

This PUBLIC BILL originated in the LEGISLATIVE ASSEMBLY, and, having this day passed, is now ready for presentation to the LEGISLATIVE COUNCIL for its concurrence.

*Legislative Assembly Chamber,
Sydney, 18 July, 1890, A.M. }*

F. W. WEBB,
Clerk of Legislative Assembly.

New South Wales.

ANNO QUINQUAGESIMO QUARTO

VICTORIÆ REGINÆ.

No. .

An Act to sanction the construction of a Breakwater at Byron Bay.

WHEREAS, pursuant to the "Public Works Act of 1888," a Preamble. certain proposed Public Work, namely:—"A Breakwater at Byron Bay," was, on the sixth day of August, in the year one thousand eight hundred and eighty-nine, duly submitted and explained by the Secretary for Public Works in the Legislative Assembly, and such work was thereupon referred, on the motion of the said Minister, to the Parliamentary Standing Committee on Public Works, which Committee reported thereon to the said Assembly pursuant to the said Act; And whereas on the nineteenth day of June, in the year one thousand eight hundred and ninety, the said Assembly by resolution declared "that, it is expedient that the construction of a Breakwater at Byron Bay, as referred by the Legislative Assembly to the Parliamentary Standing Committee on Public Works," be carried out; And the said resolution was notified in the *Gazette* on the twentieth day of June, in the said year: Be it therefore enacted by the Queen's Most Excellent Majesty,

Byron Bay Breakwater.

by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows :—

1. This Act may be cited as the “Byron Bay Breakwater Act of 1890,” and shall be read with the “Public Works Act of 1888.” Short title.
2. The Public Work more particularly described in the Schedule to this Act shall be carried out by the Secretary for Public Works, or the Member of the Executive Council for the time being charged with the duties of the said Minister. And such Minister or Member shall for the purposes of this Act and the “Public Works Act of 1888” be deemed and taken to be the “Constructing Authority” authorized to enter into contracts, and to exercise all powers, do all acts and things, and be responsible in respect of all obligations and liabilities which can be done or incurred by a “Constructing Authority” under or pursuant to this Act or the said Public Works Act, so far as may be necessary for the carrying out of the work hereby sanctioned. The plan of such work hereinafter referred to is the plan marked “Byron Bay Breakwater,” signed by the Secretary for Public Works, and countersigned by the Engineer-in-Chief for Harbours and Rivers, and deposited in the office of the Secretary for Public Works. Work to be carried out.
3. The cost of carrying out the work hereby sanctioned, estimated at the sum of two hundred and forty-one thousand seven hundred and twenty-three pounds, shall be defrayed from such Loan Votes as are now or may hereafter be applicable thereto. Cost, how to be defrayed.

25

SCHEDULE.

Breakwater at Byron Bay, parish of Byron, county of Rous.

1. The construction of a breakwater, commencing on the foreshore at Cape Byron, at a point bearing easterly, and distant about four thousand two hundred feet from the outer end of the existing jetty, and extending thence in a north westerly direction on a curved line a distance of five thousand five hundred and eighty-five feet, inclusive of an opening nine hundred feet in length, near the shore or inner end, being tinted red on plan, and marked “Mr. Darley’s Scheme number two as recommended.”
