a) \$196.00; and 10
- (b) \$155.90; and

SCHEDULE 5—MISCELLANEOUS AMENDMENTS TO
WORKERS COMPENSATION ACT—*continued*

5 (b) a loss for which the worker concerned had not, before that commencement, been awarded, or received or agreed to receive, compensation in accordance with section 16 of the former Act.

10 (2) If any such loss is taken (by section 15, 16, 17 or any other provision of this Act) to have happened before the commencement of Division 4 of Part 3 of this Act, the amount of compensation payable for the loss under that Division is to be determined as if the relevant maximum amount under section 66 (1) of this Act were the maximum amount applicable on the commencement of that Division (namely, \$80,000).

15 (3) This clause is enacted to avoid doubt and, accordingly, is taken to have applied from the commencement of Division 4 of Part 3 of this Act.

Explanatory note

20 The amendment clarifies the application of the compensation provisions for permanent disabilities resulting from injuries received before the commencement of the Act.

(15) Schedule 6, Part 13 (**Savings and transitional provisions relating to Uninsured Liability and Indemnity Scheme**):

After clause 4 of Part 13, insert:

judgment. For example, compensation or damages may be paid under an agreement.

(5) If any payment is made under the indemnity referred to in section 64 (1) (b) of the former Act and, at the time of payment, the worker has obtained judgment for damages against the person paying under the indemnity (but judgment has not been satisfied), the payment, to the extent of its amount, satisfies the judgment. 5

(6) Subclauses (4) and (5) do not apply to the matter that was the subject of the decision of the District Court on 14 December 1990 in *Nsair v. GIO*. 10

Explanatory note

The amendment makes it clear that certain former preserved provisions against double payment to injured workers before commencement of the Act if both workers compensation and common law damages are payable apply when payment is made voluntarily and not under a court order. 15

The amendment also extends the amendment made by Schedule 5 (9) (a) to claims under the former Act. 20

(17) Schedule 6, Part 20 (Savings and transitional regulations):

(b) At the end of section 5 (1) (c) (i), insert:

5 Any member appointed to the board before the amendment of this section by the Workers Compensation Legislation (Further Amendment) Act 1992 is taken to have been appointed for a period of 3 years.

Explanatory note

10 (2) Section 5A (**Board may use its services and facilities for other purposes**):

From section 5A (1), omit "With the approval of the Minister, the", insert instead "The".

(3) Section 6 (**Constitution of Fund**):

(a) From section 6 (2A), omit "approved by the Minister".

20 (b) From section 6 (7A) (c), omit "the Government Insurance Office of New South Wales", insert instead "an insurer licensed under the Principal Act".

WORKERS' COMPENSATION (DUST DISEASES) ACT—*continued***

(b) Omit section 7 (4), insert instead:

(4) If a medical practitioner has given evidence or agreed to give evidence as a medical practitioner in connection with any legal proceedings taken by or on behalf of a worker or by any employer of the worker, the medical practitioner must not act as a member of a medical authority in connection with any case involving those proceedings.

5

Explanatory note

10

Item (4) (a) allows appointments to the medical authority to be synchronised.

Item (4) (b) makes it clear that a medical practitioner is disqualified from acting as a medical authority in a particular case only if the medical practitioner has been employed by either the worker or the worker's employer to give evidence in legal proceedings concerning the case.

15

(5) Section 8 (**Certificate of medical authority and rates of compensation**):

After section 8 (2B) (ba), insert:

(bb) The payment referred to in paragraph (b) (ii) is not to be made to a person during any period when the person lives with another person on a permanent and bona fide domestic basis, although not legally married to that other person.

20

25

(6) Section 8I (**Appeals**):

30

Explanatory note

Workers Compensation Legislation (Further Amendment) 1992

**SCHEDULE 7—AMENDMENT OF MOTOR VEHICLES
(THIRD PARTY INSURANCE) ACT 1942**

(Sec. 5)

(1) Section 14 (**Making of claims—identified motor vehicles**):

5 After section 14 (5), insert:

 (6) Subsection (1) (as inserted by the Motor Vehicles
(Third Party Insurance) Amendment Act 1984) does not
10 apply, and is taken never to have applied, to a claim for
 damages in respect of the death of or bodily injury to an
 employee if:

 (a) the death or injury arises out of or in the course of the
 employment of the employee; and

 (b) the claim is made by or in relation to the employee and
 against the employer (in the capacity of employer).

15 Subsection (4) extends to a claim to which this subsection
 applies.

 (7) Subsection (6) (and the amendment made to section
35A by the Workers Compensation Legislation (Further
20 Amendment) Act 1992) do not affect the decision made by
 the Court of Appeal in *Nikolovsky v GIO and Anor* of 11
 September 1992 or any other decision of a court made before
 the commencement of that subsection. Proceedings under
 subsection (1) that are pending on the commencement of
25 subsection (6) may be continued despite the fact that they are
 proceedings to which subsection (6) applies. Proceedings to
 which subsection (6) applies may be brought instead of or in
 addition to any such pending proceedings, despite any
 restriction in the Limitation Act 1969.

(2) Section 35A (**Application**):

30 From section 35A, omit “in an action:” and paragraphs
 (c)–(e), insert instead “in respect of a claim to which section
 14 (6) applies.”.

Explanatory note

35 The Motor Vehicles (Third Party Insurance) Act 1942 was amended in 1984 by
 substituting section 14 to require common law actions for damages for personal injury
 from motor vehicle accidents to be brought directly against GIO (as sole insurer).

Workers Compensation Legislation (Further Amendment) 1992

SCHEDULE 7—AMENDMENT OF MOTOR VEHICLES (THIRD
PARTY INSURANCE) ACT 1942—*continued*

Before that time, plaintiffs sued the owner or driver of the vehicle but the defence was taken over by GIO or other authorised insurer. In addition, Part 3A (sections 35A–35D) was inserted to prescribe discount rates for calculating the amount of damages in those actions and to provide for certain other restrictions on the amount of those damages. 5

The Court of Appeal, in the recent case of *Nikolovsky v GIO and Anor* decided that substituted section 14 applied also to common law actions for journey or other work-related motor vehicle accidents in which the employee sued his or her employer for breach of the duty of care owed by the employer. As a result, the plaintiff was not entitled to unrestricted common law damages by suing the employer. Many actions (including pending actions before the courts) have proceeded on the basis that section 14 did not apply to those actions. In other cases proceedings have been taken against GIO in accordance with the decision in *Nikolovsky v GIO*. 10

The proposed amendments to the Act will reverse the decision in *Nikolovsky v GIO* (but without affecting the decision in that or any other decided case) to ensure that employees injured in motor vehicle accidents during the period of 1984–1987 to which the Act still applies will be able to sue their employer instead of GIO only. In the case of pending proceedings against GIO, the plaintiff is given the opportunity to proceed against the employer despite the fact the limitation period for bringing the action has now expired. 15 20

The proposed amendments also make it clear that the rules concerning dual insurance and contributions between insurers continue to apply. Accordingly, both the workers compensation insurer and the Transport Accidents Compensation Fund will (in cases where either could be liable) be obliged to contribute to the damages recovered by the plaintiff. 25

Following the privatisation of GIO, the GIO's role in proceedings involving the Transport Accidents Compensation Fund has been assumed by the NSW Insurance Ministerial Corporation.
