### No. VIII.

### An Act to make better provision for the Collection of Wharfage and Tonnage Rates. [Assented to, 12th July, 1880.]

THEREAS it is expedient to amend the Law regulating the Preamble. imposition and collection of Wharfage and Tonnage Rates and to embody the same in one Statute Be it therefore enacted by the Queen's Most Excellent Majesty by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled and by the authority of the same as follows :---

1. This Act shall come into force on the first day of July Commencement short in the year one thousand eight hundred and eighty and may be title and interpreta-cited for all purposes as the "Wharfage and Tonnage Rates Act of 1880" In its construction the expression "Public Wharf" means the Circular Quay and the Queen's Wharf at the Port of Sydney and any wharf within the Colony appointed to be a public or legal wharf under any Act in force for the time being regulating the Customsthe expression "Private Sufferance Wharf" means any wharf for which a sufferance has been or shall hereafter be granted in pursuance of any such Act as aforesaid for the landing of goods subject to the payment of Customs duties—and the word "Wharfinger" means the owner or lessee of a private sufferance wharf or the agent of either.

2. From and after the commencement of this Act the Acts and Repeal of Acts. portions of Acts specified in the First Schedule hereto shall be repealed but such repeal shall not prejudice or affect any rates collected or anything lawfully done or commenced under the authority of the said Acts or any of them.

A

3.

3. Upon the landing on any public or private sufferance wharf in New South Wales of any goods merchandise packages or articles enumerated or mentioned in the Second Schedule hereto it shall be lawful to levy rates to be termed "Inward Wharfage Rates" not exceeding the respective rates prescribed in the Tariff and Scales of Charges contained in the said Schedule Provided that all goods arriving from any of the Australasian Colonies or New Zealand or any of the Pacific Islands landed on any public wharf and entered at the Custom House for transhipment shall be exempt from any wharfage rates chargeable under this Act.

4. It shall be lawful to levy wharfage rates in respect of any goods merchandise packages or articles laden whether into vessels lighters or boats from any such public or private sufferance wharf as aforesaid to be termed "Outward Wharfage Rates" not to exceed onehalf of the respective rates and to be levied and computed in accordance with the Scales specified in the Second Schedule hereto.

5. Every vessel under two hundred and forty tons registered tonnage and every lighter requiring a berth for loading only shall pay for each day or portion of a day during which she shall occupy a berth at any such public or private sufferance wharf a wharfage rate of ten shillings.

6. It shall be lawful to levy a rate of one farthing per ton per diem on all vessels fully laden discharging their inward cargoes at any such public or private sufferance wharf and a rate of one halfpenny per ton per diem on all other vessels partly laden during the time which such vessels shall occupy a berth at any such wharf but such rate shall not be leviable until after the expiration of the respective periods specified in the Third Schedule hereto Provided always that in the case of any vessel partly laden or which shall have discharged only a portion of her inward cargo at any such wharf such vessel shall be entitled to claim "free lay days" according to the quantity of cargo discharged which shall be considered to be the proportion which the amount of such cargo bears to the tonnage of the vessel when fully laden.

7. Any vessel of two hundred and forty tons registered tonnage or upwards requiring a berth for loading only shall pay a rate not exceeding one halfpenny per ton per day from the date of occupying a berth at any such public or private sufferance wharf and after the expiration of twenty-five days from such date shall pay half that rate for each day during which she occupies such berth.

8. No clearance shall be granted for any vessel liable to the payment of tonnage rates at any public wharf within the meaning of this Act unless a receipt for the payment of such rates signed by the proper officer or person shall be presented to the Collector or other proper officer of Customs.

9. It shall be lawful for the master of any vessel which shall occupy a berth at any such public or private sufferance wharf for the purpose of discharging inward cargo to deliver to the consignee importer or his agent any goods so to be discharged without molestation or interference by the collector or wharfinger or by any person whomsoever and without any charge other than the respective rates authorized by this Act And for the purpose of giving effect to the intention of this enactment all importers and consignees their agents and servants being duly authorized shall during Custom-house hours for the discharge of such vessel have free access to and from the ship's side whilst so discharging for the purpose of taking delivery of any such goods.

10. If any goods shall be landed on any such public or private sufferance wharf and shall not be removed therefrom before the expiration of forty-eight hours thereafter the Collector at any public wharf or the Wharfinger at any private sufferance wharf whereon such goods may then be may remove and store the said goods in the Queen's or any
