subject from the Parliamentary Standing Committee on Public Works it is expedient that the work of constructing a system of Sewerage for the Western Suburbs of the City of Sydney should be carried out at a total estimated cost of Eight hundred and thirty thousand three hundred and four pounds." And the said resolution was notified in the *Gazette* on the twenty-fifth day of September in the said year. And whereas, pursuant to the said Act, it has become the duty of the Minister to introduce a Bill into the said Assembly to sanction the carrying out of such work as aforesaid: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same as follows:—

1. This Act may be cited as the "Western Suburbs of Sydney Drainage Act of 1889," and shall be read with the "Public Works Act of 1888." Short title.

2. The series of Public Works for the drainage of the Western Suburbs of Sydney, more particularly described in the Schedule to this Act, shall be carried out by the Secretary for Public Works, or the Member of the Executive Council for the time being charged with the duties of the said Minister. And such Minister or Member shall, for the purposes of this Act and the "Public Works Act of 1888," be deemed and taken to be the "Constructing Authority" authorized to enter into contracts and to exercise all powers, do all acts and things, and be responsible in respect of all obligations and liabilities which can be done or incurred by a "Constructing Authority" under or pursuant to this Act, or the said Public Works Act, so far as may be necessary for the carrying out of the works hereby sanctioned. The plan of such works in this Act referred to is the plan marked "Western Suburbs of Sydney Drainage Works," signed by the late Engineer-in-Chief for Sewerage, and by G. H. Stayton, M.I.C.E., and countersigned by the present Engineer-in-Chief for Sewerage, and deposited in the office of the Secretary for Public Works. Work to be carried out.

3. The cost of carrying out the series of works hereby sanctioned shall be defrayed from such Loan Votes as are now, or may hereafter be, applicable thereto. Cost, how to be defrayed.

4. On completion of any part or parts of the said series of works, the same may, by notification in the *Gazette* by the Governor, be transferred to and vested in the Authority in which the works for the Water Supply and Sewerage of the City of Sydney and its suburbs are by law vested. Transfer on completion.
